Item 1.02. Termination of Material Definitive Agreement.

On June 1, 1995, AdCare Health Systems, Inc. (the Company) entered a management services agreement (agreement) to perform and provide management, administrative and other services for the fifty unit nursing home known as Valley View Alzheimer s Care Center for Valley View Manor Nursing Home, Inc. (Valley View). The Company received 4.5% of Valley View s gross revenue in exchange for the services rendered which amounted to approximately \$138,000 during 2008. The initial agreement was for a period of three years but was automatically extended each year provided that neither party gave four months written notice of their intent to not renew the agreement. The agreement contained no early termination penalties.

On Friday, January 30, 2009, the Company received written notice from Valley View that they were providing four months notification of their decision to not renew the Company s management services agreement. One of the owners of Valley View has decided to relocate near the facility and manage it for their own account therefore no longer requiring the services of the Company. The Company will continue to provide services through the effective date, May 31, 2009, which will amount to the Company receiving approximately \$85,000 less in management fees in 2009.
