PROXY STATEMENT 2003 ANNUAL MEETING OF STOCKHOLDERS

To be held on November 26, 2003

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Integrated BioPharma, Inc. ("INB" or the "Company"), a Delaware corporation, to be voted at the 2003 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Company's Executive Offices, 225 Long Avenue, Hillside, New Jersey 07205 on November 26, 2003, at 9:00 a.m. local time, or at any postponement or adjournment thereof. This Proxy Statement, the Notice of Annual Meeting and the accompanying form of proxy are first being mailed to stockholders on or about October 31, 2003.

Only holders of record of the Company's common stock, par value \$.002 per share ("Common Stock"), at the close of business on October 23, 2003 (the "Record Date"), are entitled to vote on the matters to be presented at the Annual Meeting. The number of shares of Common Stock outstanding on such date and entitled to vote was 10,341,839. Holders of the Company's Series A Convertible Preferred Stock, par value \$.002 (the "Series A Preferred"), shall be entitled to the number of votes equal to the number of shares of the Company's common stock in which each share of Series A Preferred could be converted on the Record Date. The number of shares of Series A Preferred outstanding on the such date and entitled to vote was 9,500. If converted, such shares of Series A Preferred could be converted into 1,1875,000 shares of the Company's common stock.

Holders of Common Stock are entitled to one vote on each matter to be voted upon by the stockholders at the Annual Meeting for each share held.

At the Annual Meeting, stockholders will be asked to consider and vote upon proposals: (1) to elect the following directors: (i) two Class I directors for a three year term to serve until the 2006 Annual Meeting of Stockholders; (ii) one Class II director to a two year term to serve until the 2005 Annual Meeting of Stockholders; and (iii) two Class III directors to a one year term to serve until the 2004 Annual Meeting of Stockholders, (2) to amend the Company's Stock Option Plan to increase the number of shares of Common Stock reserved for issuance from 2,000,000 to 4,000,000, (3) to ratify the appointment of Amper, Politziner, & Mattia, P.C., as INB's independent auditors for the fiscal year ending June 30, 2004 (the "Independent Auditors Proposal"), (4) to ratify the amendment to the Company's certificate of incorporation to change its corporate name to "Integrated BioPharma, Inc." and (5) to amend Section I of Article III (Directors) of the Company's Bylaws to increase the number of directors from seven (7) directors to nine (9) directors. At the Annual Meeting, stockholders may also be asked to consider and take action with respect to such other matters as may properly come before the Annual Meeting.

Edgar Filing: INTEGRATED BIOPHARMA INC - Form DEF 14A

QUORUM AND VOTE REQUIREMENTS

The presence, in person or by proxy, of holders of record of a majority of the shares of Common Stock issued and outstanding and entitled to vote is required for a quorum to transact business at the Annual Meeting, but if a quorum should not be present, the Annual Meeting may be adjourned from time to time until a quorum is obtained. Directors are elected by a plurality of votes cast. The Independent Auditors Proposal and all other matters to properly come before the Annual Meeting will be determined by the affirmative vote of the holders of a majority of the shares of Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting. Broker "non-votes" (i.e. proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) and shares for which duly executed proxies have been received but with respect to which holders of shares have abstained from voting will be treated as present for purposes of determining the presence of a quorum at the Annual Meeting. Abstentions and broker non-votes have no impact on the election of directors except to reduce the number of votes for the nominees. With respect to all other proposals, broker non-votes are not counted as votes and, therefore, will not be included in vote totals and abstentions will have the effect of a negative vote against such other proposals.

SOLICITATION AND REVOCATION

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, AND ON BEHALF OF, THE BOARD OF DIRECTORS. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD OF DIRECTORS.

All Common Stock represented by properly executed proxies which are returned and not revoked prior to the time of the Annual Meeting will be voted in accordance with the instructions, if any, given thereon. If no instructions are provided in an executed proxy, it will be voted (1) FOR the election of the following directors: (i) two Class I directors for a three year term to serve until the 2006 Annual Meeting of Stockholders; (ii) FOR the election of one Class II director to a two year term to serve until the 2005 Annual Meeting of Stockholders; (iii) FOR the election of two Class III directors to a one year term to serve until the 2004 Annual Meeting of Stockholders, (2) FOR the proposal to amend the Stock Option Plan, (3) FOR the Independent Auditors Proposal, (4) FOR the ratification of the amendment to change the Company's corporate name and (5) FOR the proposal to amend Section 1 of Article III (Directors) of the Company's Bylaws to increase the number of directors from seven (7) directors to nine (9) directors, and in accordance with the proxy holder's discretion as to any other business raised at the Annual Meeting. Any stockholder who executes a proxy may revoke it at any time before it is voted by delivering to the Company a written statement revoking such proxy, by executing and delivering a later dated proxy, or by voting in person at the Annual Meeting. Attendance at the Annual Meeting by a stockholder who has executed and delivered a proxy to the Company shall not in and of itself constitute a revocation of such proxy.

The Company will bear its own cost for the solicitation of proxies. Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers, and employees of the Company personally, by telephone, or

otherwise, but any such person will not be specifically compensated for such

Edgar Filing: INTEGRATED BIOPHARMA INC - Form DEF 14A

services. The Company also intends to make, through banks, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Stock. Upon request, the Company will reimburse brokers, dealers, banks and similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of Common Stock which such persons hold of record.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Company's Board of Directors is currently composed of seven (7) directors divided into three classes of directors serving staggered 3 year terms.

The members of Class I, whose terms of office expire in 2003, are Mr. E. Gerald Kay and Ms. Riva Kay Sheppard. The Board has nominated Mr. E. Gerald Kay and Ms. Riva Kay Sheppard to stand for election as Class I directors, to hold office until 2006, or until their respective successors are elected and qualified.

The members of Class II, whose terms of office expire in 2005, are Ms. Christina Kay and Mr. Robert Canarick. In Proposal No. 5 below, the shareholders are being asked to vote for an amendment to the Section 1 of the Article III of the Company's By-laws to increase the number of directors to 9. The Board has nominated Mr. Robert Kay to stand for election as a Class II director to fill one of the vacancies and to hold office until 2005, or until his successor is elected and qualified.

The members of Class III, whose terms of office expire in 2004 are Mr. Seymour Flug, Mr. Dean DeSantis and Dr. Steven Lamm. The stockholders will consider and vote upon the election of Mr. E. Gerald Kay, Ms. Riva Kay Sheppard, Mr. Robert Kay, Mr. Glenn Chang and Mr. Zarko Kraljevic to serve their respective terms or until their respective successors are elected and qualified.

Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated proxy will be voted FOR the election of the nominees, unless the proxy contains contrary instructions. The Board of Directors knows of no reason why any of its nominees will be unable or will refuse to accept election. If any nominee becomes unable or refuses to accept election, the Board of Directors will either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, proxies will be voted in favor of such nominee.

PROPOSAL NO. 2 APPROVAL OF AMENDMENT OF STOCK OPTION PLAN

At the Annual Meeting, stockholders will be asked to approve an amendment to the Company's Stock Option Plan (the "Option Plan") to increase by 2,000,000 the number of shares of Common Stock reserved for issuance under the Option Plan to an aggregate of 4,000,000 shares. The Board of Directors approved the amendment October 1, 2003. The amendments and the Option Plan are summarized below. A copy of the Option Plan is available upon stockholder's written request to the Company, 225 Long Ave., Hillside, New Jersey, 07205, Attention: Secretary.

Description of the Amendment

The amendment increases by 2,000,000 the number of shares of Common Stock reserved for issuance under the Option Plan to an aggregate of 4,000,000 shares. If approved by the stockholders, the amendment shall be effective immediately.

Reasons for the Amendment

The Board of Directors believes that stock options are an important incentive for attracting, retaining and motivating employees and officers through the opportunity of equity participation. In the view of the Board of Directors, stock options uniquely focus the attention of the officers and employees on the Company's goal of increasing shareholder value, since the options only provide a reward to the extent that the stock price increases. The Board of Directors further believes that stock option grants have been a key element in the Company's growth. The amendment to increase the number of shares of Common Stock under the Option Plan is intended to enable the Company to continue to have an adequate number of shares of Common Stock available for stock options.

As of September 30, 2003, 362,825 shares of Common Stock remained available for the grant of stock options under the Option Plan. Based on the number of shares remaining under the Option Plan, and the shares anticipated to be needed for the granting of options to attract and retain key employees, sufficient shares are not expected to be available for the grant of stock options without increasing the number of shares available under the Option Plan.

Description of the Option Plan

The Option Plan was adopted by the Board of Directors on October 1, 2001. The Option Plan provides for the granting of either "incentive stock options" or "non-qualified stock options" to acquire Common Stock (collectively, Options) to employees, officers, directors, and consultants of the Company. The Option Plan also provides for the granting of restricted stock to eligible participants in addition to or in lieu of, stock options. An aggregate of

4,000,000 shares of Common Stock have been reserved for issuance under the Option Plan, subject to stockholder approval of the amendment. In the event that any outstanding options expire or are terminated or forfeited, the shares allocable to such expired, terminated or forfeited Options shall again become available for the granting of Options.

Our Board of Directors approved the Option Plan on October 1, 2001 to provide for the granting of either "incentive stock options" or "non-qualified stock options". The Option Plan does not pose a limit or restriction on the number of shares, which our Board of Directors may grant as either incentive or non-qualified stock options. Under present law, however, incentive stock options may only be granted to employees. The granting of incentive stock options allows the Company to reward key employees for their contribution to the growth of the Company and to the appreciation in stockholder value. In not restricting the number of available shares for either incentive or non-qualified stock options, our Board of Directors will have greater flexibility in determining the type of options that may be granted.

Our Board of Directors approved the Option Plan to also provide for the granting of restricted stock to eligible participants in addition to, or in lieu of, stock options. The Board of Directors believes that it is prudent to have the flexibility to grant a variety of stock-based awards to eligible grantees, in order to accomplish our goal of giving the necessary incentive to our employees, officers, directors and consultants.

Under the Option Plan, our Board of Directors has the authority to determine when options will vest and when options may be exercised, subject to applicable law. This provides our Board of Directors the flexibility necessary to determine the terms and conditions of options that are to be granted. By giving the Board of Directors the discretion to decide the vesting and exercise periods, our Board of Directors may tailor option grants to individual grantees, taking into account the performance of the Company and the particular contributions made by the grantee.

Optionees receive the right to purchase a specified number of shares of Common Stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. We may grant options at an exercise price less than, equal to or greater than the fair market value of our Common Stock on the date of grant. Under present law, incentive stock options and options intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code may not be granted at an exercise price less than the fair market value of the common stock on the date of grant or less than 110% of the fair market value in the case of incentive stock options granted to optionees holding more than 10% of the voting power of the Company. The Option Plan permits our Board of Directors to determine how optionees may pay the exercise price of their options, including by cash or check, or in connection with a "cashless exercise" through a broker, by surrender to the Company of shares of Common Stock, by delivery to the Company of a promissory note, or by any combination of the permitted forms of payment.

Our Board of Directors administers the Option Plan. Our Board of Directors has the authority to adopt, amend and repeal the rules, guidelines and practices of the Option Plan and to interpret its provisions. It may delegate authority under the Option Plan to one or more committees of the Board of Directors and, subject to certain limitations to a member of our Board of

Edgar Filing: INTEGRATED BIOPHARMA INC - Form DEF 14A

Directors or, to one or more of our executive officers. Subject to any applicable limitations contained in the Option Plan, our Board of Directors or any committee, member of the Board of Directors or executive officer to whom our Board of Directors delegates authority, as the case may be, selects the recipients of awards and determines:

- * The number of shares of Common Stock covered by options and the dates upon which such options become exercisable;
- * The exercise price of options;
- * The duration of options; and
- * The number of shares of Common Stock subject to any restricted stock or other stock-based awards and the terms and conditions of such awards, including the conditions for repurchase, issue price and repurchase price.

Future grants of options under the Option Plan are in the discretion of the Board and, thus the amount of such grants, if any, are not presently determinable.

The market value of the Common Stock as of the close of business on September 30, 2003 as reflected by the closing price of the Common Stock on the American Stock Exchange, was \$8.15 per share.

Committee Charter. Management is responsible for the Company's internal control and financial reporting process. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has also considered whether the independent auditors' provision of information technology and other non-audit services to the Company is compatible with the auditor's independence.

Based upon the Audit Committee's discussions with Management and the independent public accountants and the Audit Committee's review of the representation of Management and the report of the independent public accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2003 filed with the Securities and Exchange Commission.
