Committee chairpersons receive additional annual compensation as follows: Compensation and Corporate Governance Committee, \$3,000; and Audit Committee, \$5,000. All directors will be reimbursed for any

expenses related to attendance at meetings of the Board or committees of the Board or our stockholders meeting. Currently, in addition to cash compensation, each non-employee director of our Company receives an initial grant of options to purchase 7,500 shares of the common stock of our Company at the time he begins service as a director. The initial grant is at fair market value and will vest over a three-year period (one-third every twelve months). Thereafter, each non-employee director of our Company who has served continuously for at least six months as of the date of that year's annual meeting of stockholders, receives a grant of options to purchase 7,500 shares of the common stock of American Residential on the date of such meeting. Such grant is at fair market value and will vest after one year. We intend to amend our option plan or adopt a new plan that will provide for restricted stock awards. The non-employee directors will then receive an annual restricted stock award of 2,300 shares and an annual option grant of 3,300 shares.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

All options and SARs granted to date pursuant to our 1997 Stock Incentive Plan and our 1997 Stock Option Plan contain provisions pursuant to which unvested portions of outstanding options become fully vested upon a change of control in our Company, as defined under the relevant plan.

We entered into an Amended and Restated Employment Agreement with each of our executive officers effective January 1, 2003. The term of each agreement was one year. Under the agreements, if an executive officer is terminated without cause, he or she would receive one year's base salary plus bonus as severance pay and would receive one year of continued health care benefits. The agreements also specified an initial base salary and a potential bonus of up to 100% of base salary, however, both of these terms were modified during the year by actions taken by the Compensation Committee (see our Summary Compensation Table).

In December 2003 and January 2004, our Compensation Committee approved terms for new Executive Employment Agreements. These agreements have not been finalized, however, the terms that were approved are as follows:

Mr. Robbins base salary of \$463,800, a potential bonus of 135% of base salary, and in the event of termination of his employment, severance of up to two years of base salary, target bonus, and health care benefits continuation, plus reimbursement of any federal excise taxes imposed by the IRS with respect to severance amounts deemed to be parachute payments in the event of a change of control.

Ms. Berry base salary of \$255,150, a potential bonus of 120% of base salary, and in the event of termination of her employment, severance of up to eighteen months of base salary, target bonus, and health care benefits continuation, plus reimbursement of any federal excise taxes imposed by the IRS with respect to severance amounts deemed to be parachute payments in the event of a change of control.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with our organization in 1997, we issued 1,600,000 shares of our common stock to MDC REIT Holdings, LLC. ("Holdings"). Home Asset Management Corp. (the "Manager") was the managing member of Holdings pursuant to an operating agreement. In 2003, Holdings was merged with and into the Manager and the Manager became the holder of record of the 1,600,000 shares of our common stock.

In 2001, in connection with the termination of our prior contractual relationships with the Manager and certain funds affiliated with TCW Crescent/Mezzanine, L.L.C. (the "Buyout Transaction"), we provided the Manager with the right to designate a nominee to our Board and our Compensation Committee. The Manager designated John C. Rocchio and the Board elected him to the Board and added him to the Compensation Committee. In addition, our Company agreed to nominate Mr. Rocchio for re-election at subsequent annual meetings of stockholders, provided that the Manager and certain TCW entities collectively beneficially owned at least 800,000 shares of common stock of our Company. Mr. Rocchio is President of the Manager and is a Managing Director of entities affiliated with the TCW Group, Inc.

In connection with the Buy-Out Transaction, we entered into a Senior Subordinated Secured Revolving Loan Agreement (the "Loan Agreement") with certain TCW entities including TCW/Crescent Mezzanine Partners, L.P., TCW/Crescent Mezzanine Trust, TCW/Crescent Mezzanine Investment Partners, L.P., Crescent/Mach I Partners, L.P. and TCW Shared Opportunity Fund II, L.P. (collectively, the "TCW Entities"). The Loan Agreement allowed us to borrow up to \$5 million on a revolving basis for one year following the date of the Loan Agreement. Interest was payable at the end of each calendar quarter based on outstanding borrowings. The Loan Agreement also provided that we could extend the Loan Agreement for two additional, one-year periods. We exercised our option and extended the Loan Agreement for two additional periods. The loan was paid off and the Loan Agreement was retired as of April 12, 2004.

In March 2004, the Manager sold 1.1 million shares of our common stock to The D3 Family Funds in a negotiated private transaction (the "Stock Sale"). As a result of the Stock Sale, the Manager and the TCW Entities collectively no longer hold at least 800,000 shares of our common stock and the Manager no longer has a right to designate a Board nominee. Concurrently with the consummation of the Stock Sale transaction, Mr. Rocchio resigned from our Board and David Nierenberg, upon the recommendation of the Nominating and Corporate Governance Committee, was appointed by the Board to fill the vacancy created by Mr. Rocchio's resignation. Effective upon the consummation of the Stock Sale, we amended our Stockholder Rights Plan to remove the Manager and the TCW Entities as parties permitted to own up to 25% of our outstanding common stock, as permitted by the original Stockholder Rights Plan, and to add The D3 Family Funds as parties permitted to own up to 18% of our outstanding common stock.

Mr. Nierenberg is the President of Nierenberg Investment Management Company. Since 1996, his firm has managed The D3 Family Funds, consisting of five private investment partnerships based in Camas, Washington.

Our Audit Committee's policy is to pre-approve all audit and permitted non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairperson when expedition of services is necessary.
