### Item 2.01 ? Completion of Acquisition or Disposition of Assets

On March 2, 2006, effective March 1, 2006, Reunion Industries, Inc. (the ?Registrant?) completed the sale of the business and substantially all of the assets of its Plastics segment to Oneida Molded Plastics, LLC (?Buyer?) for a purchase price consisting of \$11,573,000 paid in cash and the Buyer?s assumption of the accounts payable and other current liabilities of the segment. The purchase price is subject to a post-closing adjustment based on a closing balance sheet for the segment that is to be prepared within 60 days of the closing date. The Registrant deposited \$300,000 of the purchase price in a one-year escrow, as security for any claims of the Buyer that may arise after the closing under the governing Asset Purchase Agreement.

The purchase price was determined by negotiation between the Registrant and the Buyer. There is no relationship, other than in respect of the reported transaction, between (1) the Buyer and (2) the Registrant or any of Registrant?s affiliates or any of Registrant?s directors or officers or any associates of any such director or officer.

Bradley, who is a director of the Registrant.
