PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished in connection with the solicitation by the Board of Directors of Columbus McKinnon Corporation, a New York corporation ("our Company", "we" or "us"), of proxies to be voted at the Annual Meeting of Shareholders (the "Annual Meeting")

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

to be held at the Ramada Hotel and Conference Center, 2402 North Forest Road, Amherst, New York, on July 31, 2006, at 10:00 a.m., local time, and at any adjournment or adjournments thereof. The close of business on June 9, 2006 has been fixed as the record date for the determination of shareholders entitled to receive notice of and to vote at the meeting. At the close of business on June 9, 2006, we had outstanding 18,716,147 shares of our common stock, \$.01 par value per share, the holders of which are entitled to one vote per share on each matter properly brought before the Annual Meeting.

The shares represented by all valid proxies in the enclosed form will be voted if received in time for the Annual Meeting in accordance with the specifications, if any, made on the proxy card. If no specification is made, the proxies will be voted FOR the nominees for Director named in this Proxy Statement, FOR the adoption of the Columbus McKinnon 2006 Long Term Incentive Plan and FOR the adoption of the Columbus McKinnon Executive Management Variable Compensation Plan.

In order for business to be conducted, a quorum must be present at the Annual Meeting. A quorum is a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. Abstentions, broker non-votes and withheld votes will be counted in determining the existence of a quorum at the Annual Meeting.

Directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the seven nominees receiving the most votes will be elected. A majority of the votes cast is required to approve the adoption of our 2006 Long Term Incentive Plan and the adoption of our Executive Management Variable Compensation Plan. Under the law of the State of New York, our state of incorporation, only "votes cast" by the shareholders entitled to vote are determinative of the outcome of the matter subject to shareholder vote. Abstentions and broker non-votes will be counted in determining the existence of a quorum, but will not be counted towards any other nominee's achievement of plurality or in determining the votes cast on any other proposal.

The execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. A shareholder who executes a proxy may revoke it at any time before it is exercised by giving written notice to the Secretary, by appearing at the Annual Meeting and so stating, or by submitting another duly executed proxy bearing a later date.

This Proxy Statement and form of proxy are first being sent or given to shareholders on or about June 20, 2006.

EMPLOYEE PLANS

EMPLOYEE STOCK OWNERSHIP PLAN. We maintain our ESOP for the benefit of substantially all of our domestic non-union employees. The ESOP is intended to be an employee stock ownership plan within the meaning of Section 4975(e)(7) of the Internal Revenue Code of 1986, as amended and an eligible individual account plan within the meaning of Section 407(d)(3) of the Internal Revenue Code. From 1988 through 1998, the ESOP has purchased from us 1,373,549 shares of common stock for the aggregate sum of approximately \$10.5 million. The proceeds of certain institutional loans were used to fund such purchases. The ESOP's loans are secured by our common stock which is held by the ESOP and such loans are guaranteed by us. The ESOP acquired 479,900 shares of our common stock in October 1998 for the aggregate sum of approximately \$7.7 million. The proceeds of a loan we made to the ESOP were used to fund the purchase.

On a quarterly basis, we make a contribution to the ESOP in an amount determined by our Board of Directors. In fiscal 2006, our cash contribution was

10

approximately \$0.9 million. The ESOP's trustees use the entire contribution to make payments of principal and interest on the ESOP's loans.

Common stock not allocated to ESOP participants is recorded in an ESOP suspense account and is held as collateral for repayment of the ESOP's loans. As payments of principal and interest are received by the lenders, these shares are released from the ESOP suspense account annually and are then allocated to the ESOP participants in the same proportion as a participant's compensation for such year bears to the total compensation of all participants.

An ESOP participant becomes fully vested in all amounts allocated to him or her after five years of service. The shares of our common stock held by the participants in the ESOP are voted by the participants in the same manner as any

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

other share of our common stock.

In general, common stock allocated to a participant's account is distributed upon his or her termination of employment, normal retirement at age 65 or death. The distribution is made in whole shares of common stock with a cash payment in lieu of any fractional shares.

Messrs. Steinberg and Harvey and Ms. Howard serve as trustees of the ESOP. As of March 31, 2006, the ESOP owned 1,080,485 shares of our common stock. Common stock allocated pursuant to the ESOP to Messrs. Tevens and Librock, Ms. Howard and Messrs. Gilbreath and Owen as of March 31, 2006 is 119 shares, 119 shares, 119 shares, 0 shares and 119 shares, respectively.

PENSION PLAN. We have a non-contributory, defined benefit Pension Plan which provides certain of our employees with retirement benefits. As defined in the Pension Plan, a participant's annual pension benefit at age 65 is equal to the product of (i) 1% of the participant's final average earnings, as calculated by the terms of the Pension Plan, plus 0.5% of that part, if any, of final average earnings in excess of such participant's "social security covered compensation," as such term is defined in the Pension Plan, multiplied by (ii) such participant's years of credited service, limited to 35 years. Plan benefits are not subject to reduction for social security benefits.

The following table illustrates the estimated annual benefits upon retirement under our Pension Plan if the plan remains in effect and assuming that an eligible employee retires at age 65. However, because of changes in tax laws or future adjustments to the provisions of our Pension Plan, actual pension benefits could differ significantly from the amounts set forth in the table.

FINAL AVERAGE ----- EARNINGS -----	Years of Service				
	15	20	25	30	35
	---	---	---	---	---
125,000	22,162	29,549	36,936	44,323	51,710
150,000	27,787	37,049	46,311	55,573	64,835
175,000	33,412	44,549	55,686	66,823	77,960
200,000	39,037	52,049	65,061	78,073	91,085
250,000	43,537	58,049	72,561	87,073	101,585
300,000	43,537	58,049	72,561	87,073	101,585
350,000	43,537	58,049	72,561	87,073	101,585
400,000	43,537	58,049	72,561	87,073	101,585
450,000	43,537	58,049	72,561	87,073	101,585
500,000	43,537	58,049	72,561	87,073	101,585

A portion of the annual benefit for plan participants is determined by their final average earnings in excess of "social security covered compensation," as such term is defined in our Pension Plan. Since this amount can vary depending on the eligible employee's year of birth, all pension amounts shown above have been calculated using Mr. Tevens' year of birth and his social security covered compensation of \$79,512. Our Pension Plan excludes final average earnings in excess of \$220,000.

If Messrs. Tevens and Librock, Ms. Howard and Messrs. Gilbreath and Owen remain our employees until they reach age 65, the years of credited service under the Pension Plan for each of them would be 29, 27, 31, 6 and 27,

respectively.

NON-QUALIFIED STOCK OPTION PLAN. In October 1995, we adopted our Non-Qualified Stock Option Plan and reserved, subject to certain adjustments, an aggregate of 250,000 shares of our common stock for issuance thereunder. Under the terms of our Non-Qualified Plan, options may be granted by our Compensation and Succession Committee to our officers and other key employees as well as to non-employee directors and advisors. In fiscal 2006, we did not grant any options to purchase shares of our common stock under our Non-Qualified Plan.

INCENTIVE STOCK OPTION PLAN. Our Incentive Stock Option Plan which was adopted in October 1995 and amended in 2002, authorizes our Compensation and Succession Committee to grant to our officers and other key employees stock options that are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code. Our Incentive Plan reserved, subject to certain adjustments, an aggregate of 1,750,000 shares of common stock to be issued thereunder. Options granted under the Incentive Plan become exercisable over a four-year period at the rate of 25% per year commencing one year from the date of grant at an exercise price of not less than 100% of the fair market value of our common stock on the date of grant. Any option granted thereunder may be exercised not earlier than one year and not later than ten years from the date the option is granted. In the event of certain extraordinary transactions, including a change in control, the vesting of such options would automatically accelerate. In fiscal 2006, we granted options to purchase 45,000 shares of our common stock under the Incentive Plan.

RESTRICTED STOCK PLAN. Our Restricted Stock Plan which was adopted in October 1995 and amended in 2002, reserves, subject to certain adjustments, an aggregate of 150,000 shares of our common stock to be issued upon the grant of restricted stock awards thereunder. Under the terms of the Restricted Stock Plan, our Compensation and Succession Committee may grant to our employees restricted stock awards to purchase shares of common stock at a purchase price of not less than \$.01 per share. Shares of common stock issued under the Restricted Stock Plan are subject to certain transfer restrictions and, subject to certain exceptions, must be forfeited if the grantee's employment with us is terminated at any time prior to the date the transfer restrictions have lapsed. Grantees who remain continuously employed with us become vested in their shares five years after the date of the grant, or earlier upon death, disability, retirement or other special circumstances. The restrictions on any such stock awards automatically lapse in the event of certain extraordinary transactions, including a change in our control.

VARIABLE COMPENSATION PLAN. Effective April 1, 2004, we adopted our Variable Compensation Plan to replace our previous corporate incentive plan. Our executive officers and certain of our managers are eligible to participate in the Variable Compensation Plan. Under the Variable Compensation Plan, for each fiscal year, each executive officer is assigned a participation percentage by

12

our Board of Directors. The actual bonus to be paid to a participant will be equal to his participation percentage times his base compensation, multiplied by a factor, which is the annual budgeted target percentage determined by the Board of Directors based on the achievement of pre-designated target criteria. The bonus is computed and paid annually. For fiscal 2006, bonuses in the amount of \$819,000, \$232,128, \$222,612, \$280,800 and \$190,944 were awarded to Messrs. Tevens and Librock, Ms. Howard and Messrs. Gilbreath and Owen, respectively, under this plan.

401(K) PLAN. We maintain a 401(k) retirement savings plan which covers all

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

of our non-union employees in the U.S., including our executive officers, who have completed at least 90 days of service. Eligible participants may contribute up to 30% of their annual compensation (7% for highly compensated employees), subject to an annual limitation as adjusted by the provisions of the Internal Revenue Code. Employee contributions are matched by us in an amount equal to 50% of the employee's salary reduction contributions, as such term is defined in the 401(k) Plan. Our matching contributions are limited to 3.0% of the employee's base pay and vest at the rate of 20% per year.

CHANGE IN CONTROL AGREEMENTS

We have entered into change in control agreements with Messrs. Tevens and Librock, Ms. Howard, Messrs. Gilbreath and Owen and certain other of our officers and employees. The change in control agreements provide for an initial term of one year, which, absent delivery of notice of termination, is automatically renewed annually for an additional one year term. Generally, each of the named officers is entitled to receive, upon termination of employment within 36 months of a change in control of our Company (unless such termination is because of death, disability, for cause or by an officer or employee other than for "good reason," as defined in the change in control agreements), (i) a lump sum severance payment equal to three times the sum of (A) his or her annual salary and (B) the greater of (1) the annual target bonus under the Incentive Plan in effect on the date of termination and (2) the annual target bonus under the Incentive Plan in effect immediately prior to the change in control of our Company, (ii) continued coverage for 36 months under our medical and life insurance plans, (iii) a lump sum payment equal to the actuarial equivalent of the pension payment which he or she would have accrued under our tax-qualified retirement plans had he or she continued to be employed by us for three additional years and (iv) certain other specified payments. Aggregate "payments in the nature of compensation" (within the meaning of Section 280G of the Internal Revenue Code) payable to any executive or employee under the change in control agreements is limited to the amount that is fully deductible by us under Section 280G of the Internal Revenue Code less one dollar. The events that trigger a change in control under the change in control agreements include (i) the acquisition of 20% or more of our outstanding common stock by certain persons, (ii) certain changes in the membership of our Board of Directors, (iii) certain mergers or consolidations, (iv) certain sales or transfers of substantially all of our assets and (v) the approval by our shareholders of a plan of dissolution or liquidation.

OPTIONS GRANTED IN LAST FISCAL YEAR

In fiscal 2006 we did not grant any options to our executives named in the Summary Compensation Table.

COMPENSATION AND SUCCESSION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation for our executive officers is administered by the Compensation and Succession Committee, which currently consists of four independent (non-employee) Directors. Our Board of Directors has delegated to the Compensation and Succession Committee responsibility for establishing, administering and approving the compensation arrangements of the Chief Executive Officer, Chief Financial Officer and other executive officers.

The following objectives, established by our Compensation and Succession Committee, are the basis for the Company's executive compensation program:

- o providing a comprehensive program with components including base salary, performance incentives, and benefits that support and align with our goal of providing superior value to customers and shareholders;

- o ensuring that we are competitive and can attract and retain qualified and experienced executive officers and other key personnel; and

- o appropriately motivating our executive officers and other key personnel to seek to attain short, intermediate and long-term corporate and divisional performance goals and to manage our Company to achieve sustained long term growth.

The Compensation and Succession Committee reviews compensation policy and specific levels of compensation paid to our Chief Executive Officer, Chief Financial Officer and other executive officers and makes recommendations to our Board of Directors regarding executive compensation, policies and programs.

The Compensation and Succession Committee is assisted in these efforts, when required, by independent outside consultants and by our internal staff, who provide the Compensation and Succession Committee with relevant information and recommendations regarding compensation policies and specific compensation matters.

ANNUAL COMPENSATION PROGRAMS

Our executives' base salaries are compared to manufacturing companies included in a periodic management survey completed by outside compensation consultants and all data have been regressed to revenues equivalent to our revenues. This survey is used because it reflects companies with similar revenue and in the same industry sectors as us. The Compensation and Succession Committee believes salaries should be targeted toward the median of the surveyed salaries reported, depending upon the relative experience and individual performance of the executive.

Salary adjustments are determined by four factors: (i) an assessment of the individual executive officer's performance and merit, (ii) our goal of achieving market parity with salaries of comparable executives in the competitive market, (iii) the occurrence of any promotion or other increases in responsibility of the executive and (iv) the general economic environment in which we are operating. In assessing market parity, we target groups of companies surveyed and referred to above.

Each executive officer's corporate position is assigned a title classification reflecting evaluation of the position's overall contribution to our corporate goals and the value the labor market places on the associated job skills. A range of appropriate salaries is then assigned to that title

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

classification. Each April, the salary ranges may be adjusted to reflect market conditions, including changes in comparison companies, inflation, and supply and demand in the market. The midpoint of the salary range corresponds to a "market rate" salary which the Compensation and Succession Committee believes is appropriate for an experienced executive who is performing satisfactorily, with salaries in excess of the salary range midpoint appropriate for executives whose performance is superior or outstanding.

The Compensation and Succession Committee has recommended that any progression or regression within the salary range for an executive officer will depend upon a formal annual review of job performance, accomplishments and progress toward individual and/or overall goals and objectives for each of our segments that such executive officer oversees as well as his or her contributions to our overall direction. The long-term growth in shareholder value is an important factor. The results of executive officers' performance evaluations will form a part of the basis of the Compensation and Succession Committee's decision to approve, at its discretion, future adjustments in base salaries of our executive officers.

CHIEF EXECUTIVE OFFICER COMPENSATION

Compensation decisions affecting our Chief Executive Officer were based on quantitative and qualitative factors. These factors were accumulated by an external compensation consulting firm and included comparisons of our fiscal 2006 financial statistics to peer companies, strategic achievements such as acquisitions and their integration, comparisons of the base salary level to the median for comparable companies in published compensation surveys and assessments prepared internally by other members of our executive management. For fiscal 2006, the Compensation and Succession Committee established Mr. Tevens' base salary at \$525,000. For fiscal 2007, the Compensation and Succession Committee established Mr. Tevens' base salary at \$550,000.

SECTION 162(M) OF INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1.0 million paid to a company's chief executive officer and any one of the four other most highly paid executive officers during its taxable year. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. Based upon the compensation paid to the Company's executive officers in fiscal 2006, it does not appear that the Section 162(m) limitation will have a significant impact on us in the near term. However, the Compensation and Succession Committee plans to review this matter periodically.

PROPOSAL 2

ADOPTION OF COLUMBUS MCKINNON CORPORATION 2006 LONG TERM INCENTIVE PLAN

Our Board of Directors, following the recommendation of the Compensation and Succession Committee, has adopted the Columbus McKinnon Corporation 2006 Long Term Incentive Plan (the "2006 Plan") on May 4, 2006 and is recommending that shareholders approve the 2006 Plan at the 2006 Annual Meeting. The 2006 Plan is integral to our compensation strategies and programs. The 2006 Plan will maintain the flexibility that we need to keep pace with our competitors and effectively recruit, motivate and retain the caliber of employees essential to our success while allowing them to acquire a meaningful, significant and growing proprietary interest in the Company (although the 2006 Plan does not necessarily require them to hold for investment the shares received under the 2006 Plan).

- o The total number of our shares of common stock with respect to which awards may be granted under the 2006 Plan is 850,000 shares, or approximately 4.5% of our shares of common stock outstanding. We expect that, under our equity compensation strategy, the 2006 Plan will enable us to meet our equity compensation needs for the next three to five years.
- o The total number of shares reserved for issuance under the 2006 Plan, plus outstanding awards and available shares under our other incentive compensation plans is 2,198,218 shares as of March 31, 2006, or approximately 12% of our shares of common stock outstanding.

BACKGROUND INFORMATION

We undertook a comprehensive review of our business plan and our needs to retain and recruit talented employees and non-employee directors. Working with our executive compensation consultant, we developed an equity compensation strategy focusing on performance-based equity awards and methods to better align key employees with our business strategies and with our shareholders' interests.

While all of our employees are eligible under the literal terms of the 2006

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

Plan to receive awards under the plan, it is presently contemplated that awards would be made to our officers, executive team members, operating group and business unit leaders, sales directors and other directors of operations, and to our non-employee Directors.

In designing the 2006 Plan and our equity compensation strategy, we worked with our executive compensation consultant and our investor relations consultant to review and incorporate the perspectives of our institutional investors on sound corporate governance and have drafted the 2006 Plan to reflect those concerns. Several of these provisions are highlighted below. Further, we have reviewed the guidelines of Institutional Shareholder Services, one of the leading advisors to institutional investors, and we believe the 2006 plan complies with their requirements. For example, we analyzed the 2006 Plan using Institutional Shareholder Services' shareholder value transfer model and determined that it is within the allowable cap for the Capital Goods GICS industry classification into which we fall.

23

We presently contemplate under this equity compensation strategy that our annual share usage under the 2006 Plan, based on a three-year average, would be less than 1.5% of our shares of common stock outstanding. This is lower than the current 25th percentile of our peer group. The potential total dilution under the 2006 Plan and our existing incentive compensation plans will be approximately 12% of our shares of common stock outstanding, which approximates the median of our peer group.

We anticipate that 70% of the value of awards granted to officers, executive team members, operating group and business unit leaders, sales directors and other directors of operations would be provided in the form of stock options and performance based restricted stock or restricted stock units. The remainder of the value would be provided in the form of time-based restricted stock or restricted stock units. For operating group and business unit leaders, we anticipate that the value of the awards would be an equal mix of stock options and time based restricted stock or restricted stock units.

We anticipate that stock options would be granted with an exercise price of fair market value on date of grant, that they would become exercisable in a pro-rata method over a four-year period, and that the option term would not exceed ten years. Further, we anticipate that time based restricted stock and restricted stock units would have a three to five year vesting schedule.

With respect to performance based restricted stock or restricted stock units, while a variety of performance goals are permitted under the 2006 Plan, we presently contemplate establishing goals based on specific after-tax earnings targets to be achieved over a two-year period. Further, these awards would not vest unless a certain target level had been met at the end of the two-year period and full vesting would require achievement of a level beyond the designated target level. We also expect to impose a one-year retention requirement after the awards have vested.

The 2006 Plan includes a number of features that are intended to protect the interests of shareholders:

- o The number of shares requested, 850,000, represents only an additional 4.5% of shares of common stock outstanding.
- o The 2006 Plan has a ten-year term with a fixed number of shares authorized for issuance. It is not an "evergreen" plan.
- o It does not contain provisions which have been labeled as "liberal

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

share counting" by some institutional investors. Only awards that are cancelled, forfeited or which are paid in cash become available to be issued.

- o It prohibits the use of discounted stock options or SARs.
- o It prohibits the use of reload options.
- o It prohibits the repricing of options or SARs without stockholder approval.
- o It does not permit for options or other benefits to be transferred to third parties for consideration.

24

o It contains, with certain exceptions, a minimum three-year pro-rata vesting schedule for time-based awards of restricted stock and restricted stock units.

o It contains, with certain exceptions, a minimum one-year period for exercisability for time based options and SARs.

o Acceleration of exercisability and vesting on a change in control occurs only if the individual's employment is terminated.

o Shareholder approval of the 2006 Plan will permit the performance-based awards discussed below to qualify for deductibility under Section 162(m) of the Code.

A summary of the principal features of the 2006 Plan is provided below, but is qualified in its entirety by reference to the full text of the 2006 Plan that is attached as Appendix A to this proxy statement.

SHARES AVAILABLE FOR ISSUANCE

As of March 31, 2006, approximately 172,000 shares were available for new grants under our Incentive Stock Option Plan, Non-Qualified Stock Option Plan and Restricted Stock Option Plan (the "Existing Plans") and there were approximately 1,176,000 shares subject to outstanding benefits under these

25

plans. Accordingly, assuming that the 2006 Plan is approved by our shareholders, the maximum number of shares of common stock reserved for issuance under all of our plans will be 2,198,000, consisting of: (i) the 850,000 shares reserved for issuance under this 2006 Plan, (ii) 1,348,000 shares reserved for issuance under our Existing Plans, plus (iii) any shares that become available for issuance pursuant to the re-usage provisions of our Existing Plans.

ADMINISTRATION AND ELIGIBILITY

The 2006 Plan will be administered by the Compensation and Succession Committee of the Board of Directors or such other committee as our Board of Directors shall appoint from time to time (the "Committee"), provided that at all times the Committee shall consist of two or more directors, each of whom will satisfy the requirements: (i) established for administrators acting under plans intended to qualify for exemption under Rule 16b-3 under the Exchange Act and (ii) for outside directors acting under plans intended to qualify for exemption under Section 162(m) of the Code. The Committee will approve the aggregate Benefits and the individual Benefits for the most senior elected officers and non-employee directors. The Committee may delegate some of its authority under the 2006 Plan in accordance with the terms of the 2006 Plan.

The total number of shares of common stock eligible to be awarded under the 2006 Plan as incentive stock options, non-qualified stock options or stock appreciation rights shall not exceed 850,000 shares. The total number of shares of common stock eligible to be awarded under the 2006 Plan as restricted stock, restricted stock units or as stock bonuses shall, in the aggregate, not exceed 600,000 shares.

The total number of shares of common stock subject to options and SARs awarded to any one employee during any of our fiscal years, shall not exceed 50,000 shares.

BENEFITS

STOCK OPTIONS

GRANTS OF OPTIONS. The Committee is authorized to grant stock options to Participants ("Optionees"), which may be either Incentive Stock Options ("ISOs") or Non-Qualified Stock Options ("NSOs"). NSOs and ISOs are collectively referred to as "Stock Options." The exercise price of any Stock Option must be at least equal to the fair market value of the shares on the date of the grant.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

For purposes of the 2006 Plan, "fair market value" means, for any particular date, (i) for any period during which our common stock shall be listed for trading on a national securities exchange or the National Association of Securities Dealers Automated Quotation System ("NASDAQ"), the average of the opening and closing price per share of our common stock on such exchange or the NASDAQ official open and close price as of such trading day, or (ii) the market price per share of our common stock as determined in good faith by our Board of Directors in the event (i) above shall not be applicable. The 2006 Plan prohibits repricing of Stock Options without shareholder approval.

At the time of the grant, the Committee in its sole discretion will determine when Options are exercisable and when they expire, provided the term of an ISO cannot exceed 10 years. For Stock Options intended to become exercisable solely on the basis of the passage of time, the Stock Options will not become exercisable before the first anniversary of the award. However, Stock

26

Options may become exercisable more quickly in the event of (a) death, disability or retirement, (b) job loss due to workforce reduction, job elimination or divestiture or (c) under the "change in control" provisions of the 2006 Plan. Also, Stock Options necessary in the recruitment of new employees will not be subject to a minimum time-based exercisability requirement.

PAYMENT OF OPTION PRICE. Payment for shares purchased upon exercise of a Stock Option must be made in full at the time of purchase. Payment may be made: (a) in cash, (b) subject to the approval of the Committee, by the transfer to us of shares owned by the Participant for at least six months having a fair market value on the date of exercise equal to the option exercise price (or certification of ownership of such shares), (c) to the extent permitted by applicable law, by delivery of a properly executed exercise notice, together with irrevocable instructions to a broker to promptly deliver to us the amount of sale proceeds from the option shares or loan proceeds to pay the exercise price and any withholding taxes due to us, or (d) in such other manner as may be authorized by the Committee.

SARS. The Committee has the authority to grant SARs to Participants and to determine the number of shares subject to each SAR, the term of the SAR, the time or times at which the SAR may be exercised, and all other terms and conditions of the SAR. A SAR is a right, denominated in shares, to receive, upon exercise of the right, in whole or in part, without payment to us, an amount, payable in shares, cash or any combination of shares and cash, that is equal to: (i) the fair market value of our common stock on the date of exercise of the right minus (ii) the fair market value of our common stock on the date of grant of the right, multiplied by the number of shares for which the right is exercised. The form of payment upon the exercise of SARs will be determined by the Committee either at the time of grant of the SARs or at the time of exercise of the SARs. The exercise price of any SAR must be at least equal to the fair market value of the shares on the date of the grant. For SARs intended to become exercisable solely on the basis of the passage of time, the SAR will not become exercisable before the first anniversary of the award. However, SARs may become exercisable more quickly in the event of (a) death, disability or retirement, (b) job loss due to workforce reduction, job elimination or divestiture or (c) under the "change in control" provisions of the 2006 Plan. Also, SARs necessary in the recruitment of new employees will not be subject to a minimum time-based exercisability requirement. The 2006 Plan prohibits repricing of SARs without shareholder approval.

RESTRICTED STOCK AND RESTRICTED STOCK UNITS. Restricted Stock consists of shares which are transferred or sold by us to a Participant, but are subject to

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

substantial risk or forfeiture and to restrictions on their sale or other transfer by the Participant. Restricted Stock Units are the right to receive shares at a future date after vesting upon the attainment of certain conditions and restrictions. The Committee determines the eligible Participants to whom, and the time or times at which, grants of Restricted Stock or Restricted Stock Units will be made, the number of shares or units to be granted, the price to be paid, if any, the time or times within which the shares covered by such grants will be subject to forfeiture, the time or times at which the restrictions will terminate, and all other terms and conditions of the grants. Restrictions or conditions could include, but not be limited to, the attainment of performance goals (as described below), continuous service with us, the passage of time or other restrictions or conditions. For Restricted Stock or Restricted Stock Units intended to vest solely on the basis of the passage of time, the Restricted Stock or Restricted Stock Unit will not vest more quickly than ratably over a three-year period beginning on the first anniversary of the award. However, Restricted Stock or Restricted Stock Units may vest more quickly in the event of (a) death, disability or retirement, (b) job loss due to workforce reduction, job elimination or divestiture or (c) under the "change in control" provisions

27

of the 2006 Plan. Also, Restricted Stock and Restricted Stock Units necessary in the recruitment of new employees will not be subject to a minimum time-based vesting requirement. Awards of Restricted Stock may require that dividends paid on shares of Restricted Stock be held in escrow until all restrictions on such shares have lapsed. At the discretion of the Committee, dividend equivalents may be granted with respect to Restricted Stock Units, subject to such limitations as may be determined by the Committee.

STOCK BONUSES. A Participant who is granted a stock bonus has the right to receive shares of our common stock in accordance with the terms of such grant.

PERFORMANCE GOALS. Awards other than Stock Options and SARs under the 2006 Plan may be made subject to the attainment of performance goals relating to one or more business criteria within the meaning of Section 162(m) of the Code, but limited to: net earnings (either before or after interest, taxes, depreciation or amortization), economic value-added (as determined by the Committee), sales or revenue, net income (either before or after taxes), operating earnings or income, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on investment, return on stockholders' equity, return on assets or net assets, return on capital, debt reduction, stockholder returns, return on sales, gross or net profit margin, productivity, expense, margins, operating efficiency, cost reduction or savings, customer or employee satisfaction, safety, working capital, earnings or diluted earnings per share, price per share of Company Stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group ("Performance Criteria"). For Awards not intended to constitute performance based compensation under Section 162(m) of the Code, performance goals may include other financial or other measurements established by the Committee.

AMENDMENT OF THE 2006 PLAN

The Committee and our Board of Directors have the right and power to amend the 2006 Plan, provided, however that we shall obtain stockholder approval of any amendment of the 2006 Plan to the extent necessary to comply with applicable laws, regulations or stock exchange rules.

TERMINATION OF THE 2006 PLAN

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

The Board may suspend or terminate the 2006 Plan at any time. The Plan is scheduled to terminate on May 3, 2016. Termination will not in any manner impair or adversely affect any Benefit outstanding at the time of termination.

CHANGE IN CONTROL

Unless otherwise provided in the agreement providing for the Award or unless otherwise determined by the Committee, upon the termination of a Participant's employment within 36 months following the occurrence of a Change in Control (as defined below) and if such termination is not (i) due to the Participant's death or disability, (ii) a termination by the Company for Cause and (iii) a voluntary termination by the Participant absent good reason, all outstanding Stock Options and SARs shall become vested and exercisable and all Restricted Stock and Restricted Stock Units shall become vested. In addition, in the event of a potential Change in Control, the Committee may in its discretion, cancel any outstanding Stock Options, SARs, Restricted Stock and Restricted Stock Units and pay to the holders thereof, in cash or stock, or any combination thereof, the value thereof based upon the price per share of our common stock to

28

be received by our other shareholders in the Change in Control less, in the case of Stock Options and SARs, the exercise price thereof.

For purposes of the 2006 Plan, a "Change in Control" occurs if: (i) there shall be consummated: (A) any consolidation or merger in which we are not the continuing or surviving corporation or pursuant to which shares of our common stock would be converted into cash, securities or other property, other than a merger in which the holders of our common stock immediately prior to the merger have the same proportionate ownership of common stock of the surviving corporation immediately after the merger; or (B) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of our assets; (ii) our shareholders approve any plan or proposal for our liquidation or dissolution; (iii) any person (as such term is used in Sections 13(d) and 14(d)(2) of the Exchange Act, but excluding us and each of our officers and directors, whether individually or collectively), shall become the beneficial owner (within the meaning of 13d-3 under the Exchange Act) of 20% or more of our outstanding common stock; or (iv) during any period of two (2) consecutive years, individuals who at the beginning of such period constitute the entire Board of Directors shall cease for any reason to constitute a majority thereof unless the election, or the nomination for election by our shareholders, of each new Director was approved by a vote of a least two-thirds of the Directors then still in office who were Directors at the beginning of the period.

ADJUSTMENTS

If there is any change in the number, class, market price or terms of our common stock by reason of any stock dividend or distribution, stock split-up, recapitalization, combination or exchange of shares, or by reason of any merger, consolidation, spin-off or other corporate reorganization in which we are the surviving corporation, the number of shares available for issuance both in the aggregate and with respect to each outstanding Benefit, the exercise price, and the limitations on grants shall be proportionately adjusted by the Committee, whose determination shall be final and binding.

REUSAGE

To the extent that a Benefit awarded under the 2006 Plan terminates, expires, is cancelled, forfeited, or lapses for any reason, or if a Benefit is

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

settled by payment of cash, any shares of our common stock subject to the Benefit shall again be available for the grant of a Benefit pursuant to the 2006 Plan. Shares which are used to pay the exercise price of a Stock Option and shares withheld to satisfy tax withholding obligations will not be available for further grants of Benefits pursuant to the 2006 Plan. All shares of our common stock covered by a SAR, to the extent it is exercised and settled in shares of our common stock, will be considered issued or transferred pursuant to the Plan. To the extent permitted by applicable law or any exchange rule, shares of our common stock issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by us or any of our subsidiaries shall not be counted against shares of our common stock available for grant pursuant to the 2006 Plan. Dividend equivalents payable in cash shall not be counted against the shares available for issuance under the 2006 Plan.

U.S. FEDERAL INCOME TAX CONSEQUENCES

We have been advised by counsel that the federal income tax consequences as they relate to Benefits are as follows:

29

ISOS. An Optionee does not generally recognize taxable income upon the grant or upon the exercise of an ISO. Upon the sale of ISO shares, the Optionee recognizes income in an amount equal to the difference, if any, between the exercise price of the ISO shares and the fair market value of those share on the date of sale. The income is taxed at long-term capital gains rates if the Optionee has not disposed of the stock within two years after the date of the grant of the ISO and has held the shares for at least one year after the date of exercise and we are not entitled to a federal income tax deduction. The holding period requirements are waived when an Optionee dies.

The exercise of an ISO may for some Optionees trigger liability for the alternative minimum tax.

If an Optionee sells ISO shares before having held them for at least one year after the date of exercise and two years after the date of grant (a "disqualifying disposition"), the Optionee recognizes ordinary income to the extent of the lesser of: (i) the gain realized upon the sale; or (ii) the difference between the exercise price and the fair market value of the shares on the date of exercise. Any additional gain is treated as long-term or short-term capital gain depending upon how long the Optionee has held the ISO shares prior to disposition. In a year of a disqualifying disposition, we receive a federal income tax deduction in an amount equal to the ordinary income that the Optionee recognizes as a result of the disposition.

NSOS. An Optionee does not recognize taxable income upon the grant of an NSO. Upon the exercise of such a Stock Option, the Optionee recognizes ordinary income to the extent the fair market value of the shares received upon exercise of the NSO on the date of exercise exceeds the exercise price. We receive an income tax deduction in an amount equal to the ordinary income that the Optionee recognizes upon the exercise of the Stock Option.

RESTRICTED STOCK. A Participant who receives an award of Restricted Stock does not generally recognize taxable income at the time of the award. Instead, the Participant recognizes ordinary income in the first taxable year in which his or her interest in the shares becomes either: (i) freely transferable; or (ii) no longer subject to substantial risk of forfeiture. The amount of taxable income is equal to the fair market value of the shares less the cash, if any, paid for the shares. Any dividends paid to a Participant while the Restricted Stock remained subject to the restrictions would be treated as compensation for federal income tax purposes.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

A Participant may elect to recognize income at the time he or she receives Restricted Stock in an amount equal to the fair market value of the Restricted Stock (less any cash paid for the shares) on the date of the award.

We receive a compensation expense deduction in an amount equal to the ordinary income recognized by the Participant in the taxable year in which restrictions lapse (or in the taxable year of the award if, at that time, the Participant had filed a timely election to accelerate recognition of income).

OTHER BENEFITS. In the case of an exercise of an SAR or an award of Restricted Stock Units, the Participant will generally recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment or delivery. In that taxable year, we will receive a federal income tax deduction in an amount equal to the ordinary income which the Participant has recognized. Any dividend equivalents paid to a

30

Participant related to Restricted Stock Units would be treated as compensation for federal income tax purposes.

MILLION DOLLAR DEDUCTION LIMIT

Under Section 162(m) of the Code, we may not deduct compensation of more than \$1,000,000 that is paid to an individual who, on the last day of the taxable year, is either our chief executive officer or is among one of the four other most highly compensated officers for that taxable year as reported in our proxy statement. The limitation on deductions does not apply to certain types of compensation, including qualified performance-based compensation. We believe that Benefits in the form of Stock Options, SARs and performance-based Restricted Stock and Restricted Stock Units which are awarded subject to the Performance Criteria would constitute qualified performance-based compensation and, as such, will be exempt from the \$1,000,000 limitation on deductible compensation.

SECTION 409A

Section 409A of the Code has been enacted generally effective January 1, 2005. To date, the IRS has issued only limited guidance on the interpretation of this new law. Section 409A of the Code covers most programs that defer the receipt of compensation to a succeeding taxable year and provides strict rules for elections to defer (if any) and for timing of payouts. There are significant penalties placed on the individual employee for failure to comply with Section 409A of the Code. However, it does not impact our ability to deduct deferred compensation. Section 409A does not apply to (i) incentive stock options, non-qualified stock options and stock appreciation rights that are not granted at less than fair market value and (ii) restricted stock, provided there is no deferral of income beyond the vesting date. Section 409A of the Code may apply to Restricted Stock Units.

APPROVAL BY SHAREHOLDERS

In order to be adopted, the 2006 Plan must be approved by the affirmative vote of a majority of the outstanding shares represented at the meeting and entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY A VOTE "FOR" ADOPTION OF THE COLUMBUS MCKINNON CORPORATION 2006 LONG TERM INCENTIVE PLAN.

PROPOSAL 3

ADOPTION OF COLUMBUS MCKINNON CORPORATION
EXECUTIVE MANAGEMENT VARIABLE COMPENSATION PLAN

Under Section 162(m) of the Code, we may not deduct compensation of more than \$1,000,000 that is paid to an individual who, on the last day of the taxable year, is either our chief executive officer or is among one of the four other most high-compensated officers for that taxable year as reported in our proxy statement. The limitation on deductions does not apply to certain types of compensation, including qualified performance-based compensation. Performance-based compensation is excluded from this \$1 million limitation if paid pursuant to a plan that has received shareholder approval.

PURPOSE

The primary purpose of the Executive Management Variable Compensation Plan (the "Bonus Plan") is to pay covered employees appropriate bonuses for their performance and to obtain, for federal income tax purposes, the deductibility of bonus awards made under the Bonus Plan. Accordingly, the amounts payable under the Plan are intended to constitute "qualified performance-based compensation" under Section 162(m) of the Code.

ADMINISTRATION

The Compensation and Succession Committee (the "Committee") of the Board of Directors is responsible for administering the Bonus Plan. Each member of the Committee is an "outside director" as defined for purposes of Section 162(m).

ELIGIBILITY AND PARTICIPATION

The CEO and others who are officers for purposes of Section 16 of the Exchange Act are eligible to participate in the Bonus Plan. Participants will be the Chief Executive Officer and other officers who the Committee determines are "covered employees" within the meaning of Section 162(m) for the fiscal year.

PERFORMANCE-BASED COMPENSATION UNDER SECTION 162(M)

The objective performance goal(s) for each Participant is set by the Committee within first 90 days of fiscal year. The performance goals will relate to one or more business criteria within the meaning of Section 162(m) of the Code, but limited to: net earnings (either before or after interest, taxes, depreciation or amortization), economic value-added (as determined by the Committee), sales or revenue, net income (either before or after taxes), operating earnings or income, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on investment, return on shareholders' equity, return on assets or net assets, return on capital, debt reduction, stockholder returns, return on sales, gross or net profit margin, productivity, expense, margins, operating efficiency, cost reduction or savings, customer or employee satisfaction, safety, working capital, earnings or diluted earnings per share, price per share of our common stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer

group. After the end of each fiscal year, the Committee will determine and certify in writing the amount of bonus to be awarded to each Participant in accordance with the limitations established by the Bonus Plan.

The maximum bonus award that a covered employee may be paid under the Bonus Plan for the fiscal year is set at 300% of base salary.

The Committee may determine it is appropriate to pay less than the maximum bonus award amount to a Participant, but not more.

Subject to the maximum bonus award described above, actual award amounts will be based on Company and individual performance and competitive pay levels as determined by the Committee.

PAYMENT OF BONUS AWARDS

All bonus awards will be paid in cash. Participants will be permitted to defer payment of all or a portion of their bonus awards in accordance with the terms of any deferred compensation plan that we may adopt.

APPROVAL BY SHAREHOLDERS

In order to be adopted, the Bonus Plan must be approved by the affirmative vote of a majority of the outstanding shares represented at the meeting and entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY A VOTE "FOR" ADOPTION OF THE COLUMBUS MCKINNON CORPORATION EXECUTIVE MANAGEMENT VARIABLE COMPENSATION PLAN.

APPENDIX A

COLUMBUS MCKINNON CORPORATION

2006 LONG TERM INCENTIVE PLAN

1 PREAMBLE

This Columbus McKinnon Corporation 2006 Long Term Incentive Plan, as it may be amended from time to time (the "Plan"), is intended to promote the interests of Columbus McKinnon Corporation., a New York corporation ("CM" and, together with its Subsidiaries, the "Company"), and its stockholders by providing

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

officers and other employees and non-employee directors of the Company with appropriate incentives and rewards to encourage them to enter into and continue in service to the Company and to acquire a meaningful, significant and growing proprietary interest in CM, while aligning the interests of key employees and management with those of the stockholders.

This Plan is intended to provide a flexible framework that will permit the development and implementation of a variety of stock-based programs based on changing needs of the Company, its competitive market and the regulatory climate.

2 DEFINITIONS

As used in the Plan, the following definitions apply to the terms indicated below:

(a) "Award Agreement" shall mean the written agreement between the Company and a Participant or other document approved by the Committee evidencing an Incentive Award. The Committee need not require the execution of any such agreement by a Participant in which case the acceptance of the Award by the Participant will constitute agreement to the terms of the Award.

(b) "Board of Directors" shall mean the Board of Directors of CM.

(c) "Cause," shall mean, termination of employment of a Participant for cause under the Company's generally applicable policies and procedures or, in the case of a non-employee director of the Company, for circumstances which would constitute cause if such policies and procedures were applicable.

(d) "Change in Control", unless otherwise defined in an Award Agreement, occurs if:

Such Fair Market Value shall be determined as of the date on which each such Incentive Stock Option is granted.

(3) No Incentive Stock Option may be granted to an individual if, at the time of the proposed grant, such individual owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company (or any "subsidiary corporation" of the Company within the meaning of Section 424 of the Code), unless (i) the exercise price of such Incentive Stock Option is at least 110% of the Fair Market Value of a share of Company Stock at the time such Incentive Stock Option is granted and (ii) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its original term.

(g) Transferability

During the lifetime of a Participant each Option granted to a Participant shall be exercisable only by the Participant and no Option shall be assignable or transferable otherwise than by will or by the laws of descent and distribution. SARs that become exercisable solely on the basis of the passage of time (e.g., not on the basis of any performance standards) will not become exercisable earlier than the first anniversary of the date of grant, except that SARs may be exercisable sooner under any of the following circumstances as more specifically set forth in the applicable Award Agreement: (i) the Participant's death; (ii) the Participant's Disability; (iii) the Participant's "retirement" as defined in the Award Agreement consistent with the Company's retirement policies and programs; (iv) a Participant's termination of employment with the Company due to workforce reduction, job elimination or divestiture as determined by the Committee; (v) a Change in Control consistent with the provisions of Section 8(e); or (vi) in connection with establishing the terms and conditions of employment of an individual necessary for the recruitment of the individual or as the result of a business combination or acquisition by the Company.

(2) A SAR may be exercised for all or any portion of the shares as to which it is exercisable; provided, that no partial exercise of a SAR shall be for an aggregate exercise price of less than \$2,500. The partial exercise of a SAR shall not cause the expiration, termination or cancellation of the remaining portion thereof.

(3) Unless the Committee determines otherwise, a SAR shall be exercised by delivering notice to the Company's principal office, to the attention of its Secretary (or the Secretary's designee), no less than one nor more than ten business days in advance of the effective date of the proposed exercise. Such notice shall specify the number of shares of Company Stock with respect to which the SAR is being exercised, and the effective date of the proposed exercise, and shall be signed by the Participant.

(d) Effect of Termination of Employment

The provisions set forth in Section 7(e) with respect to the exercise of Options following termination of employment shall apply as well to such exercise of SARs.

(e) Effect of Change in Control

Unless the Award Agreement provides or the Committee determines otherwise, upon the termination of a Participant's employment within 36 months following the occurrence of a Change in Control and if such termination is not (i) due to the Participant's death or Disability, (ii) a termination by the Company for

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

Cause and (iii) a voluntary termination by the Participant absent Good Reason, each SAR granted under the Plan and outstanding at such time shall become fully and immediately exercisable and shall remain exercisable for a period of six months, on which date they shall expire. In addition, in the event of a potential Change in Control, the Committee may in its discretion, cancel any outstanding SARs and pay to the holders thereof, in stock, the value of such SARs based upon the price per share of Company Stock to be received by other stockholders of the Company in the Change in Control less the exercise price of each SAR. Notwithstanding the foregoing, no SAR shall be exercisable after the expiration of its original term.

(f) Transferability

During the lifetime of a Participant each SAR granted to a Participant shall be exercisable only by the Participant and no SAR shall be assignable or transferable otherwise than by will or by the laws of descent and distribution. In no event may a SAR be transferred for consideration. Notwithstanding the foregoing, SARs may be transferred to a Participant's former spouse pursuant to a property settlement made part of an agreement or court order incident to the divorce.

9 RESTRICTED STOCK

(a) Issue Date and Vesting Date

At the time of the grant of shares of Restricted Stock, the Committee shall establish an Issue Date or Issue Dates and a Vesting Date or Vesting Dates with respect to such shares. The Committee may divide such shares into classes and assign a different Issue Date and/or Vesting Date for each class. If the grantee is employed by the Company on an Issue Date (which may be the date of grant), the specified number of shares of Restricted Stock shall be issued in accordance with the provisions of Section 9(e). Provided that all conditions to the vesting of a share of Restricted Stock imposed pursuant to Section 9(b) are satisfied, and except as provided in Section 9(g), upon the occurrence of the Vesting Date with respect to a share of Restricted Stock, such share shall vest and the restrictions of Section 9(c) shall cease to apply to such share.

(b) Conditions to Vesting

At the time of the grant of shares of Restricted Stock, the Committee may impose such restrictions or conditions to the vesting of such shares as it, in its absolute discretion, deems appropriate. By way of example and not by way of limitation, the Committee may require, as a condition to the vesting of any class or classes of shares of Restricted Stock, that the Participant or the Company achieves such performance goals as the Committee may specify under Section 12. Any shares of Restricted Stock that vest solely on the basis of the passage of time (e.g., not on the basis of any performance standards) shall not vest more quickly than ratably over the three (3) year period beginning on the first anniversary of the date of grant, except that the shares of Restricted Stock may vest sooner under any of the following circumstances as more specifically set forth in the applicable Award Agreement: (i) the Participant's death; (ii) the Participant's Disability; (iii) the Participant's "retirement" as defined in the Award Agreement consistent with the Company's retirement policies and programs; (iv) a Participant's termination of employment with the Company due to workforce reduction, job elimination or divestiture as determined by the Committee; (v) a Change in Control consistent with the provisions of Section 9(h); or (vi) in connection with establishing the terms and conditions of employment of an individual necessary for the recruitment of the individual

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

or as the result of a business combination or acquisition by the Company.

(c) Restrictions on Transfer Prior to Vesting

Prior to the vesting of a share of Restricted Stock, no transfer of a Participant's rights with respect to such share, whether voluntary or involuntary, by operation of law or otherwise, shall be permitted. Immediately upon any attempt to transfer such rights, such share, and all of the rights related thereto, shall be forfeited by the Participant.

(d) Dividends on Restricted Stock

The Committee in its discretion may require that any dividends paid on shares of Restricted Stock shall be held in escrow until all restrictions on such shares have lapsed.

(e) Issuance of Certificates

(1) Reasonably promptly after the Issue Date with respect to shares of Restricted Stock, the Company shall cause to be issued a stock certificate, registered in the name of the Participant to whom such shares were granted, evidencing such shares; provided, that the Company shall not cause such a stock certificate to be issued unless it has received a stock power duly endorsed in blank with respect to such shares. Each such stock certificate shall bear any such legend as the Company may determine.

Such legend shall not be removed until such shares vest pursuant to the terms hereof.

(2) Each certificate issued pursuant to this Section 9(e), together

A-12

with the stock powers relating to the shares of Restricted Stock evidenced by such certificate, shall be held by the Company in such manner as the Company may determine unless the Committee determines otherwise.

(f) Consequences of Vesting

Upon the vesting of a share of Restricted Stock pursuant to the terms of the Plan and the applicable Award Agreement, the restrictions of Section 9(c) shall cease to apply to such share. Reasonably promptly after a share of Restricted Stock vests, the Company shall cause to be delivered to the Participant to whom such shares were granted, a certificate evidencing such share, free of the legend set forth in Section 9(e). Notwithstanding the foregoing, such share still may be subject to restrictions on transfer as a result of applicable securities laws or pursuant to Section 15.

(g) Effect of Termination of Employment

(1) Unless the applicable Award Agreement or the Committee determines otherwise, in the event of the termination of a Participant's service to the Company for any reason other than Cause, all shares of Restricted Stock granted to such Participant which have not vested as of the date of such termination shall immediately be forfeited and returned to the Company. The Company also shall have the right to require the return of all dividends paid on such shares, whether by termination of any escrow arrangement under which such dividends are held or otherwise.

(2) In the event of the termination of a Participant's employment

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

for Cause, all shares of Restricted Stock granted to such Participant which have not vested prior to the date of such termination shall immediately be forfeited and returned to the Company, together with any dividends credited on such shares by termination of any escrow arrangement under which such dividends are held or otherwise.

(h) Effect of Change in Control

Unless the Award Agreement provides or the Committee determines otherwise, upon the termination of a Participant's employment within 36 months following the occurrence of a Change in Control and if such termination is not (i) due to the Participant's death or Disability, (ii) a termination by the Company for Cause and (iii) a voluntary termination by the Participant absent Good Reason, all outstanding shares of Restricted Stock which have not previously vested shall immediately vest. In addition, in the event of a potential Change in Control, the Committee may in its discretion, cancel any outstanding shares of Restricted Stock and pay to the holders thereof, in cash or stock, or any combination thereof, the value of such shares of Restricted Stock based upon the price per share of Company Stock to be received by other stockholders of the Company in the Change in Control.

10 RESTRICTED STOCK UNITS

(a) Vesting Date

At the time of the grant of Restricted Stock Units, the Committee shall establish a Vesting Date or Vesting Dates with respect to such shares. The Committee may divide such shares into classes and assign a different Vesting Date for each class. Provided that all conditions to the vesting of a Restricted Stock Unit imposed pursuant to Section 10(d) are satisfied, and except as provided in Section 10(e), upon the occurrence of the Vesting Date with respect to a Restricted Stock Unit, such Restricted Stock Unit shall vest and shares of Stock will be delivered pursuant to Section 10(c).

(b) Dividend Equivalents

Any Participant selected by the Committee may be granted Dividend Equivalents based on the dividends declared on the shares of Company Stock that are subject

A-13

to any award of Restricted Stock Units, to be credited as of dividend payment dates, during the period between the date the award is granted and the date the award is exercised, vests or expires, as determined by the Committee. Such Dividend Equivalents shall be converted to cash or additional Restricted Stock Units by such formula and at such time and subject to such limitations as may be determined by the Committee.

(c) Benefit Upon Vesting

Upon the vesting of a Restricted Stock Unit, the Participant shall be entitled to receive one unrestricted, fully transferable share of Stock for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited, or, in the sole discretion of the Committee, an amount, payable within 2 1/2 months of the date on which such Restricted Stock Units vests, equal to the Fair Market Value of a share of Company Stock on the date on which such Restricted Stock Unit vests. Notwithstanding the foregoing, shares of Company Stock issued may be subject to restrictions on transfer as a result of applicable securities laws or pursuant to Section 15.

(d) Conditions to Vesting

At the time of the grant of Restricted Stock Units, the Committee may impose such restrictions or conditions to the vesting of such Restricted Stock Units as it, in its absolute discretion, deems appropriate. By way of example and not by way of limitation, the Committee may require, as a condition to the vesting of any class or classes of Restricted Stock Units, that the Participant or the Company achieves such performance goals as the Committee may specify under Section 12. Any Restricted Stock Units that vest solely on the basis of the passage of time (e.g., not on the basis of any performance standards) shall not vest more quickly than ratably over the three (3) year period beginning on the first anniversary of the date of grant, except that Restricted Stock Units may vest sooner under any of the following circumstances as more specifically set forth in the applicable Award Agreement: (i) the Participant's death; (ii) the Participant's Disability; (iii) the Participant's "retirement" as defined in the Award Agreement consistent with the Company's retirement policies and programs; (iv) a Participant's termination of employment with the Company due to workforce reduction, job elimination or divestiture as determined by the Committee; (v) a Change in Control consistent with the provisions of Section 10(f); or (vi) in connection with establishing the terms and conditions of employment of an individual necessary for the recruitment of the individual or as the result of a business combination or acquisition by the Company.

(e) Effect of Termination of Employment

(1) Unless the applicable Award Agreement or the Committee determines otherwise, Restricted Stock Units that have not vested, together with any dividends credited on such Restricted Stock Units, shall be forfeited upon the Participant's termination of employment for any reason other than Cause.

(2) In the event of the termination of a Participant's employment for Cause, all Restricted Stock Units granted to such Participant which have not vested as of the date of such termination shall immediately be forfeited, together with any dividends credited on such shares.

(f) Effect of Change in Control

Unless the Award Agreement provides or the Committee determines otherwise, upon the termination of a Participant's employment within 36 months following the occurrence of a Change in Control and if such termination is not (i) due to the Participant's death or Disability, (ii) a termination by the Company for Cause and (iii) a voluntary termination by the Participant absent Good Reason, all outstanding Restricted Stock Units which have not theretofore vested shall immediately vest. In addition, in the event of a potential Change in Control, the Committee may in its discretion, cancel any outstanding Restricted Stock Units and pay to the holders thereof, in cash or stock, or any combination thereof, the value of such Restricted Stock Units based upon the price per share of Company Stock to be received by other stockholders of the Company in the Change in Control.

A-14

11 STOCK BONUSES

In the event that the Committee grants a Stock Bonus, a certificate for the shares of Company Stock comprising such Stock Bonus shall be issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which such Stock Bonus is payable.

12 PERFORMANCE-BASED AWARDS

(a) Purpose.

The purpose of this Section 12 is to provide the Committee the ability to qualify Incentive Awards other than Options and SARs that are granted pursuant to Sections 9 and 10 as Qualified Performance-Based Compensation. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Section 12 shall control over any contrary provision contained in Sections 9 and 10; provided, however, that the Committee may in its discretion grant Incentive Awards to Covered Employees and to other Participants that are based on performance criteria or performance goals which do not satisfy the requirements of this Section 12 and which may be other than Performance Criteria or Performance Goals.

(b) Applicability.

This Section 12 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Incentive Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

(c) Procedures with Respect to Performance-Based Awards.

To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Incentive Award granted under Sections 9 and 10 which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

(d) Payment of Performance-Based Awards.

Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or a Subsidiary on the day a Performance-Based Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

Award for a Performance Period only if, and to the extent, the Performance Goals for such period are achieved.

(e) Additional Limitations.

Notwithstanding any other provision of the Plan, any Incentive Award which is granted to a Covered Employee and is intended to constitute Qualified Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

13 RIGHTS AS A STOCKHOLDER

No person shall have any rights as a stockholder with respect to any shares of Company Stock covered by or relating to any Incentive Award until the date of issuance of a stock certificate with respect to such shares. Except as otherwise expressly provided in Section 3(d), no adjustment to any Incentive Award shall be made for dividends or other rights for which the record date occurs prior to the date such stock certificate is issued.

14 DEFERRAL OF AWARDS

The Committee may permit or require the deferral of payment or settlement of any Restricted Stock Unit or Stock Bonus subject to such rules and procedures as it may establish. Payment or settlement of Options or SARs may not be deferred unless such deferral would not cause the provisions of Section 409A of the Code to be violated.

15 RESTRICTION ON TRANSFER OF SHARES

The Committee may impose, either in the Award Agreement or at the time shares of Company Stock are issued in settlement of an Incentive Award, restrictions on the ability of the Participant to sell or transfer such shares of Company Stock.

16 NO SPECIAL EMPLOYMENT RIGHTS; NO RIGHT TO INCENTIVE AWARD

Nothing contained in the Plan or any Award Agreement shall confer upon any Participant any right with respect to the continuation of employment by the Company or interfere in any way with the right of the Company, subject to the terms of any separate employment agreement to the contrary, at any time to terminate such employment or to increase or decrease the compensation of the Participant.

No person shall have any claim or right to receive an Incentive Award hereunder. The Committee's granting of an Incentive Award to a Participant at any time shall neither require the Committee to grant any other Incentive Award to such Participant or other person at any time nor preclude the Committee from making subsequent grants to such Participant or any other person.

17 SECURITIES MATTERS

(a) The Company shall be under no obligation to effect the registration pursuant to the Securities Act of 1933 of any interests in the Plan or any

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

shares of Company Stock to be issued hereunder or to effect similar compliance under any state laws. Notwithstanding anything herein to the contrary, the Company shall not be obligated to cause to be issued or delivered any certificates evidencing shares of Company Stock pursuant to the Plan unless and until the Company is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authority and the requirements of the securities exchange or

A-16

automated quotation system on which shares of Company Stock are listed. Certificates evidencing shares of Company Stock issued pursuant to the terms hereof, may bear such legends, as the Committee or the Company, in its sole discretion, deems necessary or desirable to insure compliance with applicable securities laws.

(b) The transfer of any shares of Company Stock hereunder shall be effective only at such time as counsel to the Company shall have determined that the issuance and delivery of such shares is in compliance with all applicable laws, regulations of governmental authority and the requirements of the securities exchange or automated quotation system on which shares of Company Stock are listed. The Committee may, in its sole discretion, defer the effectiveness of any transfer of shares of Company stock hereunder in order to allow the issuance of such shares to be made pursuant to registration or an exemption from registration or other methods for compliance available under federal or state securities laws. The Company shall inform the Participant in writing of the Committee's decision to defer the effectiveness of a transfer. During the period of such a deferral in connection with the exercise of an Option, the Participant may, by written notice, withdraw such exercise and obtain the refund of any amount paid with respect thereto.

(c) It is intended that the Plan be applied and administered in compliance with Rule 16b-3. If any provision of the Plan would be in violation of Rule 16b-3 if applied as written, such provision shall not have effect as written and shall be given effect so as to comply with Rule 16b-3, as determined by the Committee. The Committee is authorized to amend the Plan and to make any such modifications to Award Agreements to comply with Rule 16b-3, as it may be amended from time to time, and to make any other such amendments or modifications deemed necessary or appropriate to better accomplish the purposes of the Plan in light of any amendments made to Rule 16b-3.

18 WITHHOLDING TAXES

Whenever cash is to be paid pursuant to an Incentive Award, the Company shall have the right to deduct therefrom an amount sufficient to satisfy any federal, state and local withholding tax requirements related thereto.

Whenever shares of Company Stock are to be delivered pursuant to an Incentive Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any federal, state and local withholding tax requirements related thereto. With the approval of the Committee, which it shall have sole discretion to grant and which approval may be evidenced by the presence in the Award Agreement of an appropriate reference to such right, a Participant may satisfy the foregoing requirement by electing to have the Company withhold from delivery shares of Company Stock having a value equal to the minimum amount of tax required to be withheld. Such shares shall be valued at their Fair Market Value on the date as of which the amount of tax to be withheld is determined. Fractional share amounts shall be settled in cash. Such a withholding election may be made with respect to all or any portion

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

of the shares to be delivered pursuant to an Incentive Award. Any tax withholding above the minimum amount of tax required to be withheld must be deducted from other amounts payable to the Participant or must be paid in cash by the Participant.

19 NOTIFICATION OF ELECTION UNDER SECTION 83(B) OF THE CODE

If any Participant shall, in connection with the acquisition of shares of Company Stock under the Plan, make the election permitted under Section 83(b) of the Code (i.e., an election to include in gross income in the year of transfer the amounts specified in Section 83(b)) and permitted under the terms of the Award Agreement, such Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under the authority of Code Section 83(b).

A-17

20 NOTIFICATION UPON DISQUALIFYING DISPOSITION UNDER SECTION 421(B) OF THE

CODE

Each Award Agreement with respect to an Incentive Stock Option shall require the Participant to notify the Company of any disposition of shares of Company Stock issued pursuant to the exercise of such Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions) within ten days of such disposition.

21 AMENDMENT OR TERMINATION OF THE PLAN

Stockholder approval of any amendment to the Plan shall be required if and to the extent required by Rule 16b-3 or by any comparable or successor exemption under which the Board of Directors believes it is appropriate for the Plan to qualify, or if and to the extent the Board of Directors determines that such approval is appropriate for purposes of satisfying Section 162(m), Section 422 or Section 409A of the Code, any applicable rule or listing standard of any stock exchange, automated quotation system or similar organization, or the New York Business Corporation Law. Except as otherwise provide in the Plan, the Board of Directors may, at any time, suspend or terminate the Plan or revise or amend it in any respect whatsoever. Nothing herein shall restrict the Committee's ability to exercise its discretionary authority pursuant to Section 4, which discretion may be exercised without amendment to the Plan. No action hereunder may, without the consent of a Participant, reduce the Participant's rights under any outstanding Incentive Award.

22 NO OBLIGATION TO EXERCISE

The grant to a Participant of an Option or SAR shall impose no obligation upon such Participant to exercise such Option or SAR.

23 TRANSFERS UPON DEATH; NONASSIGNABILITY

Upon the death of a Participant outstanding Incentive Awards granted to such Participant may be exercised only by the executor or administrator of the Participant's estate or by a person who shall have acquired the right to such

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

exercise by will or by the laws of descent and distribution. No transfer of an Incentive Award by will or the laws of descent and distribution shall be effective to bind the Company unless the Company shall have been furnished with (a) written notice thereof and with a copy of the Will and/or such evidence as the Committee may deem necessary to establish the validity of the transfer and (b) an agreement by the transferee to comply with all the terms and conditions of the Incentive Award that are or would have been applicable to the Participant and to be bound by the acknowledgments made by the Participant in connection with the grant of the Incentive Award.

Except as otherwise provided, no Incentive Award or interest in it may be transferred, assigned, pledged or hypothecated by the Participant, whether by operation of law or otherwise, or be made subject to execution, attachment or similar process.

24 EXPENSES AND RECEIPTS

The expenses of the Plan shall be paid by the Company. Any proceeds received by the Company in connection with any Incentive Award will be used for general corporate purposes.

25 FAILURE TO COMPLY

In addition to the remedies of the Company elsewhere provided for herein, failure by a Participant (or beneficiary) to comply with any of the terms and conditions of the Plan or the applicable Award Agreement, unless such failure is remedied by such Participant (or beneficiary) within ten days after notice of such failure by the Committee, shall be grounds for the cancellation and forfeiture of such Incentive Award, in whole or in part, as the Committee, in its sole discretion, may determine.

A-18

26 EFFECTIVE DATE AND TERM OF PLAN

The Plan shall be effective as of the Effective Date. Unless earlier terminated by the Board of Directors, the right to grant Incentive Awards under the Plan will terminate on the tenth anniversary of the Effective Date. Incentive Awards outstanding at Plan termination will remain in effect according to their terms and the provisions of the Plan.

27 APPLICABLE LAW

Except to the extent preempted by any applicable federal law, the Plan will be construed and administered in accordance with the laws of the State of New York, without reference to the principles of conflicts of laws thereunder.

APPENDIX B

COLUMBUS MCKINNON CORPORATION
EXECUTIVE MANAGEMENT VARIABLE COMPENSATION PLAN

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

PURPOSE

This Executive Variable Compensation Plan (the "Plan") is intended to enable Columbus McKinnon Corporation to attract, motivate and retain highly qualified executives on a competitive basis and to provide financial incentives to those executives in order to promote the success of the Company. The Plan is for the benefit of Participants. The Plan is designed to ensure that the bonuses paid hereunder to Participants are deductible without limit under Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations and interpretations promulgated thereunder.

SECTION 1. DEFINITIONS.

The following terms have the meanings indicated unless a different meaning is clearly required by the context:

(a) "Base Salary" means the Participant's annualized salary on the last day of the fiscal year. Base Salary shall be before both (i) deductions for taxes or benefits; and (ii) deferrals of compensation pursuant to Company-sponsored plans.

(b) "Board of Directors" means the Board of Directors of the Company.

(c) "Chief Executive Officer" has the meaning set forth in Rule 3b-7 promulgated under the Securities Exchange Act of 1934, as amended.

(d) "Code" means the Internal Revenue Code of 1986, as amended.

(e) "Committee" means the Compensation and Succession Committee of the Board of Directors or a subcommittee thereof. The Committee at all times shall be composed of at least two directors of Columbus McKinnon Corporation each of whom shall be "outside directors" within the meaning of Section 162(m) of the Code.

(f) "Company" means Columbus McKinnon Corporation and its affiliated group of corporations as defined in Section 1504 of the Code (determined without regard to Section 1504(b) of the Code).

(g) "Participant" means an individual who participates in the Plan pursuant to Section 2.

SECTION 2. ELIGIBLE EXECUTIVES AND PARTICIPANTS

"Eligible Executives" for a fiscal year are defined as (i) the Chief Executive Officer of the Company on the first day of such year or a person who becomes the Chief Executive Officer during such year by virtue of being hired or promoted and (ii) any other officer of the Company designated by the Committee. Within the first ninety (90) days of each fiscal year (or such other period as

B-1

may be permitted by Section 162(m) of the Code), the Committee will designate those Eligible Executives who are to be "Participants" in the Plan for that fiscal year.

SECTION 3. ADMINISTRATION

The Committee shall have the sole discretion and authority to administer the Plan, interpret the terms and provisions of the Plan and to

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

establish, adjust, pay or decline to pay bonuses under the Plan.

SECTION 4. PERFORMANCE GOALS

Within the first ninety (90) days of each fiscal year of the Company, the Committee shall set one or more objective performance goals for each Participant for such year. Such goals shall be expressed in terms of: net earnings (either before or after interest, taxes, depreciation or amortization), economic value-added (as determined by the Committee), sales or revenue, net income (either before or after taxes), operating earnings or income, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on investment, return on stockholders' equity, return on assets or net assets, return on capital, debt reduction, stockholder returns, return on sales, gross or net profit margin, productivity, expense, margins, operating efficiency, cost reduction or savings, customer or employee satisfaction, safety, working capital, earnings or diluted earnings per share, price per share of Company stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group.

SECTION 5. BONUS DETERMINATIONS

(a) Within the first ninety (90) days of each fiscal year of the Company, the Committee will specify the objective terms and conditions for the determination and payment of a bonus for each Participant. At the time that annual performance goals are set for Participants, the Committee shall establish a maximum award opportunity for each Participant for the year. The maximum award opportunity shall be related to the Participant's Base Salary at the start of the year by a formula that takes account of the degree of achievement of the goals set for the Participant; provided, however, that the Committee shall have absolute discretion to reduce the actual bonus payment that would otherwise be payable to any Participant on the basis of achievement of performance goals. The maximum award paid to a Participant in respect of a particular fiscal year shall in no event exceed an amount equal to 300% of a Participant's Base Salary. In the event of a change in the Company's fiscal year, the Plan shall apply, with appropriate pro-rata adjustments, to any fiscal period not consisting of twelve months.

(b) No bonuses shall be paid to a Participant unless and until the Committee makes a certification in writing with respect to the attainment of the performance goals as required by Section 162(m) of the Code. Although the Committee may in its sole discretion reduce a bonus payable to a Participant based on such objective and/or subjective factors as it may determine, the Committee shall have no discretion to increase the amount of a Participant's bonus as determined under the applicable objective terms and conditions established for such bonus amount.

(c) Following the Committee's determination and certification of the amount of any bonus payable, such amount will be paid in cash (subject to any

B-2

election made by a Participant with respect to the deferral of all or a portion of his or her bonus or the payment of all or a portion of his or her bonus in some form other than cash). Payment of the bonus amount will be made as soon as feasible after the Committee's certification of the amount payable but not after two and one-half months following the end of the fiscal year to which the bonus relates.

(d) In the event of the death of a Participant after the end of a

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

fiscal year and prior to any payment otherwise required pursuant to Section 5.3, such payment shall be made to the representative of the Participant's estate.

(e) In the event of the death, disability, retirement or other termination of employment of a Participant during a fiscal year, the Committee shall, in its discretion, have the power to award to such Participant (or the representative of the Participant's estate) an equitably prorated portion of the bonus which otherwise would have been earned by such Participant.

(f) The right of a Participant or of any other person to any payment under the Plan shall not be assigned, transferred, pledged or encumbered in any manner and any attempted assignment, transfer, pledge or encumbrance shall be null and void and of no force or effect.

SECTION 6. AMENDMENT AND TERMINATION

The Board of Directors may at any time amend the Plan in any fashion or terminate or suspend the Plan; provided that no amendment shall be made which would cause bonuses payable under the Plan to fail to qualify for the exemption from the limitations of Section 162(m) of the Code provided in Section 162(m)(4)(C) of the Code. Upon any such termination, all rights of a Participant with respect to any fiscal year that has not ended on or prior to the effective date of such termination shall become null and void. Any amendments to the Plan shall require shareholder approval only to the extent required by Section 162(m) of the Code.

SECTION 7. SHAREHOLDER APPROVAL

No bonuses shall be paid under the Plan unless and until the Company's shareholders shall have approved the Plan and the performance goals as required by Section 162(m) of the Code.
