ITEM 4.02 **NON-RELIANCE ON PREVIOUSLY ISSUED FINANCIAL STATEMENTS OR A RELATED AUDIT REPORT**

On February 5, 2013, Global Casinos, Inc., a Utah corporation the (the "Company"), concluded that previously issued financial statements filed on Form 10-K for the fiscal year ended June 30, 2012 and Form 10-Q for the three and six month periods ended December 31, 2011 and for the three and nine month periods ended March 31, 2012, and that investors should no longer rely on these reports because of accounting errors identified by the Company. The Company intends to amend its Form 10-K and Forms 10-Q to correct those errors in the Company's financial statements as previously filed after conferring with its independent accountant.

Annual Report on Form 10-K for the fiscal year ended June 30, 2012

The Company intends to amend the financial statements contained in its Annual Report on Form 10-K for the fiscal year ended June 30, 2012 to reflect an understatement of non-cash financing fees resulting from incorrect calculations regarding the total number of Class A common stock purchase warrants due the placement agent for services associated with the Company's private offering of 8% Convertible Debt completed during the quarters ended December 31, 2011 and March 31, 2012. The Class A warrants are exercisable to purchase shares of the Company's common stock for three years at an exercise price of \$0.50 per share. We had initially determined the placement agent was entitled to 170,000 common stock purchase warrants. However, we have now determined the placement agent was entitled to an additional 85,000 Class A warrants for the agent's placement services. The non-cash charges against earnings for the value of the 85,000 additional Class A warrants will increase the net loss for the year ended June 30, 2012, as well as increase the additional paid-in capital and accumulated deficit at June 30, 2012. The following table illustrates the effects to the financial statement line items to be amended for June 30, 2012:

Consolidated Balance Sheet

Quarterly Report on Form 10-Q for the three and six month periods ended December 31, 2011

The Company intends to amend the unaudited financial statements contained in its Quarterly Report on Form 10-Q as of and for the three and six month periods ended December 31, 2011 to reflect an understatement of non-cash financing fees resulting from incorrect calculations regarding the total number of Class A common stock purchase warrants due the placement agent for services associated with the Company's private offering of 8% Convertible Debt completed during the quarter ended December 31, 2011. The Class A warrants are exercisable into shares of the Company's common stock for three years at an exercise price of \$0.50 per share. We had initially determined the agent was entitled to 140,700 common stock purchase warrants. However, we have now determined the agent was entitled to an additional 70,350 Class A warrants for the agent's placement services during the three months ended December 31, 2011. The non-cash charges against earnings for the value of the 70,350 additional Class A warrants will increase the net loss for the three and six months ended December 31, 2011, as well as increase the additional paid-in capital and accumulated deficit at December 31, 2011. The following table illustrates the effects to the financial statement line items to be amended for December 31, 2011:

Quarterly Report on Form 10-Q for the three and nine month periods ended March 31, 2012

The Company intends to amend the unaudited financial statements contained in its Quarterly Report on Form 10-Q as of and for the three and nine month periods ended March 31, 2012 to reflect an understatement of non-cash financing fees resulting from incorrect calculations regarding the total number of Class A common stock purchase warrants due the placement agent for services associated with the Company's private offering of 8% Convertible Debt completed during the quarters ended March 31, 2012 and December 31, 2011. The Class A warrants are exercisable into shares of the Company's common stock for three years at an exercise price of \$0.50 per share. For the three months ended March 31, 2012 we had initially determined the agent was entitled to 29,300 Class A warrants. However, we have now determined the agent was entitled to an additional 14,650 Class A warrants for the agent's placement services. Additionally, for the nine months ended March 31, 2012 we had initially determined the agent was entitled to 170,000 Class A warrants. However, we have now determined the agent was entitled to an additional 85,000 Class A warrants for the agent's placement services for the nine months ended March 31, 2012. The non-cash charges against earnings for the value of the 14,650 and 85,000 additional Class A warrants will increase the net loss for the three and nine months ended December 31, 2011, respectively.
