Item 1.01 Entry Into a Material Definitive Agreement.

On June 30, 2008 American Ecology Corporation (the "Company") entered into a \$15 million revolving credit agreement (the "Revolving Credit Agreement") with Wells Fargo Bank, National Association ("Wells Fargo"). The Revolving Credit Agreement expires on June 15, 2010 and replaces the Company's expired Amended and Restated Credit Agreement.

Under the terms of the Revolving Credit Agreement the Company may utilize up to \$15 million in revolving credit loans or letters of credit for general corporate purposes (the "Commitment Amount"). Monthly interest only payments are based on LIBOR plus an applicable margin or the prime rate. In addition to standard fees, there is an origination fee and a commitment fee based on the average daily unused portion of the Commitment Amount.

The Revolving Credit Agreement contains affirmative, negative and financial covenants customary for such financings as well as customary representations and warranties. Events of default include, but are not limited to, the Company's failure to pay certain debt, certain insolvency, bankruptcy or ERISA events, unpaid judgments over a specified amount and the assertion or creation of an environmental lien as described in the Revolving Credit Agreement.

The payments under the Revolving Credit Agreement are guaranteed by the subsidiaries of the Company.

A copy of the Revolving Credit Agreement is filed as Exhibit 10.50 hereto and is incorporated by reference herein. The description above is qualified in its entirety by reference to the full text of the Revolving Credit Agreement.
