The purchasers should consider carefully, in addition to the other information contained in, or incorporated by reference into, this prospectus supplement or the related prospectus, the risk factors set forth in the Risk Factors section on page 4 in the related prospectus.

USE OF PROCEEDS

The warrants offered by this prospectus supplement to Deutsche Bank Securities Inc. and Barclays Bank PLC will be issued in exchange for services provided in connection with our San Cristobal project.

The cash proceeds, if any, from the exercise of the warrants by Deutsche Bank Securities Inc. and Barclays Bank PLC will be used for one or more of the following purposes:

- o constructing and developing the San Cristobal project;
- o exploring and developing properties in our portfolio;
- o maintaining control or ownership of our properties, including making ongoing lease and royalty payments and paying other maintenance and

registration fees;

- o acquiring additional mining related properties or businesses; and
- o financing other general corporate purposes.

Pending the application of the net proceeds, we expect to invest the proceeds in short-term investment grade marketable securities or money market obligations.

### DESCRIPTION OF THE WARRANTS

GENERAL. The warrants are being issued pursuant to a warrant agreement between our company and the warrant holder. The following summary of the material provisions of the warrant agreement is not complete. You should refer to the warrant agreement, a copy of which will be filed with the SEC prior to the issuance of the warrants.

The warrants offered by this prospectus supplement are initially exercisable by Deutsche Bank Securities Inc. for 60,000 ordinary shares at an exercise price of \$12.92 per share, and by Barclays Bank PLC for 60,000 ordinary shares at an exercise price of \$12.92 per share, respectively. If an adjustment of the exercise price were to occur, due to the payment of a dividend or distribution in ordinary shares or the subdivision, combination or reclassification of the outstanding ordinary shares, the number of ordinary shares issuable upon exercise of the warrants would increase or decrease proportionately. See "-- Adjustment." The warrants sold to Deutsche Bank Securities Inc. and Barclays Bank PLC will expire at 5:00 p.m., Denver time, on April 1, 2008. We have reserved out of our authorized share capital a number of ordinary shares sufficient to provide for the issuance of ordinary shares upon exercise of the warrants.

S-1

NO PUBLIC MARKET. There is no public market for the warrants, and we do not expect that a market will develop. There can be no assurance that the market price of the ordinary shares will exceed the exercise price of the warrants.

TRANSFER OF WARRANTS. Transfers of all or any portion of the warrants are effective only when recorded in our books and records.

ADJUSTMENT. The exercise price and the number of ordinary shares purchasable upon exercise of each outstanding warrant will be adjusted if we take any of the following actions:

- o declare a dividend or make a distribution on the ordinary shares payable in ordinary shares;
- o subdivide or reclassify the outstanding ordinary shares into a greater number of ordinary shares; or
- o combine or reclassify the outstanding ordinary shares into a smaller number of ordinary shares.

MERGERS, CONSOLIDATIONS AND OTHER TRANSACTIONS. If (1) we consolidate into or merge or consummate an arrangement, reconstruction or statutory share exchange with, any other person or company or (2) any other person or company acquires all of our outstanding ordinary shares, each warrant holder will have the right upon exercise of a warrant and payment of the exercise price to purchase the kind and amount of shares of stock and other securities and property, including cash, that the holder would have owned or been entitled to receive after the

consolidation, merger, arrangement, reconstruction or share exchange, had the warrant been exercised immediately prior to the event.

NO RIGHTS AS SHAREHOLDERS. Holders of warrants are not entitled to vote, receive dividends, consent or receive notice as shareholders with respect to any meeting of shareholders, or to exercise any rights whatsoever as shareholders.

MODIFICATION OF THE WARRANTS. We may supplement or amend the warrant agreement from time to time without the approval of the holder in order to cure any ambiguity or correct or supplement any provision that may be defective or inconsistent with any other provision of the warrant agreement or as we deem necessary or advisable, so long as such supplements or amendments do not materially adversely affect the interests of the holder.

We may also supplement or amend the warrant agreement with the consent of the holder. Notwithstanding the foregoing, the holder must consent to the following events, to the extent the events are not originally provided for in the warrant agreement or made in compliance with applicable law:

- o a change in the number or nature of securities purchasable upon exercise of the warrants;
- o an increase in the exercise price of the warrants; or
- o an acceleration of the expiration date of the warrants.
