PROXY STATEMENT  
-----

2005 ANNUAL MEETING OF STOCKHOLDERS  
-----

# Edgar Filing: PROFILE TECHNOLOGIES INC - Form DEF 14A

DECEMBER 12, 2005

## INTRODUCTION

The enclosed proxy is solicited by and on behalf of the Board of Directors (the "Board") of Profile Technologies, Inc., a Delaware corporation (the "Company"), to be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the offices of McGuireWoods LLP, 1345 Avenue of the Americas, Seventh Floor, New York, New York, 10105, at 10:00 a.m. local time on Monday, December 12, 2005, and at any and all adjournments of the Annual Meeting.

The enclosed materials were mailed to the stockholders of the Company (the "Stockholders") on or about October 28, 2005.

The Company anticipates that the Stockholders will consider and vote upon the following matters at the Annual Meeting:

1. To elect four persons as directors each to serve a term of one year (until the next annual meeting of Stockholders) or until their respective successors are elected and have been qualified.
2. To transact such other business as may properly come before the Annual Meeting and any postponement or adjournment of the Annual Meeting.

## VOTING OF PROXIES

Shares represented by proxies properly signed and returned, unless subsequently revoked, will be voted at the Annual Meeting in accordance with the instructions marked on the proxy. If a proxy is signed and returned without indicating any voting instructions, the shares represented by the proxy will be voted FOR approval of the proposals stated in this proxy statement, and in the discretion of the holders of the proxies, on other matters that may properly come before the Annual Meeting.

If you have executed and delivered a proxy, you may revoke such proxy at any time before it is voted by attending the Annual Meeting and voting in person, by giving written notice of revocation of the proxy, or by submitting a signed proxy bearing a later date. To revoke the prior proxy, the notice of revocation or later proxy, must be received by the Company before the vote of Stockholders at the Annual Meeting. Unless you vote at the Annual Meeting or take other action, your attendance at the Annual Meeting will not revoke your proxy.

## VOTING PROCEDURES

The Company's state of incorporation is Delaware. Under Delaware law and the Company's bylaws, the holders of a majority of the outstanding shares of the common stock (the "Common Stock") of the Company entitled to vote constitute a quorum at any meeting of stockholders. Votes cast by proxy or in person at the Annual Meeting will be counted by the inspector of elections appointed by the Company. The inspector of elections will treat shares of Common Stock represented by proxies that reflect abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Under Delaware law and the Company's bylaws, directors are elected by a plurality of the votes cast by the holders of shares entitled to vote at a meeting at which a quorum is present. Other matters are approved if affirmative votes cast by the holders of the shares entitled to vote at a meeting at which a quorum is present exceed the number of votes opposing the action, unless Delaware law or the Company's Certificate of Incorporation or bylaws require a greater number of affirmative votes or voting by classes. Therefore, abstentions and broker non-votes have no effect and will be disregarded.

All of the officers and directors have informed the Company that they intend to vote in favor of the nominees for directors included in this proxy statement.

VOTING SECURITIES

The Board has fixed the close of business on October 24, 2005 as the record date (the "Record Date") for determining the Stockholders entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, there were 8,543,445 issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting, held by approximately 950 Stockholders. As of the Record Date, the only outstanding voting security of the Company is Common Stock. As a Stockholder as of the Record Date, you are entitled to one vote for each share held on each matter properly submitted at the Annual Meeting.

 PROPOSAL 1  
 -----

-----  
 ELECTION OF DIRECTORS  
 -----

Four nominees are standing for election as directors on the Board to hold office until the next annual meeting of Stockholders is held and their successors are elected. All of the nominees are current directors of the Company standing for re-election and were previously elected by the Stockholders. If one or more of the nominees is unable to serve, or for good cause will not serve at the time of the Annual Meeting, the shares represented by the proxies solicited by the Board will be voted for the other nominees and for any substitute nominee(s) designated by the Board. As of the date of this proxy statement, the Board has no reason to believe that any of the nominees named will be unable or unwilling to serve. In the election of directors, those nominees receiving the greatest number of votes shall be elected, even if such votes do not constitute a majority. Certain information regarding each nominee follows. Each nominee has consented to being named in the proxy statement and to serve if elected.

### DIRECTOR COMPENSATION

The Company pays to all non-employee directors a director's fee in the amount of \$1,000 per month. Directors are entitled to participate in, and have been issued options under, the Company's 1999 Stock Plan. The Company also reimburses directors for any actual expenses incurred to attend meetings of the Board.

Due to the Company's critical need for cash, the Company has deferred all

## Edgar Filing: PROFILE TECHNOLOGIES INC - Form DEF 14A

payments owed to the directors for directors' fees until the Company has sufficient resources to pay such fees. As of June 30, 2005, the Company owed \$80,000 in deferred directors' fees. On March 18, 2002, the Board approved a conversion right on all directors' fees deferred as of March 18, 2002. Pursuant to this conversion right, directors may elect to convert \$1.00 of directors' fees owed to them as of March 18, 2002 for an option to purchase two shares of the Company's common stock, at an exercise price of \$1.00 per share for a term of five years. Deferred directors' fees as of March 18, 2002 were \$9,000, resulting in the potential issuance of 18,000 options under the terms described above. To date, none of the directors have elected to exercise their conversion right.

### BOARD OF DIRECTORS AND COMMITTEES

During the fiscal year ended June 30, 2005, the Board held a total of nine meetings. All members of the Board attended at least 75% of all meetings of the Board and all meetings held by all committees of the Board on which he served.

#### Audit Committee.

The Board maintains an Audit Committee composed of William Krivsky and Charles Christenson. The principal functions of the Audit Committee are to monitor the Company's financial reporting process and internal control system, to review and appraise the audit efforts of the Company's independent accountants and the internal audit function, to provide a means of communication among the independent accountants, financial and senior management, the internal audit function, and the Board, and to communicate with the Company's independent accountants outside of the presence of management, when necessary. The Audit Committee is also responsible for all matters set forth in its written charter, a copy of which was attached to the Company's proxy statement for the 2004 annual meeting. The Audit Committee held four meetings during the fiscal year ended June 30, 2005.

The Board has determined that based on his experience and knowledge in financial and auditing matters Dr. Christenson is an "audit committee financial expert" as defined by Securities and Exchange Commission ("SEC") rules. Dr. Christenson meets the standards of independence under the applicable National Association of Securities Dealers ("NASD") listing standards.

5

Under the Company's Audit Committee Charter, the Audit Committee is required to pre-approve all auditing services and permissible non-audit services, including related fees and terms, to be performed for the Company by its independent auditor, subject to the de minimus exceptions for non-audit services described under the Securities Exchange Act of 1934 (the "Exchange Act") which are approved by the Audit Committee prior to the completion of the audit.

#### Compensation Committee.

The Board has a Compensation Committee composed of Murphy Evans and William Krivsky. The principle functions of the Compensation Committee are to establish overall compensation policies for the Company and to review the recommendations submitted by the Company's management. The Compensation Committee did not hold any meetings during the year ended June 30, 2005.

#### Nominating Committee.

## Edgar Filing: PROFILE TECHNOLOGIES INC - Form DEF 14A

The Board does not have a standing nominating committee. Director nominees are recommended, reviewed and approved by the entire Board. The Board believes that this process is appropriate due to the relatively small number of directors on the Board and the opportunity to benefit from a variety of opinions and perspectives in determining director nominees by involving the full Board.

Shareholder Communications to the Board.

The Board has established a process for shareholders to communicate with members of the Board. If you would like to contact the Board you can do so by forwarding your concern, question or complaint to the Company's Chief Executive Officer, Henry E. Gemino, 2 Park Avenue, Suite 201, Manhasset, New York, 11030.

Legal Proceedings.

There are no material proceedings to which any director, officer, or affiliate of the issuer, any owner of record or beneficially of more than five percent of any class of voting securities of the small business issuer, or security holder, is a party adverse to the small business issuer or has a material interest adverse to the small business issuer.

Northwoods Enterprises subsequently assigned such royalty interest back to Mr. Burnett. On April 8, 1996, Mr. Burnett assigned 2% of this royalty interest to certain shareholders of the Company, 1 1/4% of which was assigned to Henry Gemino, currently the Chief Executive Officer and Chief Financial Officer, and a director of the Company. This royalty arrangement also applies to all future patent rights and technology developed by Mr. Burnett and assigned to the Company. ### SECTION 16(a): BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act of 1934, the executive officers and directors of the Company in addition to any person who owns more than 10% of the common stock of the Company are required to report their ownership of the common stock of the Company and changes to such ownership with the SEC. Based on a review of such reports and information provided to the Company, the Company believes that during the most recent fiscal year the executive officers and directors of the Company have complied with applicable filing requirements under Section 16(a) except that Mr. Evans failed to file in a timely manner one report in connection with one transaction during 2004.

### INDEPENDENT PUBLIC ACCOUNTANTS

On November 4, 2004, the Company dismissed KPMG LLP ("KPMG") as its independent accountant. The decision to change independent accountants was approved by the Company's Audit Committee and Board of Directors. During the audits of the Company's fiscal years ended June 30, 2004 and 2003 and through November 4, 2004, the Company has had no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of such disagreements in its report on the financial statements of the Company for such period. During the Company's two fiscal years ended June 30, 2004 and 2003 and through November 4, 2004, the Company has had no reportable events under Item 304(a)(1)(iv) of Regulation S-B, except as discussed in the next paragraph below.

During the audit for the year-ended June 30, 2004, KPMG advised the Company's Audit Committee that they identified one material weakness in the Company's internal controls. The material weakness identified related to the accounting and financial reporting for the non-payment of interest on the convertible debt, causing certain of the notes to be in default as of June 30, 2004. The accounting for this default is included in the Company's financial statements for the year-ended June 30, 2004. The Company has implemented processes and procedures to review debt agreements, on a quarterly basis, to ensure that the Company is in compliance with the terms of its debt instruments and covenants. In instances of non-compliance, the Company will take the necessary actions to remedy the non-compliance and consider the impact of any non-compliance in the reporting of the Company's financial statements.

The audit reports of KPMG on the financial statements of the Company as of and for each of the fiscal years ended June 30, 2004 and 2003 did not contain any adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except as follows:

KPMG's report on the financial statements of the Company as of and for the years ended June 30, 2004 and 2003, contained a separate paragraph stating that "the Company has incurred net losses since inception and has a working capital deficit at June 30, 2004 that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in note 7. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."

As set forth in its charter, the Audit Committee assists the Board by reviewing financial reports we provide to governmental bodies or the public, monitoring the adequacy of our internal controls regarding finance and accounting, reviewing our auditing, accounting, and financial reporting processes generally, and verifying the independence of our independent auditors. All auditors employed or engaged by us report directly to the Audit Committee. To fulfill its responsibilities, the Audit Committee recommends the selection of auditors and reviews reports of auditors and examiners, as well as management's responses to such reports, to ensure the effectiveness of internal controls and the implementation of remedial action. The Audit Committee also recommends to the Board whether to include the audited financial statements in our Annual Report and Form 10-KSB.

In discharging its responsibility, the Audit Committee has reviewed and discussed the Company's audited financial statements with management. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has received the written disclosures and letter from the Company's independent auditors as required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), and has discussed with the independent auditors their independence.

The Audit Committee reviewed and discussed our audited financial statements as of and for the year ended June 30, 2005, with management and the independent auditors. Management has the responsibility for preparation of our financial statements, and the independent auditors have the responsibility for examination of those statements. Based on this review and the discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report and Form 10-KSB for the year ended June 30, 2005, for filing with the SEC.
