**PROXY STATEMENT FOR ANNUAL MEETING
OF STOCKHOLDERS**

To Be Held on Monday, June 13, 2005, at 9:00 a.m. San Diego Local Time

Information Concerning Solicitation and Voting

In this proxy statement, "Arena Pharmaceuticals," "Arena," "we," "us" and "our" refer to Arena Pharmaceuticals, Inc. and our wholly owned subsidiary, BRL Screening, Inc., unless the context otherwise provides.

General

The enclosed proxy is solicited on behalf of the Board of Directors of Arena Pharmaceuticals, Inc., a Delaware corporation, for use at our 2005 Annual Meeting of Stockholders to be held on Monday, June 13, 2005, at 9:00 a.m. San Diego local time, or at any adjournments or postponements thereof, for the purposes set forth in this proxy statement and the accompanying Notice of Annual Meeting of Stockholders. Our 2005 Annual Meeting will be held at our offices, located at 6150 Nancy Ridge Drive, San Diego, California.

This proxy statement, together with the Notice of Annual Meeting of Stockholders, the form of proxy and our Annual Report to Stockholders, are first being mailed on or about April 22, 2005, to all stockholders of record at the close of business on the record date, which is April 15, 2005 (the "Record Date").

Questions and Answers About this Proxy Material and Voting

Q:

Why am I receiving these materials?

A:

You are receiving these proxy materials in connection with our 2005 Annual Meeting of Stockholders to be held on June 13, 2005, at 9:00 a.m. San Diego local time. As a stockholder, you are requested to vote on the proposals described in this proxy statement.

Q:

Who can vote at our 2005 Annual Meeting?

A:

Each person who owns or has the right to vote shares of our common stock or Series B Convertible Preferred Stock, which we refer to as our Preferred Stock, as of the Record Date has the right to vote at the meeting. Our common stock and our Preferred Stock will vote together on the proposals set forth in this proxy statement. Each share of our common stock is entitled to one vote and each share of our Preferred Stock is entitled to 1,403 votes. As of the Record Date, there were 35,255,073 shares of our common stock and 3,500 shares of our Preferred Stock outstanding.

Stockholder of Record: Shares Registered in Your Name. If on the Record Date your shares were registered directly in your name with our transfer agent, Computershare Trust Company, Inc., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy.

Edgar Filing: ARENA PHARMACEUTICALS INC - Form DEF 14A

Beneficial Owner: Shares Registered in the Name of a Bank, Broker or Other Agent. If on the Record Date your shares were held in an account by a bank, broker or other agent, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the meeting. As a beneficial owner, you have the right to direct your bank, broker or other agent on how to vote the shares in your account. You are also invited to attend the meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a legal proxy from your bank, broker or other agent.

Q:

What is the proxy card?

A:

The proxy card enables you to appoint Jack Lief, our President and Chief Executive Officer, and Steven W. Spector, our Senior Vice President, General Counsel and Secretary, as your representatives at our 2005 Annual Meeting. By completing and returning the proxy card, you are authorizing Mr. Lief and Mr. Spector, or each of them, to vote your shares at the meeting as you have instructed them on the proxy card. This way, you can vote your shares whether or not you attend the meeting.

Q:

What am I voting on?

A:

We are asking you to vote on the election of eight directors, who will constitute our entire Board of Directors, and the ratification of Ernst & Young LLP, an independent registered public accounting firm, as our independent auditors for the year ending December 31, 2005.

Q:

How many directors will we have after our 2005 Annual Meeting?

A:

We will have eight directors after our 2005 Annual Meeting. The Board of Directors may increase or, in the event a director departs, decrease the number of directors in the ensuing year. The Board of Directors may also increase or decrease the number of directors as of the next meeting of stockholders.

Q:

How do I vote?

A:

Stockholder of Record: Shares Registered in Your Name

BY MAIL: Please complete and sign your proxy card and mail it in the enclosed pre-addressed envelope (no postage is required if mailed in the United States). If you mark your voting instructions on the proxy card, your shares will be voted as you instruct or in the best judgment of Mr. Lief or Mr. Spector if a proposal comes up for a vote at the meeting that is not on the proxy card.

If you do not mark your voting instructions on the proxy card, your shares will be voted as follows: FOR the eight named nominees as directors, FOR the ratification of Ernst & Young LLP as our independent auditors for the year ending December 31, 2005, and according to the best judgment of Mr. Lief or Mr. Spector if a proposal comes up for a vote at the meeting that is not on the proxy card.

BY TELEPHONE: Please follow the vote by telephone instructions that are on your proxy card. If you vote by telephone, you do not have to mail in your proxy card.

BY INTERNET: Please follow the vote by Internet instructions that are on your proxy card. If you vote by Internet, you do not have to mail in your proxy card.

IN PERSON: We will pass out written ballots to anyone who wants to vote in person at the meeting. However, if you hold your shares in street name, you must request a legal proxy from your bank, broker or other agent in order to vote at the meeting.

A:

Beneficial Owner: Shares Registered in the Name of a Bank, Broker or Other Agent

If you are a beneficial owner of shares registered in the name of your bank, broker or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply follow the instructions you received from that organization to ensure that your vote is counted. Please contact your bank, broker or other agent if you did not receive a proxy card or voting instructions.

To vote in person at the meeting, you must obtain a legal proxy from your bank, broker or other agent. Follow the instructions from your bank, broker or other agent included with these proxy materials, or contact such agent to request a proxy form.

Q:

What does it mean if I receive more than one proxy card?

A:

It likely means that you hold our shares in multiple accounts at the transfer agent or with brokers or other custodians of your shares. Please complete and return **all** the proxy cards you receive to ensure that all your shares are voted.

Q:

Can I change my vote after submitting my proxy?

A:

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you can revoke your proxy and change your vote at any time before the polls close at the meeting by: (i) signing another proxy card with a later date and returning it before the polls close at the meeting, (ii) voting by telephone or the Internet before 3:30 p.m., San Diego local time, on June 10, 2005 (your *latest* telephone or Internet vote is counted), (iii) returning a written notice before the polls close at the meeting that you are revoking your proxy, or (iv) voting at the meeting. Please note, however, that simply attending the meeting will not, by itself, revoke your proxy.

A:

Beneficial Owner: Shares Registered in the Name of a Bank, Broker or Other Agent. If you are a beneficial owner of shares registered in the name of your bank, broker or other agent, you should follow their instructions on how to change your vote. Please contact your bank, broker or other agent if you did not receive such instructions.

Q:

How many shares must be present to hold the meeting?

A:

To hold the meeting and conduct business, at least a majority of our outstanding shares as of the Record Date must be present (either in person or represented by proxy) at the meeting. This is called a quorum.

Shares are counted as present at the meeting if the stockholder either:

is present and votes in person at the meeting, or

has properly submitted a proxy (including voting by telephone or the Internet).

Both abstentions and broker non-votes are counted as present for the purposes of determining the presence of a quorum. Broker non-votes occur when a broker who holds shares for a stockholder in street name submits a proxy for those shares but does not vote. In general, this occurs when the broker has not received voting instructions from the stockholder, and the broker lacks discretionary voting power under the rules of the National Association of Securities Dealers, Inc. or otherwise to vote the shares.

Q:

How many votes must the nominees receive to be elected as directors?

A:

Directors are elected by a plurality of votes (determined as if all of our Preferred Stock was converted into common stock) present in person or represented by proxy at our 2005 Annual Meeting and entitled to vote. The eight nominees receiving the highest number of votes FOR election will be elected.

Q:

How many votes must the ratification of Ernst & Young LLP as our independent auditors for the year ending December 31, 2005, receive to be approved?

A:

A majority of the shares (determined as if all of our Preferred Stock was converted into common stock) present at the meeting in person or by proxy and entitled to vote must vote FOR ratification.

Q:

How may I vote and how are votes counted?

A:

You may vote either "FOR" each director nominee or "WITHHOLD" your vote from any one or more of the nominees. You may vote "FOR", "AGAINST" or "ABSTAIN" from voting on the proposal to ratify the selection of Ernst & Young LLP as our independent auditors. If you abstain from voting on the proposal to ratify such selection, it will have the same effect as a vote "AGAINST" the proposal.

Broker non-votes, if any, will not affect the outcome of the voting on any of the proposals described in this proxy statement.

Voting results are tabulated and certified by our transfer agent, Computershare Trust Company, Inc.

Q:

Who will bear the cost of soliciting votes for the meeting?

A:

We are paying for the distribution and solicitation of the proxies. As a part of this process, we reimburse brokers, nominees, fiduciaries and other custodians for reasonable fees and expenses in forwarding proxy materials to our stockholders. Our employees may also solicit proxies through mail, telephone, the Internet or other means, but they do not receive additional compensation for providing those services. Additionally, we may engage the services of an independent proxy solicitation firm to aid in the solicitation of proxies. The fees paid by us, in the event of such engagement, would not likely exceed \$20,000.

Proposal 1**ELECTION OF DIRECTORS**

The persons named below are nominees for director to serve until the next annual meeting of stockholders and until their successors have been elected and qualified or until their early resignation or removal. Our by-laws provide that the authorized number of directors shall be determined by a resolution of the Board of Directors. In 2004, the Board of Directors increased the authorized number of directors from eight to 10 and appointed additional directors to the Board of Directors. Our Board of Directors has nominated the eight people listed below for director and fixed the number of directors to be eight as of the election of the directors at our 2005 Annual Meeting. The proxies cannot be voted for a greater number of persons, and the existing directors who were not nominated will not continue as directors after our 2005 Annual Meeting.

It is our policy to encourage directors and nominees for director to attend the annual meetings of stockholders. Six of seven of our then directors attended our 2004 annual meeting of stockholders.

Each nominee listed below other than Mr. Lavigne and Drs. Hixson and Nova was elected at the 2004 annual meeting of stockholders. Drs. Hixson and Nova were identified by an outside advisor of the company, and Mr. Lavigne was identified by a third-party search firm. All of the nominees were recommended for election to the Board of Directors by the Nominating Committee. Mr. Lief also recommended these nominees. Directors are elected by a plurality of votes present in person or represented by proxy at the annual meeting of stockholders and entitled to vote. Unless otherwise instructed to withhold a vote for a particular nominee or all of the nominees, the proxy holders will vote the proxies received by them for the nominees named below. In the event that any of these nominees is unavailable to serve as a director at the time of our 2005 Annual Meeting, the proxies will be voted for any substitute nominee who shall be designated by the Board of Directors, unless the Board of Directors reduces the number of directors. We have no reason to believe that any nominee will be unavailable to serve. The Board of Directors recommends a vote "FOR" each named nominee below.

Information About the Board of Directors and its Committees

The Board of Directors held a total of eight meetings during the fiscal year ended December 31, 2004. Each incumbent director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which such director served, in each case during the periods in which he or she served. In addition to regularly scheduled meetings, the directors discharge their responsibilities through considerable telephone and other communications with each other and our executive officers, as well as with our independent auditors and external advisors such as legal counsel, scientific consultants and investment bankers. As required under The NASDAQ Stock Market listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present, in conjunction with regularly scheduled meetings of the Board of Directors and otherwise as needed.

A majority of the members of a listed company's board of directors must qualify as "independent" under the applicable NASDAQ Stock Market listing standards. The board of directors must affirmatively make this determination. The Board of Directors has reviewed relevant transactions and

relationships between each non-employee director and Arena, our senior management and our independent auditors and has affirmatively determined that our non-employee directors, namely Drs. Duke K. Bristow, Hixson, La Force and Nova and Messrs. Belcher, Bice, Lavigne and Robert L. Toms, Sr., are independent directors under the applicable NASDAQ listing standards.

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee, the Corporate Governance Committee and the Nominating Committee. In addition, in 2004, the Board of Directors formed a strategy committee as a special committee to review our strategic plan and budget. Dr. Hixson is the Chairperson of the Strategy Committee and the other members are Messrs. Lief, Belcher and Lavigne and Dr. Nova. The Strategy Committee held three meetings in 2004.

All of the standing committees of the Board of Directors are comprised entirely of independent directors. The chairpersons of our standing committees are appointed by the Board of Directors and may change in the future. Below is a chart showing the structure and membership of the standing committees of the Board of Directors.

Audit Committee

The Audit Committees' responsibilities include:

- (i) selecting and evaluating the performance of our independent auditors,
- (ii) reviewing the scope of the audit to be conducted by our independent auditors, as well as the results of their audit, and approving audit and non-audit services to be provided to us by them,
- (iii) reviewing the organization and scope of our internal system of financial reporting controls,
- (iv) reviewing and assessing our reporting activities, including our annual report, and the accounting standards and principles followed,
- (v) approving related-party transactions, and
- (vi) overseeing our code of business conduct and ethics and whistleblower policy.

The Board of Directors has determined that each of the Audit Committee members meets the independence and experience requirements contained in the applicable NASDAQ listing standards and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. The Board of Directors

Edgar Filing: ARENA PHARMACEUTICALS INC - Form DEF 14A

has also determined that Mr. Lavigne is an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K. We have adopted a written charter for the Audit Committee, which is available on our website at www.arenapharm.com. Mr. Belcher is the Chairperson of the Audit Committee. The Audit Committee held 11 meetings in 2004.

Compensation Committee

The Compensation Committee's responsibilities include:

- (i) reviewing and approving corporate performance goals and objectives relevant to the compensation of our executive officers,
- (ii) evaluating and recommending to the Board of Directors compensation plans and programs for Arena, as well as modifying or terminating existing plans and programs,
- (iii) reviewing and approving compensation and benefits for directors and the executive officers, and making recommendations to the Board of Directors regarding these matters, and
- (iv) authorizing and approving equity grants under our equity compensation plans.

Under our equity compensation plans, the Compensation Committee has broad discretion to set the exercise price of options and has the ability to grant restricted stock for no cash consideration. We have adopted a written charter for the Compensation Committee, which is available on our website at www.arenapharm.com. Dr. La Force is the Chairperson of the Compensation Committee. The Compensation Committee held five meetings in 2004.

Corporate Governance Committee

The Corporate Governance Committee's responsibilities include:

- (i) recommending guidelines to the Board of Directors for the governance of Arena, including the structure and function of the Board of Directors and its committees and our management,
- (ii) developing a management succession plan and related procedures,
- (iii) making recommendations to the Board of Directors regarding the election of officers, and
- (iv) reviewing and assessing the performance of the Board of Directors and each of its committees.

We have adopted a written charter for the Corporate Governance Committee, which is available on our website at www.arenapharm.com. Mr. Bice is the Chairperson of the Corporate Governance Committee. In October 2004, the Board of Directors divided the Corporate Governance and Nominating Committee into two committees: the Corporate Governance Committee and the Nominating Committee. Prior to this change, the Corporate Governance and Nominating Committee held seven meetings in 2004. The Corporate Governance Committee held one meeting in 2004.

Nominating Committee

The Nominating Committee's responsibilities include:

- (i) establishing criteria for membership on the Board of Directors,
- (ii) identifying, evaluating, reviewing and recommending to the Board of Directors qualified candidates to serve on the Board of Directors, and
- (iii) serving as a focal point for communications between director candidates, non-committee directors and management.

Edgar Filing: ARENA PHARMACEUTICALS INC - Form DEF 14A

The Nominating Committee uses many sources to identify potential director candidates, including the network of contacts among our directors, officers and other employees, and may engage outside consultants in this process. As set forth in the next section, the Nominating Committee will consider director candidates recommended by our stockholders. The Nominating Committee believes that candidates for director should have certain minimum qualifications, including being able to understand

basic financial statements and having high personal integrity and ethics. In considering candidates for director, the Nominating Committee will consider all relevant factors, which may include among others the candidate's experience and accomplishments, the usefulness of such experience to our business, the availability of the candidate to devote sufficient time and attention to Arena, the candidate's reputation for personal integrity and ethics and the candidate's ability to exercise sound business judgment. The Nominating Committee retains the right to modify these qualifications from time to time, and candidates for director are reviewed in the context of the composition of the then current Board of Directors, our requirements and the interests of our stockholders. The Nominating Committee recommended the nominations of each of the directors nominated for election at our 2005 Annual Meeting.

We have adopted a written charter for the Nominating Committee, which is available on our website at www.arenapharm.com. Dr. Nova is the Chairperson of the Nominating Committee. In October 2004, the Board of Directors divided the Corporate Governance and Nominating Committee into two committees: the Corporate Governance Committee and the Nominating Committee. Prior to this change, the Corporate Governance and Nominating Committee held seven meetings in 2004. The Nominating Committee held two meetings in 2004.

Stockholder Director Recommendations

The Nominating Committee will consider director candidates recommended by our stockholders. A candidate must be highly qualified and be willing and expressly interested in serving on the Board of Directors. The Nominating Committee must receive all stockholder recommendations for director candidates for an annual meeting of stockholders by December 31 of the year before such annual meeting. A stockholder who wishes to recommend a candidate for the Nominating Committee's consideration should forward the candidate's name and information about the candidate's qualifications to Corporate Secretary, Arena Pharmaceuticals, Inc., 6166 Nancy Ridge Drive, San Diego, California 92121. **Submissions must include a representation that the nominating stockholder is a beneficial or record owner of Arena stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.** This procedure does not affect the deadline for submitting other stockholder proposals for inclusion in the proxy statement, nor does it apply to questions a stockholder may wish to ask at an annual meeting. Additional information regarding submitting stockholder proposals is set forth in our by-laws. Stockholders may request a copy of the by-law provisions relating to stockholder proposals from our Corporate Secretary.

Stockholder Communications with the Board of Directors

The Board of Directors has a formal process by which stockholders may communicate with the Board of Directors or any of our directors or officers. Stockholders who wish to communicate with the Board of Directors or any of our directors or officers may do so by sending written communications addressed to such person or persons in care of Arena Pharmaceuticals, Inc., 6166 Nancy Ridge Drive, San Diego, California 92121. All such communications will be compiled by our Corporate Secretary and submitted to the addressees on a periodic basis. If the Board of Directors modifies this process, we will post the revised process on our website.

Proposal 2**RATIFICATION OF INDEPENDENT AUDITORS**

The Audit Committee has appointed Ernst & Young LLP, an independent registered public accounting firm, as our independent auditors for the fiscal year ending December 31, 2005. Ernst & Young LLP has audited our financial statements since our inception in 1997. The Board of Directors is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. The affirmative vote of the holders of a majority of shares (determined as if all of our Preferred Stock was converted into common stock) represented and entitled to vote at the meeting will be required to ratify the appointment of Ernst & Young LLP.

In the event that the stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection of audit firms, but may decide not to change its selection. Even if the appointment is ratified, the Audit Committee may appoint different independent auditors at any time if it determines that such a change would be in our stockholders' best interest.

Representatives of Ernst & Young LLP are expected to be present at our 2005 Annual Meeting. They will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

The Board of Directors recommends that stockholders vote "FOR" the ratification of the appointment of Ernst & Young LLP to serve as our independent auditors for the fiscal year ending December 31, 2005.

Option Grants in Last Fiscal Year

The following table sets forth all options to purchase Arena common stock we granted to each of the Named Executive Officers in 2004 and the potential value of such grants at stock price appreciation rates of 5% and 10%, compounded annually over the maximum 10-year term of the options. The 5% and 10% rates of appreciation are required to be disclosed by SEC rules and are not intended to forecast possible future appreciation, if any, in our stock price.

Option/SAR Grants in Last Fiscal Year

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term(1)	
	Number of Securities Underlying Options/SARs Granted (#)	Percent of Total Options/SARs Granted to Employees in Fiscal Year	Exercise of Base Price	Expiration Date	5%	10%
Jack Lief	100,000	7.1%	\$ 6.00	1/18/14	\$ 377,337	\$ 956,245
Dominic P. Behan, Ph.D.	50,000	3.6%	6.00	1/18/14	188,668	478,123

Louis J. Scotti	40,000	2.9%	6.00	1/18/14	150,935	382,498

(1)

The potential realizable value is based on the 10-year term of the option at its time of grant. It is calculated by assuming that the stock price on the date of grant appreciates at the indicated annual rate, compounded annually for the entire term of the option, and the option is exercised and sold on the last day of its term for the appreciated stock price.

Pursuant to stock option agreements between us and our employees, each of our employees is entitled to exercise their options prior to vesting, subject to certain exceptions. If they exercise their options prior to vesting, they will receive restricted shares which will vest in accordance with the normal vesting schedule set forth in their stock option agreement and are subject to our repurchase prior to vesting if they cease to be one of our employees.

Louis J. Scotti				40,000		28,000

(1)

Pursuant to stock option agreements between us and our employees, each of our employees are entitled to exercise their options prior to vesting. All of the exercisable options are vested, but have not yet been exercised, and all of the unexercisable options may be exercised, but have not yet vested and will only vest subject to the terms of the stock option agreements.

(2)

The value of the unexercised in-the-money options is the amount, if any, by which the fair market value of our common stock on December 31, 2004, exceeded the option exercise price, multiplied by the number of shares of common stock underlying the option.

The fair market value of our common stock at December 31, 2004, was \$6.70.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Each Named Executive Officer serves at the discretion of the Board of Directors. However, each Named Executive Officer other than Dr. Shanahan is a party to a termination protection agreement with us, which provides for, among other things, a payment equal to the executive's base salary and accelerated vesting of equity grants if the executive is terminated without cause or the executive officer resigns for good reason within two years following a change of control. Under Dr. Shanahan's employment letter, we have agreed to pay him six months salary in the event he is terminated other than for cause during the first two years of his employment with us.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors has furnished this report on its policies with respect to the compensation of our executive officers. The report is not deemed to be "soliciting material" or to be "filed" with the SEC, or subject to the SEC's proxy rules (other than as provided in Item 402 of Regulation S-K) or to the liabilities of Section 18 of the Exchange Act, and, irrespective of any general incorporation language, the report shall not be deemed incorporated by reference into any prior or subsequent filing by us under the Securities Act of 1933 or the Exchange Act, except to the extent that we specifically incorporate it by reference into any such filing.

The Compensation Committee is comprised of Drs. Bristow, Hixson and La Force and Mr. Toms, each of whom is "independent" under the applicable NASDAQ rules. In addition, each of these individuals is a "non-employee director" under Section 162(m) of the Internal Revenue Code and meets the independence requirements under Section 16 of the Exchange Act of 1934.

The Compensation Committee is responsible for overseeing our compensation policies, plans and programs, and for determining the compensation to be paid to our executive officers. The Compensation Committee is also responsible for reviewing executive officer salaries and our benefits structure at least annually.

The Board of Directors has adopted a written charter for the Compensation Committee, which is available on our website at www.arenapharm.com. The Compensation Committee reviews and assesses the adequacy of its charter from time to time, and recommends any proposed changes to the Board of Directors for its consideration.

General Executive Officer Compensation Policy and its Implementation

Our executive officer compensation policy is intended to enhance stockholder value by attracting, motivating and retaining qualified individuals to perform at the highest of professional levels and to contribute to our growth and success. Accordingly, our executive officer compensation policy is designed to provide executive officers competitive compensation opportunities that are tied to their individual performance, as well as corporate performance. Each executive officer's compensation package is comprised of three key elements: (i) base salary, (ii) equity grants and (iii) potential performance-based bonuses, the specific amounts of which reflect both corporate and individual performance. These elements are intended to align the interests of our executive officers and our stockholders. Our compensation packages are also designed to be competitive with compensation levels in our industry. In evaluating our competitive position, the Compensation Committee reviews and analyzes the executive officer compensation provided by other companies in our industry. The Compensation Committee may also consult with compensation consultants and other advisors.

Our Chief Executive Officer recommends to the Compensation Committee salaries, equity grants and bonus opportunities for our executive officers, which the Compensation Committee can accept, reject or modify. In formulating his recommendations, our Chief Executive Officer considers industry and peer group compensation surveys, the past and expected future contributions of each executive officer, the company's performance and the mix of compensation that would be most appropriate for each executive officer.

The Compensation Committee then reviews these factors and our Chief Executive Officer's recommendations. In making compensation decisions, the Compensation Committee exercises its judgment to determine the appropriate weight to be given to each of these factors. The Compensation Committee may take into account additional factors, and may, in its discretion, apply entirely different factors, particularly different measures of performance, in setting executive officer compensation for future fiscal years, but it is expected that all compensation decisions will be designed to fall within the general compensation policy set forth above.

Cash Compensation

The beginning salary for each executive officer is established through negotiation at the time the executive is hired, taking into account such executive's qualifications, experience and prior salary and competitive salary information. Year-to-year adjustments to each executive officer's salary are based on personal performance for the year, the level of salaries of persons in comparable positions within the industry, and the range of merit salary increases for such year for all of our employees, as well as other factors judged to be pertinent during an assessment period.

In determining compensation for 2005, the Compensation Committee reviewed the findings and recommendations of an independent consulting firm regarding our compensation policies and programs for our executive officers. The consulting firm's findings and recommendations were based on market data for a "peer" group of approximately twenty biotechnology companies. These companies were selected by the Compensation Committee in consultation with the consulting firm and management on the basis of their revenues, net income, total number of employees and market capitalization. The Compensation Committee members also reviewed industry-wide surveys. Although the Compensation Committee gave weight to the findings of the consulting firm and other surveys, it did not target any particular level of compensation provided by other companies in setting the 2005 compensation for executive officers.

The Compensation Committee's current approach for compensating executive officers is, in general, to provide moderate raises to base salaries and increase the percentage of performance-based (or "at risk") bonuses relative to base salary. The Compensation Committee believes using incentive bonuses will increasingly tie compensation to performance and better align the interests of management and stockholders. The Compensation Committee intends to offer cash bonus opportunities to each executive officer in 2005, which will be tied to the achievement of company and individual goals approved by the Compensation Committee.

In connection with its review of executive officers in January 2005, the Compensation Committee approved salary increases ranging from \$6,000 to \$30,000 and cash bonuses to our executive officers based on its evaluation of individual and corporate performance against milestone goals. The bonuses awarded included \$50,000 to Jack Lief, President and Chief Executive Officer, \$55,000 to Dominic P. Behan, Ph.D., Senior Vice President and Chief Scientific Officer, \$41,000 to William R. Shanahan, Jr., M.D., J.D., Vice President and Chief Medical Officer, \$35,000 to Steven W. Spector, Senior Vice President, General Counsel and Secretary, and \$31,000 to Louis J. Scotti, Vice President, Marketing and Business Development. Mr. Lief was also awarded, as part of his bonus, fully vested options to purchase 24,350 shares of our common stock at an exercise price of \$6.16 per share, which was equal to the fair market value of our common stock as determined under our equity compensation plans on the date of grant.

Stock-Based Incentives

The Compensation Committee believes that equity grants provide our executive officers with the opportunity to share in the appreciation of the value of our common stock and encourages ownership in the company. The Compensation Committee believes that equity grants reinforce a long-term interest in our overall performance and directly motivate our executive officers to maximize long-term

stockholder value. The equity grants also utilize vesting periods that encourage executive officers to continue in our employ.

In connection with the annual review of all employees in January 2005, the Compensation Committee approved granting an aggregate of 749,450 options to purchase our common stock at an exercise price of \$6.16 per share, including an aggregate of 310,000 options to executive officers. In determining these grants, the Compensation Committee considered the importance of increasing the ownership level of executive officers to be closer to the median of executive officers in the peer group, as well as the availability of options for future grants under our equity compensation plans.

We also have an employee stock purchase plan to encourage employees to continue in our employ and to motivate employees through ownership interest. Under the employee stock purchase plan, executive officers and other employees may elect to have a portion of their cash compensation withheld for purchases of our common stock on certain dates set forth in the plan. The price of our common stock purchased under the employee stock purchase plan is equal to 85% of the lower of the fair market value of our common stock on the date of enrollment or the exercise date of the purchase period.

Chief Executive Officer Compensation

Mr. Lief's compensation consists of the same key elements as our other executive officers, which are base salary, equity grant and a potential performance-based bonus. In setting Mr. Lief's compensation, the Compensation Committee considered many factors, including our scientific and clinical progress, our progress in current collaborations and the formation of new collaborations, and the achievement of certain financial goals. The Compensation Committee also considered the performance of the executive officers reporting to Mr. Lief. Based on the Compensation Committee's evaluation of these factors and the Compensation Committee's review of Mr. Lief's historical compensation, the recommendations of the compensation consulting firm, industry-wide surveys of chief executive officer compensation and the level of his severance protection in the event of a change of control, the Compensation Committee increased Mr. Lief's base salary from \$603,750 to \$609,750 on January 17, 2005, awarded Mr. Lief a bonus of \$50,000 and fully vested options to purchase 24,350 shares of our common stock at an exercise price of \$6.16 per share and granted Mr. Lief an additional 100,000 options to purchase shares of our common stock at an exercise price of \$6.16 per share. The Compensation Committee is seeking to tie a more significant portion of his compensation to the company's and his individual performance.

The Compensation Committee discussed and established Mr. Lief's compensation, as well as the other executive officers' compensation, outside of his presence.

Internal Revenue Code Section 162(m)

The Compensation Committee also considers the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"). Section 162(m) disallows a Federal tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the company's chief executive officer and four highest compensated employees other than the chief executive officer. This limitation does not, however, apply to compensation that is performance-based under a plan that is approved by the stockholders and that meets other technical requirements. Based on these requirements, the Compensation Committee attempts to limit the impact Section 162(m) will have on our ability to deduct compensation, but in certain cases our tax deductions may be limited by Section 162(m).

Performance Graph

The following is a line graph comparing the cumulative total return to stockholders (change in stock price plus reinvested dividends) of our common stock from July 28, 2000 (the date of our initial public offering) through December 31, 2004, to (i) the cumulative total return over such period to the Total Return Index for the NASDAQ Stock Market (U.S. Companies) and (ii) the Total Return Index for the NASDAQ Biotechnology Index, in each case as provided by Research Data Group, Inc. In establishing the starting point on the line graph, we used the closing price of our common stock on July 28, 2000, of \$25.00 as required by SEC guidelines.

The graph assumes the investment of \$100 on July 28, 2000, and the reinvestment of dividends, although dividends have not been declared on our common stock, and is based on the returns of the component companies weighted according to their market capitalizations as of the end of each monthly period for which returns are indicated. We caution that the stock price performance shown in the graph may not be indicative of future stock price performance. The information contained in the Performance Graph is not deemed to be "soliciting material" or to be "filed" with the SEC, or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act, and shall not be deemed incorporated by reference into any prior or subsequent filing by us under the Securities Act of 1933 or the Exchange Act, except to the extent that we specifically incorporate it by reference into any such filing.

Certain Relationships and Related Transactions

ChemNavigator

In January 1999, we began development of an Internet based search engine to allow scientists to search for compounds based primarily on the similarity of chemical structures. In May 1999, ChemNavigator was incorporated and in June 1999, we licensed to ChemNavigator a website, the trademark "ChemNavigator" and associated goodwill, intellectual property related to the search engine, as well as technology needed to perform chemical similarity searches. In return, we received shares of preferred stock in ChemNavigator. As of both December 31, 2004 and 2003 our equity ownership represented approximately 35% of the outstanding voting securities of ChemNavigator. We are contemplating a transaction with ChemNavigator, whereby we would dispose of our equity ownership in such company.

In March 2002, we entered into a license agreement with ChemNavigator for the use of their cheminformatic software program and in September 2003 we amended this license agreement to include additional development work to be performed by ChemNavigator. In each of 2004 and 2003, we renewed our license under this agreement for \$50,000 and we have an option to renew the license in subsequent years for \$50,000 per year. We expect to renew our license in 2005. In each of 2004 and 2003, we paid ChemNavigator \$20,000 for an annual license and access fee to the iResearch library. We expect to renew this annual license in 2005. In 2004, we paid ChemNavigator \$4,000 for chemical compounds. In 2004 and 2003, we paid ChemNavigator \$86,000 and \$68,000, respectively, for development work performed.

We sublease office space to ChemNavigator at current market rates. Lease payments increase annually by 2% in April. In 2004 and 2003, we recorded approximately \$100,000 and \$98,000, respectively, in other income for this sublease.

Mr. Lief, our President and Chief Executive Officer, was the Chairman of the Board of ChemNavigator until January 2004. Mr. Lief no longer serves as a director of ChemNavigator. As compensation for his services, he received 200,000 shares of common stock of ChemNavigator, which vested over a period of four years. Robert E. Hoffman, our Vice President, Finance and Chief Accounting Officer, served as the Chief Financial Officer of ChemNavigator until December 2004. Mr. Hoffman entered into a four-year service agreement with ChemNavigator in May of 1999, in which he agreed to provide up to 200 hours of service per year. As compensation for his services, he received 100,000 shares of common stock of ChemNavigator, which vested over a period of four years. Mr. Hoffman did not receive any other compensation from ChemNavigator. Mr. Spector, our Senior Vice President and General Counsel, is a director of ChemNavigator. Mr. Spector does not receive any compensation from ChemNavigator.

Audit Committee Report

The Audit Committee of the Board of Directors has furnished the following report on its activities with respect to its responsibilities during the 2004 fiscal year. The report is not deemed to be "soliciting material," or to be "filed" with the SEC or subject to the SEC's proxy rules (other than as provided in Item 306 of Regulation S-K) or to the liabilities of Section 18 of the Exchange Act, and, irrespective of any general incorporation language, the report shall not be deemed incorporated by reference into any prior or subsequent filing by us under the Securities Act of 1933 or the Exchange Act, except to the extent that we specifically incorporate it by reference into any such filing.

Our management has the primary responsibility for our financial reporting process, accounting principles and internal controls as well as the preparation of our financial statements. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. The Audit Committee is comprised of Messrs. Belcher, Bice and Lavigne and Dr. La Force, each of whom is an "independent" director as defined in the applicable NASDAQ and SEC rules. The Audit Committee held 11 meetings during 2004.

The Board of Directors has adopted a written charter for the Audit Committee, which is available on our website. The Audit Committee reviews and assesses the adequacy of its charter, and recommends any proposed changes to the Board of Directors for its consideration.

In fulfilling its responsibilities, the Audit Committee appointed Ernst & Young LLP, an independent registered public accounting firm, as our independent auditors for the 2004 fiscal year. The Audit Committee reviewed and discussed with the independent auditors the overall scope and specific plans for their audit. The Audit Committee also reviewed and discussed with the independent auditors and with management our financial statements and the adequacy of our internal controls. The Audit Committee met with the independent auditors, without management present, to discuss the results of the independent auditors' audits, their evaluations of our internal controls and the overall

quality of our financial reporting. The meetings were also designed to facilitate any desired private communication between the Audit Committee and the independent auditors.

The Audit Committee monitored the independence and performance of the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statements on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors the independent auditors' independence. The Audit Committee concluded that the provision of non-audit professional services, as discussed below, is compatible with maintaining the independent auditors' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the SEC. The Audit Committee has also appointed Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2005.

The foregoing report is provided by the following directors, who constitute the Audit Committee:

Donald D. Belcher (Chairperson)
Scott H. Bice, J.D.
J. Clayburn La Force, Jr., Ph.D.
Louis J. Lavigne, Jr.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedure for pre-approving all audit and non-audit services to be performed by our independent auditors. The policy requires pre-approval of all services rendered by our independent auditors either as part of the Audit Committee's approval of the scope of the engagement of the independent auditors or on a case-by-case basis. The Audit Committee

has authorized its chairperson to pre-approve individual expenditures of audit and non-audit services. Any pre-approval decision must be reported to the Audit Committee at the next regularly scheduled Audit Committee meeting. The Audit Committee approved all audit fees, audit-related fees and tax fees for 2004.

Annual Report on Form 10-K

WE WILL FURNISH A COPY OF ANY EXHIBIT TO SUCH REPORT UPON WRITTEN REQUEST AND PAYMENT OF OUR REASONABLE EXPENSES IN FURNISHING SUCH EXHIBIT. REQUESTS SHOULD BE SENT TO INVESTOR RELATIONS, ARENA PHARMACEUTICALS, INC., 6166 NANCY RIDGE DRIVE, SAN DIEGO, CALIFORNIA 92121. OUR SEC FILINGS ARE ALSO AVAILABLE ON OUR WEBSITE AT WWW.ARENAPHARM.COM.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more

stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single proxy statement and one annual report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. Any stockholder at a shared address to which a single copy of the documents was delivered and who wishes to receive a separate copy of the documents can request a copy of the documents by sending a written request to Corporate Secretary, Arena Pharmaceuticals, Inc., 6166 Nancy Ridge Drive, San Diego, California 92121, or contact our Corporate Secretary at (858) 453-7200.
