In the event there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

Proxy Statement 2005 Annual Meeting of Stockholders

The proxy that accompanies this statement is being solicited by the board of directors of Ares Capital Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), for use at the 2005 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 24, 2005 at 9:30 a.m., Pacific Coast Time, at The Westin Century Plaza Hotel, 2025 Avenue of the Stars, Los Angeles, California 90067, or at any adjournment or postponement thereof. This proxy statement, the accompanying proxy card and the Company's Annual Report on Form 10-K, which includes audited financial statements for the year ended December 31, 2004, are first being sent to the Company's stockholders on or about April 27, 2005.

Any stockholder "of record" (i.e., you hold shares directly in your name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later dated properly executed proxy, by giving notice of revocation to the Company in writing or at the Annual Meeting or by attending the Annual Meeting and voting in person. However, the mere presence at the Annual Meeting of the stockholder does not revoke the proxy. If your shares are held for your account by a broker, bank or other institution or nominee, you may vote such shares at the meeting only if you obtain proper written authority from your institution or nominee and present it at the meeting. Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting. With respect to the election of directors, proxies cannot be voted for a greater number of persons than the number of nominees named.

On any matter or matters with respect to which the proxy contains instructions for voting, the votes entitled to be cast by such shares will be cast in accordance with such instructions. **If no specification is made, the votes entitled to be cast by such shares will be cast FOR the election of the one director nominee and FOR the ratification of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2005.**

The board of directors is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxies to vote in accordance with their discretion on such matters. The stockholders of the Company have no dissenter's or appraisal rights in connection with either of the proposals described herein.

The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on April 25, 2005. As of April 25, 2005, there were 23,168,595 shares of common stock outstanding. Each share of common stock has one vote. The presence, in person or by proxy, of the holders of shares of stock of the Company entitled to cast a majority of the votes entitled to be cast, shall constitute a quorum for the purposes of the Annual Meeting. If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a

quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Abstentions and broker non-votes, where a broker proxy indicates that the nominee has not received instructions on a particular proposal and does not have discretionary authority to vote the shares on such proposal, will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. However, abstentions are counted as votes not cast. As a result, the effect of an abstention will be the same as a vote against Proposal 1 because an absolute majority of affirmative votes is required under the Company's Bylaws to approve Proposal 1 (to elect a director to serve for a term of three years, or until his successor is duly elected and qualified), but will have no effect on Proposal 2 because the affirmative vote of a majority of the votes cast at the Annual Meeting is required under the Company's Bylaws to approve Proposal 2 (to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm).

We will bear the cost of solicitation of proxies in the form accompanying this statement. Proxies will be solicited by mail or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees or fiduciaries, each of whom we will reimburse for its expenses in so doing. In addition to the use of mail, officers of the Company may solicit proxies by telephone or telecopy. The Company has engaged the services of Computershare Investor Services, LLC for the purpose of assisting in the solicitation of proxies (including broker search and delivery services) at a cost of approximately \$1,300 plus reimbursement of certain expenses.

PROPOSAL 1: ELECTION OF DIRECTOR

Under our Charter ("Charter") and Amended and Restated Bylaws ("Bylaws") (together, our "Charter Documents"), our directors are divided into three classes. Directors are elected for a staggered term of three years each, with a term of office of only one of these three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualifies.

The term of Douglas E. Coltharp, the only Class I director, will expire at the 2005 Annual Meeting, and he has been nominated by the Nominating Committee of the Board of Directors, in accordance with our Bylaws, to stand for re-election at the Annual Meeting and to hold office until the annual meeting to be held in 2008. Our Charter Documents provide that directors shall be elected by the affirmative vote of the holders of a majority of the shares of stock outstanding entitled to vote in such election. Therefore, the affirmative vote of a majority of the shares of common stock outstanding as of the record date is required to elect Mr. Coltharp as a director of the Company for the term for which he has been nominated.

A stockholder can vote for or withhold his or her vote from such nominee. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominee named below. If the nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated as a replacement.** The board of directors has no reason to believe that the nominee will be unable or unwilling to serve.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF DOUGLAS E. COLTHARP AS A DIRECTOR OF THE COMPANY FOR THE TERM FOR WHICH HE HAS BEEN NOMINATED.

We do not have a compensation committee because our executive officers do not receive any direct compensation from us. During 2004, the board of directors held seven formal meetings. All directors attended at least 75% of the aggregate number of meetings of the board of directors and of the respective committees on which they served. The audit committee held four formal meetings during 2004, and the nominating committee held one formal meeting during 2004. The Company encourages, but does not require, the directors to attend the Company's annual meeting of its stockholders.

Audit Committee

The members of the audit committee are Messrs. Coltharp, Rosen and Siegel, each of whom is independent for purposes of the 1940 Act and The NASDAQ National Market corporate governance regulations. Mr. Coltharp serves as chairman of the audit committee. The board of directors has adopted a charter for the audit committee, which is attached hereto as Exhibit A to this proxy statement. The audit committee is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving

professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The audit committee is also responsible for aiding our board of directors in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. Where appropriate, the board of directors and the audit committee may utilize the services of an independent valuation firm to help them determine the fair value of these securities. Our board of directors has determined that Douglas E. Coltharp is an "audit committee financial expert" (as defined in Item 401 of Regulation S-K).

Nominating Committee

The members of the nominating committee are Messrs. Coltharp, Rosen and Siegel, each of whom is independent for purposes of the 1940 Act and The NASDAQ National Market corporate governance regulations. Mr. Siegel serves as chairman of the nominating committee. Our board of directors has adopted a charter for the nominating committee, which is attached hereto as Exhibit B to this proxy statement. The nominating committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the board or a committee of the board, developing and recommending to the board a set of corporate governance principles and overseeing the evaluation of the board and our management.

The nominating committee's policy is to identify potential nominees based on suggestions from the President of the Company, members of the nominating committee, other members of the board of directors, other executive officers, and stockholders and by other means, and to evaluate such persons as a committee. In addition, from time to time, the board of directors may determine that it requires a director with a particular expertise or qualification and will actively recruit such a candidate.

Qualified candidates for membership on the board of directors will be considered without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The nominating committee will review and evaluate each candidate's character, judgment, skills (including financial literacy), background, experience and other qualifications (without regard to whether a nominee has been recommended by the Company's stockholders), as well as the overall composition of the board of directors, and recommend to the board of directors for its approval the slate of directors to be nominated for election at the annual meeting of the Company's stockholders.

In considering possible candidates for election as a director, the nominating committee takes into account, in addition to such other factors as it shall deem relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of the Company;
- are able to work with the other members of the Board and contribute to the success of the Company;
- can represent the long-term interests of the Company' stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The nominating committee also considers all applicable legal and regulatory requirements that govern the composition of the board of directors.

Edgar Filing: ARES CAPITAL CORP - Form DEF 14A

The nominating committee may consider recommendations for nomination of directors from our stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by our Bylaws) and received at our principal executive offices not earlier than 150 days nor fewer than 120 days in advance of the first anniversary of the date on which we first mailed our proxy materials for the previous year's annual meeting of stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than the later of (i) the 120th day prior to the date of such annual meeting or (ii) the 10th day following the day on which public announcement of such meeting date is first made.

In addition to information regarding the nominating stockholder as set forth in the Company's Bylaws, a stockholder's notice shall set forth as to each individual whom the stockholder proposes to nominate for election or reelection as a director:

the name, age, business address and residence address of such individual;

the class, series and number of any shares of stock of the Company that are beneficially owned by such individual;

the date such shares were acquired and the investment intent of such acquisition;

whether such stockholder believes any such individual is, or is not, an "interested person" of the Company, as defined in the 1940 Act or is, or is not, "independent" as set forth in the requirements established by the NASDAQ National Market or any other exchange or automated quotation service on which the Company's securities are listed, and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Company, to make either such determination; and

all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act of 1934 (the "Exchange Act") (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

All nominees properly submitted to the Company (or which the nominating committee otherwise elects to consider) will be evaluated and considered by the members of the nominating committee using the same criteria as nominees identified by the nominating committee itself.

Compensation Committee

We do not have a compensation committee because our executive officers do not receive any direct compensation from us.

(1) For a discussion of the independent directors' compensation, see below.

(2) We do not have a profit sharing or retirement plan, and directors do not receive any pension or retirement benefits.

(3) Since we have not yet completed our first full year since our organization, aggregate compensation information is furnished for the current fiscal year ending December 31, 2005 and includes estimated future payments.

The independent directors receive an annual fee of \$50,000. They also receive \$2,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting and will receive \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each committee meeting. In addition, the chairman of the audit committee receives an annual fee of \$5,000 and each chairman of any other committee receives an annual fee of \$2,000 for their additional services in these capacities. In addition, we have purchased directors' and officers' liability insurance on behalf of our directors and officers. Independent directors have the option to receive their directors' fees paid in shares of our common stock issued at a price per share equal to the greater of net asset value or the market price at the time of payment.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We are party to an investment advisory and management agreement with Ares Capital Management LLC, whose sole member is Ares Management LLC, an entity in which our senior management and our co-chairmen of the board have ownership and financial interests. Our senior management also serve as principals of other investment managers affiliated with Ares Management LLC that may in the future manage investment funds with investment objectives similar to ours. In addition, certain of our executive officers and directors and the members of the investment committee of our investment adviser, Ares Capital Management LLC, serve or may serve as officers, directors or principals of entities that operate in the same or related line of business as we do or of investment funds managed by our affiliates. Accordingly, we may not be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with Ares Management LLC. However, our investment adviser and other members of Ares intend to allocate investment opportunities in a fair and equitable manner that meet our investment objectives and strategies so that we are not disadvantaged in relation to any other client. The address of Ares Capital Management LLC is 1999 Avenue of the Stars, Suite 1900, Los Angeles, California 90067.

Pursuant to the terms of the administration agreement, Ares Technical Administration, LLC provides us with the office facilities and administrative services necessary to conduct our day-to-day operations. Ares Management LLC is the sole member of and controls Ares Technical Administration, LLC. The address of Ares Technical Administration, LLC is 1999 Avenue of the Stars, Suite 1900, Los Angeles, California 90067.

We have also entered into a license agreement with Ares pursuant to which Ares has agreed to grant us a non-exclusive, royalty-free license to use the name "Ares." Under this agreement, we will have a right to use the Ares name, for so long as Ares Capital Management LLC or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we will have no legal right to the "Ares" name. This license agreement will remain in effect for so long as the investment advisory and management agreement with our investment adviser is in effect.

In connection with our initial public offering, our investment adviser paid to underwriters, on our behalf, an additional sales load of \$2,475,000. This amount accrues interest at a variable rate that adjusts quarterly equal to the three-month LIBOR plus 2.00% per annum. As of January 31, 2005, three-month LIBOR was approximately 2.75%. We are obligated to repay this amount, together with accrued interest upon the occurrence of one or more of the following events on or before October 8, 2007: (a) if during any four calendar quarter period ending on or after October 8, 2005, the sum of (i) our aggregate distributions to our stockholders and (ii) our change in net assets (defined as total assets less indebtedness) equals or exceeds 7.0% of our net assets at the beginning of such period (as adjusted for any share issuances or repurchases) or (b) upon our liquidation. If one or more of the above events does not occur on or before October 8, 2007, we will not be obligated to repay this amount.

As a result of regulatory restrictions, we are not permitted to invest in any portfolio company in which Ares or any affiliate currently has an investment. However, we intend to apply for an exemptive order from the Commission that would permit us, subject to certain terms and conditions, to co-invest with funds managed by Ares (other than Ares Corporate Opportunities Fund, L.P., or "ACOF"). Assuming receipt of a favorable exemptive order from the Commission, we anticipate that, subject to certain terms and conditions, funds managed by Ares (other than ACOF) may co-invest in the same portfolio companies as the Company due to similarities in certain of their investment strategies. Such co-investments will be on terms and conditions that are the same in all material respects, subject to the availability of capital for investment on the part of the Company and each such Ares fund and certain other considerations. There is no assurance that the application for exemptive relief will be granted by

the Commission. Accordingly, we cannot assure you that the Company will be permitted to co-invest with funds managed by Ares.

Ares Leveraged Investment Fund II, L.P., a company affiliated with Ares, owns less than 5% of the limited partnership interests of Dolphin Domestic Fund II, a fund for which one of our independent directors, Robert L. Rosen, serves as a co-Managing Partner.

- (i) overseeing the Corporation's accounting and financial reporting processes and the audits of the Corporation's financial statements, and
- (ii) reviewing the financial reports and other financial information provided by the Corporation to the public.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct the audits or to determine that the Corporation's financial statements are complete, accurate and in accordance with generally accepted accounting principles ("GAAP"). This is the responsibility of management and the Corporation's outside auditor.

II. Composition

The Committee shall be comprised of at least three or more directors, each of whom, in the determination of the Board, must

- (i) satisfy the independence requirements established by the NASDAQ Stock Market ("NASDAQ") or, with the approval of the Board, satisfy one or more of the exceptions permitted by NASDAQ,

The members of the Committee shall be appointed and replaced by the Board. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings

The Committee shall meet at such times and with such frequency as the Committee shall determine as appropriate to meet its responsibilities. The Committee shall hold separate meetings periodically with management of the Corporation and management of the Corporation's investment adviser, if any, and with the Corporation's outside auditor to discuss the quarterly review process and

any other matters that the Committee or the other participants believe should be discussed. The Committee may ask members of management of the Corporation and management of the Corporation's investment adviser, if any, or others to attend meetings and provide pertinent information as necessary or desirable. The Committee may adopt such procedures as it deems appropriate and necessary to carry out the duties and responsibilities of the Committee. The Committee shall report to the Board from time to time, as requested by the Board, or as the Committee deems appropriate. If a registered public accounting firm is to be appointed at any meeting, such meeting shall be called for the specific purpose of appointing such firm and shall be conducted in person.

IV. Responsibilities and Duties

The Committee shall have the following responsibilities and duties:

- (i) The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the Corporation's outside auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation. Each such registered public accounting firm shall report directly to the Committee.

 - (C) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
- (iii) The Committee shall have the authority to engage independent counsel and other advisors, as the Committee determines necessary to carry out its duties and responsibilities.
- (iv) The Committee shall, to the extent required by any applicable legal or regulatory requirement, pre-approve all auditing services and permitted non-audit services provided to Corporation by its outside auditor. To the extent permitted by applicable laws, regulations and NASDAQ rules, the Committee may delegate pre-approval of audit and non-audit services to one or more members of the Committee. Such member(s) must then report to the full Committee at its next scheduled meeting if such member(s) pre-approved any audit or permitted non-audit services.
- (v) At least annually, the Committee shall receive from its outside auditors a formal written statement delineating all relationships between the auditor and the Corporation, consistent with Independence Standards Board Standard No. 1, actively engage in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor, and take, or recommend that the full Board take, appropriate action to oversee the independence of the outside auditor.

- (viii) The Committee shall review any disclosures made by the Corporation's Principal Executive Officer and Principal Financial Officer (as such terms are defined by the SEC), as part of the process of preparing their certifications to be included in the Corporation's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q.
- (ix) The Committee shall establish procedures for
 - (A) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters, and
 - (B) the confidential, anonymous submission by employees of the Corporation, or by personnel of any entity that perform services for the Corporation similar to services that employees of the Corporation would generally perform, of concerns regarding questionable accounting or auditing matters.
- (x) The Committee shall review and approve all related-party transactions (as defined in Item 404 of Regulation S-K of the SEC) that are brought to the Committee's attention.
- (xi) The Committee shall, in accordance with the Corporation's Valuation Policy, resolve valuation issues with respect to liquid securities and review valuations of illiquid securities proposed by the Corporation's investment adviser. Where the Committee determines that it is appropriate, the Committee may appoint an independent valuation firm to review and advise the Committee with respect to valuations.
- (xii) The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities.
- (xiii) The Committee may consider such other matters in relation to the financial affairs of the Corporation and its accounts, and in relation to the internal and external audits of the Corporation, as the Committee may, in its discretion, determine to be advisable.
- (xiv) The Committee shall annually report to the Corporation's stockholders on certain auditing matters, as required by the rules and regulations of the SEC, as they may be amended from time to time. Such report will be included in the Corporation's annual proxy statement.
- (xv) The Committee shall review and reassess the adequacy of this Charter annually, and recommend any proposed changes to the Board for its approval.

The Committee may diverge from the specific activities outlined throughout this Charter as appropriate if circumstances or regulatory requirements change. In addition to these activities, the Committee may perform such other functions as necessary or appropriate under applicable laws, regulations, NASDAQ rules, the Corporation's certificate of incorporation and by-laws, and the resolutions and other directives of the Board.

This Charter is in all respects subject and subordinate to the Corporation's articles of incorporation and by-laws, the resolutions of the Board and the applicable provisions of the Maryland General Corporation Law.
