CAUTIONARY STATEMENTS RELATING TO FORWARD-LOOKING INFORMATION

Certain statements in or incorporated by reference into this prospectus or any prospectus supplement contain or may suggest "forward-looking" information (as defined in the Private Securities Litigation Reform Act of 1995) that involve risks and uncertainties, including, but not limited to, anticipated financial results (including, but not limited to, our anticipated same store sales results,

credit card revenues, gross profit rate, selling, general and administrative expenses, net interest expense, effective tax rate, earnings per share and operating cash flows), anticipated store openings, capital expenditures, dividend payout, trends in our operations, compliance with debt covenants, outcome of claims and litigation, the anticipated financial performance of HauteLook and the anticipated impact of the HauteLook acquisition on the Company's performance. Such statements are based upon the current beliefs and expectations of the Company's management and are subject to significant risks and uncertainties. We intend words such as "believe," "anticipates," "may," "will," "should," "could," "plans," "expects," and similar expressions to identify forward-looking statements. Actual future results may differ materially from historical results or current expectations. We undertake no obligation to update or revise any forward-looking statements to reflect subsequent events, new information or future circumstances.

THE COMPANY

Nordstrom, Inc. is one of the nation's leading fashion specialty retailers. Founded in 1901 as a retail shoe business in Seattle, Nordstrom operates 222 stores located in 30 states as of October 1, 2011, including 117 full-line stores, 101 Nordstrom Racks, two Jeffrey boutiques, one treasure&bond store and one clearance store. Nordstrom also operates an online store at www.nordstrom.com and participates in the online private sale marketplace through its subsidiary HauteLook. The Company's common stock is publicly traded on the NYSE under the symbol JWN.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus involves risks. Prior to making a decision about whether to invest in our securities, you should carefully consider the risks described in the section entitled "Risk Factors" in any prospectus supplement and the risks described in our most recent Annual Report on Form 10-K filed with the SEC and incorporated by reference into this prospectus, in each case as these risk factors are amended or supplemented by our future filings with the SEC, including subsequent Quarterly Reports on Form 10-Q filed with the SEC and incorporated by reference into this prospectus. The occurrence of any of the potential events described in these risk factors could materially adversely affect our business, operating results and financial condition.

The risks and uncertainties we describe are not the only ones facing the Company. Any adverse effect on our business, financial condition or operating results could result in a decline in the value of our securities, and the loss of all or part of your investment.

USE OF PROCEEDS

Unless we indicate a different use in the applicable prospectus supplement, the net proceeds from the sale of the securities will be added to our general funds and will be used for general corporate purposes, which may include capital expenditures and working capital needs, and to finance repurchases of shares of our common stock.

Until we apply the proceeds from the sale of the securities, we may temporarily invest any proceeds that are not immediately applied to the above purposes in U.S. government or agency obligations, commercial paper, money market accounts, short-term marketable securities, bank deposits or certificates of deposit, repurchase agreements collateralized by U.S. government or agency obligations or other short-term investments.

RATIOS OF EARNINGS TO FIXED CHARGES

The following table shows Nordstrom's historical ratio of earnings to fixed charges for the twenty-six weeks ended July 30, 2011 and each of the previous five fiscal years. Nordstrom's ratio of earnings to fixed charges for each of the periods set forth below has been computed on a consolidated basis and should be read in conjunction with the consolidated financial statements, including the notes to those financial statements, and other information set forth in the reports filed by Nordstrom with the SEC.

For purposes of determining the ratio of earnings to fixed charges, "earnings" consist of income from continuing operations before income tax plus fixed charges, amortization of capitalized interest, less interest capitalized during the period. "Fixed charges" represent interest and amortization of deferred financing fees, and the portion of rental expenses on operating leases deemed to be the equivalent of interest.

DESCRIPTION OF DEBT SECURITIES

The following description of the debt securities sets forth the material terms and provisions of the debt securities to which any prospectus supplement may relate. The debt securities are to be issued under an Indenture (the "Indenture") between Nordstrom and Wells Fargo Bank, National Association, as Trustee (the "Trustee"). The Indenture is filed as an exhibit to the registration statement of which this prospectus is a part and may be supplemented from time to time. The particular terms of the debt securities offered by any prospectus supplement (the "Offered Debt Securities") and the extent, if any, to which the general provisions may apply to the Offered Debt Securities, will be described in the prospectus supplement relating to the Offered Debt Securities. For a complete description of the terms applicable to a particular issuance of debt securities, you should read both this prospectus and the prospectus supplement relating to those securities.

The following summaries of the material provisions of the Indenture and the debt securities do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all of the provisions of the Indenture, including the definitions of some of the terms in the Indenture and the debt securities. Wherever particular articles, sections or defined terms of the Indenture are referred to, it is intended that such articles, sections or defined terms shall be incorporated by reference, and the statement in connection with such reference is made is qualified in its entirety by such reference. You should review the Indenture that is filed as an exhibit to registration statement of which this prospectus forms a part for additional information.

References to "Nordstrom," "we," "us" and "our" in this section are only to Nordstrom, Inc. and not to its subsidiaries.

The Indenture does not limit the aggregate principal amount of debt securities which may be issued and provides that debt securities may be issued from time to time in one or more series. (Section 3.1) The Indenture does not limit the amount of other indebtedness or debt securities, other than some secured indebtedness as described below, which may be issued by Nordstrom or its subsidiaries.

Table of Contents

Unless otherwise provided in the prospectus supplement relating to any Offered Debt Securities, the principal, premium, interest and additional amounts, if any, will be payable at the office or agency maintained by Nordstrom (initially the Corporate Trust Office of the Trustee); *provided* that payment of interest on registered securities may be made by check mailed to the payee at the addresses of the persons appearing on the security register or by transfer to an account maintained by the payee with a bank located in the United States. In the case of registered securities, interest on the debt securities will be payable on any interest payment date to the persons in whose names the debt securities are registered at the close of business on the regular record date with respect to the interest payment date. All paying agents initially designated by Nordstrom for the Offered Debt Securities will be named in the prospectus supplement relating to the Offered Debt Securities. Nordstrom may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that Nordstrom will not be required to maintain a paying agent in each place of payment for the Offered Debt Securities. (Sections 3.7 and 10.2)

Unless otherwise provided in the prospectus supplement relating to any Offered Debt Securities, the Offered Debt Securities may be presented for transfer (duly endorsed or accompanied by a written instrument of transfer, if so required by Nordstrom or the security registrar) or exchanged for other debt securities of the same series (containing identical terms and provisions, in any authorized denominations, and of a like aggregate principal amount) at the office or agency maintained by Nordstrom (initially the Corporate Trust Office of the Trustee). The transfer or exchange shall be made without service charge, but Nordstrom may require payment of a sum sufficient to cover any tax or other governmental charge and any other expenses payable in connection with any tax or other governmental charge. Nordstrom will not be required to (1) issue, register the transfer of, or exchange, Offered Debt Securities during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of any of the Offered Debt Securities and ending at the close of business on the day of the mailing of the notice of redemption or (2) register the transfer of or exchange any Offered Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Offered Debt Security being redeemed in part. (Section 3.5). Nordstrom has appointed the Trustee as security registrar. Any transfer agent (in addition to the security registrar) initially designated by Nordstrom for any Offered Debt Securities will be named in the applicable prospectus supplement. Nordstrom may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that Nordstrom will be required to maintain a transfer agent in each place of payment for the Offered Debt Securities. (Section 10.2)

Unless otherwise indicated in the applicable prospectus supplement, the Offered Debt Securities will be issued only in fully registered form without coupons in minimum denominations of \$1,000 and any integral multiple of \$1,000. (Section 3.2) The Offered Debt Securities may be represented in whole or in part by one or more global debt securities registered in the name of a depository or its nominee and, if so represented, interests in the global debt security will be shown on, and transfers will be effected only through, records maintained by the designated depository and its participants as described below. Where Offered Debt Securities of any series are issued in bearer form, the special restrictions and considerations, including special offering restrictions and special U.S. Federal income tax considerations, applicable to the Offered Debt Securities and to payment on and transfer and exchange of the Offered Debt Securities will be described in the applicable prospectus supplement.

The debt securities may be issued as original issue discount securities (bearing no interest or bearing interest at a rate which at the time of issuance is below market rates) to be sold for an amount less than their principal amount. Any applicable special U.S. Federal income tax or other considerations will be described in the applicable prospectus supplement.

Table of Contents

If the purchase price of any Offered Debt Securities is payable in one or more foreign currencies or currency units or if any Offered Debt Securities are denominated in one or more foreign currencies or currency units or if the principal of, or any premium or interest on, or any additional amounts with respect to, any Offered Debt Securities is payable in one or more foreign currencies or currency units, the restrictions, elections, particular U.S. Federal income tax considerations, specific terms and other information with respect to the Offered Debt Securities and the foreign currency or currency units will be set forth in the applicable prospectus supplement.

Nordstrom will comply with Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other tender offer rules within the Exchange Act, which may then be applicable, in connection with any obligation of Nordstrom to purchase Offered Debt Securities at the option of the holders of the securities. Any obligation applicable to a series of debt securities will be described in the applicable prospectus supplement.

Unless otherwise described in a prospectus supplement relating to any Offered Debt Securities, other than as described below under "Limitation on Liens," the Indenture does not contain any provisions that would limit the ability of Nordstrom to incur indebtedness or that would afford holders of debt securities protection in the event of a sudden and significant decline in the credit quality of Nordstrom or a takeover, recapitalization or highly leveraged or similar transaction involving Nordstrom. Accordingly, Nordstrom could in the future enter into transactions that could increase the amount of indebtedness outstanding at that time or otherwise affect Nordstrom's capital structure or credit rating. Reference is made to the prospectus supplement relating to the particular series of debt securities being offered for information with respect to any deletions from, modifications or additions to the events of default described below or covenants of Nordstrom contained in the Indenture, including any addition of a covenant or other provisions providing event risk or similar protection.

Conversion and Exchange

The terms, if any, on which the debt securities of any series are convertible into or exchangeable for property or cash, or a combination of the foregoing, will be set forth in the prospectus supplement covering the debt securities.

Global Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global debt securities (each a "Global Security") that will be deposited with, or on behalf of, a depositary identified in the prospectus supplement relating to that particular series.

The specific terms of a depositary arrangement with respect to a series of debt securities will be described in the prospectus supplement relating to that particular series. Nordstrom anticipates that the following provisions will apply to all depositary arrangements.

Upon the issuance of a Global Security, the depositary for the Global Security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the debt securities represented by the Global Security. These accounts shall be designated by the underwriters or agents with respect to such debt securities or by Nordstrom if the debt securities are offered and sold directly by Nordstrom. Ownership of beneficial interests in a Global Security will be limited to persons that may hold interests through participants. Ownership of beneficial interests in such a Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the depositary or its nominee (with respect to interests of participants) for such Global Security and on the records of participants (with respect to interests of persons other than participants). The laws of some states require that some purchasers of securities take physical delivery of such securities in definitive form. These limits and laws may impair the ability to transfer beneficial interests in a Global Security.

Table of Contents

So long as the depositary for a Global Security, or its nominee, is the registered owner of the Global Security, such depositary or such nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by the Global Security for all purposes under the Indenture governing these debt securities. Except as provided below, owners of beneficial interests in a Global Security will not be entitled to have debt securities of the series represented by the Global Security registered in their names, will not receive or be entitled to receive physical delivery of debt securities of a series in definitive form and will not be considered the owners or holders of the debt securities under the Indenture.

Principal of, any premium and interest on, and any additional amounts with respect to debt securities registered in the name of a depositary or its nominee will be made to the depositary or its nominee, as the case may be, as the registered owner of the Global Security representing the debt securities. Neither Nordstrom, the Trustee, the paying agent nor the security registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the Global Security for the debt securities or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

Nordstrom expects that the depositary for a series of debt securities or its nominee, upon receipt of any payment of principal of, premium, if any, or interest on, or additional amounts with respect to debt securities, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interest in the principal amount of the Global Security for the debt securities as shown on the records of the depositary or its nominee. Nordstrom also expects that payments by participants to owners of beneficial interests in the Global Security held through the participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in "street name," and will be the responsibility of the participants.

The Indenture provides that if (1) the depositary for a series of debt securities notifies Nordstrom that it is unwilling or unable to continue as depositary or if the depositary ceases to be eligible under the Indenture and a successor depositary is not appointed by Nordstrom within 90 days of written notice, (2) Nordstrom determines that the debt securities of a particular series shall no longer be represented by Global Securities and executes and delivers to the Trustee a company order to that effect or (3) an event of default with respect to a series of debt securities shall have occurred and be continuing, the Global Securities will be exchanged for debt securities of a series in definitive form of like tenor and of an equal aggregate principal amount, in authorized denominations. The definitive debt securities shall be registered in such name or names as the depositary shall instruct the Trustee. (Section 3.5) It is expected that these instructions may be based upon directions received by the depositary from participants with respect to ownership of beneficial interests in Global Securities.

Limitation on Liens

Under the Indenture, Nordstrom covenants that, so long as any debt securities are outstanding, it will not, and will not permit any Restricted Subsidiary (as defined below) to create, incur, issue, assume or guarantee any indebtedness for money borrowed ("Debt") secured by a Mortgage (as defined below) upon any Operating Property (as defined below), or upon shares of capital stock or Debt issued by any Restricted Subsidiary and owned by Nordstrom or any Restricted Subsidiary, whether owned at the date of the Indenture or thereafter acquired, without effectively providing concurrently that the outstanding debt securities (together with, if Nordstrom shall so determine, any other Debt of Nordstrom or the Restricted Subsidiary then existing or thereafter created which is not subordinate to the debt securities) are secured equally and ratably with or, at the option of Nordstrom, prior to the Debt so long as the Debt shall be so secured. (Section 10.5)

Table of Contents

The foregoing restrictions shall not apply to, and shall be excluded from Debt in any computation under the foregoing restrictions, Debt secured by (1) Mortgages on any property existing at the time of the acquisition thereof; (2) Mortgages on property of a corporation existing at the time the corporation is merged into or consolidated with Nordstrom or a Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties of the corporation (or a division of the corporation) as an entirety or substantially as an entirety to Nordstrom or a Restricted Subsidiary, *provided* that the Mortgage does not extend to any property owned by Nordstrom or any Restricted Subsidiary immediately prior to a merger, consolidation, sale, lease or disposition; (3) Mortgages on property of a corporation existing at the time the corporation becomes a Restricted Subsidiary; (4) Mortgages in favor of Nordstrom or a Restricted Subsidiary; (5) Mortgages to secure all or part of the cost of acquisition, construction, development or improvement of the underlying property, or to secure Debt incurred to provide funds for any of these purposes, *provided* that the commitment of the creditor to extend the credit secured by the Mortgage shall have been obtained not later than 365 days after the later of (a) the completion of the acquisition, construction, development or improvement of the property, or (b) the placing in operation of the property; (6) Mortgages in favor of the United States of America or any State, or any department, agency or instrumentality or political subdivision of the United States of America or any State, to secure partial, progress, advance or other payments; and (7) Mortgages existing on the date of the Indenture or any extension, renewal, replacement or refunding of any Debt secured by a Mortgage existing on the date of the Indenture or referred to in clauses (1) to (3) or (5), *provided* that the principal amount of the Debt secured by the Mortgage and not otherwise authorized by clauses (1) to (3) or (5) shall not exceed the principal amount of Debt, plus any premium or fee payable in connection with any extension, renewal, replacement or refunding, so secured at the time of extension, renewal, replacement or refunding. (Section 10.5)

Notwithstanding the restrictions described above, Nordstrom and its Restricted Subsidiaries may create, incur, issue, assume or guarantee Debt secured by Mortgages without equally and ratably securing the debt securities if, at the time of the creation, incurrence, issuance, assumption or guarantee of the Debt secured by the Mortgages, after giving effect thereto and to the retirement of the Debt which is concurrently being retired, the aggregate amount of all outstanding Debt secured by Mortgages which would otherwise be subject to these restrictions (other than any Debt secured by Mortgages permitted as described in clauses (1) through (7) of the immediately preceding paragraph, together with all Attributable Debt (as defined below) with respect to Sale and Leaseback Transactions (as defined below) other than certain Sale and Leaseback Transactions that are permitted under paragraph (b) under the caption "Limitation on Sale and Leaseback" below) does not exceed the greater of (a) 15% of Consolidated Net Assets (as defined below) and (b) \$150 million. (Section 10.5)

"Consolidated Net Assets" means the aggregate amount of assets (less applicable reserves and other properly deductible items) after deducting therefrom (1) all current liabilities (excluding any indebtedness for money borrowed having a maturity of less than 12 months from the date of the most recent consolidated balance sheet of Nordstrom but which by its terms is renewable or extendable beyond 12 months from such date at the option of the borrower), and (2) all investments in Subsidiaries other than Restricted Subsidiaries, all as set forth on the most recent consolidated balance sheet of Nordstrom and computed in accordance with generally accepted accounting principles.

"Mortgage" means, with respect to any property or assets, any mortgage, or deed of trust, pledge, hypothecation, assignment, security interest, lien, encumbrance, or other security arrangement of any kind or nature whatsoever on or with respect to such property or assets (including any conditional sale or other title retention agreement having substantially the same economic effect as any of the foregoing).

"Operating Property" means any real property or equipment located within the United States and owned by, or leased to, Nordstrom or any of its Subsidiaries that has a net book value (after deduction of accumulated depreciation) in excess of 1.0% of Consolidated Net Assets.

Table of Contents

"Restricted Subsidiary" means any Subsidiary of Nordstrom that owns any Operating Property.

"Subsidiary" means any corporation of which at least a majority of the outstanding stock having by the terms thereof ordinary voting power to elect a majority of the directors, managers or trustees of such corporation, irrespective of whether or not at the time stock of any other class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency, is at the time, directly or indirectly, owned or controlled by Nordstrom or by one or more Subsidiaries thereof, or by Nordstrom and one or more Subsidiaries thereof. (Section 1.1)

Limitation on Sale and Leaseback

(a) Under the Indenture, Nordstrom covenants that, it will not, and will not permit any Restricted Subsidiary to, enter into any arrangement with any person providing for the leasing by Nordstrom or any Restricted Subsidiary of any Operating Property that has been or is to be sold or transferred by Nordstrom or such Restricted Subsidiary to such person with the intention of taking back a lease of such property (a "Sale and Leaseback Transaction"), without equally and ratably securing the debt securities (and, if Nordstrom shall so determine, any other Debt ranking equally with the debt securities), unless the terms of such sale or transfer have been determined by the board of directors to be fair and arm's-length and either:

within 180 days after the receipt of the proceeds of the sale or transfer, Nordstrom or any Restricted Subsidiary applies an amount equal to the greater of the net proceeds of the sale or transfer or the fair value of such Operating Property at the time of such sale or transfer to the prepayment or retirement (other than any mandatory prepayment or retirement) of Senior Funded Debt (as defined below); or

Nordstrom or such Restricted Subsidiary would be entitled, at the effective date of the sale or transfer, to incur Debt secured by a Mortgage on such Operating Property, in an amount at least equal to the Attributable Debt (as defined below) in respect of the Sale and Leaseback Transaction, without equally and ratably securing the debt securities pursuant to the covenant described under " Limitation on Liens" above. (Section 10.6)

(b) The foregoing restriction in paragraph (a) above will not apply to any Sale and Leaseback Transaction (i) for a term of not more than three years including renewals; or (ii) between Nordstrom and a Restricted Subsidiary or between Restricted Subsidiaries, *provided* that the lessor shall be Nordstrom or a wholly owned Restricted Subsidiary. (Section 10.6)

"Attributable Debt" in respect of a Sale and Leaseback Transaction means, at the time of determination, the present value (discounted at the imputed rate of interest of such transaction determined in accordance with generally accepted accounting principles) of the obligation of the lessee for net rental payments during the remaining term of the lease included in such Sale and Leaseback Transaction (including any period for which such lease has been extended or may, at the option of the lessor, be extended).

"Funded Debt" means Debt which matures more than one year from the date of creation, or which is extendable or renewable at the sole option of the obligor so that it may become payable more than one year from such date or which is classified, in accordance with U.S. generally accepted accounting principles, as long-term debt on the consolidated balance sheet for the most-recently ended fiscal quarter (or if incurred subsequent to the date of such balance sheet, would have been so classified) of the person for which the determination is being made. Funded Debt does not include (1) obligations created pursuant to leases, (2) any Debt or portion thereof maturing by its terms within one year from the time of any computation of the amount of outstanding Funded Debt unless such debt shall be extendable or renewable at the sole option of the obligor in such manner that it may become payable

Table of Contents

more than one year from such time, or (3) any Debt for the payment or redemption of which money in the necessary amount shall have been deposited in trust either at or before the maturity date thereof.

"Senior Funded Debt" means all Funded Debt of Nordstrom or any person (except Funded Debt, the payment of which is subordinated to the payment of the debt securities). (Section 1.1)

Consolidation, Amalgamation, Merger and Sale of Assets

The Indenture provides that Nordstrom may not (1) consolidate or amalgamate with or merge into any Person or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to any Person, or (2) permit any Person to consolidate or amalgamate with or merge into Nordstrom, or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to Nordstrom, unless (a) in the case of (1) above, the Person is organized and existing under the laws of the United States of America, any State or the District of Columbia, and shall expressly assume, by supplemental indenture satisfactory in form to the Trustee, the due and punctual payment of the principal of and premium, if any, interest on, and additional amounts, if any, all of the issued debt securities, and the performance of Nordstrom's obligations under the Indenture and the debt securities issued; (b) immediately after giving effect to the transaction and treating any indebtedness which becomes an obligation of Nordstrom or a Subsidiary as a result of the transaction as having been incurred by Nordstrom or such Subsidiary at the time of the transaction, no event of default, and no event which after notice or lapse of time or both would become an event of default, shall have happened and be continuing; and (c) a number of other conditions are met.

Events of Default

Each of the following events will constitute an event of default under the Indenture with respect to any series of debt securities issued (whatever the reason for an event of default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body): (1) default in the payment of any interest on any debt security of the series, or any additional amounts payable, when interest becomes or additional amounts become due and payable, and continuance of default for a period of 30 days; (2) default in the payment of the principal of or any premium on any debt security of the series, or any additional amounts payable, when principal or premium becomes or additional amounts become due and payable either at maturity, upon any redemption, by declaration of acceleration or otherwise; (3) default in the deposit of any sinking fund payment, when and as due by the terms of any debt security of the series; (4) default in the performance, or breach, of any covenant or warranty of Nordstrom contained in the Indenture for the benefit of the series or in the debt securities of the series, and the continuance of default or breach for a period of 60 days after there has been given written notice as provided in the Indenture; (5) if any event of default as defined in any mortgage, indenture or instrument under which there may be issued, or by which there may be secured or evidenced, any Debt of Nordstrom (including any event of default under any other series of debt securities), whether such Debt now exists or shall hereafter be created or incurred, shall happen and shall consist of default in the payment of more than \$100 million in principal amount of such Debt at the maturity thereof (after giving effect to any applicable grace period) or shall result in such Debt in principal amount in excess of \$100 million becoming or being declared due and payable prior to the date on which it would otherwise become due and payable; (6) Nordstrom shall fail within 60 days to pay, bond or otherwise discharge any uninsured judgment or court order for the payment of money in excess of \$100 million, which is not stayed on appeal or is not otherwise being appropriately contested in good faith; (7) particular events in bankruptcy, insolvency or reorganization of Nordstrom; and (8) any other event of default provided in or pursuant to the Indenture with respect to debt securities of the series. (Section 5.1)

Table of Contents

If an event of default with respect to the debt securities of any series (other than an event of default described in (7) of the preceding paragraph) occurs and is continuing, either the Trustee or the holders of at least 25% in principal amount of the outstanding debt securities of the series by written notice as provided in the Indenture may declare the principal amount (or a lesser amount as may be provided for in the debt securities of the series) of all outstanding debt securities of the series to be due and payable immediately. At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of money has been obtained by the Trustee, and subject to applicable law and particular other provisions of the Indenture, the holders of not less than a majority in aggregate principal amount of the debt securities may, under some circumstances, rescind and annul acceleration. An event of default described in (7) of the immediately preceding paragraph shall cause the principal amount and accrued interest (or a lesser amount as provided for in the debt securities of the series) to become immediately due and payable without any declaration or other act by the Trustee or any holder. (Section 5.2)

The Indenture provides that, within 90 days after the occurrence of any event which is, or after notice or lapse of time or both would become, an event of default with respect to the debt securities of any series (a "default"), the Trustee shall transmit, in the manner set forth in the Indenture, notice of default to the holders of the debt securities of the series unless the default has been cured or waived; *provided, however*, that except in the case of a default in the payment of principal of, or premium, if any, or interest, if any, on, or additional amounts or any sinking fund or purchase fund installment with respect to, any debt security of the series, the Trustee may withhold notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or responsible officers of the Trustee in good faith determine that the withholding of the notice is in the best interest of the holders of debt securities of the series; *provided, further*, that in the case of any default of the character specified in clause (4) of the first paragraph above, with respect to debt securities of such series, no such notice to holders will be given until at least 60 days after the occurrence thereof. (Section 6.2)

If an event of default occurs and is continuing with respect to the debt securities of any series, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the holders of debt securities of the series by all appropriate judicial proceedings. (Section 5.3) The Indenture provides that, subject to the duty of the Trustee during any default to act with the required standard of care, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the written request or direction of the holders of the debt securities, unless the holders shall have offered to the Trustee indemnity reasonably satisfactory to it. (Section 6.1) Subject to the provisions for the indemnification of the Trustee, and subject to applicable law and particular other provisions of the Indenture, the holders of a majority in aggregate principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the debt securities of the series. (Section 5.12)

Modification and Waiver

The Indenture may be modified or amended by Nordstrom and the Trustee with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each series affected by the modification or amendment; *provided, however*, that no modification or amendment may, without the consent of the holder of each outstanding debt security affected by the modification or amendment, (a) change the stated maturity of the principal of, or any premium or installment of interest on, or any additional amounts with respect to, any debt security, (b) reduce the principal amount of, or the rate (or modify the calculation of the rate) of interest on, or any additional amounts with respect to, or any premium payable upon the redemption of any debt security, (c) change the obligation of Nordstrom to pay additional amounts with respect to any debt security or reduce the amount of the principal of an original issue discount security that would be due and payable upon a

declaration of acceleration of the maturity or the amount provable in bankruptcy, (d) change the redemption provisions of any debt security or adversely affect the right of repayment at the option of any holder of any debt security, (e) change the place of payment or the coin or currency in which the principal of, any premium or interest on or any additional amounts with respect to any debt security is payable, (f) impair the right to institute suit for the enforcement of any payment on or after the stated maturity of any debt security (or, in the case of redemption, on or after the redemption date or, in the case of repayment at the option of any holder, on or after the date for repayment), (g) reduce the percentage in principal amount of the outstanding debt securities, the consent of whose holders is required in order to take some actions, (h) reduce the requirements for quorum or voting by holders of debt securities in Section 15.4 of the Indenture, (i) modify any of the provisions in the Indenture regarding the waiver of past defaults and the waiver of some covenants by the holders of debt securities except to increase any percentage vote required or to provide that some other provisions of the Indenture cannot be modified or waived without the consent of the holder of each debt security affected, (j) make any change that adversely affects the right to convert or exchange any debt security into or for shares of common stock of Nordstrom or other debt securities in accordance with its terms, or (k) modify any of the above provisions. (Section 9.2)

The holders of at least a majority in aggregate principal amount of the debt securities of any series may, on behalf of the holders of all debt securities of the series, waive compliance by Nordstrom with a number of restrictive provisions of the Indenture. (Section 10.8) The holders of not less than a majority in aggregate principal amount of the outstanding debt securities of any series may, on behalf of the holders of all debt securities of the series, waive any past default and its consequences under the Indenture with respect to the debt securities of the series, except a default (a) in the payment of principal of (or premium, if any), any interest on or any additional amounts with respect to debt securities of the series or (b) in respect of a covenant or provision of the Indenture that cannot be modified or amended without the consent of the holder of each debt security of any series. (Section 5.13)

Under the Indenture, Nordstrom is required annually to furnish to the Trustee a statement as to performance by Nordstrom of some of its obligations under the Indenture and as to any default in such performance. Nordstrom is also required to deliver to the Trustee a written notice within five days following any event of default or any event which after notice or lapse of time or both would constitute an event of default. (Section 10.9)

Discharge, Defeasance and Covenant Defeasance

Nordstrom may discharge some obligations to holders of any series of debt securities that have not already been delivered to the Trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by depositing with the Trustee, in trust, funds in U.S. dollars or in the foreign currency in which the debt securities are payable in an amount sufficient to pay the entire indebtedness on the debt securities with respect to principal (and premium, if any) and interest to the date of deposit (if the debt securities have become due and payable) or to the maturity, as the case may be. (Section 4.1)

The Indenture provides that, unless the provisions of Section 4.2 of the Indenture are made inapplicable to the debt securities of or within any series pursuant to Section 3.1 of the Indenture, Nordstrom may elect either (a) to defease and be discharged from any and all obligations with respect to the debt securities (except for, among other things, the obligation to pay additional amounts, if any, upon the occurrence of particular events of taxation, assessment or governmental charge with respect to payments on the debt securities and other obligations to register the transfer or exchange of the debt securities, to replace temporary or mutilated, destroyed, lost or stolen debt securities, to maintain an office or agency with respect to the debt securities and to hold moneys for payment in trust) ("defeasance") or (b) to be released from its obligations with respect to the debt securities under

Table of Contents

certain covenants as described in the applicable prospectus supplement, and any omission to comply with these obligations shall not constitute a default or an event of default with respect to the debt securities ("covenant defeasance"). Defeasance or covenant defeasance, as the case may be, shall be conditioned upon the irrevocable deposit by Nordstrom with the Trustee, in trust, of an amount in U.S. dollars or in the foreign currency in which the debt securities are payable at stated maturity, or Government Obligations (as defined below), or both, applicable to the debt securities which through the scheduled payment of principal and interest in accordance with their terms will provide money in an amount sufficient, in the opinion of an independent firm of certified public accountants, to pay the principal of (and premium, if any) and interest on the debt securities on the scheduled due dates. (Section 4.2)

Such a trust may only be established if, among other things, (1) the applicable defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, the Indenture or any other material agreement or instrument to which Nordstrom is a party or by which it is bound, (2) no event of default or event which with notice or lapse of time or both would become an event of default with respect to the debt securities to be defeased shall have occurred and be continuing on the date of establishment of the trust and, with respect to defeasance only, at any time during the period ending on the 123rd day after such date and (3) Nordstrom has delivered to the Trustee an Opinion of Counsel (as specified in the Indenture) to the effect that the holders of the debt securities will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred, and such Opinion of Counsel, in the case of defeasance, must refer to and be based upon a letter ruling of the Internal Revenue Service received by Nordstrom, a Revenue Ruling published by the Internal Revenue Service or a change in applicable U.S. Federal income tax law occurring after the date of the Indenture. (Section 4.2)

"Foreign Currency" means any currency, currency unit or composite currency, including, without limitation, the Euro, issued by the government of one or more countries other than the United States of America or by any recognized confederation or association of such governments. (Section 1.1)

"Government Obligations" means securities which are (1) direct obligations of the United States of America or the government or the governments in the confederation which issued the Foreign Currency in which the debt securities of a particular series are payable, for the payment of which its full faith and credit is pledged, or (2) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America or the government or governments which issued the Foreign Currency in which the debt securities of such series are payable, the timely payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America or other government or governments, which, in the case of clauses (1) and (2), are not callable or redeemable at the option of the issuer or issuers, and shall also include a depositary receipt issued by a bank or trust company as custodian with respect to any Government Obligation or a specific payment of interest on or principal of or any other amount with respect to any Government Obligation held by the custodian for the account of the holder of the depositary receipt, *provided* that (except as required by law) the custodian is not authorized to make any deduction from the amount payable to the holder of the depositary receipt from any amount received by the custodian with respect to the Government Obligation or the specific payment of interest on or principal of or any other amount with respect to the Government Obligation evidenced by the depositary receipt. (Section 1.1)

If after Nordstrom has deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to debt securities of any series, (a) the holder of a debt security of the series is entitled to, and does, elect pursuant to Section 3.1 of the Indenture or the terms of the debt security to receive payment in a currency other than that in which the deposit has been made in respect of the debt security, or (b) a Conversion Event (as defined below) occurs in respect of the

Table of Contents

Foreign Currency in which the deposit has been made, the indebtedness represented by the debt security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest, if any, on the debt security as the debt security becomes due out of the proceeds yielded by converting the amount or other properties so deposited in respect of the debt security into the currency in which the debt security becomes payable as a result of such election or such Conversion Event based on (x) in the case of payments made pursuant to clause (a) above, the applicable market exchange rate for the currency in effect on the second business day prior to the payment date, or (y) with respect to a Conversion Event, the applicable market exchange rate for the Foreign Currency in effect (as nearly as feasible) at the time of the Conversion Event. (Section 4.2)

"Conversion Event" means the cessation of use of (1) a Foreign Currency both by the government of the country or the confederation which issued the Foreign Currency and for the settlement of transactions by a central bank or other public institutions of or within the international banking community or (2) any currency unit or composite currency for the purposes for which it was established. (Section 1.1)

In the event that Nordstrom effects covenant defeasance with respect to any debt securities and the debt securities are declared due and payable because of the occurrence of any event of default other than an event of default with respect to any covenant as to which there has been covenant defeasance, the amount in the Foreign Currency in which the debt securities are payable, and Government Obligations on deposit with the Trustee, will be sufficient to pay amounts due on the debt securities at the time of the stated maturity but may not be sufficient to pay amounts due on the debt securities at the time of the acceleration resulting from the event of default. However, Nordstrom would remain liable to make payment of the amounts due at the time of acceleration.

Governing Law

The Indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made or instruments entered into and, in each case performed in, said state. (Section 1.13)

Relationship with the Trustee

The Trustee under the Indenture, Wells Fargo Bank, National Association, also acts as trustee in connection with one other Nordstrom indenture. This indenture is dated March 11, 1998 relating to \$300,000,000 6.95% Senior Debentures due March 15, 2028. In addition, the Trustee is also the trustee under two indentures covering medium-term notes of Nordstrom Credit, Inc., a subsidiary of Nordstrom. In addition, one of our directors, Mr. Enrique Hernandez, Jr., is also a director of Wells Fargo & Company, an affiliate of the Trustee.

PLAN OF DISTRIBUTION

Nordstrom may sell offered securities in any one or more of the following ways from time to time: (1) to or through underwriters; (2) through dealers; (3) through agents, or (4) directly to purchasers. The prospectus supplement with respect to the offered securities will set forth the terms of the offering of the offered securities, including the name or names of any underwriters, dealers or agents; the purchase price of the offered securities and the proceeds to Nordstrom from such sale; any underwriting discounts and commissions or agency fees and other items constituting underwriters' or agents' compensation; any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers and any securities exchange on which the offered securities may be listed. Any initial public offering price, discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

Table of Contents

The distribution of the offered securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to the prevailing market prices or at negotiated prices.

If offered securities are sold by means of an underwritten offering, Nordstrom will execute an underwriting agreement with an underwriter or underwriters at the time an agreement for the sale of the offered securities is reached, and the names of the specific managing underwriter or underwriters, as well as any other underwriters, and the terms of the transaction, including commissions, discounts and any other compensation of the underwriters and dealers, if any, will be set forth in the prospectus supplement which will be used by the underwriters to make resales of the offered securities in respect of which this prospectus is delivered to the public. If underwriters are utilized in the sale of the offered securities in respect of which this prospectus is delivered, the offered securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at fixed public offering prices or at varying prices determined by the underwriter at the time of sale. Offered securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by the managing underwriters. If any underwriter or underwriters are utilized in the sale of the offered securities, unless otherwise indicated in the prospectus supplement, the underwriting agreement will provide that the obligations of the underwriters are subject to some conditions precedent and that the underwriters with respect to a sale of offered securities will be obligated to purchase all offered securities of a series if any are purchased.

Nordstrom may grant to the underwriters options to purchase additional offered securities, to cover over-allotments, if any, at the public offering price (with additional underwriting discounts or commissions), as may be set forth in the prospectus supplement relating to the offered securities. If Nordstrom grants any over-allotment option, the terms of the over-allotment option will be set forth in the prospectus supplement relating to the offered securities.

If a dealer is utilized in the sales of offered securities in respect of which this prospectus is delivered, Nordstrom will sell the offered securities to the dealer as principal. The dealer may then resell the offered securities to the public at varying prices to be determined by the dealer at the time of resale. Any dealer reselling the offered securities to the public may be deemed to be an underwriter, as that term is defined in the Securities Act of 1933, as amended (the "Securities Act") of the offered securities so offered and sold. The name of the dealer and the terms of the transaction will be set forth in the prospectus supplement relating to the offered securities.

Offers to purchase offered securities may be solicited by agents designated by Nordstrom from time to time. Any agent involved in the offer or sale of the offered securities in respect of which this prospectus is delivered will be named, and any commissions payable by Nordstrom to the agent will be set forth, in the applicable prospectus supplement. Unless otherwise indicated in the prospectus supplement, any agent will be acting on a reasonable best efforts basis for the period of its appointment. Any agent may be deemed to be an underwriter, as that term is defined in the Securities Act, of the offered securities so offered and sold.

Offers to purchase offered securities may be solicited directly by Nordstrom and the sale of the offered securities may be made by Nordstrom directly to institutional investors or others, who may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of the offered securities. The terms of any sales of the offered securities will be described in the prospectus supplement relating to those sales.

Underwriters, dealers and agents may be entitled under relevant agreements entered into with Nordstrom to indemnification by Nordstrom against some civil liabilities, including liabilities under the Securities Act that may arise from any untrue statement or alleged untrue statement of a material fact or any omission or alleged omission to state a material fact in this prospectus, any supplement or

Table of Contents

amendment to this prospectus, or in the registration statement of which this prospectus forms a part, or to contribution with respect to payments which the agents, underwriters or dealers may be required to make.

If so indicated in the prospectus supplement, Nordstrom will authorize underwriters or other persons acting as Nordstrom's agents to solicit offers by some institutions to purchase offered securities from Nordstrom pursuant to contracts providing for payments and delivery on a future date. Institutions with which these contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases these institutions must be approved by Nordstrom. The obligations of any purchaser under any contract will be subject to the condition that the purchase of the offered securities shall not at the time of delivery be prohibited under the laws of the jurisdiction to which the purchaser is subject. The underwriters and other agents will not have responsibility in respect of the validity or performance of the contracts.

Each series of offered securities will be a new issue and will not have an established trading market. Nordstrom may elect to list any series of offered securities on an exchange but, unless specified in the applicable prospectus supplement, Nordstrom shall not be obligated to do so. No assurance can be given as to the liquidity of the trading market for and of the offered securities.

Item 15. *Indemnification of Directors and Officers*

Sections 23B.08.500 through 23B.08.600 of the Washington Business Corporation Act authorize a court to award, or a corporation's board of directors to grant, indemnification to directors and officers on terms sufficiently broad to permit indemnification under certain circumstances for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"). Section 23B.08.320 of the Washington Business Corporation Act authorizes a corporation to limit a director's liability to the corporation or its shareholders for monetary damages for acts or omissions as a director, except in certain circumstances involving intentional misconduct, self-dealing or illegal corporate loans or distributions, or in any transactions from which the director personally receives a benefit in money, property or services to which the director is not legally entitled.

Article IX of the Amended and Restated Articles of Incorporation of the Company eliminates any personal liability of a director to the Company or its shareholders for monetary damages for conduct as a director, except for any liability for acts or omissions that involved intentional misconduct by a director or a knowing violation of law by a director, for conduct violating RCW 23B.08.310, for any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled, or for any act or omission occurring prior to the date when Article IX of the Amended and Restated Articles of Incorporation became effective. If the Washington Business Corporation Act is subsequently amended to change in a manner affecting the Company's power to eliminate or limit the liability of a director the Company, then, upon the effective date of the amendment and without further act: (i) if the amendment permits further elimination or limitation of liability, the liability of a director shall be additionally eliminated and limited to such further extent, or (ii) if the amendment changes the power to eliminate the liability of a director in any other respect, the liability of a director shall be eliminated and limited with respect to acts or omissions occurring after the effective date of the amendment to the fullest extent permitted by the Washington Business Corporation Act as so amended. Article IX of the Company's Amended and Restated Articles of Incorporation also contains a provision that no amendment or repeal of the Amended and Restated Articles of Incorporation of the Company shall adversely affect any right or any elimination or limitation of liability of a director existing immediately prior to the amendment or repeal.

Article XI of the Company's Bylaws provides for, among other things, the indemnification by the Company of its directors and officers and the advancement of expenses. The Company's Bylaws also permit the purchase and maintenance of insurance, the creation of trust funds, the grant of security interests and the use of other means to secure the Company's indemnification obligations. The Company has also entered into certain indemnification agreements with its directors, the form of which is attached as Exhibit 10.1 to its Current Report on Form 8-K filed with the Commission on March 3, 2009. The indemnification agreements provide the Company's directors with indemnification to the fullest extent permitted by law.

Officers and directors of the Company are covered by insurance (with certain exceptions and limitations) that indemnifies them against certain losses and liabilities, including liabilities under the Securities Act. The effect of this insurance is to indemnify any officer or director of the Company against liability and expenses incurred by such officer or director upon a determination that such person acted in good faith.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) above do not apply if the registration statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of 314 securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted for directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act (the "Act") in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Act.
