### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This report and the exhibits to it contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. Factors that might cause such differences include, but are not limited to, risks associated with our pending acquisition of Critical Care Systems, Inc. including, but not limited to, completion of financing and other associated conditions, uncertain market conditions that the proposed note offering and expansion of the Company's credit facility are subject to, integration risks and costs, risks of client retention, risks associated with the operations of the acquired business, as well as risks in our current businesses such as the termination or non-renewal of a material number of contracts, an inability to obtain new contracts, changes in the government regulations relating to the Company's Specialty Pharmacy Services or Specialty Healthcare Services business units, changes in the regulations governing third party reimbursements for the Company's services, manufacturing shortages of products sold by Curative's Specialty Pharmacy Services business unit, and the other risks and uncertainties detailed in the Company's filings with the Securities and Exchange Commission.

Certain of these factors are in addition to the risks described in the "Risk Factors" sections and other portions of the filings we have made with the SEC and described in the excerpts from the preliminary offering memorandum included in Exhibit 99.2 to this report. Most of these factors are beyond our control. We caution you that forward-looking statements are no guarantees of future performance and that actual results or developments may differ materially from those projected in these statements. You should not place undue reliance on forward-looking statements. Each forward-looking statement speaks only as of the date of the particular statement, and we undertake no obligation to publicly update or revise any forward-looking statements.
