PROXY STATEMENT

These proxy materials are delivered by the Board of Directors (the “Board”) of Enterprise Financial Services Corp (the “Company” or “EFSC”), in connection with the solicitation of proxies to be voted at the 2019 annual meeting of stockholders or any adjournment or postponement thereof. The meeting will be held at the Ritz-Carlton Amphitheater, 100 Carondelet Plaza, St. Louis, Missouri 63105 on Wednesday, May 29, 2019 at 5:00 p.m. local Central time.

This Proxy Statement and the proxy card were first provided to stockholders on or about April 17, 2019.

QUESTIONS ABOUT THE MEETING AND THESE PROXY MATERIALS

What may I vote on?

1. The election of 12 directors to hold office until the next annual meeting of stockholders or until their successors are elected and have qualified.
2. Proposal A, approval of an amendment to our Certificate of Incorporation, as amended, to increase the number of authorized shares of our common shares.
3. Proposal B, an amendment to the Enterprise Financial Services Corp Stock Plan for Non-Management Directors to increase the number of shares available for award under the plan.
4. Proposal C, ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.
5. Proposal D, an advisory (non-binding) vote to approve our executive compensation.

How does the Board recommend that I vote?

The Board recommends that you vote:

- FOR the election of 12 directors nominated by our board and named in this proxy statement;
- FOR the approval of the each of Proposals A and B;
FOR the ratification of the appointment of Deloitte & Touche LLP under Proposal C; and
FOR the approval, on an advisory basis, of Proposal D.

Who can vote at the meeting? The Board has set April 1, 2019 as the Record Date for the annual meeting. All stockholders who owned our common stock at the close of business on the Record Date may vote at the annual meeting. On the Record Date, there were 26,877,800 shares of common stock outstanding. Shares held as of the Record Date include shares that are held directly in your name as the stockholder of record and those shares held for you as a beneficial owner through a stockbroker, bank or other nominee.

How do I vote my shares? If your shares are registered directly in your name with our stock transfer agent, Computershare, you are considered a stockholder of record and the beneficial owner of those shares. As a stockholder

of record, you have the right to grant your voting proxy directly to the Company, or to vote in person at the meeting. You may submit your proxy by mail, over the internet at www.proxyvote.com, or via the telephone at 1-800-690-6903.

If your shares are held in a stock brokerage account or by a bank, you are still considered the beneficial owner of those shares, but your shares are said to be held in "street name." Generally, only stockholders of record may vote in person at the meeting. If your shares are held in "street name," you will receive a form from your broker or bank seeking instruction as to how your shares should be voted. Many of our stockholders who hold their shares in "street name" through a nominee have the option to submit their proxies or voting instructions to their nominee electronically by telephone or the internet. These stockholders should review and follow the voting instructions provided by their nominee, including any instructions related to revoking your voting instructions.

If you desire to vote shares held in street name in person at the meeting, you need to contact your broker and ask how to obtain a “legal proxy” to directly vote such shares.

Internet Availability of Proxy Solicitation and Other Annual Meeting Materials. We are furnishing proxy materials to some of our stockholders via the internet by mailing a Notice of Internet Availability of Proxy Materials, instead of mailing printed copies of those materials. The Notice of Internet Availability of Proxy Materials instructs stockholders that our proxy statement, annual report to stockholders, electronic proxy card and related materials are available for viewing, free of charge, on the internet. Stockholders may then access these materials and vote over the internet or request delivery of a full set of materials by mail or email. These rules help us lower the cost of conducting our annual meeting by reducing costs associated with printing and postage.

We will begin mailing the required Notice of Internet Availability of Proxy Materials (the “Notice”) to stockholders on or about April 17, 2019. The proxy materials will be posted on the internet, at www.proxyvote.com, no later than the day we begin mailing the Notice. If you receive the Notice, you will not receive a paper or email copy of the proxy materials unless you request one in the manner set forth in the Notice. The Notice will also include instructions on how to access and review the proxy materials online, how to vote your shares over the internet, and how to get a paper or email copy of the proxy materials, if that is your preference.

Can I change my vote? Yes. If you are the stockholder of record, you may revoke your proxy at any time before the annual meeting of stockholders by:

- entering a new vote by internet or telephone;
- returning a later-dated proxy card;
- sending written notice of revocation to the Corporate Secretary of the Company; or
- attending the annual meeting and voting by ballot.

To change your vote for shares you hold in street name, you will need to follow the instructions provided by your broker or bank.

How are shares of common stock voted at the meeting? Each holder of common stock is entitled to one vote for each share of common stock held with respect to each matter to be voted upon.

All shares of common stock represented at the annual meeting by properly executed proxies received prior to or at the annual meeting which are not properly revoked will be voted at the annual meeting in accordance with the instructions indicated on the proxies. If no contrary instructions are indicated, proxies will be voted FOR the election of the Board’s director nominees and FOR approval of Proposals A, B, C and D.

How many votes are required to elect each director? A plurality of votes cast at the annual meeting is required for the election of each director, which effectively means that the 12 persons receiving the most votes will be elected as directors. If you indicate “withhold authority to vote” for a particular nominee on your proxy card, your shares will not be voted with respect to those nominees indicated; however, your shares will be counted for purposes of determining whether there is a quorum. There is no cumulative voting for our directors. While directors are elected by a plurality of votes cast, our Board has adopted a majority voting policy for directors. This policy states that in an uncontested election, any nominee who receives a greater number of votes “withheld” from his or her election than votes “for” such election is required to submit his or her resignation to the Board. The Nominating and Governance Committee of the Board is required to make recommendations to the Board with respect to any such tendered resignation. The Board will act on the tendered resignation within 90 days from the certification of the vote and will publicly disclose its decision, including its rationale. Only votes “for” or “withheld” are counted in determining whether a majority has been cast in favor of a nominee. If you cast a “withheld” vote, your vote will have a similar effect as a vote against that director nominee under our majority voting policy for directors. If a nominee fails to receive a majority of the votes

cast and the Board accepts the director's resignation, there would be a vacancy created on the Board. Our Board would then have the option under our By-Laws either to appoint someone to fill the vacancy or to reduce the size of the Board.

How many votes are required to adopt the other proposals?

Each outstanding share of our common stock as of the Record Date is entitled to one vote on each proposal at the 2019 annual meeting.

If there is a quorum at the 2019 annual meeting, the matters, other than the election of directors, to be voted upon by the stockholders require the following votes for such matter to be approved:

Proposal A, Increase in Authorized Shares under Certificate of Incorporation. The affirmative vote of holders of at least a majority of our outstanding shares is required to approve the amendment to the Certificate of Incorporation to increase our outstanding shares of common stock from 30,000,000 to 45,000,000 shares.

Proposal B, Increase in Authorized Shares under Stock Plan for Non-Management Directors. The affirmative vote of holders of the majority of the shares for which votes are cast at the 2019 annual meeting is required to approve the amendment to the Non-Management Director Plan, as amended, to, among other things, provide for the addition of 100,000 shares to cover awards under the Non-Management Director Plan. Abstentions and broker “non-votes” will not be counted as votes cast and, therefore, will not affect the outcome.

Proposal C, Ratification of the Company’s Independent Registered Public Accounting Firm. The affirmative vote of holders of the majority of the shares for which votes are cast at the 2019 annual meeting is required for the ratification of the appointment of Deloitte & Touche LLP as independent registered public accounting firm for year ending December 31, 2019. Abstentions will not be counted as votes cast and, therefore, will not affect the outcome.

Proposal D, Advisory Vote on Approval of Named Executive Officer Compensation. The affirmative vote of holders of the majority of the shares for which votes are cast at the 2019 annual meeting is required to approve, on a non-binding advisory basis, the compensation of the Company’s named executive officers. Abstentions and broker “non-votes” will not be counted as votes cast and, therefore, will not affect the outcome.

If a broker indicates on its proxy that it submits to the Company that it does not have authority to vote certain shares held in “street name,” the shares not voted are referred to as “broker non-votes.” Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in “street name” on particular proposals under the rules of the New York Stock Exchange, and the “beneficial owner” of those shares has not instructed the broker how to vote on those proposals. If you are a beneficial owner and you do not provide instructions to your broker, bank or other nominee, your broker, bank or other nominee is permitted to vote your shares for or against “routine” matters such as Proposal C, the ratification of the appointment of our independent registered public accounting firm. Brokers are not permitted to exercise discretionary voting authority to vote your shares for or against “non-routine” matters. All of the matters on which stockholders will be asked to vote on at the 2019 annual meeting, with the exception of Proposal C, the ratification of the appointment of our independent registered public accounting firm, are “non-routine” matters.

Unless otherwise specified above, shares represented by proxies that are marked “abstain” with respect to any other matter to be voted upon at the 2019 annual meeting will have the effect of a negative vote.

How do I vote if my shares are held in a benefit plan? If you are a current or former employee of the Company or one of its subsidiaries and you have any portion of your investment funds allocated to the EFSC Common Stock Fund in the EFSC Incentive Savings Plan (“Savings Plan”), you may instruct the Savings Plan’s trustees how to vote the shares of common stock allocated to your account under the Savings Plan. You will instruct the voting of your stock in the same manner as other stockholders, i.e., by submitting your voting instructions by telephone or through the internet or by requesting a proxy card to sign and return. Please see the Notice we sent to you or this proxy statement for specific instructions on how to provide voting instructions by any of these methods. Please note that your voting instructions for stock held in the Savings Plan must be returned by 11:59 p.m. Eastern Time on May 23, 2019.

What if I don’t give specific voting instructions or abstain?

If you indicate a choice on your proxy on a particular matter to be acted upon, the shares will be voted as indicated.

If you are a stockholder of record and you return a signed proxy card but do not indicate how you wish to vote, the shares will be voted in favor of the election as directors of the nominees described in this Proxy Statement, as well as in favor of proposals A, B, C, and D. If you do not return the proxy card, your shares will not be voted and will not be

deemed present for the purpose of determining whether a quorum exists.

Under the rules of the New York Stock Exchange, which regulates stock brokers, Proposal C, the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm, is considered a routine matter, and your brokerage firm or other nominee will be entitled to vote your shares in their discretion on this proposal even if you do not provide voting instructions to your broker or other nominee. However, the election of directors and Proposals A, B and D are not considered routine matters, and brokers will not be permitted to vote on these matters if beneficial owners fail to provide voting instructions. The uninstructed shares that cannot be voted by brokers on non-routine matters are commonly referred to as "broker non-votes."

Abstentions and broker “non-votes” (assuming a quorum is present) will have the same effect as a vote against the approval of Proposal A. Abstentions and broker “non-votes” (assuming a quorum is present) will have no effect on Proposal B, C or D. Votes withheld and broker “non-votes” with respect to the election of any nominee for director will not be considered in determining whether such nominee has received the affirmative vote of a plurality of the votes cast; however, such votes will be considered to have a similar effect as a vote against those director nominees under our majority voting policy.

What should I do if I plan to attend the meeting in person? If you plan to attend the meeting in person, in order to ensure the safety of all of our attendees, we are implementing certain attendance and security procedures. To gain admittance to the meeting, we ask that you present both of the following: (1) a valid government-issued photo identification, such as a driver’s license or passport, and (2) proof of your ownership of shares of Company stock as of the Record Date (April 1, 2019). Acceptable proof of ownership may include: a copy of the proxy card for the 2019 annual meeting with your name on it or an account statement that indicates your ownership as of the Record Date. If you hold your shares in “street name” through a brokerage account, acceptable proof of ownership may include a recent brokerage statement, a letter from the broker confirming your ownership of the shares, or a proxy executed in your favor from your broker (should you also wish to vote your shares at the meeting). No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the meeting.

Who pays for this proxy solicitation? The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to solicitation by mail, proxies may be solicited in person or by telephone or by other means by the Company’s directors, officers or employees, who will not receive any additional compensation for solicitation activities. The Company has engaged Broadridge Financial Solutions, Inc., for a fee to be determined, to assist in the distribution and tabulation of proxies. The Company will also reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by mailing proxy materials to the beneficial owners of common stock as of the Record Date.

The date of this Proxy Statement is April 17, 2019.

ELECTION OF DIRECTORS

Under our mandatory retirement policy, a director is generally required to retire at the next annual meeting of stockholders after the later of: reaching age 72 or the fourth anniversary of the director's initial election to the Board, and may not stand for election or re-election thereafter. However, a director need not retire and may stand for re-election if the Board, by unanimous vote, approves a waiver for such director, provided that any such waiver must be renewed annually and no waiver will be made or renewed for any director after reaching the age of 75.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE INDIVIDUALS LISTED ABOVE FOR ELECTION AS DIRECTORS OF THE COMPANY.

BOARD AND COMMITTEE INFORMATION

The Board has determined that having an independent director serve as Chairperson of the Board is in the best interest of stockholders at this time. The structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing priorities and

procedures for the work of the Board. Director Eulich is the current Chairperson of the Board and has held that position since May 2016.

The Board is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees below and in the charters of each of the committees, but the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

All committee members are appointed by the Board on recommendation of the Nominating and Governance Committee. In addition, the Board has established membership standards for each committee which requires that a certain number of committee members must be "independent directors," as that term is defined in Rule 5605(a)(2) of the NASDAQ rules.

The Board met nine times in 2018. All directors attended at least 75% of all meetings of the full Board and of those committees on which they served in 2018. The Company's Board periodically held executive sessions of the members of the Board who met the then current standards of independence. Executive sessions of the Board were presided over by the Chairperson of the Board.

While there is no formal policy concerning director attendance at the annual meeting, all members of the Board are encouraged to attend if reasonably able to do so. All of the then serving members of the Board attended the 2018 annual meeting of shareholders.

DIVERSITY

The Company and the Board strongly believe diversity is critical to the Company's success and creating long-term value for our stockholders. A Board consisting of individual directors with diverse backgrounds ensures broader representation and inspires deeper commitment to management, employees and the communities we serve. While not specific to a particular policy, the Company's Board prioritizes diversity in gender, ethnic background, and professional experience when considering candidates for director as part of its commitment to diversity. At present, 28% of our Board is diverse from a gender, race or ethnic perspective. In addition, the Company is committed to a culture of inclusiveness, equality and diversity at all levels of the Company's workforce, offering a supportive and understanding environment designed to assist all individuals in realizing their maximum potential, regardless of their differences. Our goal is to ensure that, in carrying out our activities, we promote equality of opportunity and good relations between people of diverse backgrounds, and avoid unlawful discrimination. As of December 31, 2018, more than 28% of our executive officers, and more than 48% of our leadership team were diverse from a gender, race or ethnic perspective.

For more information, please refer to Note 15-Compensation Plans included in the Company's 2018 Consolidated Financial Statements on Form 10-K filed with the Securities Exchange Commission on February 22, 2019.

(1) Pursuant to the company's retirement policy, Mr. Arnold will retire from the Board effective as of the date of the 2019 annual meeting and is ineligible to stand for re-election.

(2) As previously reported, on March 18, 2019, Mr. Normile notified the Chairperson of the Nominating and Governance Committee that he will not stand for re-election and will retire from the Board effective as of the date of the 2019 Annual Meeting.

In 2018, non-employee directors received a \$45,000 annual retainer, with Mr. Eulich receiving an \$100,000 retainer for his service as chairperson of the Board and Executive Committee. Annual retainers are paid in July of each year for the upcoming 12 month period. The above table includes the portion of the retainer paid in July of 2017 for January through June of 2018 and the portion of retainer paid in July of 2018 for July through December 2018. Additionally, members receive \$1,250 per board meeting attended. For committee service, the Chairpersons received an additional retainer as follows: Audit Committee - \$10,000, Compensation Committee - \$8,000, Risk Committee - \$8,000 and Nominating and Governance Committee - \$6,000. Non-Chairperson committee members receive \$1,000 per committee meeting attended.

Directors also receive attendance fees and retainers for service on the Bank's board of directors and for representing EFSC's Board on other committees and advisory boards. For their services on the Bank's board of directors, Mr. Arnold received \$9,262 in cash and \$10,338 in stock and Mr. Eulich received \$7,631 in cash and \$8,369 in stock. Additionally, for services on advisory boards, Mr. Guest received \$7,950 in cash and Ms. Heeter, Mr. Normile, and Ms. Schmitz each received \$2,000 in cash.

Generally, non-employee directors receive 50% of their retainer or meeting fees in shares, unless a non-employee director elects, prior to June 30 of an applicable year, to receive 100% of such director's retainer and meeting fees in shares. Any election to receive 100% of the retainer and meeting fees in shares will remain in effect until revoked by the non-employee director. The number of shares received by the non-employee director depends on the fair market value of the Company's common stock on the date of grant. Shares are granted on the date that the cash retainer or meeting fees would otherwise have been paid. Shares are fully vested upon grant.

The Company has entered into Corporate Governance Agreements with each of Patriot and Castle Creek, and each of their officers that are serving as Company directors, James F. Deutsch and Anthony R. Scavuzzo, respectively (collectively, the "Corporate Governance Agreements"). Pursuant to the Corporate Governance Agreements, the Company will pay all director compensation, committee fees, expenses and benefits in cash to each of Patriot and Castle Creek, or each entity's designated affiliates, and not to Messrs. Deutsch and Scavuzzo individually. For additional information on the Corporate Governance Agreements, see Related Person Transactions/Section 16(a) Beneficial Ownership Reporting.

EXECUTIVE COMMITTEE

The Executive Committee is empowered to act on behalf of, and to exercise the powers of, the full Board in the management of the business and affairs of the Company when the full Board is not in session, except to the extent limited by applicable Delaware law. The charter for the Executive Committee may be found in the investor relations section of the Company's website at www.enterprisebank.com. All actions by the Executive Committee are reported at the next regular Board meeting. In 2018, the committee met one time.

All members of the Executive Committee meet the NASDAQ independence standards. The Committee consists of six members: Directors Eulich, (Committee Chairperson), Arnold, Guest, Heeter, Holmes, and Van Trease.

AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board by reviewing all audit processes and fees, the financial information provided to the stockholders and the Company's systems of internal financial controls. The Audit Committee has the authority and responsibility to select and evaluate and, where appropriate, replace the Company's independent registered public accounting firm (the "independent auditors").

The Audit Committee is responsible for oversight of Company risks relating to accounting matters, financial reporting, legal and regulatory compliance and the Company's anonymous "whistleblower" reporting system. To satisfy these oversight responsibilities, the committee separately meets regularly with the Company's Chief Financial Officer, its Chief Risk Officer, its Director of Internal Audit, the Company's independent auditors, and management. The Audit Committee Chairperson periodically meets between formal committee meetings with the Company's Chief Financial Officer, its Chief Risk Officer, its Director of Internal Audit, and the Company's independent auditors. The Committee also receives regular reports regarding issues such as the status and findings of audits being conducted by the internal and independent auditors, the status of material litigation, accounting changes that could affect the Company's financial statements and proposed audit adjustments.

All members of the Audit Committee meet the NASDAQ independence standards and meet the additional requirements applicable to Audit Committee members. In 2018, the Audit Committee consisted of Directors Van Trease (Committee Chairperson), Arnold, Havel, Kent, Normile, and Schmidt. Mr. Arnold retired from the Committee in February 2018. The Audit Committee met five times in 2018.

The Board has determined that Directors Havel, Kent, and Van Trease satisfy the requirements of an “audit committee financial expert” as defined in Item 407(d)(5) of Regulation S-K and satisfy the definition of “financially sophisticated” under NASDAQ Rule 5605(c).

The Company’s Board has determined that none of the Directors on the Audit Committee have a relationship with the Company or the Bank that would interfere with the exercise of independent judgment in carrying out their responsibilities as director. None of them is, nor have they been for the past three years, an employee of the Company or the Bank, and none of their immediate family members is, nor have they been for the past three years, an executive officer of the Company or the Bank.

As noted in the Audit Committee's charter, which is available in the investor relations section of the Company's website at www.enterprisebank.com, the Company's management is responsible for preparing the Company's financial statements. The Company's independent auditors are responsible for auditing the financial statements. The activities of the Audit Committee are in no way designed to supersede or alter those traditional responsibilities. The Audit Committee's role does not provide any special assurances with regard to the Company's financial statements, nor does it involve a professional evaluation of quality of audits performed by the independent auditors. The Audit Committee reassesses the adequacy of the charter on an annual basis.

The Audit Committee has considered whether the provision by the Company's independent auditors of the services covered by the audit fees is compatible with maintaining its independence and has concluded that it is compatible. The Audit Committee is responsible for pre-approving all auditing services and permitted non-auditing services to be performed by the Company's independent auditors. The Chairperson of the Audit Committee has authority to approve in advance all audit or non-audit services to be performed by the independent auditors, but must report any such approval to the full Audit Committee at the next regularly scheduled meeting.

The Report of the Audit Committee appears on page 42 of this Proxy Statement.

NOMINATING AND GOVERNANCE COMMITTEE

The Nominating and Governance Committee assists the Board in identifying and recommending qualified director nominees for election at the annual meeting. The charter for the Nominating and Governance Committee may be found in the investor relations section of the Company's website at www.enterprisebank.com. The committee also recommends membership on Board committees, reviews and assesses the Company's governance guidelines, policies and practices, and oversees an annual Board self-evaluation.

All members of the Nominating and Governance committee meet the NASDAQ independence standards. Nominating and Governance Committee members for 2018 were Directors Heeter (Committee Chairperson), Arnold, Guest, Havel, and Holmes. The committee met six times in 2018.

The Nominating and Governance Committee may consider candidates for Board membership coming to its attention through current Board members, search firms, stockholders and other persons. Suggestions for nominees from stockholders are evaluated in the same manner as other nominees. Any stockholder nomination must be submitted in writing to the Company's Corporate Secretary at: Enterprise Financial Services Corp, 150 North Meramec Ave., Clayton, Missouri 63105, and should include the stockholder's name, address and the number of the Company's shares owned by the stockholder, along with the nominee's name and qualifications in accordance with the procedures set forth in our By-Laws, as described in Proposals of Stockholders on page 43. No stockholder has nominated anyone for election as a director at the 2019 annual meeting.

The Nominating and Governance Committee has the flexibility to consider various factors it deems appropriate in identifying and evaluating potential candidates for director nominees as there is no strict set of qualifications that must be satisfied before a candidate may be considered. These factors may include education, diversity, experience with business and other organizations comparable with EFSC, the interplay of the candidate's experience with that of other members of the Board, and the extent to which the candidate would be a desirable addition to the Board and to any of the committees of the Board. The Nominating and Governance Committee will evaluate nominees for directors submitted by stockholders in the same manner in which it evaluates other director nominees.

Stockholders may communicate directly to the Board, including individual directors and our presiding Chairperson, by sending a letter to the Board at the following address: Enterprise Financial Services Corp Board of Directors, 150

North Meramec Ave., Clayton, Missouri 63105. All communications directed to the Board will be received and processed by the Company's Corporate Secretary and will be transmitted to the Chairperson of the Nominating and Governance Committee without any editing or screening.

COMPENSATION COMMITTEE

In 2018, the Compensation Committee consisted of Directors Holmes (Committee Chairperson), DeCola, Eulich, Kent, and Van Trease. The Compensation Committee met five times in 2018. Currently, the Compensation Committee is comprised solely of non-employee directors, all of whom the Board has determined are independent pursuant to the NASDAQ rules. The responsibilities of the Compensation Committee are set forth in its charter, which is available in the investor relations section of the Company's website at www.enterprisebank.com, and includes the responsibility for establishing, implementing and continually monitoring compliance with the Company's compensation philosophy. Members of the Compensation Committee are outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986 (the "Code"). During 2018, no member was an executive officer of another entity on whose compensation committee or board of directors an executive officer of the Company served.

The Compensation Committee is responsible for risks relating to employment policies and the Company's compensation and benefits systems. To assist it in satisfying these oversight responsibilities, the Compensation Committee has retained its own compensation consultant and meets regularly with management and with outside counsel to understand the financial, human resources and stockholder implications of compensation decisions being made. For additional information regarding our engagement of a compensation consultant, see Executive Compensation - Overview of the Compensation Process.

The Compensation Committee Report appears on page 22 of this Proxy Statement.

RISK COMMITTEE

The Risk Committee assists the Board in carrying out its responsibilities with respect to the comprehensive oversight of the types and levels of risk being incurred by the organization, and the effectiveness of the methods used to identify, monitor, manage, and report those risks. The charter for the Risk Committee may be found in the investor relations section of the Company's website at www.enterprisebank.com.

The responsibilities of the Risk Committee are to review the Company's Risk Appetite Statement and Risk Tolerances, evaluate the Company's risk priorities, and to monitor and evaluate the Company's risk profile as determined by management. Also, the Risk Committee oversees the composition and activities of the Bank's Risk Oversight Committee.

In 2018, the Risk Committee consisted of Directors Arnold (Committee Chairperson), Guest, Heeter, Normile and Schmitz. In addition, four directors from the Company's Bank subsidiary served as advisory members of the Committee pursuant to its Charter. The Committee met four times in 2018.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This section provides information regarding our compensation programs for our named executive officers (“Named Executive Officers” or “NEOs”) for 2018, including our overall philosophy, components of compensation that we provide, and the objectives and intended incentives of our programs. Our Named Executive Officers for 2018 were as follows:

Name	Title	Age
James B. Lally	President and Chief Executive Officer	51
Keene S. Turner	Executive Vice President and Chief Financial Officer	39
Scott R. Goodman	President - Enterprise Bank & Trust	55
Douglas N. Bauche	Chief Credit Officer and St. Louis Region President - Enterprise Bank & Trust	49
Nicole M. Iannacone	Executive Vice President, Chief Risk Officer, General Counsel, Enterprise Bank & Trust and EFSC Corporate Secretary	39

Compensation Objectives

Principles. Our compensation philosophy is to provide competitive compensation that rewards executives for performance and management of risk. We develop and administer compensation programs consistent with the following principles:

- Compensation will include a substantial performance-based component which is:
 - based on clearly defined goals;
 - aligned with measurable business results, appropriate risk management and increase in stockholder value; and
 - linked to successful implementation of our business plan.
- Compensation is designed to attract, motivate and retain top talent.
- Compensation will be fair and market competitive.

Alignment. We believe our compensation system is currently operating consistent with these principles and that our executive compensation is aligned with the Company's performance. Further, just as our business is continually in a process of adapting for future success, so too our compensation system is reviewed and will be adapted as needed to lead the way to success. The chart below shows the CEO compensation, as measured in the Summary Compensation Table, for Mr. Benoist (2014-2016) and Mr. Lally (2017-2018) to show how our stock price growth and CEO compensation have been sustained at reasonably consistent levels.

Stockholder Approval. Our stockholders have consistently approved our executive compensation program by high margins in every stockholder advisory vote on executive compensation that we have conducted. Last year, stockholders approved our executive compensation program with 99.3% of votes cast in favor of our program. These votes are advisory and not binding upon the Compensation Committee of the Board of Directors (the "Committee"), however the Committee takes the outcome of the votes into consideration in making executive compensation decisions.

Overview of the Compensation Process

The Committee administers the Company's executive compensation programs under the authority of its charter. The Committee has responsibility for establishing, implementing and monitoring compliance with the Company's compensation philosophy.

The Committee has overall responsibility relating to compensation for the officers and other associates of the company. Other than with respect to Named Executive Officers, the Committee delegates certain of those functions to management. In the case of Named Executive Officers, the Committee establishes and reviews base salaries, short-term incentives, and long-term incentives, including measurement metrics and goals. With respect to executives below this level, the Committee reviews management's recommendations with respect to these matters. In the case of our non-executive associates, the Committee reviews, approves, and monitors overall compensation practices. The Committee retains oversight over compensation programs that are delegated to management, including evaluating compensation practices to determine that they do not encourage inappropriate risk to the Company.

Performance Reviews. The Executive Committee is responsible for overseeing and delivering the annual performance review of the Chief Executive Officer. This review is based on the financial performance of the Company, the change in stockholder value, growth in the human capital of the organization, effective succession planning, leading the organization's culture, the Company's

overall management of risk, and development and execution of our strategy. The Executive Committee meets and reviews the overall assessment of the Chief Executive Officer without the Chief Executive Officer being present. The Executive Committee reports the Chief Executive Officer's rating to the Compensation Committee.

Our Chief Executive Officer conducts and approves performance evaluations for the other Named Executive Officers. A Compensation Committee member presents the Committee's decisions for compensation of each Named Executive Officer to the full Board.

Compensation Consultant. The Committee has the authority under its Charter to directly engage the services of a Compensation consultant or other advisors. For 2018, Willis Towers Watson ("WTW") was selected as the Company's independent compensation consultant. Prior to engaging the services of WTW, the Committee assessed their independence, considering the factors set forth in NASDAQ Rule 5605(d)(3) regarding compensation advisor independence, consistent with the Committee's Charter. The Committee did not find any conflict of interest with respect to WTW in 2018.

WTW's work for the Committee in 2018 included: (i) presentation of market competitive data for purposes of the Committee's analysis of the Company's compensation for executive officers; (ii) providing business and technical advice on executive compensation matters, including short-term and long-term incentive compensation; (iii) Board compensation review; (iv) pay for performance analysis; (v) review of the Committee's executive compensation philosophy; and (vi) updates on general trends in executive compensation and tax reform.

Comparisons to Peer Group. The Committee uses competitive data to compare its compensation levels to a group of peer companies with respect to the following elements of compensation for Named Executive Officers:

- Base salary;
- Short-term annual incentives;
- Equity compensation elements such as performance contingent grants of stock; and
- Other elements that to date have been reported publicly under SEC rules.

The Committee selects the peer group with the advice of the Company's compensation consultant and input from management.

The peer group companies were selected to reflect financial institutions of comparable asset size to the Company with operations in markets that are geographically comparable to the Company's markets. The Committee believes that these component companies represent institutions that compete for the Company's talent pool. The Committee does not set rigid benchmarks for compensation of Named Executive Officers. The Committee's objective is to offer total target compensation for Named Executive Officers that is competitive with the Company's peers considering the relative performance of the executive and the Company. The Committee evaluates the competitiveness of the Company's executive compensation by comparisons to the peer group.

In 2018, our peer group consisted of the following 23 component companies:

1st Source Corporation	MidWest One Financial Group, Inc.
Arrow Financial Corporation	Midland States Bancorp, Inc.
BancFirst Corporation	Opus Bank
Eagle Bancorp, Inc.	Park National Corp.
Fidelity Southern Corporation	QCR Holdings Inc.
Financial Institutions Inc.	Republic Bancorp Inc.
First Busey Corporation	Simmons First National Corporation

First Financial Bankshares, Inc. Southside Bancshares Inc.
First Merchants Corporation Stock Yards Bancorp, Inc.
Great Southern Bancorp Inc. The First of Long Island Corporation
Heartland Financial USA, Inc. Tompkins Financial Corporation
Lakeland Financial Corp

Setting Compensation. The Committee considers the results of performance evaluations, peer group comparisons, and a review of the Company's goals and objectives. Based on this review, the Committee approves, and reports to the Board its decisions regarding the base salary, short-term incentive compensation targets and long-term equity awards for our Named Executive Officers

(other than the CEO) for the current year, as well as short-term incentive compensation earned for the prior year. The Committee recommends CEO pay adjustments to the Board and the Board approves the CEO compensation.

Compensation Components

Our executive compensation consists primarily of these three components:

- Base salary;
- Short-term annual incentive awards; and
- Long-term equity incentive compensation.

We also provide modest levels of perquisites, described later, to our Named Executive Officers and participation in other benefit programs that are generally available to the general associate population (e.g., health care, disability, life insurance, an employee stock purchase plan and a defined contribution plan). The Summary Compensation Table on page 25 provides additional information on these perquisites and benefits.

The Committee maintains a flexible policy for the allocation of compensation components. Allocations of compensation among the various components are intended to align compensation with achievement of performance goals and appropriate risk management while remaining competitive in comparison to the Company's peer group.

Base Salaries. Base salaries recognize and compensate for requisite competencies, experience, and knowledge that we believe our Named Executive Officers must possess. In setting base salaries, the Committee considers the Named Executive Officer's experience, and the difficulty that might be encountered in replacing the Named Executive Officer. The Committee also considers comparisons to the peer group to determine competitive levels of base salary for Named Executive Officers.

Based on these factors, in 2018, the Committee approved increases in rates of base salaries for the Company's Named Executive Officers as follows:

Mr. Lally	11.1 %
Mr. Turner	5.0 %
Mr. Goodman	5.0 %
Mr. Bauche	3.5 %
Ms. Iannacone	5.0 %

The 11.1% was determined by the Committee in consideration of Mr. Lally's performance during his tenure as a new CEO, both financially and from an overall leadership perspective, along with a competitive market adjustments of his base salary.

Short-Term Annual Incentives. Short-term incentives contribute to the alignment of compensation with an executive's performance in a given year, against a few key goals. Our short-term incentive program sets a threshold, target and exceptional level of short-term incentive awards that a Named Executive Officer is eligible to earn. In the first quarter of each year, our CEO and the Senior Vice President of Human Resources, with the input of other members of management where appropriate, present proposed performance grids to the Committee for review and approval. The relative importance of each goal in comparison to all goals is determined. The relative weighting determines potential incentive payments for each goal. The Committee uses comparisons to the Company's peer group to determine appropriate target levels of payments.

For performance below threshold level of any goal, there is no payment with respect to that goal. Payout for performance falling between the threshold, target and exceptional levels is determined using straight-line interpolation. The Committee retains discretion to make awards above the exceptional level amount if actual

performance exceeds exceptional level goals, subject to the maximum incentive amount permitted in the Annual Incentive Plan. Short-term annual incentives for 2018 were payable in cash.

The Company's 2018 short-term incentive program utilized four goals, consistent with our strategic plan, that were applied across all Named Executive Officers and other members of senior management. The Committee believes these goals align Named Executive Officers' and other members of senior management's incentives with the Company's stockholders and encourage superior performance in critical areas, such as efficient operations, profitability, prudent growth and effective risk management.

All Named Executive Officers had the same three Company performance goals and weightings for the 2018 Short-Term Incentive Plan. Following is a summary of the Company performance goals and the actual results of the Company for 2018.

(\$ in thousands, except per share data)	% Weight At Target	Threshold	Target	Exceptional	Actual
Earnings per share, adjusted	40%	\$ 3.13	\$ 3.37	\$ 3.52	\$ 3.83
Core deposits	20%	3,562,500	3,750,000	3,825,000	3,832,850
Core fee income	20%	34,000	36,250	37,750	37,325

Earnings per share is equal to the Company's net income in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") divided by weighted average diluted common shares outstanding for the year ended December 31, 2018. The Committee has discretion to make adjustments for non-recurring or extraordinary items.

Core deposits are measured by calculating the Company's average total deposits excluding certificates of deposit.

Core fee income is measured as the Company's noninterest income less gain or loss on sale of investment securities, and components of noninterest income directly related to non-core acquired assets.

In addition to the above three Company-based goals, 20% of each Named Executive Officer's short-term incentive award is based on his or her leadership rating. The "Leadership Rating" goal consists of a rating of between zero and four. The threshold level is a rating of two, the target level is a rating of three and the exceptional level is a rating of four. The Leadership Rating measures a Named Executive Officer's subjective performance during the past fiscal year and is based on expectations set for the leader at the beginning of the fiscal year. The Committee evaluates the leadership for each Named Executive Officer as part of the annual performance review process.

The following is a summary of the value of short-term incentive awards for Named Executive Officers in fiscal year 2018 at the threshold, target and exceptional levels and the amount paid based on actual performance:

Name	Award Value	Threshold	Target	Exceptional	Actual
James B. Lally	\$ 125,000	\$ 250,000	\$ 375,000	\$ 367,917	
			% of Target	147.2	%
Keene S. Turner	72,477	144,953	217,430	213,323	
			% of Target	147.2	%
Scott R. Goodman	66,586	133,171	199,757	195,983	
			% of Target	147.2	%
Douglas N. Bauche	40,055	80,109	120,164	113,888	
			% of Target	142.2	%
Nicole M. Iannacone	33,938	67,875	101,813	99,890	
			% of Target	147.2	%

Long-Term Incentive Compensation. Our objectives for long-term incentive compensation for our Named Executive Officers include:

- Aligning incentives with increases in stockholder value;

- Attraction and retention of talented executives;
- Encouraging long-term risk management practices; and
- Provide a clear line of sight towards long-term success.

The Committee also considers the comparisons to the 23 bank peer group discussed above to determine competitive dollar levels of long-term incentive compensation and an appropriate mix between base salary, annual incentive, and long-term incentives.

Grants under the Long-Term Incentive Plan include performance and time-based restricted stock units. Performance based units vest upon achievement of performance goals during a three-year period. Time-based units vest in full at the end of the three-year period. The Committee believes that awards of contingent stock provide more competitive equity incentive compensation to executives in comparison to the Company's peers. In addition, granting performance-based awards with overlapping three-year performance periods incentivizes and rewards our executives for long-term Company success.

Each year management makes a recommendation to the Committee for grants to Named Executive Officers. The Committee reviews this proposal in light of the Committee's goals and philosophies for incentive compensation and marketplace information, including market data provided by compensation consultants. The Committee makes the final determination of the amount and structure of grants to each Named Executive Officer.

Awards for 2016-2018 Performance Period

Grants for the performance period provided for the possibility of awards at a threshold, target and exceptional level based on the Company's performance against two financial goals: (1) relative total stockholder return measured against a comparison group of more than 40 publicly traded banks and bank holding companies with assets between \$1 billion and \$10 billion, commercial loans greater than 20% of total loans, and consumer loans less than 10% of total loans, and (2) cumulative earnings per diluted share ("EPS").

The performance goals and actual outcomes for the period are set forth below:

Goal	Weight	Threshold	Target	Exceptional	Actual
Relative Total Stockholder Return	50%	50 th percentile	65 th percentile	90 th percentile	77 th percentile
Cumulative EPS	50%	\$5.50 per share	\$6.00 per share	\$6.50 per share	\$8.07 per share
	100%				

In determining actual performance against the cumulative EPS goal, the Company excluded effects of changes in the corporate tax rate (both positive and negative) that resulted from the Tax Cuts and Jobs Act of 2017 and certain other adjustments from accounting changes. The cumulative effect of these adjustments was a reduction from reported EPS of \$0.24.

For each goal, achieving threshold performance pays at 50% of target value and achieving exceptional performance pays at 150% of target value. Based on the Company's actual performance during the 2016-2018 performance period, the Company awarded shares at the exceptional level (150%) for the cumulative EPS goal, and the relative total stockholder return goal was awarded between target and exceptional (124%). This resulted in awards at 137% of the aggregate target level. Our Named Executive Officers received the following respective awards under the Long-Term Incentive Plan for the 2016-2018 performance period:

Named Executive	2016-2018 LTIP Award (# shares)
James B. Lally	4,631
Keene S. Turner	5,151
Scott R. Goodman	4,631
Douglas N. Bauche	3,096
Nicole M. Iannacone	752

The shares awarded were in the form of immediately vested common stock. Based on Ms. Iannacone's role at the Company at the time of the 2016 grant, she participated in the Non-Executive Plan.

Open Grants for 2017-2019 and 2018-2020 Performance Periods

Long-Term Incentive Plan grants are open with respect to the 2017-2019 and 2018-2020 performance periods. Grants for Named Executive Officers are reflected in the Summary Compensation Table on page 25 and the Grants of Plan-Based Awards table on page 26. Subject to achievement of the performance goals described below and the time-based vesting requirement, open grants to Named Executive Officers under these Long-Term Incentive Plans will be paid in the form of immediately vested shares of common stock.

2017 - 2019 Performance Period

Goal	Weight	Threshold Goal	Target Goal	Exceptional Goal
Total Shareholder Return	50%	50th percentile	65th percentile	90th percentile
Cumulative EPS	50%	\$7.00 per share	\$7.50 per share	\$8.00 per share
	100%			

For each goal above, achieving threshold performance pays at 50% of target value and achieving exceptional performance pays at 150% of target value.

2018 - 2020 Performance Period

Goal	Weight	Threshold Goal	Target Goal	Exceptional Goal
Performance Based Units: ¹				
Total Shareholder Return	40%	40 th percentile	60 th percentile	80 th percentile
Cumulative EPS	40%	\$9.92 per share	\$10.50 per share	\$11.93 per share
Time Based Units: ²	20%			
Total Grants	100%			

¹For each performance-based goal, achieving threshold performance pays at 25% of target value and achieving exceptional performance pays at 200% of target value.

²Time based units vest at the end of the three-year performance period.

Special Restricted Stock Units ("RSUs") Granted During 2018

The Company granted Mr. Turner 2,313 RSUs in December 2018 under the 2018 Stock Incentive Plan. Of these units, 50% will vest one year from the closing of the Trinity Capital Corporation acquisition while the remaining 50% will vest two years from the closing, subject to the successful integration and continued service to that date.

Named Executive Officer Perquisites. We provide perquisites and other personal benefits to Named Executive Officers that we believe are reasonable and consistent with our overall compensation program. See the All Other Compensation - Supplemental Table on page 26 for more information on these items.

Retirement Plans. We expect executives to plan for and fund their own retirement through a defined contribution 401(k) plan and a Deferred Compensation Plan that permits certain executives to defer a limited portion of salary and bonus into any of several investment alternatives. The Company has historically provided a Company match to the 401(k) plan. There are no Company contributions to the Deferred Compensation Plan. We do not maintain defined benefit retirement or supplemental executive retirement plans or provide for post-retirement benefits.

Below is a summary of the allocation of compensation for our Named Executive Officers in 2018.

(2) Ms. Iannacone received a one-time \$15,000 bonus as a term of employment.

(3) For more information, see the heading “Short-Term Annual Incentives” above.

(4) For more information, see the heading “Long-Term Incentive Compensation” above.

(5) Named Executive Officer Perquisites percentages are based on the amounts disclosed as “All Other Compensation” in the “Summary Compensation Table” for Named Executive Officers. For more information, see the discussion under the heading “Named Executive Officer Perquisites” above.

Change in Control Severance Benefits

We have entered into employment agreements with certain of our Named Executive Officers granting them “double-trigger” change in control severance benefits (i.e. the benefit is triggered if the executive experiences a qualifying termination upon a change in control of the Company), as more fully described under the heading “Executive Employment Agreements” on page 23. The Committee believes these employment agreements providing double-trigger change in control severance benefits serve the best interests of the Company and its stockholders by ensuring that, in considering any proposed change in control, the Named Executive Officers would be able to advise the Board objectively about the transaction, without being unduly influenced by personal concerns such as the loss of employment following a change in control. These arrangements are also intended to promote stability and continuity of senior management. Information on applicable payments under such employment agreements for Named Executive Officers is contained under the heading “Executive Employment Agreements” on page 23 and “Potential Payments Upon Termination or Change in Control” on page 29.

Sections 280G and 4999

Our Named Executive Officers are not entitled to any tax gross-up in the event they are subject to excise taxes payable under Section 4999 of the Code, in connection with a change in control.

Section 162(m) of the Internal Revenue Code - Compensation Deductibility Limits

Code Section 162(m) generally limits the Company’s ability to deduct compensation in excess of \$1 million to the Company’s chief executive officer, chief financial officer, three other highest compensated officers and any officer covered in a prior tax year. Prior to the Company’s 2018 fiscal year, Code Section 162(m) contained an exemption from the deduction limit for performance-based compensation. This exception was repealed, effective for taxable years beginning after December 31, 2017, such that compensation paid to our Named Executive Officers in excess of

\$1 million will not be deductible unless it qualifies for transition relief applicable to certain arrangements that were in place as of November 2, 2017. The Committee has generally administered the Company's long-term and short-term incentive plans to attempt to be eligible for this deduction under Code Section 162(m), but because of the uncertain scope of the transition relief, no assurance can be given that compensation intended to satisfy the requirements for exemption from Code Section 162(m) will, in fact, satisfy such requirements.

Clawback Policy

The Company has voluntarily adopted a clawback policy permitting the Committee to recover incentive compensation paid to any executive officer (as defined under federal securities laws) based on materially inaccurate financial information or performance metrics. A copy of the clawback policy is available on the Company's website at www.enterprisebank.com.

Stock Ownership Guidelines

The Company's stock ownership guidelines provide that non-employee directors and different levels of executives are expected to own a specific amount of our common stock within the later of five years of adopting the program or five years after the date the executive becomes a Named Executive Officer or director as applicable. Named Executive Officers and non-employee directors are expected to make continuing progress towards compliance with the guidelines during the five-year period. For purposes of determining whether an executive or non-employee director is in compliance, or making progress towards compliance, stock is valued at the greater of the value at the time of acquisition or current market value. The table below shows the guidelines for Named Executive Officers by executive level.

Title	Stock Ownership Goal
Chief Executive Officer / President	3.5 x Base Salary
All Other Named Executive Officers	2 x Base Salary
Chairman of the Board	Greater of 3 x Avg Board Compensation or 3 x Annual Retainer
Non-Employee Directors	3 x Avg Board Compensation

Under the Company's Insider Trading Policy, Directors and Officers are prohibited from engaging in hedging transactions related to Company stock, such as puts, calls, other derivative transactions, forward sale contracts swaps, and other arrangements intended to hedge exposure to Company stock or provide protection against declines in the value of Company stock.

COMPENSATION COMMITTEE REPORT

EXECUTIVE EMPLOYMENT AGREEMENTS

Executive Employment Agreement with Mr. Lally

On June 1, 2017, and effective as of May 2, 2017, the Company entered into an Executive Employment Agreement with Mr. Lally. The agreement provides for the following severance compensation upon Mr. Lally's termination for any reason: (i) earned but unpaid base salary through the termination date; (ii) bonus compensation to the extent earned in a prior year but not yet paid; (iii) accrued benefits under any Company plans; (iv) a lump sum payment in respect to accrued but unused vacation days; and (v) any unpaid expense or other reimbursement (the "Accrued Obligations"). In addition, the agreement provides for benefits if Mr. Lally's employment is terminated under certain circumstances. In the event the Company terminates Mr. Lally's employment without Cause or if he voluntarily terminates his employment upon the occurrence of certain events, without Mr. Lally's prior written consent, including, without limitation, (i) the Company's material breach of the agreement which remains uncured for a period of thirty (30) days following Mr. Lally's notice of such breach to the Company; (ii) a material reduction in Mr. Lally's base salary; (iii) a material diminution of Mr. Lally's authority, title, duties or responsibilities, including a failure to elect or reelect him to the Company Board; or (iv) the Company's requiring Mr. Lally to be relocated to any office or location more than twenty-five (25) miles from his place of employment at any time (including prior to or following a Change in Control, as defined in the agreement), Mr. Lally will receive (i) a lump sum equal to 24 months of base salary; (ii) a lump sum equal to 2 times the greater of (x) the average annual bonus paid over the previous 2 years or (y) the annual bonus for the year in which Mr. Lally's termination occurs as though all "target levels" of performance are fully achieved; (iii) continued medical benefits for 24 months at the same cost as Mr. Lally would be required to pay as an active employee; and (iv) the Accrued Obligations.

A "Change in Control" is defined as the first to occur of any of the following events: (i) any person, other than one or more of the directors of the Company on the effective date of the agreement or any person that any such director controls, becomes the beneficial owner of 50% or more of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors of the Company (the "Company Outstanding Voting Securities"); (ii) any person becomes the beneficial owner of 50% or more of the combined voting power of the then outstanding voting securities of the Bank entitled to vote generally in the election of directors of the Bank; (iii) consummation of a reorganization, merger or consolidation (a "Business Combination") of the Company, unless, in each case, following such Business Combination (a) all or substantially all of the Persons who were the beneficial owners, respectively, of the Company Outstanding Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, a voting securities entitled to vote generally in the election of directors of the Company resulting from such Business Combination, (b) no person (excluding any company resulting from such Business Combination) beneficially owns, directly or indirectly, 50% or more of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of the Company resulting from such Business Combination except to the extent such ownership existed prior to the Business Combination, and (c) at least a majority of the members of the Company Board resulting from the Business Combination are Continuing Directors (as defined in the agreement) at the time of the execution of the definitive agreement, or the action of the Company Board, providing for such Business Combination; (iv) consummation of the sale, other than in the ordinary course of business, of substantially all of the combined assets of the Company and its subsidiaries in a transaction or series of related transactions during the course of any twelve-month period; or (v) the date on which Continuing Directors (as defined in the agreement) cease for any reason to constitute at least a majority of the Company Board.

The agreement contains restrictive covenants prohibiting Mr. Lally from competing with the Company during the term of his employment and for a period of either (i) 24 months following either an involuntary termination by the Company without Cause or a voluntary termination by Mr. Lally for Good Reason; or (ii) 12 months following any other terminations (the "Restricted Period"). The Employment Agreement also prohibits Mr. Lally from soliciting employees and certain customers of the Company or any of its affiliates during the Restricted Period. In addition,

confidentiality provisions in the Employment Agreement prohibit the use or disclosure of confidential information.

Executive Employment Agreement with Mr. Turner

Effective September 13, 2013, the Company entered into an Executive Employment Agreement with Mr. Turner. Mr. Turner's agreement, as amended, provides for a continuous term until the agreement is terminated in accordance with its provisions. The agreement provides Mr. Turner with severance compensation in the event of his termination under certain circumstances. The agreement also has confidentiality, non-compete and non-solicitation provisions for his period of employment and for a period of one year after termination of his employment.

The reason for termination determines the amount of severance compensation, if any, due to Mr. Turner. Generally, he is entitled to payment of accrued base salary, bonus to the extent earned, vested deferred compensation, accrued benefits through his date of termination, accrued vacation pay and reimbursement of business expenses. If Mr. Turner's employment is terminated in a "Termination Other Than for Cause," as defined in the agreement, including any termination not by reason of Cause, disability, death, voluntary termination, or Change in Control, he will be entitled to severance compensation equal to one year of base salary and target level bonus, paid in a period over one year, and all unvested equity awards will become vested. If Mr. Turner's employment

is terminated in a “Termination Upon Change in Control” as defined above and in the agreement, he will be entitled to severance compensation equal to two years of base salary and target level bonus in a lump sum payment 10 days after his satisfaction of the release provisions contained in the agreement, and all unvested equity awards will become vested. Upon any other termination, disability or death, neither Mr. Turner nor his estate will be entitled to any severance compensation.

Executive Employment Agreement with Mr. Goodman

Effective January 1, 2005, and amended on October 11, 2013, the Company entered into an Executive Employment Agreement with Mr. Goodman. The agreement provides for his continuous employment until the agreement is terminated in accordance with its provisions. The agreement provides Mr. Goodman with severance compensation in the event of his termination under certain circumstances. The agreement also has confidentiality, non-compete and non-solicitation provisions for his period of employment and for a period of one year after termination of his employment.

The reason for termination determines the amount of severance compensation, if any, due to Mr. Goodman. Generally, he is entitled to payment of accrued base salary, bonus to the extent earned, accrued benefits through his date of termination, accrued vacation pay, and reimbursement of business expenses. If Mr. Goodman’s employment is terminated in a “Termination Other Than for Cause” as defined in the agreement, including any termination not by reason of Cause, disability, death, voluntary termination, or Change in Control, he will be entitled to severance compensation equal to one year of base salary and target level bonus, paid in a lump sum payment on the 60th day following Mr. Goodman’s termination. If Mr. Goodman’s employment is terminated in a “Termination Upon a Change in Control”, he will be entitled to severance pay equal to two years of base salary plus two times the target amount of his annual cash bonus opportunity for the year, paid in a lump sum payment on the 60th day following Mr. Goodman’s termination, and all unvested equity awards will become vested for the year in which such termination occurs. Upon any other termination, disability or death, neither Mr. Goodman nor his estate will be entitled to any severance compensation.

Executive Employment Agreement with Mr. Bauche

Effective January 5, 2015, the Company entered into an Executive Employment Agreement with Mr. Bauche. The agreement provides for his continuous employment until the agreement is terminated in accordance with its provisions. The agreement provides Mr. Bauche with severance compensation in the event of his termination under certain circumstances. The agreement also has confidentiality, non-compete and non-solicitation provisions for his period of employment and for a period of one year after termination of his employment (unless his employment is terminated in a “Termination Upon a Change in Control” as defined above and in the agreement, in which case the non-compete and non-solicitation provisions are in effect for his period of employment and for a period of six months after termination of his employment).

The reason for termination determines the amount of severance compensation, if any, due to Mr. Bauche. Generally, he is entitled to payment of accrued base salary, bonus to the extent earned, accrued benefits through his date of termination, accrued vacation pay, and reimbursement of business expenses. If Mr. Bauche’s employment is terminated in a “Termination Other Than for Cause” as defined in the agreement, including any termination not by reason of Cause, disability, death, voluntary termination, or Change in Control, he will be entitled to severance compensation equal to one year of base salary and target level bonus, paid in a lump sum on the 60th day following Mr. Bauche’s termination.

If Mr. Bauche’s employment is terminated in a “Termination Upon a Change in Control” (as defined in the agreement), he will be entitled to severance compensation equal to one year of base salary and target level bonus, paid in a lump sum on the 60th day following Mr. Bauche’s termination, and all unvested equity awards will become vested for the year in which such termination occurs. Upon any other termination, disability or death, neither Mr. Bauche nor his

estate will be entitled to any severance compensation.

CHIEF EXECUTIVE OFFICER PAY RATIO

Our compensation and benefits philosophy and the overall structure of our compensation and benefit programs are broadly similar across the organization to encourage and reward all employees who contribute to our success. We strive to ensure the pay of each of our employees reflects the level of their job impact and responsibilities and is competitive within our peer group. Compensation rates are benchmarked and set to be competitive in the markets in which we operate. As a result of rules the SEC adopted under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), we are providing the following disclosure about the ratio of the annual total compensation of our chief executive officer to the median annual total compensation of our employees. The paragraphs that follow describe our methodology and the resulting pay ratio for the year ended December 31, 2018.

As permitted under SEC rules, to determine our median employee, we calculated the annual base pay based on reasonable estimate of hours worked during 2018 for hourly workers, and upon salary levels for the remaining employees. We annualized pay for those who commenced work during 2018 and calculated the median base pay. We then identified approximately 5% of our total employees that were both above and below the median value to determine the employee with median total compensation. This employee’s total compensation was \$64,357 in 2018.

Our CEO’s compensation as reported in the Summary Compensation Table was \$1,141,822 for the year ended December 31, 2018. Therefore the ratio of CEO pay to median worker pay was 17.7:1 for 2018.

Our pay ratio is a reasonable estimate calculated based on rules and guidance provided by the SEC based on our payroll and employment records and the methodology described above. The SEC rules allow for varying methodologies for companies to identify their median employee; and other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios. Consequently, the pay ratios reported by other companies are unlikely to be relevant or meaningful for purposes of comparison to our pay ratio as reported here.

This information is being provided for compliance purposes. Neither the Compensation Committee nor management of the Company used the pay ratio measure in making compensation decisions.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Company's Compensation Committee are set forth on page 10. None of the members of the Compensation Committee were officers or employees of the Company or any of its subsidiaries in 2018, nor was any member formerly an officer or employee of the Company or any of its subsidiaries. For information about related person transactions involving members of our Compensation Committee, see Related Person Transactions - Loans to Related Persons.

APPROVAL TO AMEND ARTICLE FOUR OF THE COMPANY'S
CERTIFICATE OF INCORPORATION TO INCREASE THE COMPANY'S
AUTHORIZED SHARES OF COMMON STOCK FROM 30,000,000 TO
45,000,000. - (Proposal A)

We are asking you to adopt and approve an amendment to our Certificate of Incorporation, as amended (the "Certificate of Incorporation"), to increase our authorized shares of common stock from thirty million (30,000,000) shares, par value \$0.01 per share, to forty-five million (45,000,000), par value \$0.01 per share. Our Board has unanimously approved, and recommends that all stockholders approve, the proposed amendment to ARTICLE FOUR of the Certificate of Incorporation, to increase our authorized shares of common stock. The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendment to ARTICLE FOUR of the Certificate of Incorporation, which is attached to this Proxy Statement as Appendix A and incorporated into this Proxy Statement by reference. We urge you to read carefully this proposed amendment to ARTICLE FOUR that is set forth in Appendix A in its entirety because this summary may not contain all the information about this amendment that is important to you.

Background of Proposal

The Company's Certificate of Incorporation authorizes the issuance of thirty-five million (35,000,000) shares of capital stock, of which five million (5,000,000) shares are designated as preferred stock, par value \$0.01 per share, and thirty million (30,000,000) shares are designated as common stock, par value \$0.01 per share. The Company's Board has unanimously adopted and approved an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of Company capital stock to fifty million (50,000,000) shares of capital stock, of which five million (5,000,000) shares continue to be designated as preferred stock and forty-five million (45,000,000) shares are designated as common stock, subject to stockholder approval.

As of the Record Date, a total of 26,877,800 shares of common stock were issued and outstanding including 3,990,822 shares issued as consideration in connection with the acquisition of Trinity Capital Corporation and its wholly-owned subsidiary bank, Los Alamos National Bank, consummated on March 8, 2019. Additionally, 1,127,105 shares were held in treasury and 1,278,838 shares were reserved for issuance pursuant to our equity incentive plans.

As of the Record Date, approximately 716,000 shares of common stock were available for issuance. The Company has an additional five million (5,000,000) authorized shares of preferred stock, none of which has been issued to date.

Purpose of the Proposed Share Amendment

The Board has proposed this increase in authorized shares of common stock to ensure that we have sufficient shares of common stock available for general corporate purposes including, without limitation, to raise capital to the extent deemed appropriate, to have sufficient shares of common stock available to the extent that we want to offer our common stock in full or partial consideration for acquisition opportunities that we may pursue from time to time, and to provide equity incentives to employees in order to better align our employees with shareholder interests. As of the date of this Proxy Statement, except as described above, we have no understandings, agreements or commitments to issue common stock or to reserve additional shares of our common stock for issuance under equity compensation plans. The adoption of the amendment to our Certificate of Incorporation will not of itself cause any changes in our capital accounts.

Having additional shares of our common stock available for issuance in the future will give the Company greater flexibility and will allow the shares to be issued from time to time as determined by the Company's Board and, unless otherwise required by NASDAQ listing rules or other applicable rules and regulations, without the expense and delay of a special stockholders' meeting to approve the additional authorized capital stock. This will enhance our ability to respond promptly to opportunities for acquisitions, mergers, stock splits and additional financings. If we were to have to call a special stockholders' meeting, the delay that would be involved could result in our inability to consummate a desired transaction under a required deadline. By having additional common shares authorized, we can be prepared to act quickly as opportunities arise.

Rights of Additional Authorized Shares

Any authorized shares of Company common stock, if and when issued, would be part of our existing class of common stock and would have the same rights and privileges as the shares of common stock currently outstanding. The holders of Company common stock have no preemptive rights to subscribe for or purchase any additional shares of Company common stock that may be issued in the future.

Effect of the Proposed Share Amendment

The increase in the Company's authorized common stock will not have any immediate effect on the rights of existing stockholders. However, the Company's Board will have the authority to issue common stock without requiring future stockholder approval of such issuances, except as may be required by the Company's Certificate of Incorporation, NASDAQ listing rules or other applicable rules and regulations. To the extent that the additional authorized shares are issued in the future, they could decrease the Company's existing stockholders' percentage equity ownership and, depending upon the price at which they are issued as compared to the price paid by existing stockholders for their shares, could be dilutive to the Company's existing stockholders.

The increase in the authorized number of shares of Company common stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company, without further action by the stockholders. Shares of authorized and unissued common stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of the Company's outstanding shares of common stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company. The Company's Board is not aware of any attempt to take control of the Company and has not presented this proposal with the intention that the increase in our authorized shares of common stock be used as a type of anti-takeover device or part of an anti-takeover strategy.

While the proposed amendment may have anti-takeover ramifications, the Board believes that the benefits it would confer on the Company outweigh any potential disadvantages. In addition to the enhanced ability to finance acquisitions and secure capital, as discussed above, the Company would gain a degree of protection from hostile takeovers that might be contrary to the interests of the Company and its stockholders. Notwithstanding the foregoing, the Board has no present intention to issue the authorized preferred shares for any defensive or anti-takeover purpose, subject to the exercise of its fiduciary duties to the Company and its stockholders. Rather, the Board intends to issue preferred shares only for the purpose of facilitating acquisitions, capital-raising transactions and for other corporate purposes which the Board believes are in the best interests of the Company and its stockholders.

Text of the Amendment

The proposed amendment to our Certificate of Incorporation, which is set forth in Appendix A to this Proxy Statement, shows the proposed amendment of ARTICLE FOUR of our Certificate of Incorporation, with deletions indicated by strike-outs and additions indicated by bold text. Further, a full copy of the Certificate of Amendment to the Certificate of Incorporation to be filed with the Secretary of State of the State of Delaware, assuming this Proposal A of this Proxy Statement is approved by our stockholders at the 2019 annual meeting, is set forth in Appendix B. If this Proposal A is approved by our stockholders, we will amend and restate our Certificate of Incorporation, in its entirety, to reflect, among other things, the revisions contemplated by this proposal as set forth in Appendix A and the Certificate of Amendment to the Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the 2019 annual meeting.

Effect on Dividends

The payment of dividends, including the timing and amount dividends, must be made in accordance with our Certificate of Incorporation and the requirements of the Delaware General Corporations Law. We cannot assure you that any dividends will be paid in the future on the shares of common stock. Any declaration and payment of future dividends to holders of our common stock will be at the discretion of our Board and will depend on many factors, including our financial condition, earnings, capital requirements, level of indebtedness, statutory future prospects and contractual restrictions applicable to the payment of dividends, and other considerations that our Board deems

relevant.

Interests of Directors and Executive Officers

Our directors and executive officers do not have substantial interests, directly or indirectly, in the matters set forth in this proposal except to the extent of their ownership of shares of our common stock or any other of our securities.

31

Reservation of Right to Delay the Filing of, or Abandon the Authorized Share Increase

We reserve the right to delay the filing of, or abandon, the amendment to our Certificate of Incorporation to increase in the authorized number of shares of Company common stock without further action by our stockholders at any time before December 31, 2019, even if this Proposal A has been approved by our stockholders at the annual meeting. By voting in favor of the proposal, you are expressly also authorizing our Board to delay (until December 31, 2019) or abandon the proposal if it determines, in its sole discretion, that such action is in the best interests of the Company and its stockholders.

No Dissenters' Rights

Our stockholders are not entitled to dissenters' rights in connection with this Proposal A to amendment to our Certificate of Incorporation to increase in the authorized number of shares of Company common stock. Furthermore, we do not intend to independently provide our stockholders with any such rights.

Vote Required

The affirmative vote of holders of at least the majority of the outstanding shares of our common stock is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal to amend ARTICLE FOUR of our Certificate of Incorporation is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against the approval of the proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted FOR this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSED AMENDMENT TO ARTICLE FOUR OF OUR CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK FROM 30,000,000 TO 45,000,000.

APPROVAL TO AMEND THE STOCK PLAN FOR NON-MANAGEMENT DIRECTORS TO INCREASE AUTHORIZED SHARES FOR AWARD - (Proposal B)

The purpose of this proposal is to seek approval of the amendment to the Company's Stock Plan for Non-Management Directors (the "Non-Management Director Plan"). The stockholders of the Company approved the Non-Management Director Plan in 2006, which was amended by the stockholders by vote at the 2012 annual meeting of stockholders. The Non-Management Director Plan provides for issuing up to 200,000 shares of the Company's common stock to our non-management directors as compensation in lieu of cash.

We are now requesting that our stockholders vote in favor of the amendments to the Non-Management Director Plan to, among other things, provide for the addition of 100,000 shares to cover awards under the Non-Management Director Plan. Currently, 192,587 shares have been issued under the Non-Management Director Plan, leaving 7,413 shares (excluding the 100,000 additional shares we are asking you to approve) available for future awards.

The following discussion sets forth the material terms of the Non-Management Director Plan. The discussion is qualified in its entirety by reference to the complete text of the Non-Management Director Plan document as set forth in Appendix C.

Purpose of the Proposed Non-Management Director Plan Amendment

If approved, this proposal will not increase or decrease the aggregate amount of director compensation or meeting fees but will merely allow the Company to continue the practice of paying a portion of such amounts in stock rather than cash.

The purpose of the Non-Management Director Plan is to attract and retain the best qualified individuals to serve as independent members of the Board and to align their compensation with the interest of our stockholders of by compensating them with shares of Company common stock. The Non-Management Director Plan enables us to pay non-management Directors a portion of their annual retainer and meeting fees in the form of stock. As of the date hereof, there are 12 non-management Directors of the Company who would be eligible to receive grants under the Non-Management Director Plan.

We believe having the ability and flexibility to pay our non-management Directors all or a portion of their fees in shares rather than in cash provides alignment between the interests of our Directors and the interests of our stockholders. If the amendment to the Non-Management Director Plan is not approved, the Company will not have the shares necessary to pay non-management Directors the portion of their fees in stock during 2019 or future years.

Number of Shares Covered by the Non-Management Director Plan

The Company proposes to increase the maximum number of shares of the Company's common stock that can be granted under the Non-Management Director Plan from 200,000 to 300,000 shares. If these additional shares are approved, a total of 107,413 shares will be available for issuance under the Non-Management Director Plan immediately following such approval. This number is subject to appropriate adjustment in the event of any stock dividends, stock splits, recapitalizations, mergers, consolidations, spin-offs, split-ups, combinations or exchanges of shares of the Company.

The Board expects that 100,000 shares will be sufficient to cover awards granted under the Non-Management Director Plan for 2019, and at least five additional years. The additional shares represent 0.37% of our outstanding shares as of April 1, 2019 on a fully diluted basis if Proposal B is approved.

Plan Benefits

Non-management Directors receive awards of fully vested shares under the Non-Management Director Plan based on the percentage of their retainer and meeting fees that each non-management Director has elected to receive in shares, with certain exceptions, each non-management Director receives 50% of his or her retainer and meeting fees in shares, unless such non-management Director elects, prior to December of the preceding year, to receive 100% of such non-management Director's retainer and meeting fees in shares. Any election to receive 100% of the retainer and meeting fees in shares will remain in effect until revoked by the non-management Director.

The actual number of shares received by any non-management Director will depend on the fair market value of the Company's common stock on the date of grant. In 2018, non-employee Directors received a \$45,000 annual retainer and \$1,250 per Board meeting attended. For Committee service, the Chairpersons received an additional retainer as follows: Audit Committee (\$10,000), Compensation Committee (\$8,000), Risk Committee (\$8,000) and Nominating and Governance Committee (\$6,000). Non-Chairperson committee members receive \$1,000 per committee meeting attended. Chairman John S. Eulich receives an annual retainer fee of \$100,000. The shares are granted on the date that the non-management Director would otherwise have received the cash payment for the retainer or meeting fees.

Fractional shares are paid to the non-management Director in cash. Beginning May 3, 2018, non-management Directors are provided an opportunity to defer the delivery of the portion of retainer and meeting fees that is paid in shares until the earlier of: non-management Director's termination of service with the Company or until a date specified by the non-management Director.

The amount of each non-management Director's future awards under the Non-Management Director Plan will be determined based on the levels of retainers and meeting attendance fees which are set by the Board annually. In

addition, future awards will depend on a participant's committee participation, meeting attendance and service as Chairperson of the Board or Chairperson of a Committee, therefore the amount of future awards which may be made under the plan is not determinable at this time. For a description of the amounts which were received by each of the current non-management Directors in fiscal year 2018 under the current Non-Management Director Plan, see Director Compensation on page 8.

Director Eligibility

Any member of the Board who is not, and during the immediately preceding twelve months has not been, an employee or officer of the Company or any subsidiary of the Company is eligible to participate in the Non-Management Director Plan.

Administration of the Non-Management Director Plan

The Non-Management Director Plan will continue to be administered by the Compensation Committee of the Board, which has broad authority to administer and interpret the Non-Management Director Plan and its provisions as it deems appropriate, subject to the express provisions of the Non-Management Director Plan. All decisions, determinations and interpretations of the Compensation Committee with respect to the Non-Management Director Plan are final and binding. Without limiting the foregoing, the Compensation Committee will have the power to (a) exercise all of the powers granted to it under the Non-Management Director Plan, (b) construe, interpret and implement the Non-Management Director Plan and all awards and any agreements governing such awards, (c) prescribe, amend and rescind rules and regulations relating to the Non-Management Director Plan, (d) correct any defect, supply any omission and reconcile any inconsistency in the Non-Management Director Plan, (e) amend the Non-Management Director Plan, (f) grant awards and determine who shall receive awards and the terms and conditions of such awards, (g) amend any outstanding award in any respect, including, without limitation, to accelerate vesting of an award or waive or amend any restrictions or conditions applicable to an award, or impose new restrictions or conditions and (h) determine at any time whether, to what extent and under what circumstances and method or methods (1) awards may be (A) settled in cash, shares of stock, other securities, other awards or other property, (B) exercised or (C) canceled, forfeited or suspended or (2) shares, other securities, cash, other awards or other property and other amounts payable with respect to an award may be deferred either automatically or at the election of the participant or of the Compensation Committee.

Members of the Board or the Compensation Committee and employees of the Company will have waivers of liability for actions taken or omitted to be taken or any determination made in good faith with respect to the Non-Management Director Plan or any award. These persons will also be entitled to rights of indemnification from any loss, cost, liability or expense (including attorneys' fees) that may be imposed upon or incurred by them in connection with or resulting from any action, suit or proceeding by reason of any action taken or omitted to be taken under the Non-Management Director Plan.

Amendment and Termination

The Non-Management Director Plan may be amended or terminated by the Board at any time, provided that no material revision, as defined in the NASDAQ rules, may be made without the approval of the stockholders of the Company.

U.S. Federal Income Tax Consequences

Awards made under the Non-Management Director Plan will give rise to the following tax events for U.S. citizens and residents under current U.S. federal income tax law in effect as of the date of this Proxy Statement. The description is general in nature and does not account for numerous circumstances that may apply to a particular participant in the Non-Management Director Plan. In addition, the state or local income tax consequences of a Non-Management Director Plan award might be different than the federal income tax consequences described below.

The participant will be treated as receiving taxable compensation in the amount of the fair market value of the shares on the date of the award and the Company will be entitled to a corresponding deduction.

Rule 16b-3

It is the Company's intent that the Plan comply in all respects with Rule 16b-3 under the Securities Exchange Act.

Vote Required

The affirmative vote of holders of the majority of the shares for which votes are cast at the 2019 annual meeting is needed to approve this proposal. This proposal to amend the Non-Management Director Plan is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Broker "non-votes" and abstentions will not be counted as votes cast and, therefore, will not affect the outcome of this proposal. Further, failure to vote, either by proxy or in person, will not have effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted FOR this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSED AMENDMENT TO THE STOCK PLAN FOR NON-MANAGEMENT DIRECTORS.

The Audit Committee has selected Deloitte & Touche LLP to be the independent registered public accounting firm for year ending December 31, 2019. Deloitte & Touche LLP acted as the Company's independent registered public accounting firm for the year ending December 31, 2018. The Board, on behalf of the Audit Committee, recommends that the stockholders ratify the appointment of the accounting firm. Although stockholder approval is not required by law and is not binding on the Audit Committee, the appointment is submitted by the Audit Committee of the Board in order to give the stockholders a voice in the designation of auditors. If the stockholders do not ratify the selection of Deloitte & Touche LLP, the engagement of Deloitte & Touche LLP, will not be affected for year ended December 31, 2019. However, the Audit Committee will review the selection of the independent registered public accounting firm for the next fiscal year. Even if the resolution is approved, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that a change would be in the best interest of the Company and its stockholders.

Deloitte & Touch LLP representatives are expected to attend the 2019 annual meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to stockholder questions.

Vote Required

The affirmative vote of holders of the majority of the shares for which votes are cast at the 2019 annual meeting is needed to approve this proposal. Abstentions and broker "non-votes" will not be counted as votes cast and, therefore, will not affect this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted FOR this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS, ON BEHALF OF THE AUDIT COMMITTEE, UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

ADVISORY (NON-BINDING) APPROVAL OF EXECUTIVE COMPENSATION- (Proposal D)

We are providing our stockholders the opportunity to vote on an advisory (nonbinding) resolution to approve our executive compensation as described in the section captioned “Compensation Discussion and Analysis,” the tabular disclosure regarding compensation of our Named Executive Officers and the narrative disclosure accompanying those tables, all as set forth in pages 13 through 21 of this Proxy Statement.

The Dodd-Frank Act requires under Section 14A of the Exchange Act that companies provide their stockholders with the opportunity to cast an advisory vote to approve executive officer compensation, commonly referred to as a “Say-on-Pay” vote, at least once every three years. Our Board determined, as a result of the latest advisory vote regarding how often the Company should include a Say-on-Pay vote in its proxy materials, that we will have such an advisory Say-on-Pay vote annually.

This Say-on-Pay proposal, gives you as a stockholder the opportunity to endorse or not endorse our executive pay program through the following resolution:

“RESOLVED, that the stockholders hereby approve the compensation of the Company’s Named Executive Officers, as disclosed in the Company’s proxy statement for the 2019 annual meeting of stockholders, including the Compensation Discussion and Analysis, the tabular disclosure regarding compensation of our Named Executive Officers and the narrative disclosure accompanying those tables.”

For the reasons set forth in this Proxy Statement, including the Compensation Discussion and Analysis, and the Report of the Compensation Committee, we believe our compensation policies and procedures are centered on a pay-for-performance culture, are competitive in our marketplace, are strongly aligned with the long-term interests of our stockholders, and that the compensation paid to our executives is consistent with such policies and procedures.

Vote Required

Your vote on this proposal is an advisory vote, which means that the Company and the Board are not required to take any action based on the outcome of the vote. However, the Board will consider the vote of our stockholders on this proposal when determining the nature and scope of future executive compensation programs and decisions.

The affirmative vote of holders of the majority of the shares for which votes are cast at the 2019 annual meeting is needed to approve this proposal on a non-binding advisory basis. Abstentions and broker “non-votes” will not be counted as votes cast and, therefore, will not affect this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted FOR this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS.

RELATED PERSON TRANSACTIONS/SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING

Loans to Related Persons

Some of the directors, including members of the Compensation Committee, and officers of the Company and the Bank, and members of their immediate families and firms and corporations with which they are associated, have had transactions with the Bank, including borrowings and investments. All such loans and investments have been made in the ordinary course of business, have been made on substantially the same terms, including interest rate paid or charged and collateral required, as those prevailing at the time for comparable transactions with unaffiliated persons, and did not involve more than the normal risk of collectability or present other unfavorable features.

Corporate Governance Agreements

As noted above, Messrs. Deutsch and Scavuzzo previously served on Trinity’s board of directors prior to the Company’s acquisition of Trinity, and their respective employer-funds became shareholders of the Company in connection with the acquisition. As a condition of their appointment to serve as directors of the Company, the Company and each of Patriot and Castle Creek together with Messrs. Deutsch and Scavuzzo, respectively, entered into the Corporate Governance Agreements. The Corporate Governance Agreements provide, among other things, that Patriot and Castle Creek agree to be bound by the Company’s corporate governance guidelines, the Company’s Code of Ethics and the Company’s Insider Trading Policy, including observing blackout windows on trading, all to the same extent as the Company’s directors.

While the Corporate Governance Agreements remain in effect, Patriot and Castle Creek may not seek other representation on the Board, acquire an ownership level of the Company’s securities greater than 9.9%, make efforts to acquire the Company either individually or in combination with other parties, submit shareholder proposals pursuant to Rule 14a-8 under the Exchange Act, or encourage or actively assist any person or entity in opposing any proposal submitted by the Board to a vote by the Company’s stockholders.

Fees earned by Messrs. Deutsch and Scavuzzo will be paid, in cash, to Patriot and Castle Creek, respectively or each entity’s designated affiliates, and not to Messrs. Deutsch and Scavuzzo individually.

Review, Approval or Ratification with Related Persons

Our Code of Ethics requires that every employee and officer avoid situations where loyalties may be divided between our interests and the employee’s own interests. Employees, officers and directors must avoid conflicts of interests that

interfere with the performance of their duties or are not in the best interests of the Company.

Pursuant to its written charter, the Audit Committee reviews all related-party transactions as required to be disclosed in our financial statements or periodic filings with the SEC, other than specific categories of pre-approved transactions set forth in our Related Party Transactions Policy. Related party transactions include transactions between the Company, our executive officers and directors, beneficial owners of five percent or greater of our securities, and all other related persons specified under Item 404 of Regulation S-K promulgated by the SEC. The Audit Committee considers each proposed transaction in light of the specific facts and circumstances presented, including but not limited to the risks, costs and benefits to us.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires directors, certain officers and all persons who beneficially own more than 10 percent of our common stock file reports with the SEC with respect to beneficial ownership of our securities. We have adopted procedures to assist our directors and executive officers in complying with the Section 16(a) filings.

Based solely upon our review of the copies of the filings that we received with respect to the fiscal year that ended December 31, 2018, or written representations from certain reporting persons, we believe that all reporting persons made all filings required by Section 16(a) in a timely manner, except, due to an inadvertent administrative oversight, the Form 4 filings for each of Messrs Bauche, Goodman, Lally, Ponder, Turner, and Mses Iannacone and White reflecting the grant of RSU awards to such individual pursuant to the Company's 2018 Stock Incentive Plan on February 28, 2018 were not timely filed. Once the omissions were discovered, the filings were promptly made on May 22, 2018 with respect to such RSU award grants.

HOUSEHOLDING

We and some brokers household proxy materials, delivering a single Proxy Statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, or if you are receiving multiple copies of the Proxy Statement and wish to receive only one, please notify your broker or nominee if your shares are held in a brokerage account or other account or our agent, Broadridge Financial Services, Inc. If the number of shares of any series of Preferred Stock is so decreased, then the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution or resolutions originally fixing the number of shares of such series of Preferred Stock. The number of authorized shares of Common Stock or Preferred Stock may be increased or decreased (but not below the number of shares of such class then outstanding) by the vote of a majority of the outstanding shares of stock entitled to vote thereon, and no separate class vote of either the Common Stock or the Preferred Stock shall be required to effect any such amendment. The shares of the authorized Common Stock shall be identical in all respects and shall have equal rights and privileges, subject only to the senior rights applicable to the Preferred Stock or any series thereof. Except as may be provided in this Certificate of Incorporation or in a Preferred Stock Designation or by applicable law of the State of Delaware, holders of the Preferred Stock shall not be entitled to receive notice of any meeting of stockholders at which they are not entitled to vote, holders of the Common Stock shall have the exclusive right to vote for the election of Directors of the corporation and for all other purposes, and holders of shares of the Common Stock shall be entitled to one vote for each such share upon all questions presented to the stockholders of the corporation. Holders of the Common Stock shall not have the right to cumulate votes in the election of Directors of the corporation. Holders of shares of the Common Stock shall at all times, except as otherwise provided in this Certificate of Incorporation or as required by the law of the State of Delaware, vote as one class, together with the holders of any other class or series of stock of the Corporation accorded such general voting rights.”

5. Restricted Stock Awards. Each Non-Management Director shall be awarded Shares (the “Awarded Shares”) with a Fair Market Value equal to the Share Portion as of the date the applicable Fees are payable; provided, however, that each Non-Management Director may elect a Deferred Delivery Date on which he or she will receive the Share Portion for a calendar year by completing the Election Form attached hereto as Exhibit A. 12. Compliance with Rule 16b-3. It is the Company's intent that the Plan comply in all respects with Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Act"). If any provision of the Plan is later found not to be in compliance with such Rule, the provision shall be deemed null and void. All actions with respect to Awards under the Plan shall be executed in accordance with the requirements of Section 16 of the Act, as amended, and any regulations promulgated thereunder. To the extent that any of the provisions contained herein do not conform with Rule 16b-3 of the Act or any amendments thereto or any successor regulation, then the Committee may make such modifications so as to conform the Plan and any Awards granted thereunder to the Rule's requirements.

13. Withholding. If the Company shall be required to withhold any amounts by reason of a federal, state or local tax laws, rules or regulations in respect of any Award, the Company shall be entitled to deduct or withhold such amounts from any payments (including, without limitation Shares which would otherwise be issued to the Non-Management Director pursuant to the Award; provided that, to the extent desired for GAAP purposes, such withholding shall not exceed the statutory minimum amount required to be withheld) to be made to the Participant. In any event, the Non-Management Director shall make available to the Company, promptly when requested by the Company, sufficient funds or Shares to meet the requirements of such withholding and the Company shall be entitled to take and authorize such steps as it may deem advisable in order to have such funds made available to the Company out of any funds or property due to the Non-Management Director.

14. Expenses of the Plan. All costs and expenses of the adoption and administration of the Plan shall be borne by the Company and none of such expenses shall be charged to any director.
