As previously reported in the Current Report on Form 8-K dated April 13, 2007, the Company amended its Original Purchase Agreement with a certain qualified accredited investors to sell such investor \$500,000 in Notes convertible into common stock at \$.35 per share, together with Warrants to purchase 1,000,000 shares of the Company’s Common Stock at \$.48 per share (the “Other Purchase Agreement”).

By way of Amendment Agreements dated July 23, 2007 (the “Amendment Agreements”) between the Company and each of the holders of the Notes (each a “Holder” and collectively, the “Holders”), the Company agreed to issue each Holder an amended and restated Note (the “Amended Notes”) in the principal amount equal to the principal amount outstanding as of July 23, 2007. The changes to the Amended Notes include the following:

- The maturity date for the outstanding Notes (totaling after conversions an aggregate of \$6,020,000) has been extended to December 21, 2008;
- Liquidated damages of 1% per month related to the Company’s delisting from the American Stock Exchange will no longer accrue and the deferred interest balance of approximately \$230,000 has been forgiven;
 - The Company no longer has to maintain a minimum cash or cash equivalents balances of \$600,000;
 - The Amended Notes may not be prepaid without consent of The Holders;
 - As of July 23, 2007 the annual interest rate was raised from 6% per annum to 8% per annum;
- The Amended Notes are convertible into (i) 8,407,612 shares of the Company’s common stock. The conversion price for \$5,770,000 of principal was revised from \$2.60 to \$.75 per share and was unchanged for the remaining \$250,000 of principal from the Other Purchase Agreement;
- In addition to the right to convert the Amended Notes into the Company's common stock, up to \$3,010,000 of the Amended Notes can be converted into (ii) 3,010 shares of the Company’s newly formed Series A Convertible Preferred Stock (the “Preferred” or the “Preferred Stock”) at a stated value of \$1,000 per share. The Preferred is convertible into common stock at the same rate as their Note, subject to adjustment as provided for in the Certificate of Designations (discussed below);
- Except for the Amended Note associated with the Other Purchase Agreement, the Amendment Agreements adjusts the exercise price of the amended Warrants from \$3.60 to \$1.03 per share for 1,553,468 shares of Common Stock and requires the issuance of Warrants exercisable for an additional 3,831,859 shares of Common Stock at \$1.03 per share with an expiration date of July 21, 2011;
- The Amended Notes eliminate the requirement that the Company comply with certain covenants of management contained in Note. Specifically, among other things, the requirements to defer management compensation and to maintain a management committee were removed; and
- The Amended Notes and/or the Series A Convertible Preferred stock are subject to certain anti-dilution adjustment rights in the event the Company issues shares of its Common Stock or securities convertible into its Common Stock at a price per share that is less than the Conversion Price, in which case the Conversation Price shall be adjusted to such lower price.

Pursuant to the Amended Notes, the Company cannot enter into a transaction that constitutes a Fundamental Change without the consent of the Note Holders. A Fundamental Change includes the following:

- § The consolidation or merger of the Company or any of its subsidiaries;

- § The acquisition by a person or group of entities acting in concert of 50% or more of the combined voting power of the outstanding securities of the Company; and

Pursuant to the Amendment Agreements, the Company is required to file a Certificate of Designations of Series A Senior Secured Convertible Preferred Stock (the "Certificate of Designations"). The Certificate of Designations designates 3,198 shares of the Company's preferred stock as Series A Senior Secured Convertible Preferred Stock. The Preferred Stock has a stated value of \$1,000. The Preferred Stock is entitled to cumulative dividends which accrue at a rate of 8% per annum, payable on the December 21, 2008. Each share of Preferred Stock has voting rights equal to (1) in any case in which the Preferred Stock votes together with the Company's Common Stock or any other class or series of stock of the Company, the number of shares of Common Stock issuable upon conversion of such shares of Preferred Stock at such time (determined without regard to the shares of Common Stock so issuable upon such conversion in respect of accrued and unpaid dividends on such share of Preferred Stock) and (2) in any case not covered by the immediately preceding clause one vote per share of Preferred Stock. The Certificate of Designations prohibits the Company from entering into a Fundamental Change without the consent of the Holders and contains antidilution adjustments rights that are comparable to the antidilution adjustments contained in the Amended Notes.

The amended Warrants are subject to certain anti-dilution adjustment rights in the event the Company issues shares of its Common Stock or securities convertible into its Common Stock at a price per share that is less than the Strike Price, in which case the Strike Price shall be adjusted to the lower of (1) 138% of the price at which such common stock is issued or issuable and (2) the exercise price of warrants, issued in such transaction."

Pursuant to the Amendment Agreements, the Company is required to file a registration statement with the Securities and Exchange Commission by August 31, 2007 covering the resale of 100% of the sum of (a) the number of shares issuable upon conversion of the Amended Notes and Preferred Stock, and (b) the number of shares issuable upon exercise of the Warrants.

The Pledge and Security Agreement, Trademark Security Agreement and Lockbox Agreement were previously entered into on July 21, 2006 (collectively, the “Ancillary Agreements”).
