(Attach extra sheets if needed.)

Although New Peoples Bankshares, Inc. (the Company) has completed a substantial part of the information required for its quarterly report on Form 10-Q for the quarter ended March 31, 2009, the Company and its auditors do not expect, without unreasonable effort or expense, to complete the disclosures for the Form 10-Q on or before the fifth day following the prescribed due date. The Company s annual report on Form 10-K for the year ended December 31, 2008, remains incomplete as was described in the Company s Form NT 10-K/A filed March 31, 2009.

The Company is working diligently to complete the assessment of the effectiveness of its disclosure controls and procedures as of March 31, 2009 and the assessment of the effectiveness of its internal control over financial reporting as of December 31, 2008, as required by Sections 302 and 404 of the Sarbanes-Oxley Act of 2002. However, it is unable to complete these assessments at this time and is not able to predict when its assessments will be completed. The Company expects to file a complete Form 10-Q for the quarter ended March 31, 2009 and a complete Form 10-K for the year ended December 31, 2008 as soon as practicable after it completes these assessments. The Company believes that there will be no material changes to the operational results that it has previously reported.
