PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board" or the "Board of Directors") of Crompton Corporation (the "Company") for use at the annual meeting of the stockholders of the Company (the "Annual Meeting") to be held on April 27, 2004, at the Sheraton Stamford Hotel, 2701 Summer Street, Stamford, Connecticut, and at any adjournment thereof.

The Company's annual report for the fiscal year ended December 31, 2003, accompanies this Proxy Statement. It is not proxy soliciting material, nor is it incorporated herein by reference.

This Proxy Statement and the enclosed form of proxy are first being sent to stockholders on or about March 29, 2004.

ABOUT THE MEETING

Q: What is the purpose of the Annual Meeting?

A: At the Annual Meeting, the Company's stockholders will be asked to vote on the matters listed in the accompanying notice of annual meeting, namely:

- * the election of Messrs. Leo I. Higdon, Jr., C.A. (Lance) Piccolo and Bruce F. Wesson as directors; and
- * the ratification of KPMG LLP as the Company's independent auditors for 2004.

Stockholders will also transact other business that may properly come before the meeting. The Company's management will be present at the meeting to report on the Company's performance during 2003 and will answer stockholder questions.

Q: Who is entitled to vote?

A: Stockholders as of the close of business on the record date, February 27, 2004, are

entitled to vote their shares of the Company's common stock. Each outstanding share of common stock is entitled to one vote. At the close of business on the record date, there were 114,510,126 shares of the Company's common stock outstanding. The Company has no other voting securities issued and outstanding.

Q: How many shares must be present to hold the meeting?

A: A quorum must be present at the meeting for business to be conducted. A quorum is reached when there are present at the meeting, in person or by proxy, the holders of a majority of the shares of the Company's common stock outstanding on the record date. Abstentions and withhold-authority votes will be included for purposes of determining a quorum and for purposes of calculating the vote, but will not be considered to have been voted in favor of the item voted upon. Broker non-votes will be included for purposes of determining a quorum, but will not be considered to be represented at the meeting for purposes of calculating the vote so they will not affect the outcome of any proposal.

Q: What if a quorum is not present at the meeting?

A: If a quorum is not present at the time of the meeting, the stockholders who are represented may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given.

Q: How do I vote?

A: You may vote in any of three ways:

* **You may vote by mail** if you complete, sign and date the accompanying proxy card and return it in the prepaid envelope. Your shares will be voted confidentially and in accordance with your instructions;

* **You may vote by telephone or via the Internet** in accordance with the instructions found on your proxy card; and

* **You may vote in person** if you are a registered stockholder and attend the meeting and deliver your completed proxy card in person. At the meeting, the Company will also pass out written ballots to registered stockholders who wish to vote in person at the meeting. Beneficial owners of shares held in "street name" who

wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Q: How many votes does it take to approve the items to be voted upon?

A: Directors are elected by a plurality. This means that assuming a quorum is present at the meeting, the directors will be elected if each receives more affirmative votes cast for director than any other person. The affirmative vote of a majority of the shares having voting power present in person or represented by proxy at the meeting is needed to ratify the selection of KPMG LLP as the Company's independent auditors for 2004.

2

Q: Can I revoke my proxy before it is exercised?

A: Yes, you may revoke your proxy and change your vote at any time before the polls close at the meeting:

* by signing another proxy with a later date;

* by voting by telephone or via the Internet after the date and time of your last telephone or Internet vote; or

* if you are a registered stockholder, by giving written notice of such revocation to the Secretary of the Company prior to or at the meeting or by voting in person at the meeting.

Attendance at the meeting will not automatically revoke a previously granted proxy.

Q: Who will count the votes?

A: The Company's transfer agent, Mellon Investor Services LLC, will tabulate and certify the votes and act as inspector of election at the meeting.

Q: How are shares in the Crompton Employee Savings Plan, Crompton Employee Stock Ownership Plan, Crompton Employee Stock Purchase Plan and Crompton Dividend Reinvestment Plan voted?

A: The shares of Company common stock held by the trustee under the Crompton Employee Savings Plan and the Crompton Employee Stock Ownership Plan and in

each employee's account under the Crompton Employee Stock Purchase Plan and Crompton Dividend Reinvestment Plan will be voted according to each employee's voting instructions. If no instructions are received, the shares in the Crompton Employee Savings Plan, Crompton Employee Stock Ownership Plan and Crompton Employee Stock Purchase Plan will not be voted while an individual's shares in the Crompton Dividend Reinvestment Plan will be voted in the same manner that such person's shares held of record are voted.

Q: Who is soliciting my vote and who pays the cost?

A: The Company has retained Mellon Investor Services LLC to assist in the distribution of proxy materials and the solicitation of votes for a fee of \$5,000, excluding out-of-pocket expenses. The Company will pay the entire cost of the solicitation and will reimburse banks, brokerage firms, custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to the beneficial owners of the Company stock. Proxies may be solicited personally, by mail, by telephone, by facsimile or by telegraph, by the directors, officers or other employees of the Company, without remuneration other than regular compensation.

3

Q: When are the year 2005 stockholder proposals due?

A: If a stockholder wants a proposal to be included in the Company's proxy statement for the 2005 annual meeting of stockholders, the proposal, in writing and addressed to the Company's Secretary, must be received by the Company no later than December 2, 2004. If a stockholder wishes to recommend nominees to the Board of Directors, or to bring other business before the 2005 annual meeting, the proposal, in writing and addressed to the Company's Secretary, must be received by the Company no later than January 27, 2005, or not later than ten days after notice of the date of the 2005 annual meeting is given to stockholders, whichever date is earlier.

Q: What other information about the Company is available?

A: Interested parties may request a copy of the Company's Annual Report on Form 10-K and our quarterly financial news releases by fax or through the mail. This and other important information about the Company is also available on our web site at www.cromptoncorp.com.

CORPORATE GOVERNANCE

Role of the Board of Directors

The Board of Directors of the Company is elected by the stockholders with the responsibility to oversee and direct the management of the Company so as to enhance stockholder value. The Board works with management to select and approve a corporate philosophy and mission, and in connection therewith the Board reviews, approves and monitors management's strategic and business plans and the Company's financial objectives, plans and actions. The Board approves the Company's material transactions, significant capital allocations and expenditures and measures the performance of management in relation to the performance of peer companies and the specialty chemical industry as a whole. The Board also periodically reviews the performance of the Chief Executive Officer.

The Board adopts policies of corporate conduct, including compliance with applicable laws and regulations, auditing and accounting principles and financial controls, and the Company's own governing documents. The Board assesses its own effectiveness in fulfilling these and other Board responsibilities and performs such other functions as are prescribed by law or assigned to the Board in the Company's governing documents.

The Audit Committee also selects the independent auditor after discussion with the Board, evaluates the auditor's qualifications, independence and performance, has responsibility for approving all audit and non-audit services provided by the independent auditor, considers the possible effect of providing such non-audit services on the auditor's independence, and reviews the range of fees of the auditor for both audit and non-audit services. The Audit Committee also reviews earnings press releases and financial information and earnings guidance provided to rating agencies, establishes procedures for handling complaints about accounting and auditing matters, and periodically reviews the Company's Code of Business Conduct and Ethics.

The Organization, Compensation and Governance Committee is responsible for the administration of the Company's compensation plans, including approval of the level of compensation for senior executive officers named in the proxy statement and adoption of bonus and deferred compensation plans and arrangements for executive officers. The Committee reviews and approves the corporate goals and objectives relevant to the Chief Executive Officer's compensation and sets his compensation based on this evaluation. The Committee also makes

recommendations with respect to the organization, size and composition of the Board, identifies suitable candidates for Board membership and reviews their qualifications, proposes a slate of directors for election by the stockholders at each annual meeting, and assists the Board in providing for orderly succession in the top management of the Company. The Finance and Pension Committee has the authority, which it may exercise when the Board is not in session, to approve certain debt financings and reviews and makes recommendations to the Board regarding the issuance or reacquisition of securities, major debt financings, capital expenditures, acquisitions, divestitures and other expenditures, dividend policy, management of pension assets, and risk management policy and strategy.

The Safety, Health and Environment Committee provides guidance to and oversight of management with respect to safety, health and environmental matters, including the review of the Company's safety, health and environmental performance, policies, standards, procedures, management systems and strategic plans. The Committee also recommends actions and policies that will enable the Company to achieve a high level of safety, health and environmental performance compared with its peers in the chemical industry and to maintain good relations with the Company's neighbors.

Stockholder Recommendations of Director Nominees

The Organization, Compensation and Governance Committee will consider qualified candidates recommended by stockholders for Board membership in accordance with the procedure set forth in the Company's By-laws. Any stockholder entitled to vote in the election of directors may recommend one or more persons for election as a director at a meeting if written notice of such stockholder's intent to make such recommendation or recommendations has been given, either by personal

delivery or by mail, postage prepaid, to the Secretary of the Company not later than 90 days prior to the anniversary date of the immediately preceding annual meeting or the close of business on the tenth day following the date on which notice of such meeting is first given to stockholders, whichever is earlier. Notwithstanding the foregoing sentence, in the event that the number of directors to be elected to the Board is increased and there is no public announcement by the Company naming all of the nominees or specifying the size of the increased Board at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice shall be considered timely, but only with respect to nominees for new positions created by such increase, if delivered to the Secretary not later than the close of business on the tenth day following the date on which such public announcement is first made by the Company. Each such notice shall set forth (i) the name and address of the stockholder who intends to make the recommendation and of the person or persons to be recommended; (ii) a representation that the stockholder is a holder of record of stock of the Company entitled to vote at such meeting having a value of at least \$1,000 and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or undertakings between the stockholder and each recommended nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (iv) such other information regarding each nominee recommended by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and (v) the consent of each recommended nominee to serve as a director of the Company, if so elected. The candidates recommended by stockholders will receive the same consideration that candidates recommended by the Committee will receive.

The Company's Corporate Governance Principles require that all candidates for Board membership, whether proposed by a stockholder or otherwise, possess the following qualifications: (i) unquestionable personal and professional ethics and integrity; (ii) policy-making experience in business, education, technology or government; (iii) expertise that is useful to the Company and complementary to that of other Board members; (iv) a willingness to serve on the Board for a period of at least several years and to devote the time required to meet the responsibilities and perform the duties of a director, including attendance at all Board and applicable committee meetings; (v) a commitment to represent the best interests of all stockholders and to objectively appraise the performance of the Company and of management; and (vi) involvement only in activities that do not create a conflict with the director's responsibilities to the Company and its stockholders. **REPORT OF THE ORGANIZATION,
COMPENSATION AND GOVERNANCE COMMITTEE**

Role of the Organization, Compensation and Governance Committee in Corporate Governance

The Organization, Compensation and Governance Committee of the Board of Directors (the "Committee") makes recommendations to the Board with respect to the organization, size and composition of the Board, including the assignment of directors to committees and committee chairmanships. The Committee identifies suitable candidates for Board membership, reviews their qualifications and proposes a slate of directors for election by the stockholders at each annual meeting.

The Committee makes an annual assessment of the performance of the Board and reviews the Board's corporate governance principles, recommends its compensation and advises the Board with respect to the selection and performance of the Chief Executive Officer. The Committee assists the Board in providing for the orderly succession in the top management of the Company.

Executive Compensation Philosophy

The compensation program for the Company's executive officers is administered in accordance with a pay for performance philosophy to link executive compensation with the values, objectives, business strategy, management initiatives and financial performance of the Company. In addition, a significant portion of each executive officer's compensation is contingent upon the creation of shareholder value.

The Committee believes that stock ownership by management and restricted-stock-based performance compensation plans serve to align the interests of management and other stockholders in the enhancement of shareholder value. To that end, executive officers are encouraged to retain the shares they earn through the

compensation programs and are given the opportunity to defer receipt of the shares of common stock.

The compensation of the Company's executive officers comprises cash and equity components and is designed to be competitive and highly leveraged based upon corporate financial performance and shareholder returns. The compensation program provides an opportunity to earn compensation in the third quartile within the chemical industry as well as within a broader group of companies of comparable size and complexity. Actual compensation levels may be greater or less than competitive levels in surveyed companies based upon annual and long-term performance of the Company, as well as individual performance. Several performance measures are used for compensation purposes for the Company's executive officers and heads of the businesses. Primary measures used in the annual and long-term incentive programs include earnings growth, debt reduction and market cap growth. Executives are also linked to shareholder return through stock options and restricted performance share awards.

Base Salaries

Base salary ranges at the median to 75th percentile levels for executive officers are determined after reviewing data from several national surveys on salaries for executives at companies within the chemical industry as well as within a broader group of companies of similar size and complexity.

Management Incentive Plan

Annual incentives may be earned under the Company's Management Incentive Plan. Target and maximum incentives (currently at 175% of target) are set by formula to offer executive officers an opportunity to earn annual compensation at the 75th percentile levels if high levels of performance are met.

Stock Options and Performance Shares

Long-term incentives at the Company consist of annual grants of stock options and periodic grants of restricted performance shares that can be earned over a multi-year period based on goals selected by the Committee out of those approved under the 1998 Long-Term Incentive Plan. Awards are divided evenly in value between stock options and restricted performance shares and are set at levels designed to offer opportunities at the 75th percentile.

Stock Ownership

The Company has adopted stock ownership goals for its executive officers, which range from five times salary for the Chief Executive Officer to three or two times salary for the remaining officers. Total stock ownership for this group as of February 27, 2004, was 2,418,212 shares.

Tax Deductibility of Executive Compensation

The Committee's policy on the tax deductibility of compensation is to maximize deductibility to the extent possible without abdicating all of its discretionary power. To this end, the Committee has submitted complying plans to stockholders; however, the Committee has occasionally taken actions that result in non-deductible compensation and may do so again in the future when it determines that such actions are in the Company's best interests.

Compensation of Chief Executive Officer

The Committee reviews and approves the corporate goals and objectives relevant to the Chief Executive Officer's compensation and annually evaluates the Chief Executive Officer's performance in light of those goals and objectives. In 2003, the base salary, incentive compensation, stock option and restricted stock awards for the Chief Executive Officer were determined by the Board of Directors based on the recommendations of the Committee using the

principles outlined above. Mr. Calarco's base salary was \$890,000 during fiscal year 2003 and he was awarded a bonus of \$225,000.

Organization, Compensation and Governance Committee

Decisions on compensation of the Company's executive officers are made by the Organization, Compensation and Governance Committee, a committee of the Board of Directors composed of the persons listed below, all of whom are non-employee directors and are independent, as such term is defined in the New York Stock Exchange listing standards. The Committee has retained an independent executive compensation consultant who has access to independent compensation data to evaluate the Company's executive compensation program.

A copy of the written charter of the Organization, Compensation and Governance Committee is attached as Appendix A to this Proxy Statement. A copy of the charter is also available on the Company's website at www.cromptoncorp.com.

REPORT OF THE AUDIT COMMITTEE

A copy of the written charter of the Audit Committee, as adopted by the Board of Directors, is attached as Appendix B to this Proxy Statement. The Company's Audit Committee consists of four members of the Board that meet the independence and experience requirements of the New York Stock Exchange, Section 10A(m)(3) of the Exchange Act and the rules and regulations of the Securities and Exchange Commission.

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2003, with management. The Audit Committee has also discussed with the Company's independent auditors, KPMG LLP, the matters required to be discussed by SAS 61. In addition, the Audit Committee has received the written disclosure from KPMG LLP required by Independence Standards Board Standard No. 1 and has discussed with KPMG LLP such auditing firm's independence. Based upon these reviews and discussions, the Audit Committee recommended that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing such report with the Securities and Exchange Commission.

The Audit Committee:

Bruce F. Wesson, Chairman
Robert A. Fox
C. A. Piccolo
Patricia K. Woolf, Ph.D.

The following information presents the aggregate fees for professional services billed to the Company by KPMG LLP during fiscal years 2003 and 2002. Certain prior year amounts have been reclassified to conform to current presentation.

Audit Fees

The aggregate fees for professional services rendered by KPMG LLP for audit services for fiscal years 2003 and 2002 were \$3.5 million and \$3.1 million, respectively. Audit-Related Fees

The aggregate fees for professional services rendered by KPMG LLP for audit-related services for fiscal years 2003 and 2002 were \$2.8 million and \$.8 million, respectively. 17

the application of Generally Accepted Accounting Principles and new regulatory pronouncements and other attest services.

All other fees relate to professional services for financial systems design and implementation in 2002.

The Audit Committee has considered whether the non-audit services provided by KPMG LLP to the Company are compatible with maintaining the independence of KPMG LLP and concluded that the independence of KPMG LLP is not compromised by providing such services.

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services performed by KPMG LLP. Specifically, the Audit Committee has pre-approved the use of KPMG LLP for detailed, specific types of services, which include the following categories of non-audit services: acquisition and divestiture services; tax services; advice regarding internal controls; and consultation regarding the application of Generally Accepted Accounting Principles and new regulatory pronouncements. In each case, the Audit Committee has set a specific limit on these services. Approval is further required for services in excess of these thresholds or to retain KPMG LLP for any additional services. All audit and non-audit services performed by KPMG LLP during fiscal 2003 were pre-approved pursuant to the policies and procedures outlined above.

Compensation Committee Interlocks and Insider Participation

Messrs. Higdon, Jr. and Piccolo served as members and Mr. Headrick served as Chairman of the Organization, Compensation and Governance Committee during the last completed fiscal year. No member of the Organization, Compensation and Governance Committee is a current or former officer or employee of the Company or any of its subsidiaries.

Retirement Plans

Each of the persons shown in the Summary Compensation Table on page 21 above is covered by a supplemental retirement agreement with the Company.

Supplemental Retirement Agreement with Vincent A. Calarco. In the case of Mr. Calarco, the executive's total annual benefit payable under the supplemental retirement agreement to the executive for life will be 60% of the average total compensation (including salary and bonus) paid to the executive during the highest five years of the last ten years prior to the executive's normal retirement age.

Supplemental Retirement Agreements with Alfred F. Ingulli. In the case of Mr. Ingulli the executive's retirement benefit under the supplemental agreement supplements the benefit paid to the executive under a Uniroyal Chemical Company, Inc. ("Uniroyal") defined benefit pension plan so that the total annual benefit payable to the executive will be 55% of the average total compensation (including salary and bonus) paid to the executive during the highest five years of the last ten years prior to the executive's retirement or, at his election, Mr. Ingulli may receive a lump sum payment earned under a previous supplemental retirement agreement with Uniroyal.

Supplemental Retirement Agreements with Robert W. Ackley and Peter Barna. In the case of Messrs. Ackley and Barna, the executives' retirement benefits under the supplemental agreement supplements the amount paid to the executives under a retirement plan that was terminated in 1982 so that the aggregate benefit paid to the

executives annually will equal 50% of the average total compensation (including salary and bonus) paid to the executives during their highest five years of the last ten years prior to their normal retirement age.

Supplemental Retirement Agreement with John T. Ferguson II. In the case of Mr. Ferguson, the executive's total annual benefit payable under the supplemental retirement agreement to the executive for life will be 50% of the average total compensation (including salary and bonus) paid to the executive during the highest five years of the last ten years prior to the executive's normal retirement age.

Provisions for Payments under the Supplemental Retirement Agreements. A supplemental benefit in a reduced amount may be payable in the event of termination of employment prior to normal retirement age. At any time after the date on which benefit payments commence, the executive may elect to receive a single lump sum equal to 90% of the actuarial equivalent of the benefit otherwise payable to the executive or an unreduced lump sum if the executive elects at least six months prior to supplemental benefit commencement date and during a calendar year that precedes the calendar year in which the supplemental benefit commencement date occurs. An executive may elect to have the executive's supplemental benefit under the agreement paid in a form which will provide for the continuation of benefits, to a beneficiary selected by the executive, upon the executive's death after retirement. Each agreement also provides for the payment of a reduced benefit to the executive's beneficiary in the event of the executive's death prior to normal retirement age and for the payment of disability benefits in addition to those available under the Company's regular disability insurance program. Benefits under each agreement are not payable if the executive voluntarily terminates the executive's employment, unless such termination is the result of the executive's retirement (in the case of Mr. Calarco, on or after reaching age 62) or is with approval of the Board, and meets certain other conditions set forth in the agreement.

The following table sets forth the estimated aggregate annual benefit payable to each of the executives named in the table under the executive's supplemental retirement agreement and from Uniroyal's defined benefit pension plan upon retirement at or after normal retirement age based on each executive's compensation history to date and assuming payment of such benefit in the form of a life annuity:

Name of Individual	Estimated Annual Retirement Benefit
Vincent A. Calarco	\$ 872,281
Alfred F. Ingulli	\$ 301,737
Robert W. Ackley	\$ 232,562
Peter Barna	\$ 208,651
John T. Ferguson II	\$ 194,670

Employment Agreements

Employment Agreement with Vincent A. Calarco. Mr. Calarco was employed pursuant to an employment agreement which was amended and restated in May 1999. The agreement provides for Mr. Calarco's employment as Chairman of the Board, President and Chief Executive Officer for a term of three years, with automatic annual one-year extensions of the term unless the Company gives notice at least 60 days prior to the anniversary of the date of the agreement that the term will not be extended.

The amended agreement calls for a base salary of not less than \$750,000 and for Mr. Calarco's continued participation in employee benefit plans and other fringe benefit arrangements substantially as in the past. In the event Mr. Calarco's employment is terminated by the Company other than for cause, disability, or death or by Mr. Calarco for good reason (as defined in the agreement), the Company is obligated to pay Mr. Calarco his salary to the date of termination, incentive compensation in an amount no less than the bonus paid to him for the prior year pro-rated to that date, and a lump sum termination payment equal to three times the sum of his then current salary and the highest bonus paid to him during the three years preceding his termination, to continue certain employee and fringe benefits provided under the agreement for a period of three years or until he obtains other employment and certain other benefits for the life of Mr. Calarco and his spouse, and to make certain additional payments to cover any excise tax imposed under the Internal Revenue Code on the amounts payable as a result of his termination and any legal fees incurred by Mr. Calarco in enforcing the Company's obligations under the agreement.

Employment Agreements with Alfred F. Ingulli, Robert W. Ackley, Peter Barna and John T. Ferguson II. The Company has entered into employment agreements with certain other key management employees, including Messrs. Ingulli, Ackley, Barna, and Ferguson. Each agreement is operative upon the occurrence of a change in

control (as defined in the agreement) and is intended to encourage the executive to remain in the employ of the Company by providing the executive with greater security. Absent a change in control, the agreements do not require the Company to retain the executive or to pay the executive any specified level of compensation or benefits except that Mr. Ingulli has an agreement that requires that he be paid severance in the event that he is terminated without cause or he resigns for good reason (as defined in the agreement) during an annually renewable two-year period.

In the event of a change in control, the agreements provide that there will be no change, without the executive's consent, in the salary, bonus opportunity, benefits, duties, and location of employment of the executive for a period of two or three years after the change in control. If, during such period, the executive's employment is terminated by the Company other than for cause, disability, or death or the executive resigns for good reason (as defined in the agreements), the Company will pay the executive his salary to the date of termination, incentive compensation in an amount no less than the bonus paid to the executive for the prior year pro-rated to that date, and a lump sum severance payment equal to three times the sum of the executive's base salary and the highest bonus paid to the executive during the three years preceding the executive's termination and will continue other employee benefits similar to those provided to the executive prior to the executive's termination for a period of three years or until the executive's earlier employment with another employer.

Compensation of Directors

Members of the Board who are not employees of the Company receive the following for their services:

* an annual retainer of \$35,000 (committee chairmen receive an additional retainer of \$5,000, except the Audit Committee Chairman, who receives an additional retainer of \$15,000); and

* an annual fee of \$12,000 for Board and committee meeting service (Audit Committee members receive an additional fee of \$4,000).

Directors are reimbursed for expenses incurred in attending meetings. In addition, the Company provides accidental death and travel insurance coverage for each non-employee director.

Each year non-employee directors may elect to defer all or any portion of their retainers and fees in the form of shares of the Company's common stock pursuant to the Directors Deferred Compensation Plan. Directors may also choose to receive all or a one-half ($1/2$) portion of their annual retainer fee in non-qualified stock options of the Company's common stock on the basis of \$3.00 of underlying stock for each \$1.00 of foregone cash, provided that the number of stock options issued to a director pursuant to this program and/or under the Crompton Corporation 1998 Long-Term

26

Incentive Plan (the "1998 Plan") during each year shall not exceed an aggregate of stock options to purchase in excess of 20,000 shares of the Company's common stock.

The 1998 Plan provides for the issuance to non-employee directors on the date of the first meeting of the Board in the fourth quarter of each year of an option to purchase up to 20,000 shares of the Company's common stock. The exercise price of the options may not be less than the fair market value of the Company's common stock on the grant date. The options to be granted under the 1998 Plan are non-qualified options not intended to qualify as incentive stock options under the Internal Revenue Code of 1986, and may not be exercisable more than 10 years and one month after the date of grant. In 2003, the non-employee directors waived their right to receive their options.

Directors who are employees of the Company receive no additional compensation for services on the Board of Directors.

**APPROVAL OF SELECTION
OF INDEPENDENT AUDITOR**

The Board of Directors has, subject to approval by the stockholders, selected the firm of KPMG LLP to act as auditor for the fiscal year 2004. The Board of Directors recommends a vote FOR approval, and unless otherwise directed, proxies will be voted in favor of this selection. The affirmative vote of the holders of a majority of the shares of the Company represented and entitled to vote at the meeting is required for such approval.

Representatives of KPMG LLP will be present at the annual meeting, with the opportunity to make a statement if they desire to do so and to respond to appropriate questions raised at the meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and stockholders who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and stockholders who own more than ten percent of such of the Company's securities are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

27

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that during fiscal year 2003, all filings required of its officers, directors and covered stockholders were made in compliance with applicable SEC regulations, except as to a Form 4 filing by Mr. Fox pertaining to a sale of Company common stock that was inadvertently filed two days late.

MAILINGS TO STOCKHOLDERS

The Company has adopted a procedure approved by the Securities and Exchange Commission called "householding." Under this procedure, a single set of annual reports and proxy statements may be sent to a single address if two or more stockholders share that address, unless the Company has received a request from one or more of such stockholders to the contrary. This procedure reduces the Company's mailing and printing expenses.

28

Upon request, the Company will promptly send a separate Annual Report for 2003 or this Proxy Statement to any stockholder residing at such a shared address. Requests may be made by calling Investor Relations at (203) 573-2163 or by writing to Investor Relations, Crompton Corporation, 199 Benson Road, Middlebury, CT 06749. If any registered stockholder residing at a shared address wishes to receive a separate annual report or proxy statement in the future, or if any registered stockholder receiving multiple copies of the Company's annual report and proxy statement desires householding, the stockholder may contact Investor Relations at Crompton Corporation in the manner described above. Stockholders owning shares through a bank, broker or other nominee should contact the nominee concerning householding procedures.

OTHER MATTERS

As of the date of this statement, the Board of Directors does not know of any matter other than those referred to in this Proxy Statement as to which action is expected to be taken at the annual meeting of stockholders.

The shares represented by proxies in the form solicited by the Board of Directors will be voted at the meeting. Where a choice is specified on the proxy with respect to a matter to be voted upon, the shares represented by the proxy will be voted in accordance with the specification so made. If no choice is specified, such shares will be voted (i) for the election as directors of the three nominees for directorships named herein; and (ii) in favor of the selection of KPMG LLP as auditor for fiscal year 2004.

If any business not referred to in this Proxy Statement shall properly come before the meeting, it is intended that those persons named as proxies will vote the proxies in accordance with their judgment of the best interests of the Company and its stockholders.

Barry J. Shainman
