PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Celgene Corporation, a Delaware corporation, in connection with the solicitation of proxies by the Board of Directors for use at our Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 15, 2004, and at any adjournment or postponement thereof. A copy of the Notice of Annual Meeting accompanies this Proxy Statement. It is anticipated that the mailing of this Proxy Statement will commence on or about May 15, 2004.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on April 28, 2004, the record date for the Annual Meeting (the "Record Date"), will be entitled to notice of and to vote at the Annual Meeting. On the Record Date we had outstanding _____ shares of common stock, par value \$.01 per share (the "Common Stock"), which are our only securities entitled to vote at the Annual Meeting, each share being entitled to one vote.

REVOCABILITY OF PROXIES

Stockholders who execute proxies may revoke them by giving written notice

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

to our Chief Executive Officer at any time before such proxies are voted. Attendance at the Annual Meeting shall not have the effect of revoking a proxy unless the stockholder so attending shall, in writing, so notify the Secretary of the Annual Meeting at any time prior to the voting of the proxy.

OTHER MATTERS

The Board of Directors does not know of any matter that is expected to be presented for consideration at the Annual Meeting, other than the election of directors, the approval of an amendment to our Certificate of Incorporation to increase the number of shares of Common Stock we are authorized to issue and the ratification of the appointment of our independent certified public accountants for the current fiscal year. However, if other matters properly come before the Annual Meeting, the persons named in the accompanying proxy intend to vote thereon in accordance with their judgment.

SOLICITATION EXPENSES

We will bear the cost of the Annual Meeting and the cost of soliciting proxies, including the cost of mailing the proxy material. In addition to solicitation by mail, our directors, officers and regular employees (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy material to their principals, and we will reimburse them for their expenses. In addition, we have retained ADP, a proxy solicitation organization, to assist in the solicitation of proxies. ADP's fee is estimated to be \$75,000, plus reasonable out-of-pocket expenses.

VOTING PROCEDURES; ABSTENTIONS

All proxies received pursuant to this solicitation will be voted except as to matters where authority to vote is specifically withheld and, where a choice is specified as to the proposal, they will be voted in accordance with such specification. If no instructions are given, the persons named in the proxy solicited by our Board of Directors intend to vote FOR the nominees for election as our directors listed herein, FOR the amendment to our Certificate of Incorporation to increase the number of shares of Common Stock we are authorized to issue and FOR the ratification of the appointment of KPMG LLP as our independent certified public accountants for the fiscal year ending December 31, 2004.

A majority of the outstanding shares of Common Stock entitled to vote on the Record Date, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting and any adjournment or postponement thereof. Abstentions will be counted as present or represented for purposes of establishing a quorum for the transaction of business.

Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders. Abstentions will have no effect on the election of directors, which is by plurality of the votes cast in person or by proxy, but abstentions will, in effect, be votes against the amendment to our Certificate of Incorporation to increase the number of shares of Common Stock we are authorized to issue and against the ratification of the selection of independent public accountants. The amendment to our Certificate of Incorporation requires the affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote on the Record Date whether or not present in person or represented by proxy. The ratification of the selection of

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

independent public accountants requires the affirmative vote of a majority of the shares of Common Stock present and eligible to vote on such matter.

MATTERS TO COME BEFORE THE ANNUAL MEETING

PROPOSAL ONE: ELECTION OF DIRECTORS

NOMINEES

At the Annual Meeting, ten directors, who have been nominated by the Nominating and Governance Committee, are to be elected, each to hold office (subject to our Bylaws) until the next annual meeting and until his or her successor has been elected and qualified. Each nominee has consented to being named as a nominee in this Proxy Statement and to serve if elected. If any nominee listed in the table below should become unavailable for any reason, which the Board of Directors does not anticipate, the proxy will be voted for any substitute nominee or nominees who may be selected by the Board of Directors prior to or at the Annual Meeting, or, if no substitute is selected by the Board of Directors prior to or at the Annual Meeting, for a motion to reduce the membership of the Board of Directors to the number of nominees available. Directors will be elected by an affirmative vote of a plurality of the votes cast at the Annual Meeting in person or by proxy. There are no family relationships between any of our directors and executive officers. The information concerning the nominees and their security holdings has been furnished by them to us.

DIRECTOR COMPENSATION

All members of the Board of Directors who are not our employees ("NON-EMPLOYEE DIRECTORS") receive an annual fee of \$10,000 a year and an additional \$10,000 a year upon attendance of 75% of the total number of meetings of the Board of Directors. In addition, all Non-Employee Directors receive \$2,000 for each Board Meeting attended in person (and are reimbursed for their expenses for each meeting attended) and \$500 for each telephonic Board Meeting attended, and are eligible to receive stock options pursuant to the 1995 Non-Employee Directors' Plan (the "DIRECTORS' OPTION PLAN"). Each Non-Employee Director serving on a committee of the Board of Directors receives \$500 for each committee meeting attended in person or by telephone. In addition, each of the Chairmen of the Management Compensation and Development Committee, the Executive Committee and the Nominating and Governance Committee receive \$2,500 in annual cash compensation, and the chairman of the Audit Committee receives \$5,000 in annual cash compensation.

The Directors' Option Plan was adopted by the Board of Directors on April 5, 1995, and approved by our stockholders at the 1995 annual meeting of stockholders. At our annual meeting held in 1997, the Directors' Option Plan was amended to increase the number of shares of our Common Stock that may be issued upon exercise of options granted thereunder from 750,000 shares to 1,050,000 shares. At our annual meeting held in 1999, the Directors' Option Plan was amended to increase the number of shares of our Common Stock that may be issued upon exercise of options granted thereunder from 1,050,000 shares to 1,800,000 shares. The Directors' Option Plan currently provides for the granting to Non-Employee Directors of non-qualified options to purchase an aggregate of not more than 1,800,000 shares (subject to adjustment to reflect changes in capitalization) of Common Stock.

Under the Directors' Option Plan, each new Non-Employee Director upon the date of his or her election or appointment will be granted a non-qualified option to purchase 20,000 shares of Common Stock. These initial options vest in four equal annual installments commencing on the first anniversary of the date of grant, assuming the Non-Employee Director remains a director of our company.

Each Non-Employee Director currently also receives non-qualified options to purchase 3,750 shares of Common Stock per quarter (15,000 shares annually). These options vest in full on the first anniversary of the date of the grant, assuming the Non-Employee Director is a director of our company on that date.

The Directors' Option Plan also provides for a discretionary grant upon the date of each annual meeting of an additional option to purchase up to 5,000 shares to a non-employee director who serves as a member (but not a chairman) of a committee of the Board of Directors and up to 10,000 shares to a non-employee director who serves as the chairman of a committee of the Board of Directors.

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

All options granted pursuant to the Directors' Option Plan will expire no later than 10 years from the date of grant and no options may be granted after June 16, 2005. If a Non-Employee Director terminates his or her service on the Board of Directors for any reason, options that were exercisable on the date of termination and that have not expired may be exercised at any time until the date of expiration of such options. In addition, if there is a change of control and within two years after such change of control a director ceases to be a Non-Employee Director for any reason, or is not nominated for election by our stockholders, all unvested portions of a stock option will automatically vest.

In 2003, pursuant to the Directors' Option Plan, each of Messrs. Bowman, Cary and Morgan and Dr. Robb received options to purchase a total of 27,500 shares of Common Stock. Such options were granted: 20,000 on June 10; 3,750 on September 15 and 3,750 on December 15, 2003, at exercise prices of \$33.62, \$45.11 and \$44.83 per share, respectively, the fair market value of the stock on the dates of the grants. In 2003, pursuant to the Directors' Option Plan, each of Mr. Casey and Drs. Kaplan and Hayes received options to purchase a total of 22,500 shares of Common Stock. Such options were granted: 15,000 on June 10; 3,750 on September 15 and 3,750 on December 15, 2003, at exercise prices of \$33.62, \$45.11 and \$44.83 per share, respectively, the fair market value of the stock on the dates of the grants.

BOARD INDEPENDENCE

No director will be deemed to be independent unless the Board of Directors affirmatively determines that the director has no material relationship with our company, directly or as an officer, stockholder or partner of an organization that has such a relationship. The Board of Directors observes all criteria for independence established by the National Association of Securities Dealers, Inc. ("NASD"). In its annual review of director independence, the Board of Directors has determined that all of our Non-Employee Directors, and a majority of all of the directors, of our company may be classified as "independent" within the meaning of Rule 4200 of the NASD Marketplace Rules.

BOARD MEETINGS; COMMITTEES AND MEMBERSHIP

The Board of Directors held eight meetings during 2003. During 2003, each of the directors attended more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings of all committees of the Board on which such director served. Our policy is to encourage our Board members to attend the Annual Meeting of stockholders, and a majority of our directors attended the 2003 Annual Meeting of stockholders.

We maintain the following committees of the Board of Directors: the Executive Committee (the "EXECUTIVE COMMITTEE"), the Management Compensation and Development Committee (the "COMPENSATION COMMITTEE"), the Nominating and Governance Committee (the "NOMINATING COMMITTEE") and the Audit Committee (the "AUDIT COMMITTEE"). Except for the Executive Committee, each of the committees are comprised entirely of directors who may be classified as "independent" within the meaning of Rule 4200 of the NASD Marketplace Rules. Other than the Executive Committee, each of the committees acts pursuant to a separate written charter, and each such charter has been adopted and approved by the Board of Directors. A copy of the Audit Committee Charter is attached to this Proxy Statement as Appendix A and is available on our website at <http://www.celgene.com>. A copy of the Nominating Committee Charter is attached to this Proxy Statement as Appendix B.

The Executive Committee

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

The Executive Committee's current members are Frank T. Cary, Chairman, Sol J. Barer, John W. Jackson and Richard C.E. Morgan. The Executive Committee held no meetings in 2003. The Executive Committee has and may exercise all of the powers and authority of our full Board of Directors, subject to certain exceptions.

6

The Compensation Committee

The Compensation Committee's current members are Richard C.E. Morgan, Chairman, Frank T. Cary and Jack L. Bowman. The Compensation Committee annually reviews the total compensation package for all executive officers, including the Chief Executive Officer; considers modification of existing compensation and benefit programs and the adoption of new plans; administers the plans and reviews the compensation of non-employee members of the Board of Directors. The Compensation Committee has (i) the full power and authority to interpret the provisions and supervise the administration of our 1986 Stock Option Plan, the 1992 Long-Term Incentive Plan and the 1998 Stock Incentive Plan, (ii) the full power and authority to administer and interpret our Deferred Compensation Plan, (iii) the full power and authority to administer and oversee our Long-term Incentive Plan and (iv) the authority to review all matters relating to our personnel. The Compensation Committee met four times during 2003.

The Nominating Committee

The Nominating Committee's current members are Jack L. Bowman, Chairman, Frank T. Cary and Michael D. Casey. The Nominating Committee held its first meeting in 2003. The Nominating Committee determines the criteria for nominating new directors, recommends to the Board of Directors candidates for nomination to the Board of Directors and oversees the evaluation of the Board of Directors. The Nominating Committee's process to identify and evaluate candidates for nomination to the Board of Directors includes consideration of candidates for nomination to the Board of Directors recommended by stockholders. Such stockholder recommendations must be delivered to our Secretary, together with the information required to be filed in a Proxy Statement with the Securities and Exchange Commission regarding director nominees and each such nominee must consent to serve as a director if elected, no later than the deadline for submission of stockholder proposals as set forth in our Bylaws and under the section of this Proxy Statement entitled "Stockholder Nominations." In considering and evaluating such stockholder proposals that have been properly submitted, the Nominating Committee will apply substantially the same criteria that the Nominating Committee believes must be met by a Nominating Committee-recommended nominee as described below. To date, we have not received any recommendations from stockholders requesting that the Nominating Committee consider a candidate for inclusion among the Nominating Committee's slate of nominees in our proxy statement.

In addition, certain identification and disclosure rules apply to director candidate proposals submitted to the Nominating Committee by any single stockholder or group of stockholders that has beneficially owned more than five percent of the Common Stock for at least one year (a "Qualified Stockholder Proposal"). If the Nominating Committee receives a Qualified Stockholder Proposal that satisfies the necessary notice, information and consent provisions referenced above, the Proxy Statement will identify the candidate and the stockholder (or stockholder group) that recommended the candidate and disclose whether the Nominating Committee chose to nominate the candidate. However, no such identification or disclosure will be made without the written consent of both the stockholder (or stockholder group) and the candidate to be so identified. The procedures described in this paragraph are meant to

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

establish additional requirements and are not meant to replace or limit stockholders' general nomination rights in any way.

In evaluating director nominees, the Nominating Committee currently considers the following factors:

- o our needs with respect to the particular talents and experience of our directors;
- o the knowledge, skills and experience of nominees, including experience in business or finance, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;
- o familiarity with our business and businesses similar or analogous to ours;
- o experience with accounting rules and practices and corporate governance principles; and
- o such other factors as the Nominating Committee deems are in our best interests and the best interests of our stockholders.

7

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. If any member of the Board does not wish to continue in service or if the Nominating Committee or the Board of Directors decides not to re-nominate a member for re-election, the Nominating Committee identifies the desired skills and experience of a new nominee, and discusses with the Board of Directors suggestions as to individuals who meet the criteria. The Nominating Committee may also utilize the services of an outside search firm to assist it in finding appropriate nominees for the Board of Directors.

The Audit Committee

The Audit Committee's current members are Walter L. Robb, Chairman, Gilla Kaplan, Arthur Hull Hayes, Jr. and Michael D. Casey. The Audit Committee held six meetings in 2003. Each of Dr. Robb and Mr. Casey is an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission and, as such, both Mr. Casey and Dr. Robb satisfy the requirements of Rule 4350 of the NASD. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. In fulfilling its responsibility, the Audit Committee pre-approves, subject to stockholder ratification, the selection of our independent certified public accountants. The Audit Committee also reviews our consolidated financial statements and the adequacy of our internal controls. The Audit Committee meets at least quarterly with our management and our independent certified public accountants to review and discuss the results of audits or reviews of our consolidated financial statements, the evaluation of our internal audit controls, the overall quality of our financial reporting and our critical accounting policies and to approve any related-party transactions. The Audit Committee meets separately, at least quarterly, with the independent certified public accountants and our Chief Executive Officer. In addition, the Audit Committee oversees our existing procedures for the receipt, retention and handling of complaints. A more complete description of the Audit Committee and its functions may be found in the Audit Committee Charter attached to this Proxy Statement as Appendix A.

STOCKHOLDER NOMINATIONS

Our Bylaws provide that nominations for the election of directors may be made at the Annual Meeting: (a) by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (b) by any stockholder who (i) is a stockholder of record on the date of the giving of the notice and on the record date for the determination of stockholders entitled to vote at such annual meeting and (ii) complies with the notice procedures set forth below.

In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to our Corporate Secretary.

To be timely, a stockholder's notice to the Secretary must be delivered to or mailed and received at our principal executive offices not less than sixty (60) days nor more than ninety (90) days prior to the date of the annual meeting; provided, however, that in the event that less than seventy (70) days' notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by the stockholder (in order to be timely) must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Corporate Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director: (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class or series and number of shares of our capital stock which are owned beneficially or of record by the person and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the "EXCHANGE ACT"), and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice: (i) the name and record address of such stockholder, (ii) the class or series and number of shares of our capital stock which are owned beneficially or of record by such stockholder, (iii) a description of all arrangements or understandings between such stockholder and each proposed

8

nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (iv) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to nominate the persons named in his or her notice and (v) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and serving as a director if elected.

STOCKHOLDER COMMUNICATIONS

Our Board of Directors has determined that, in order to facilitate communications with the Board of Directors, or any individual members or any Committees of the Board of Directors, stockholders should direct all communication in writing to our Corporate Secretary at our principal executive

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

offices. Our Corporate Secretary will forward all such correspondence to the Board of Directors, individual members of the Board of Directors or applicable chair persons of any Committee of the Board of Directors, as appropriate and as directed in the communication, unless the communication is unduly hostile, threatening or illegal.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act, our directors, executive officers and any persons holding more than 10 percent of the Common Stock are required to report their ownership of Common Stock and any changes in that ownership, on a timely basis, to the Securities and Exchange Commission. All applicable acquisitions and dispositions of Common Stock, including grants of options under our Directors' Option Plan, the 1992 Long-Term Incentive Plan and the 1998 Stock Incentive Plan in 2003, were filed on a timely basis for the year 2003.

AUDIT COMMITTEE REPORT

Pursuant to rules adopted by the Securities and Exchange Commission designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of the Company's Board of Directors submits the following report:

AUDIT COMMITTEE REPORT TO STOCKHOLDERS

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of four directors, each of whom is independent as defined by the National Association of Securities Dealers' listing standards. The Audit Committee operates under a written charter approved by the Board of Directors and held six meetings in 2003. A copy of the charter is attached to this Proxy Statement as Appendix A.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has established a mechanism to receive, retain, and process complaints on auditing, accounting and internal control issues including the confidential, anonymous submission by employees of concerns on questionable accounting and auditing matters.

In connection with these responsibilities, the Audit Committee met with management and the independent auditors to review and discuss the December 31, 2003 consolidated financial statements. The Audit Committee also discussed with the independent auditors the matters required by Statement on

9

Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors the firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors, and the Audit Committee's review of the representations

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

of management and the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, to be filed with the Securities and Exchange Commission.

Respectfully submitted,
THE AUDIT COMMITTEE

EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS

John W. Jackson, Sol J. Barer and Robert J. Hugin (each an "EXECUTIVE") are employed pursuant to substantially similar employment agreements (the "EMPLOYMENT AGREEMENTS"). On May 1, 2003 we entered into new three-year Employment Agreements with each of the Executives (each expiring on May 1, 2006). The Employment Agreements provide Messrs. Jackson, Barer and Hugin with an initial base salary (which from time to time may be increased by the Board of Directors, or a committee thereof), and which is currently \$750,000, \$600,000 and \$525,000, respectively. In addition, each of the Employment Agreements provides for an annual target bonus which is currently 100%, 75% and 60%, respectively, of Executive's base salary measured against objective criteria to be determined by the Board of Directors, or a committee thereof. The Employment Agreements also provide that Messrs. Jackson, Barer and Hugin are entitled to continue to participate in all group health and insurance programs (and all other fringe benefit or retirement plans which are generally available to our employees). Each of the Employment Agreements provides that if Executive is terminated by us without cause or due to Executive's disability, he shall be entitled to receive a lump sum payment in an amount equal to Executive's annual base salary and a pro rata share of Executive's annual target bonus. Upon the occurrence of a change in control (as defined in the Employment Agreements) and thereafter, each Employment Agreement provides that if (a) at any time within one year of a change in control Executive's employment is terminated by us without cause or for disability or by Executive for good reason (as defined in the Employment Agreement) or (b) at any time within 90 days prior to a change in control, Executive's employment is terminated by us without cause or by Executive for good reason, Executive shall be entitled to receive: (i) a lump sum payment in an amount equal to (a) three times Executive's base salary plus (b) three times Executive's highest annual bonus within the three years prior to the change in control; (ii) any accrued benefits; (iii) payment of health and welfare premiums for Executive and his dependants for a maximum of three years; and (iv) full and immediate vesting of all stock options and equity awards; provided, however, that such payment shall be reduced by any payments made to Executive prior to the change in control on account of Executive's termination. Each Employment Agreement also provides that Executive shall be entitled to receive a gross-up payment on

11

any payments made to Executive that are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), except that a gross-up will not be made if the payments made to Executive do not exceed 105% of the greatest amount that could be paid to Executive such that the receipt of payments would not give rise to the excise tax. Each Executive is subject to a non-compete provision which applies during the period Executive is employed and until the first anniversary of the date Executive's employment terminates (the non-compete provision applies to the second anniversary of the date Executive's employment terminates if Executive receives change in control payments and benefits).

COMPENSATION COMMITTEE REPORT

The Compensation Committee annually reviews the performance and total compensation package and policies for all executive officers, considers the modification of existing compensation and employee benefit programs and the adoption of new plans, administers the Plans and reviews the compensation and benefits of Non-Employee Directors. The Compensation Committee is composed solely of independent outside directors.

EXECUTIVE COMPENSATION POLICIES AND PROGRAMS

Our executive compensation program is part of a company-wide program covering all employees. The program's goals are to attract, retain and motivate employees, and it utilizes incentives such that employees and stockholders share the same risks. The compensation program is designed to link compensation to performance.

A portion of each employee's compensation relates to the grant of stock options, and such grants are based on the successful attainment of strategic corporate, commercial and individual goals.

We do not have a pension plan (other than the 401(k) Plan) or other capital accumulation program. Grants of stock options are therefore of great importance to executives as well as all employees. Any long-term value to be

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

derived from such grants will be consistent with stockholder gains.

On and after September 19, 2000, stock options granted to executives at the vice-president level and above contain a reload feature which provides that if (1) the optionee exercises all or any portion of the stock option (a) at least six months prior to the expiration of the stock option, (b) while employed by us or one of our our affiliates and (c) prior to the expiration date of the 1998 Stock Incentive Plan and (2) the optionee pays the exercise price for the portion of the stock option so exercised or pays applicable withholding taxes by using Common Stock owned by the optionee for at least six months prior to the date of exercise, the optionee shall be granted a new stock option under the 1998 Stock Incentive Plan

13

on the date all or any portion of the stock option is exercised to purchase the number of shares of Common Stock equal to the number of shares of Common Stock exchanged by the optionee to exercise the stock option or to pay withholding taxes thereon. The reload stock option will be exercisable on the same terms and conditions as apply to the original stock option except that (x) the reload stock option will become exercisable in full on the day that is six months after the date the original stock option is exercised, (y) the exercise price shall be the fair market value (as defined in the 1998 Stock Incentive Plan) of Common Stock on the date the reload stock option is granted and (z) the expiration of the reload stock option will be the date of expiration of the original stock option. An optionee may not reload the reload stock option unless otherwise permitted by the Compensation Committee.

Executive and employee compensation includes salary, bonus payments, employment-related benefits and incentive compensation:

Salary. Salaries are set competitively relative to the biotechnology and pharmaceutical industries--industries with which we compete for our highly skilled talent. Individual experience and performance is considered when setting salaries within the range for each position. Annual reviews are held and adjustments are made based on attainment of individual goals.

Bonus Plan. Our total cash compensation in addition to base salaries includes annual bonus eligibility for executives and some employee levels. The purpose of this compensation component is to provide a variable compensation component to executives and employees to achieve annual corporate, business unit and individual goals. Goals are set annually based upon our objectives to focus on achievement of key business targets and create employee ownership. The Executive Bonus Plan for officers is based exclusively on achievement of our key performance measures established and approved by the Compensation Committee of the Board of Directors.

Deferred Compensation. Certain designated executives may elect to defer the receipt of a portion of their base salary and bonuses, the receipt of restricted stock and the delivery of stock option gains to our Deferred Compensation Plan, an unfunded non-qualified deferred compensation arrangement. We make a matching contribution to the Deferred Compensation Plan on behalf of certain executives in the plan at a rate specified by the Compensation Committee.

Benefits. All employees are eligible for similar benefits, such as medical, dental, vision, disability and life insurance.

Incentive Compensation. A stock incentive program is established annually. The purpose of this program is to provide financial incentives to executives

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

and employees to achieve annual corporate, business unit and individual goals. The stock incentive program also aligns executive and employee interests with those of stockholders by using grants of stock options. Such grants vest over time thereby encouraging continued employment with us. The size of grants is tied to comparative biotechnology industry practices. To determine such comparative data, we rely on outside compensation consultants and third-party industry surveys. Stock option grants are made on a quarterly basis.

Under our 2003 incentive program, it was agreed that we would grant at a future date options to purchase shares of Common Stock, subject to the achievement of certain 2003 goals. A similar incentive program has been designed for 2004 based on attainment of corporate, business unit and individual goals. The program is open to all regular full-time employees with at least three months of service, other than our executive officers.

In 2003, we established a performance incentive program under our 1998 Stock Incentive Plan, which is a long-term program, designed to provide key officers and executives with specified incentive opportunities contingent upon achievement of pre-established corporate performance objectives and continued employment. The goals of the program are to create focus on key long-term objectives over time while creating a retention vehicle to ensure management continuity in key functional areas. The 2003 performance cycle began on May 1, 2003 and will end on December 31, 2005 (the "2003

14

CYCLE"). In addition, the 2004 performance cycle began on January 1, 2004 and will end on December 31, 2006 (the "2004 CYCLE"). Performance measures for the 2003 Cycle and the 2004 Cycle are based on the following components: 25% on earnings per share, 25% on net income and 50% on revenue.

For the 2003 Cycle and the 2004 Cycle, performance awards are expressed as a percentage of base salary. While such awards are denominated in cash, it is anticipated that they will be payable in the form of shares (converted from cash at the time of payment), although the Compensation Committee reserves the right to use cash. It is also anticipated that each named Executive Officer will participate in the performance incentive program.

Chief Executive Officer Compensation. Mr. Jackson received a salary of \$690,313 for 2003. Mr. Jackson also received a bonus of \$1,131,606 for 2003. Mr. Jackson's bonus is based solely on the achievement of key performance objectives for our company approved and measured by the Compensation Committee of the Board of Directors. Factors considered in determining Mr. Jackson's bonus included the successful attainment of certain revenue and earnings targets, and several important milestones in the development of our products, as well as comparisons to total compensation packages of chief executive officers at corporations within our industry that are of comparable size.

Policy with Respect to Compensation Deductibility. Our policy with respect to the deductibility limit of Section 162(m) of the Code generally is to preserve the federal income tax deductibility of compensation paid when it is appropriate and is in the best interest of us and our stockholders. However, we reserve the right to authorize the payment of non-deductible compensation if we deem that it is appropriate.

PROPOSAL TWO:
AMENDMENT TO CERTIFICATE OF INCORPORATION

On February 19, 2004, the Board of Directors unanimously approved an amendment to our Certificate of Incorporation, as amended, that would increase the number of authorized shares of stock from 125,000,000 to 300,000,000 and directed the submission of the amendment for approval at the Annual Meeting.

As of April 7, 2004, 81,707,843 shares of Common Stock were issued and outstanding, 1,800,000 shares were reserved for issuance under the Directors' Option Plan, 12,500,000 shares were reserved for issuance under the 1998 Stock Incentive Plan and 8,255,920 shares were reserved for issuance under our \$400,000,000 1 3/4% Convertible Notes due 2008.

The Board of Directors considers the proposed increase in the number of authorized shares of Common Stock desirable because it would give the Board of Directors the flexibility to issue Common Stock, if it determined to do so, in connection with stock dividends and splits, future acquisitions, financings, employee benefits and other appropriate corporate purposes without the delay and expense that could arise if there were insufficient authorized shares for a proposed issuance, thereby requiring stockholder approval and a special stockholders meeting before such issuance could proceed.

Except pursuant to the Director's Option Plan, the 1998 Stock Incentive Plan and the Convertible Notes, there are no present plans, agreements or understandings for the issuance of additional shares of Common Stock as of the date of this Proxy Statement; however, we review and evaluate potential acquisitions and other corporate actions on an on-going basis to determine if such actions would be in our best interest and in the best interest of our stockholders. Depending on the nature and size of any future issuance of Common Stock, further stockholder authorization may be required under Delaware law or the rules of the Nasdaq Stock Market or any stock exchange on which the Common Stock may then be listed.

IF THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION IS APPROVED BY OUR STOCKHOLDERS, IT WOULD BECOME EFFECTIVE UPON THE FILING OF A CERTIFICATE OF AMENDMENT WITH THE DELAWARE SECRETARY OF STATE, WHICH FILING WOULD OCCUR PROMPTLY AFTER THE ANNUAL MEETING.

REQUIRED VOTE

The affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting will be required to approve this Amendment. Abstentions are not affirmative votes and, therefore, shall have the same effect as votes against the proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE FOR THE ADOPTION OF THIS PROPOSAL

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

PROPOSAL THREE: INDEPENDENT AUDITORS

The Board of Directors has appointed KPMG LLP, independent certified public accountants, to audit our consolidated financial statements for the current year. The affirmative vote of a majority of the shares present and eligible to vote at the Annual Meeting is required for the ratification of the Board of Directors' selection of KPMG LLP as our independent certified public accountants for the fiscal year ending December 31, 2004. Representatives of KPMG LLP are expected to be present at the meeting of stockholders and will be given an opportunity to make a statement if they so desire. They are expected to be available to respond to appropriate questions.
