SELLING STOCKHOLDERS

An aggregate of up to 918,628 shares of our common stock may be offered and sold pursuant to this prospectus by the selling stockholders.

Four Corners Capital Partners, LP ("FCCP") received 500,785 shares of common stock as a result of the net exercise of a warrant that we issued in July 2003, effective as of April 21, 2003, in consideration for the services provided by Frank Guidone as our Chief Executive Officer. Frank Guidone is a partner of FCCP.

Castletop Capital, L.P. ("Castletop") received 297,228 shares of common stock as a result of the exercise of a warrant we issued in October 2002. We issued the warrant to Castletop as partial consideration for the extension of a \$9.3 million bridge loan. Castletop is controlled by Morton Topfer, Chairman of our Board of Directors.

The other selling stockholders received their shares of common stock as a result of the distribution of shares by Corporate Revitalization Partners ("CRP") to its partners following the exercise by CRP of warrants that we issued in November 2002 and January 2003. We issued these warrants to CRP in consideration for the achievement of certain goals in connection with our restructuring programs. FCCP is a partner of CRP and received 29,791 shares in this distribution.

We are filing a registration statement, of which this prospectus constitutes a part, in order to permit the selling stockholders and their permitted transferees and assigns to resell to the public the shares of our common stock issued upon exercise of the warrant.

The following table sets forth the number of shares of common stock beneficially owned by the selling stockholders as of June 28, 2004 and the number of shares of common stock that are being offered under the terms of this prospectus. The percentage of ownership is based on an aggregate of 13,282,874 shares issued and outstanding as of June 28, 2004. Beneficial ownership includes shares owned and shares that the selling stockholders have the right to acquire within 60 days.
