CREDIT SUISSE GROUP CORRECTS ITS FOURTH QUARTER AND FULL-YEAR 2003 RESULTS

ZURICH, MARCH 26, 2004 - CREDIT SUISSE GROUP TODAY ANNOUNCED THAT IT HAS CORRECTED ITS FOURTH QUARTER AND FULL-YEAR 2003 NET PROFIT REPORTED UNDER SWISS GAAP FROM CHF 1.2 BILLION TO CHF 1.0 BILLION, AND FROM CHF 5.2 BILLION TO CHF 5.0 BILLION, RESPECTIVELY. THE CORRECTION IS A RESULT OF AN ERROR IN THE INPUT DATA USED FOR THE FOURTH QUARTER 2003 ACCOUNTS OF DBV-WINTERTHUR IN GERMANY. CREDIT SUISSE GROUP'S ANNUAL REPORT 2003, REFLECTING THE CORRECTED FULL-YEAR RESULTS, WILL BE AVAILABLE AS OF MARCH 31, 2004, AS PLANNED.

In connection with the preparation for its first quarter 2004 closing, DBV-Winterthur - a German subsidiary of Winterthur Group which forms part of Credit Suisse Financial Services - identified, through its internal processes, an error in the input data used for the fourth quarter 2003 accounts in its life and health insurance businesses. The error occurred when DBV-Winterthur, in the fourth quarter of 2003, adopted a refinement in the methodology for calculating future dividends to policyholders (the 'deferred bonus reserve' component) and inadvertently included an item in the input data which should not have been considered under the refined method. Credit Suisse Group said that the error would not affect DBV-Winterthur's local statutory results nor its current or

Edgar Filing: CREDIT SUISSE GROUP - Form 6-K

future obligations to policyholders.

As a result of correcting the error, the segment profit before minority interests for the Life & Pensions and Insurance segments was reduced from CHF 369 million to CHF 124 million, and from CHF 153 million to CHF 105 million, respectively, for the fourth quarter of 2003. For the full year 2003, the segment profit before minority interests for the Life & Pensions and Insurance segments was reduced from CHF 723 million to CHF 478 million, and from CHF 1,338 million to CHF 1,290 million, respectively.

Page 1 of 3

Credit Suisse Group's net profit reported under Swiss GAAP for the fourth quarter and the full year 2003 was reduced from CHF 1,166 million to CHF 956 million, and from CHF 5,209 million to CHF 4,999 million, respectively.

Corrected key profit numbers for the fourth quarter and the full year 2003 can be found in the tables below, and the corrected business unit and segment income statements for the fourth quarter of 2003 are available at www.credit-suisse.com/results. Credit Suisse Group's Annual Report including its 2003 audited consolidated financial statements - as well as a corrected Financial Report for the fourth quarter of 2003 - will be available on the Internet as of March 31, 2004.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This press release contains statements that constitute forward-looking statements. In addition, in the future we, and others on our behalf, may make statements that constitute forward-looking statements. Such forward-looking statements may include, without limitation, statements relating to our plans, objectives or goals; our future economic performance or prospects; the potential effect on our future performance of certain contingencies; and assumptions underlying any such statements. Words such as "believes," "anticipates," "expects," "intends" and "plans" and similar expressions are intended to identify forward-looking statements but are not the exclusive means of identifying such statements. We do not intend to update these forward-looking statements except as may be required by applicable laws. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that predictions, forecasts, projections and other outcomes described or implied in forward-looking statements will not be achieved. We caution you that a number of important factors could cause results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. These factors include (i) market and interest rate fluctuations; (ii) the strength of the global economy in general and the strength of the economies of the countries in which we conduct our operations in particular; (iii) the ability of counterparties to meet their obligations to us; (iv) the effects of, and changes in, fiscal, monetary, trade and tax policies, and currency fluctuations; (v) political and social developments, including war, civil unrest or terrorist activity; (vi) the possibility of foreign exchange controls, expropriation, nationalization or confiscation of assets in countries in which we conduct our operations; (vii) the ability to maintain sufficient liquidity and access capital markets; (viii) operational factors such as systems failure, human error, or the failure to properly implement procedures; (ix) actions taken by regulators with respect to our business and practices in one or more of the

Edgar Filing: CREDIT SUISSE GROUP - Form 6-K

countries in which we conduct our operations; (x) the effects of changes in laws, regulations or accounting policies or practices; (xi) competition in geographic and business areas in which we conduct our operations; (xii) the ability to retain and recruit qualified personnel; (xiii) the ability to maintain our reputation and promote our brands; (xiv) the ability to increase market share and control expenses; (xv) technological changes; (xvi) the timely development and acceptance of our new products and services and the perceived overall value of these products and services by users; (xvii) acquisitions, including the ability to integrate successfully acquired businesses; (xviii) the adverse resolution of litigation and other contingencies; and (xix) our success at managing the risks involved in the foregoing. We caution you that the foregoing list of important factors is not exclusive; when evaluating forward-looking statements, you should carefully consider the foregoing factors and other uncertainties and events, as well as the risks identified in our most recently filed Form 20-F and reports on Form 6-K furnished to the US Securities and Exchange Commission.

CAUTIONARY STATEMENT REGARDING NON-GAAP FINANCIAL INFORMATION

This press release contains non-GAAP financial information. A reconciliation of such non-GAAP financial information to the most directly comparable measures under generally accepted accounting principles will be available on the Internet at <http://www.credit-suisse.com/sec.html> as soon as practicable.
