EXPLANATORY NOTE

This Registration Statement as originally filed related to the offering of 8,100,000 shares of PCS Common Stock issuable under the 1990 Stock Option Plan, which was adopted as a subsidiary plan under and pursuant to the 1997 Long-Term Stock Incentive Program (the "1997 Program"), which had been approved by Sprint's shareholders. The number of shares of PCS Common Stock covered by the Registration Statement was increased to 16,200,000 shares as a result of a two-for-one stock split of the PCS Common Stock in the 2000 first quarter.

On February 10, 2004, in compliance with the settlement of the derivative

litigation brought by Amalgamated Bank, as Trustee for The Longview Collective Investment Fund, Sprint's Board of Directors combined the 1990 Stock Option Plan with and into the 1997 Program to form a single plan (the "Plan Combination"). Options granted under the 1990 Stock Option Plan before the Plan Combination are now deemed granted under the 1997 Program. Accordingly, the purpose of this Post-Effective Amendment No. 1 is to reflect the fact that the shares of PCS Common Stock covered by this Registration Statement and not previously issued in connection with the exercise of stock options granted under the 1990 Stock Option Plan before the Plan Combination will be issued in connection with the exercise of options granted under the 1997 Program, but not for any other awards permitted under the 1997 Program (such as restricted stock, performance share, or other stock unit awards).
