EMERGING VISION, INC. AND SUBSIDIARIES
 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
 (UNAUDITED)

NOTE 1 - BASIS OF PRESENTATION:

The accompanying Consolidated Financial Statements of Emerging Vision, Inc. and subsidiaries (collectively, the "Company") have been prepared in accordance with U.S. accounting principles generally accepted for interim financial statement presentation and in accordance with the instructions to Quarterly Reports on Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted for complete financial statement presentation. In the opinion of management, all adjustments for a fair statement of the results of operations and financial position for the interim periods presented have been included. All such adjustments are of a normal recurring nature. This financial information should be read in conjunction with the Consolidated Financial Statements and Notes thereto included in the Company's Annual Report on Form 10-K for its fiscal year ended December 31, 2003. There have been no changes in significant accounting policies since December 31, 2003.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

Stock-Based Compensation

The Company accounts for stock-based compensation in accordance with the provisions of SFAS No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure - an amendment of SFAS No. 123." This Statement amends SFAS No. 123, "Accounting for Stock-Based Compensation," to provide alternative methods of transition for a voluntary change to the fair value-based method of accounting for stock-based employee compensation. In addition, this Statement amends the disclosure requirements of SFAS No. 123 to require prominent disclosures in both annual and interim financial statements about the method of accounting for stock-based employee compensation and the effect of the method used on reported results of operations.

No stock-based compensation cost is reflected in net income for the three and six months ended June 30, 2004, as there was no stock-based compensation issued during these periods. Stock-based compensation cost of approximately \$1,000 is reflected in net income for the three and six months ended June 30, 2003 as a result of the grant, on May 30, 2003, of an aggregate of 700,000 stock options to certain of the Company's then directors and executive officers. The following table illustrates the effect on net income and net income per share as if the fair value method had been applied to all outstanding and unvested awards in each period presented:

Revenue Recognition

The Company charges franchisees a nonrefundable initial franchise fee. Initial franchise fees are recognized at the time all material services required to be provided by the Company have been substantially performed. Continuing franchise royalty fees are based upon a percentage of the gross revenues generated by each franchised location and are recorded as earned, subject to meeting all of the requirements of SEC Staff Accounting Bulletin ("SAB") No. 103, "Update of Codification of Staff Accounting Bulletins," and SAB 104, "Revenue Recognition." SAB 103 superceded SAB 101, "Revenue Recognition in Financial Statements," and replaced it, as well as other previously issued bulletins, with a codified format for the updated information. SAB 104 revised or rescinded portions of the interpretative guidance included in SAB 103.

The Company derives its revenues from the following three principal sources:

Net sales - Represents sales from eye care products and related services;

Franchise royalties - Represents continuing franchise royalty fees based upon a percentage of the gross revenues generated by each franchised location;

Other franchise related fees - Represents the net gains from the sale of Company-owned store assets to franchisees; and certain fees collected by the Company under the terms of franchise agreements (including, but not limited to, initial franchise fees, transfer fees and renewal fees).

The Company recognizes revenues in accordance with SAB 103 and SAB 104. Accordingly, revenues are recorded when persuasive evidence of an arrangement exists, delivery has occurred or services have been rendered, the Company's price to the buyer is fixed or determinable, and collectibility is reasonably assured. To the extent that collectibility of royalties and/or interest on franchise notes is not reasonably assured, the Company recognizes such revenue when the cash is received.

The Company also follows the provisions of Emerging Issue Task Force ("EITF") Issue 01-09, "Accounting for Consideration Given by a Vendor to a Customer (Including a Reseller of the Vendor's Products)," and accordingly, accounts for discounts, coupons and promotions (that are offered to its customers) as a direct reduction of sales.

Reclassifications

Certain reclassifications have been made to prior years' consolidated financial statements to conform to current year presentation.

NOTE 3 - PER SHARE INFORMATION:

Edgar Filing: EMERGING VISION INC - Form 10-Q

In accordance with SFAS No. 128, "Earnings Per Share", basic net income per common share ("Basic EPS") is computed by dividing net income attributable to common shareholders by the weighted-average number of common shares outstanding. Diluted net income per common share ("Diluted EPS") is computed by dividing the net income by the weighted-average number of common shares and dilutive common share equivalents and convertible securities then outstanding. SFAS No. 128 requires the presentation of both Basic EPS and Diluted EPS on the face of the Company's Consolidated Statements of Operations. Common stock equivalents totaling 7,874,153 were excluded from the calculation of Diluted EPS for the three and six months ended June 30, 2004, as the exercise prices of the stock options and other convertible securities were greater than the average share price for the three and six months ended June 30, 2004, and, therefore, their inclusion would have been anti-dilutive. Common stock equivalents totaling 9,167,843 were excluded from the calculation for the three and six months ended June 30, 2003, respectively.

NOTE 6 - CONTINGENCIES:

Litigation

In 1999, Apryl Robinson commenced an action in Kentucky against, among others, the Company, seeking an unspecified amount of damages and alleging numerous claims, including fraud and misrepresentation. The claims that are the subject of this action were subsequently tried in an action in New York that resulted in a judgment in favor of the Company, and against Ms. Robinson and Dr. Larry Joel, a co-defendant in such action. Subsequently, Ms. Robinson and Dr. Joel filed for bankruptcy in Kentucky, and received a discharge from the trustee. Presently, there is a motion pending in the U.S. Bankruptcy Court to vacate Dr. Joel's discharge based upon, among other things, fraud on the Bankruptcy Court. A trial on this motion is anticipated to commence in late 2004.

In 1999, Berenter Greenhouse and Webster, the advertising agency previously utilized by the Company, commenced an action, against the Company, in the New York State Supreme Court, New York County, for amounts alleged to be due for advertising and related fees. The amounts claimed by the plaintiff are in excess of \$200,000. In response to this action, the Company filed counterclaims of approximately \$500,000, based upon estimated overpayments allegedly made by the Company pursuant to the agreement previously entered into between the parties. As of the date hereof, these proceedings were still in the discovery stage.

In July 2001, the Company commenced an Arbitration Proceeding, in the Ontario Superior Court of Justice, against Eye-Site, Inc. and Eye Site (Ontario), Ltd., as the makers of two promissory notes (in the aggregate original principal amount of \$600,000) made by one or more of the makers in favor of the Company, as well as against Mohammed Ali, as the guarantor of the obligations of each maker under each note. The notes were issued, by the makers, in connection with the makers' acquisition of a Master Franchise Agreement for the Province of Ontario, Canada, as well as their purchase of the assets of, and a Sterling Optical Center Franchise for, four of the Company's retail optical stores then located in Ontario, Canada. In response, the defendants counterclaimed for damages, in the amount of \$1,500,000, based upon, among other

Edgar Filing: EMERGING VISION INC - Form 10-Q

items, alleged misrepresentations made by representatives of the Company in connection with these transactions. The Company believes that it has a meritorious defense to each counterclaim. As of the date hereof, these proceedings were in the discovery stage.

In February 2002, Kaye Scholer, LLP, the law firm previously retained by the Company as its outside counsel, commenced an action in the New York State Supreme Court seeking unpaid legal fees of approximately \$122,000. As of the date hereof, the Company has answered the complaint in such action. The Company believes that it has a meritorious defense to such claim.

In October 2002, an action was commenced against the Company and its wholly owned subsidiary, Sterling Vision of Eastland, Inc. (the "Tenant"), in the North Carolina General Court of Justice, in which Charlotte Eastland Mall, LLC, as the Landlord of the Tenant's former Sterling Optical Center located in Charlotte, North Carolina, is seeking, among other things, damages against the Company, in the approximate amount of \$81,000, under its Limited Guaranty of the Tenant's obligations under the Lease for such Center. In June 2004, the plaintiff withdrew this action without prejudice.

In November 2002, ADD of North Dakota, ADD of Jamestown, Inc., each former franchisees of the Company, and Aron Dinesen, their principal shareholder, commenced an action against the Company, in the United States District Court, District of North Dakota, Southeastern Division, alleging, among other things, that the Company breached certain of its obligations under each of their respective Franchise Agreements. In response thereto, the defendant asserted counterclaims based upon the defendants alleged breach of each such franchise agreement and of certain of the other agreements executed by the defendants in connection therewith. In August 2004, the Court granted the Company's motion for summary judgment on its counterclaims and for dismissal of the plaintiff's claims. The Company currently is seeking to enforce the judgment.

On May 20, 2003, Irondequoit Mall, LLC commenced an action against the Company and Sterling Vision of Irondequoit, Inc. alleging, among other things, that the Company had breached its obligations under its guaranty of the lease for the former Sterling Optical store located in Rochester, New York. The defendants believe that they have a meritorious defense to such action. As of the date hereof, these proceedings were in the discovery stage.

9

In October 2003, Developers Diversified Realty Corporation ("DDRC") commenced an action against the Company, in the District Court of the County of Wapello, State of Iowa, in which DDRC, as the Landlord of the Company's former Sterling Optical store located in Ottumwa, Iowa, was seeking, among other things, damages against the Company, in the approximate amount of \$200,000, under the lease for such store. In May 2004, this action was settled for the aggregate sum of \$120,000 in consideration for DDRC's dismissal of the action, with prejudice, and the exchange of mutual general releases.

In October 2003, Luzerne Optical Laboratories, Ltd. ("Luzerne") commenced an action against the Company in the Court of Common Pleas of the County of Luzerne, State of Pennsylvania, which action was thereafter removed to the Federal Court, Middle District of Pennsylvania. In this action, plaintiff seeks to recover, from the Company, the approximate sum of \$240,000 for certain laboratory services allegedly provided to the Company. The Company believes that it has a meritorious defense to such action. As of the date hereof, these proceedings were in the discovery stage.

In December 2003, Westminster Mall Company commenced an action against the Company and Sterling Vision of Westminster, Inc., the Company's wholly-owned

Edgar Filing: EMERGING VISION INC - Form 10-Q

subsidiary, in the District Court of the County of Jefferson, State of Colorado, in which the plaintiff, as the Landlord of the Company's former Sterling Optical store located in Westminster, Colorado, is seeking, among other things, damages against such subsidiary under the lease for such store, and against the Company under its guaranty of such lease, in the approximate amount of \$229,000. The Company believes that it has a meritorious defense to such action. As of the date hereof, these proceedings were in the discovery stage.

In April 2004, Rubloff Hastings, LLC commenced an action against the Company, in the District Court of Adams County, Nebraska, in which the plaintiff, as the Landlord of the Company's former Sterling Optical store located in Hastings, Nebraska, is seeking, among other things, damages under the Company's lease for the store in the approximate amount of \$59,000. The Company's time to answer the plaintiff's complaint has expired, and plaintiff has moved to enter a default judgement against the Company. The Company believes that it has a meritorious defense to such motion.

In April 2004, Jean Sundstrom, a franchisee of the Company, commenced an action, in the Wisconsin Circuit Court, Winnebago County, against the Company alleging, among other things, that the Company breached certain of its obligations under her franchise agreement. The Company has counterclaims against the plaintiff based upon the plaintiff's alleged breach of such franchise agreement and of certain of the other agreements executed by the plaintiff. The Company believes that it has a meritorious defense to plaintiffs' claims in such action. As of the date hereof, this action was in the discovery stage. In addition, the Company commenced, in May 2004, a separate action against plaintiff in the Supreme Court, Nassau County, New York, by expedited procedure, alleging a breach, by plaintiff, of her obligations under certain promissory notes given, by plaintiff, to the Company. The plaintiff's (as defendant in such New York action) time to respond to the Company's action has expired, and the Company has moved to enter a default judgment against the plaintiff (as defendant).

In addition to the foregoing, in the ordinary course of business the Company is a defendant in certain lawsuits alleging various claims incurred, certain of which claims are covered by various insurance policies, subject to certain deductible amounts and maximum policy limits. In the opinion of management, the resolution of these claims should not have a material adverse effect, individually or in the aggregate, upon the Company's business or financial condition. Other than as set forth above, management believes that there are no other legal proceedings, pending or threatened, to which the Company is, or may be, a party, or to which any of its properties are or may be subject to, which, in the opinion of management, will have a material adverse effect on the Company.

Additionally, with respect to the landlord-tenant actions described herein, the Company has already accounted for the estimated possible costs (including possible judgments) associated with such actions as part of accounts payable and accrued liabilities, and the accrual for store closures as of June 30, 2004.

Guarantees

As of June 30, 2004, the Company was a guarantor of certain leases of retail optical stores franchised and subleased to its franchisees. In the event that all of such franchisees defaulted on their respective subleases, the Company

Edgar Filing: EMERGING VISION INC - Form 10-Q

\$3,851,000. The Company continually evaluates the credit-worthiness of its franchisees in order to determine their ability to continue to perform under their respective subleases. Additionally, in the event that a franchisee defaults under its sublease, the Company has the right to take over operation of the respective location and operate as a Company-owned store as well as implementing other remedies against a franchisee.

NOTE 7 - THE PROXY CONTEST AND RELATED LITIGATION

In May 2004, Benito R. Fernandez, a former director of the Company, and Horizon Investors Corporation ("Horizons"), a company controlled by Mr. Fernandez, commenced an action in New York Supreme Court against the Company and four of his then fellow directors, which action was removed by the Company to the United States District Court for the Eastern District of New York. In their action, the plaintiffs alleged violations of state law arising from the Company's purported failure to provide plaintiffs with a complete and current list of the Company's shareholders, and alleged breaches of fiduciary duty by directors of the Company in connection with the setting of the record date and Annual Meeting.

On June 2, 2004, Mr. Fernandez, through Horizons, filed a preliminary proxy statement with the SEC in opposition to the Company's director nominees, soliciting proxies in support of a slate of six insurgent director nominees hand-picked by Fernandez. On June 16, 2004, Fernandez amended his preliminary proxy statement to, among other things, exclude one of his original nominees from his slate and ultimately filed a definitive proxy statement with the SEC on June 25, 2004.

The Company's 2004 Annual Meeting of Shareholders (the "Annual Meeting") was held on July 14, 2004 and, on July 26, 2004, the independent inspectors of election, IVS Associates, Inc., certified the voting results. The Company's nominees received 36,013,976 (approximately 56.6%) of the votes cast for the contested election of directors. There were 63,582,913 (approximately 90.3%) votes cast at the Annual Meeting out of a possible 70,422,217 voting shares. The insurgent nominees of Horizons, the owner of 23,726,531 (approximately 33.7%) shares of the Company, received only 3,796,925 (approximately 6.0% of the total votes cast) additional votes, for a total of 27,523,456 (approximately 43.3%) of the votes cast.

Accordingly, the Company's director nominees Seymour G. Siegel, Alan Cohen and Harvey Ross have been elected to serve as Class I directors of the Company, for a term of one year expiring in 2005, and Joel L. Gold, Robert Cohen and Christopher G. Payan have been elected as Class II directors of the Company, for a term of two years expiring in 2006.

On July 28, 2004, the aforementioned action was dismissed by Horizons, without prejudice, on consent.

During the three months ended June 30, 2004, the Company incurred approximately \$382,000 of costs associated with the proxy contest and related litigation, of which, as of June 30, 2004, approximately \$332,000 remained due and is included in payables associated with proxy contest and related litigation on the accompanying Consolidated Balance Sheet. Subsequent to June 30, 2004, approximately \$105,000 of additional costs in connection with the proxy contest were incurred by the Company.

Results of Operations

For the Three and Six Months Ended June 30, 2004, as Compared to the Comparable Period in 2003

Net sales for Company-owned stores, including revenues generated by the Company's wholly-owned subsidiary, VisionCare of California, Inc. ("VCC"), a specialized health care maintenance organization licensed by the State of California Department of Managed Health Care, decreased by approximately \$14,000, or 0.8%, to \$1,830,000 for the three months ended June 30, 2004, as compared to \$1,844,000 for the comparable period in 2003, and decreased by approximately \$117,000, or 3.0%, to \$3,817,000 for the six months ended June 30, 2004, as compared to \$3,934,000 for the comparable period in 2003. These decreases were primarily due to a decrease in Company-owned store sales due to a lower average number in operation during the three and six months ended June 30, 2004, offset, in part, by an increase in membership fees generated by VCC during the same comparable period.

As of June 30, 2004, there were 168 stores in operation, consisting of 10 Company-owned stores (including 2 Company-owned stores being managed by franchisees) and 158 franchised stores, as compared to 171 stores in operation as of June 30, 2003, consisting of 13 Company-owned stores (including 6 Company-owned stores being managed by franchisees) and 158 franchised stores. On

Edgar Filing: EMERGING VISION INC - Form 10-Q

a same store basis (for those stores that the Company will continue to operate as Company-owned stores), comparative net sales decreased by \$84,000, or 9.0%, to \$849,000 for the three months ended June 30, 2004, as compared to \$933,000 for the comparable period in 2003, and decreased by \$149,000, or 7.6%, to \$1,810,000 for the six months ended June 30, 2004, as compared to \$1,959,000 for the comparable period in 2003. Management believes that the year-to-date decline was a direct result of generally weak sales levels experienced in the upstate New York market, where the majority of the Company-owned stores are located, combined with the effects of employee turnover in certain of the stores.

Franchise royalties increased by \$119,000, or 7.5%, to \$1,715,000 for the three months ended June 30, 2004, as compared to \$1,596,000 for the comparable period in 2003, and increased by \$204,000, or 6.4%, to \$3,401,000 for the six months ended June 30, 2004, as compared to \$3,197,000 for the comparable period in 2003. Management believes that these increases were a result of a slight increase in franchise sales for the stores that were open during both of the comparable periods, combined with increased levels of field support to franchisees.

12

Other franchise related fees (which includes initial franchise fees, renewal fees and fees related to the transfer of store ownership from one franchisee to another) increased by \$20,000, or 80.0%, to \$45,000 for the three months ended June 30, 2004, as compared to \$25,000 for the comparable period in 2003, and decreased by \$107,000, or 51.9%, to \$99,000 for the six months ended June 30, 2004, as compared to \$206,000 for the comparable period in 2003. The decrease for the six months ended June 30, 2004 was directly attributable to the Company entering into ten new franchise agreements during the six months ended June 30, 2003, as opposed to three new franchise agreements during the comparable period in 2004.

Interest on franchise notes receivable decreased by \$18,000, or 40.9%, to \$26,000 for the three months ended June 30, 2004, as compared to \$44,000 for the comparable period in 2003, and decreased \$50,000, or 53.8%, to \$43,000 for the six months ended June 30, 2004, as compared to \$93,000 for the comparable period in 2003. These decreases were primarily due to numerous franchise notes maturing during the past 12 months with only three and four new notes, respectively, being generated during the three and six-month periods ended June 30, 2004.

Excluding revenues generated by the Company's wholly-owned subsidiary, VisionCare of California, Inc., the Company's gross profit margin decreased by 7.8%, to 75.4%, for the three months ended June 30, 2004, as compared to 83.2% for the comparable period in 2003, and decreased by 2.0%, to 74.7% for the six months ended June 30, 2004, as compared to 76.7% for the comparable period in 2003. These decreases were mainly a result of the Company settling liabilities with certain of its vendors at lower amounts than originally anticipated, which had a positive effect on its gross profit margin during the three and six months ended June 30, 2003. In the future, the Company's gross profit margin may fluctuate depending upon the extent and timing of changes in the product mix in Company-owned stores, competitive pricing, and promotional incentives.

Selling, general and administrative expenses increased by \$176,000, or 6.3%, to \$2,965,000 for the three months ended June 30, 2004, as compared to \$2,789,000 for the comparable period in 2003, and increased by \$49,000, or 0.9%, to \$5,798,000 for the six months ended June 30, 2004, as compared to \$5,749,000 for the comparable period in 2003. This was primarily a result of increases in salaries and related expenses of \$177,000 and \$40,000 for the three and six months ended June 30, 2004, respectively.

Interest expense decreased by \$80,000, to \$16,000, for the three months ended June 30, 2004, as compared to \$96,000 for the comparable period in 2003,

Edgar Filing: EMERGING VISION INC - Form 10-Q

and decreased by \$125,000, to \$32,000, for the six months ended June 30, 2004, as compared to \$157,000 for the comparable period in 2003. These decreases were primarily due to the amortization of the discount associated with certain financing during the three and six months ended June 30, 2003.

Liquidity and Capital Resources

As of June 30, 2004, the Company had negative working capital of \$1,054,000 and had cash on hand of \$1,091,000. During the six months ended June 30, 2004, the Company used \$69,000 of cash in its operating activities. This usage was a primarily a result of a decrease in accounts payable and accrued liabilities of \$989,000, offset, in part, by income from continuing operations of \$683,000 and the \$332,000 increase in costs associated with the proxy contest and related litigation which the Company anticipates paying in the ensuing quarter.

For the six months ended June 30, 2004, cash flows used in investing activities were \$164,000, principally due to capital expenditures and the issuance of four franchise promissory notes, offset by proceeds received on the Company's franchise notes receivable.

For the six months ended June 30, 2004, cash flows used in financing activities were \$59,000, principally due to the repayment of the Company's debt and related party borrowings, offset by proceeds received from the exercise of stock options and warrants.

The Company plans to seek to increase its cash flows during 2004 and into 2005 and improve store profitability through increased monitoring of store-by-store operations, continuing to reduce administrative overhead expenses where necessary and feasible, actively supporting development programs for franchisees, and adding new franchised stores to the system. Management believes that with the successful execution of the aforementioned plans to improve cash flows, its existing cash and the collection of outstanding receivables, there will be sufficient liquidity available for the Company to continue in operation for the ensuing twelve-month period. However, there can be no assurance that the Company will be able to successfully execute the aforementioned plans.

Future Contractual Obligations

The Company has an employment agreement with its Chief Executive Officer, which extends through February 2005. The employment agreement provides for certain base compensation and other miscellaneous benefits. The employment agreement also provides for an incentive bonus based upon the Company's achievement of certain EBITDA targets, as defined. The aggregate future annual base compensation relating to this employment agreement for the year ending December 31, 2004 is approximately \$282,000 and for the period January 1, 2005 through February 2005 is approximately \$33,000.

The Company leases locations for both its Company-owned and franchised stores, as well as its executive and administrative offices. The following table shows the Company's minimum future rental payments for Company-owned stores, executive and administrative offices, as well as for stores leased by the Company and subleased to franchisees (in thousands):

Item 3. Quantitative and Qualitative Disclosures about Market Risk

The Company presently has outstanding certain equity instruments with beneficial conversion terms. Accordingly, the Company, in the future, could incur non-cash charges to equity (as a result of the exercise of such beneficial conversion terms), which would have a negative impact on future per share calculations.

The Company believes that the level of risk related to its cash equivalents is not material to the Company's financial condition or results of operations.

Item 4. Controls and Procedures

a) Evaluation of Disclosure Controls and Procedures
