VERITIV CORPORATION
PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 25, 2017

Veritiv Corporation (the "Company," "Veritiv," "we," "us" or "our") is furnishing this document to you in connection with the solicitation by the Board of Directors of the Company (the "Board") of the enclosed form of proxy for the Company's 2017 annual meeting of stockholders.

The Company pays for the preparation and mailing of the Notice of Annual Meeting and this proxy statement, and the Company has also made arrangements with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of this proxy statement and other annual meeting materials to the beneficial owners of shares of its common stock at the Company's expense. This proxy statement is dated April 13, 2017 and is first being mailed to the Company's stockholders on or about April 13, 2017.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these proxy materials?

These materials are being provided to you because the Board is soliciting your proxy to vote at the annual meeting, and at any postponements or adjournments of the annual meeting. This proxy statement describes the matters on which you, as a stockholder, are entitled to vote. It also provides information that is intended to assist you in making an informed vote on the proposals described in this proxy statement.

What is a proxy?

A proxy is your legal designation of another person to vote the shares you own at the annual meeting. By completing and submitting a proxy card, which identifies the persons authorized to act as your proxy, you are giving each of those persons authority to vote your shares as you have instructed. By voting via proxy, each stockholder is able to cast his or her vote without having to attend the annual meeting in person.

Why did I receive more than one proxy card?

You will receive multiple proxy cards if you hold your shares in different ways (e.g., trusts, custodial accounts, joint tenancy) or in multiple accounts. If your shares are held by a broker, bank, trustee or other nominee (i.e., in "street name"), you will receive your proxy card and other voting information from your broker, bank, trustee or other nominee. It is important that you complete, sign, date and return each proxy card you receive, or vote using the Internet or by telephone as described in the instructions included with your proxy card(s) or in the Notice of Internet Availability of Proxy Materials.

Why didn't I receive paper copies of the proxy materials?

The Company is furnishing proxy materials to our stockholders via the Internet instead of mailing printed copies of those materials to all of our stockholders, as permitted by rules adopted by the U.S. Securities and Exchange Commission (the "SEC"). This option allows the Company to provide our stockholders with information they need, while reducing our use of natural resources, and cutting back on potentially unwanted materials in our stockholders' mailboxes.

If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one in accordance with the instructions provided

Table of Contents

in the notice. The Notice of Internet Availability of Proxy Materials provides instructions on how you may access and review the proxy materials on the Internet.

What is the record date and what does it mean?

The Board established March 27, 2017 as the record date for the annual meeting. Stockholders who own shares of the Company's common stock at the close of business on the record date are entitled to notice of and to vote at the annual meeting or any postponements or adjournments of the annual meeting.

How many shares are entitled to vote at the annual meeting?

As of the close of business on the record date, there were 15,690,745 shares of our common stock outstanding and entitled to vote at the annual meeting. Each share of common stock is entitled to one vote on each proposal to properly come before the meeting.

What is the difference between a "stockholder of record" and a "beneficial owner"?

Most of our stockholders hold their shares beneficially through a broker, bank, trustee or other nominee rather than of record directly in their own name with Computershare Inc., our transfer agent. As summarized below, there are some differences in the way to vote shares held of record and those owned beneficially.

If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record of those shares, and proxy materials are being sent directly to you. As a stockholder of record, you have the right to grant your voting proxy directly to the persons named as proxy holders or to vote in person at the annual meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares held in "street name," and proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your broker or nominee on how to vote and you are also invited to attend the annual meeting. However, because you are not the stockholder of record, you may not vote those shares in person at the annual meeting unless you have a proxy, executed in your favor, from the holder of record of your shares. Your broker or nominee has enclosed a voting instruction card for you to use in directing your broker or nominee as to how to vote your shares. We strongly encourage you to instruct your broker or nominee how you wish to vote.

How many votes must be present to hold the annual meeting?

We must have a "quorum" to conduct the annual meeting. A quorum is one-third of the outstanding shares of common stock entitled to vote at the meeting, present in person or by proxy. Properly signed proxies that are marked "abstain" are known as "abstentions." Shares that are held in street name and not voted on one or more of the items before the annual meeting, but are otherwise voted on at least one item, are known as "broker non-votes." Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Abstentions are also counted as shares represented and entitled to be voted. Broker non-votes, however, are not counted as shares entitled to be voted with respect to the matter on which the broker has expressly not voted.

Who will count the votes?

A representative from Computershare Inc. will determine if a quorum is present, tabulate the votes and serve as the Company's inspector of election at the annual meeting.

Table of Contents

What vote is required to approve each proposal?

Proposal 1: Election of directors. In order to be elected, a director nominee must receive the affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote and represented in person or by proxy at the annual meeting. Stockholders do not have a right to cumulate their votes for the election of directors. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the same effect as a vote against Proposal 1. Broker non-votes will not be counted as represented and entitled to vote and will therefore have no impact on the election of director nominees.

Proposal 2: Ratification of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2017. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to ratify the appointment of our independent registered public accounting firm for 2017. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the same effect as a vote against Proposal 2.

Proposal 3: Advisory vote on executive compensation. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to approve, on an advisory basis, the Company's executive compensation. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the effect of a vote against Proposal 3. Broker non-votes will not be counted as represented and entitled to vote on the proposal and will therefore have no effect on the outcome of the proposal.

Proposal 4: Vote on the Amended and Restated Veritiv Corporation 2014 Omnibus Incentive Plan. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to approve the Veritiv Corporation 2014 Omnibus Incentive Plan, as amended and restated to increase the number of shares available for issuance under the plan and to modify the performance goals that may be used to grant awards that are intended to qualify as performance-based compensation. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the effect of a vote against Proposal 4. Broker non-votes will not be counted as represented and entitled to vote on the proposal and will therefore have no effect on the outcome of the proposal.

Proposal 5: Vote on the Amended and Restated Veritiv Corporation 2015 Annual Incentive Plan. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to approve the Veritiv Corporation 2015 Annual Incentive Plan, as amended and restated to modify the performance goals that may be used to grant awards that are intended to qualify as performance-based compensation. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the effect of a vote against Proposal 5. Broker non-votes will not be counted as represented and entitled to vote on the proposal and will therefore have no effect on the outcome of the proposal.

Any other matter that properly comes before the meeting will require the approval of the affirmative vote of the holders of a majority of the shares having voting power represented in person or by proxy at the annual meeting.

How do I vote my shares?

You can vote your shares in one of the following manners:

by using the Internet;

Table of Contents

by telephone;

by completing, signing, dating and returning the enclosed proxy card(s), if you received your proxy materials by mail; or

by attending the annual meeting and voting.

If you are a stockholder of record, please refer to the specific instructions set forth in the Notice of Internet Availability of Proxy Materials or, if you received your proxy materials by mail, on the proxy card(s).

If you are a beneficial owner of shares held in street name, your broker, bank, trustee or other nominee will provide you with instructions for voting your shares.

Can I change my vote after I vote by mail, by telephone or using the Internet?

Yes, if you are a stockholder of record, you can change your vote in any one of the following ways:

send a written notice to the Corporate Secretary of the Company at 1000 Abernathy Road NE, Building 400, Suite 1700, Atlanta, Georgia 30328 stating that you revoke your proxy, so long as it is received prior to the annual meeting;

if you received your proxy materials by mail, sign and mail a proxy card bearing a later date, so long as it is received prior to the annual meeting;

vote again by using the Internet or by telephone; or

attend the annual meeting and vote in person.

Your mere presence at the annual meeting will not revoke your proxy. You must take affirmative action in order to revoke your proxy.

If your shares are held in street name, you must contact your broker, bank, trustee or other nominee in order to revoke your proxy.

How will my proxy be voted?

If you are a stockholder of record and you complete, sign, date and return your proxy card(s), or vote by using the Internet or by telephone, your proxy will be voted in accordance with your instructions. If you sign and date your proxy card(s), but do not indicate how you want to vote, your shares will be voted in accordance with the Board's recommendation.

If you are a beneficial owner, your broker or nominee will vote your shares with respect to Proposals 1, 3, 4 and 5 at the annual meeting *only* if you instruct your broker or nominee how to vote. If you do not provide your broker or nominee with instructions, your broker or nominee will not be authorized to vote your shares with respect to Proposals 1, 3, 4 and 5. Your broker or nominee may, but is not required to, vote your shares with respect to Proposal 2 if you do not instruct your broker or nominee how to vote.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

Proposal 1 **FOR** the election of the eight director nominees named in this proxy statement to serve for a one year term expiring at the 2018 annual meeting of stockholders and until their successors are elected and qualified.

Edgar Filing: Veritiv Corp - Form DEF 14A

What do I need to do if I plan to attend the meeting in person?

If you hold shares in street name and you also wish to be able to vote at the meeting, you must also obtain a proxy, executed in your favor, from your broker or other nominee. PROPOSAL 1 ELECTION OF DIRECTORS

At the 2017 annual meeting of stockholders, eight nominees are standing for election or re-election, as applicable, as directors of the Company for a one-year term. As previously disclosed, Matthew J. Espe resigned from the Board effective February 15, 2017. Following a search process initiated by the Nominating and Governance Committee, with the assistance of a global executive search firm, the Nominating and Governance Committee identified Liza K. Landsman as a qualified director candidate and recommended her to the Board. The Board appointed Ms. Landsman as a director effective March 8, 2017.

Each director nominee will be elected if he or she receives more "FOR" votes than "AGAINST" votes. Each nominee elected as a director will continue in office until the 2018 annual meeting of stockholders and until his or her successor has been duly elected and qualified or until his or her earlier resignation or removal.

The Nominating and Governance Committee of the Board of Directors is responsible for making recommendations to the Board concerning nominees for election as directors and nominees for Board vacancies. When assessing a director candidate's qualifications, the Nominating and Governance Committee will consider the candidate's independence, skills, current and previous occupations, other board memberships and professional experiences in the context of the needs of the Board. In addition, this Committee looks at the overall composition of the Board and how a candidate would contribute to the overall synergy and collaborative process of the Board. The Nominating and Governance Committee has adopted Director Qualification Criteria and Independence Standards, which, in general, require that director candidates have ample experience and a proven record of professional success, leadership and the highest level of personal and professional ethics, integrity and values. The Nominating and Governance Committee seeks qualified candidates with diverse backgrounds including, but not limited to, such factors as race, gender and ethnicity. Our Corporate Governance Guidelines provide that the Nominating and Governance Committee will consider director candidates recommended by stockholders, provided such recommendations comply with the process set forth in our bylaws. In assessing such candidates, the Nominating and Governance Committee will consider the same criteria described above. See our Corporate Governance Guidelines and our Director Qualification Criteria and Independence Standards, which may be viewed in the governance section of our website at <http://ir.veritivcorp.com>, for additional information on the selection of director candidates.

Each nominee named in this proxy statement has consented to being named in this proxy statement and to serve if elected. If any nominee becomes unable to serve, proxies will be voted for the election of such other person as the Board may designate, unless the Board chooses to reduce the number of director seats. However, the Company has no reason to believe that any nominee will be unable to serve.

The following are descriptions of the business and public company director experience of our director nominees, including their current principal positions, terms of office, and ages as of March 27, 2017. We have been advised that there are no family relationships among any of our executive officers and directors.

He served as the Chief Financial Officer of American Express Company, a global financial services company, from October 2007 until his retirement in August 2013 and as its Executive Vice President from February 2007 until his August 2013 retirement. While at American Express, Mr. Henry was responsible for leading the company's finance organization and representing American Express to investors, lenders and rating agencies. CORPORATE GOVERNANCE

Corporate Governance Principles

Our business is managed under the direction of our Board of Directors pursuant to the Delaware General Corporation Law and our bylaws. The Board has responsibility for establishing broad corporate policies and for the overall performance of our Company. The Board is kept advised of company business through regular written reports and analyses and discussions with the Chairman and CEO and other executive officers, by reviewing materials provided to them and by participating in Board and committee meetings.

The Board has adopted policies and procedures designed to ensure effective governance of the Company. Our corporate governance materials, including our Corporate Governance Guidelines, the charters of each of the standing committees of the Board and our Code of Business Conduct and Ethics, may be viewed in the governance section of our website at <http://ir.veritivcorp.com>. We intend to include on our website information about any amendments to, or waivers from, a provision of the Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller in accordance with SEC rules.

The Nominating and Governance Committee reviews our Corporate Governance Guidelines on a regular basis and proposes modifications to the principles and other key governance practices as warranted for adoption by the Board.

Director Independence

The Company requires that a majority of its directors be "independent" as defined by the Director Qualification Criteria and Independence Standards and the rules of the NYSE and the SEC. The Board makes a determination as to the independence of each director upon such director's initial appointment and thereafter on an annual basis. The Board has determined that each of the current members of the Board, except for Mary A. Laschinger, has no material relationship with the Company and satisfies all the criteria for being "independent" members of our Board within the meaning of the Director Qualification Criteria and Independence Standards and the rules of the NYSE and the SEC.

Board Composition and Leadership Structure

The Board currently consists of eight directors, all of whom are standing for election or re-election, as applicable, at the annual meeting. Our charter and bylaws provide that the Board may increase or decrease the size of the Board and fill any vacancies.

Ms. Laschinger serves as the Chairman of the Board and CEO of the Company. Our Board has concluded that combining the roles of CEO and Chairman of the Board is the most effective leadership structure for the Company at the present time as it promotes unified leadership and direction for the Company, allowing for a single, clear focus for management to execute the Company's strategic and business plans. In coming to this conclusion, the independent directors considered Ms. Laschinger's vast experience within the Company's industry that affords her a broad and uniquely well-informed perspective on the Company's business, as well as substantial insight into the trends and opportunities that may affect the Company's future. The combination of the Chairman and CEO roles is balanced by the appointment of a Presiding Director, as well as a majority of our Board being comprised of independent directors. As discussed further below, the Presiding Director is responsible for providing leadership to our Board when circumstances arise in which the joint role of the Chairman and CEO may be, or may be perceived to be, in conflict and chairing those Board sessions that are attended only by independent directors. Our Board believes that having a Presiding Director as part of its leadership structure promotes greater management accountability and ensures that directors have an independent contact on matters of concern to them.

Table of Contents

Board Meetings, Executive Sessions and Presiding Director

Executive sessions generally coincide with regularly scheduled meetings of the Board. All employees and members of the Board are subject to the Company's Code of Business Conduct and Ethics. Board Role in Risk Oversight

Management is responsible for identifying and prioritizing enterprise risks facing the Company. The Board, in turn, is responsible for ensuring that material risks are managed appropriately. The Board and its committees regularly review material strategic, operational, financial, compensation and compliance risks with management.

In addition, the Audit and Finance Committee is responsible for assessing risk, including internal control over financial reporting, related to our capital structure and significant financial exposures, and regularly evaluates financial risks associated with such programs.

The Compensation and Leadership Development Committee oversees risk management as it relates to our compensation plans, policies and practices in connection with structuring our executive compensation programs and reviewing our incentive compensation programs for other employees and has reviewed with management whether our compensation programs may create incentives for our employees to take excessive or inappropriate risks which could have a material adverse effect on us.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit and Finance Committee, pursuant to its charter, has appointed Deloitte as our independent registered public accounting firm for 2017. Deloitte has served in this capacity since 2014.

While the Audit and Finance Committee is responsible for the appointment, compensation, retention, termination and oversight of the independent registered public accounting firm, the Audit and Finance Committee and our Board are requesting, as a matter of good corporate governance, that the stockholders ratify the appointment of Deloitte as our independent registered public accounting firm. The Audit and Finance Committee is not required to take any action as a result of the outcome of the vote on this proposal. However, if the stockholders do not ratify the appointment, the Audit and Finance Committee may investigate the reasons for stockholder rejection and may consider whether to retain Deloitte or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit and Finance Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our stockholders or the Company.

A formal statement by representatives of Deloitte is not planned for the annual meeting. However, Deloitte representatives are expected to be present at the meeting and available to respond to appropriate questions.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides a detailed description of our executive compensation philosophy and programs, the compensation decisions the Compensation and Leadership Development Committee (the "Committee") has made under those programs and the factors considered in making those decisions. While the Committee determines the compensation of all of the Company's executive officers (with the exception of the Chairman and CEO, whose compensation is determined by the Company's Board of Directors), this discussion and analysis focuses on the named executive officers as of December 31, 2016 (the "NEOs"). The NEOs are:

Name	Position
Mary A. Laschinger	Chairman of the Board and Chief Executive Officer
Stephen J. Smith	Senior Vice President and Chief Financial Officer
Thomas S. Lazzaro	Senior Vice President, Field Sales and Operations
Mark W. Hianik	Senior Vice President, General Counsel and Corporate Secretary
Daniel J. Watkoske	Senior Vice President, Print and Veritiv Services

This discussion and analysis of our compensation program for the NEOs should be read in conjunction with the accompanying tables and text disclosing the compensation awarded to, earned by or paid to the NEOs.

Our History as a Public Company

Veritiv was formed on July 1, 2014 (the "Closing Date") when International Paper Company completed a spin-off of its xpedx business to the International Paper stockholders (the "Spin-off"), forming a new public company. Immediately following the Spin-off, UWW Holdings, Inc. ("UWWH") merged with and into Veritiv (the "Merger"). The Spin-off and the Merger are collectively referred to as the "Transactions." Due to the Company's formation on July 1, 2014, compensation amounts generally reflect six months of compensation for 2014 and a full year for each of 2015 and 2016.

Compensation Philosophy

Our goal is to foster an environment of collaboration, enthusiasm and drive, with a passion for success and an expectation to win, to enable us to create an integrated, successful company that meets our commitments to stockholders, customers and employees. Our 2016 priorities included:

- meeting our financial commitments;
- delivering operational excellence;
- remaining customer focused; and
- developing our people.

The Company's compensation philosophy is that compensation programs for all employees, including executive officers:

- be competitive with similar companies to attract and retain key talent and outstanding leaders;
- align the interests of the Company's executive officers and other participants with the interests of the Company's stockholders;

Edgar Filing: Veritiv Corp - Form DEF 14A

ensure line-of-sight to key performance measures and Company results to align key leaders with the Company's long-term vision and growth;

Table of Contents

reward employees based on performance and their individual contributions that support the Company's success;

motivate employees to strive to exceed performance targets by providing creative solutions and tools to fuel the Company's growth; and

be cost-effective and affordable for the Company.

The Company has designed its compensation programs to reflect each of these elements. The performance-based incentives seek to reward both short-term and long-term results and to align the interests of the Company's executive officers and other participants with the interests of the Company's stockholders.

2016 Say On Pay Vote

At our 2016 Annual Meeting of Stockholders, approximately 96% of the votes cast were voted in favor of our executive compensation program. In light of this strong show of support, we did not make any specific changes to our program for 2017.

Pay for Performance

The Company's goal is to tie executive compensation to Company performance. The Committee views Company performance in two ways:

the Company's operating performance, including results against annual and long-term targets, and

return to stockholders over time, both on an absolute basis and relative to other companies, including our comparator group (see page 28).

Summary of Executive Compensation Practices

We summarize our compensation practices as follows:

What We Do		What We Don't Do
ü Align programs with the interests of stockholders	×	No dividends or dividend equivalents on unearned, unvested or unpaid performance shares or share units
ü Pay for performance		
ü Mitigate risk of compensation programs	×	No backdating or repricing of stock options
ü Have strong stock ownership guidelines and a share retention policy	×	No tax gross-ups on perquisites except for limited expenses related to relocation
ü Use an independent compensation consulting firm, engaged by, and reporting directly to, the Committee, which provides no other services to the Company	×	No pledging of Company stock by executive officers or directors
ü Provide reasonable post-employment / change in control provisions	×	No hedging transactions or short sales by executive officers or directors
ü Require double trigger vesting for cash severance payments and stock awards	×	No excise tax gross-ups upon a change in control
		No pension or supplemental executive retirement programs except frozen legacy plans and certain union plans

What We Pay and Why: Elements of Compensation

Our annual compensation program has three elements that comprise total direct compensation: base salary, annual incentive and long-term incentive. The majority of total direct compensation is

performance-based. We also provide various benefit and retirement programs. The overview below shows the elements of our annual compensation program and describes why each element is provided. Additional information is provided below the overview.

Total Direct Compensation

Base Salary

The Company's goal is for compensation paid to executive officers to be competitive enough to attract and retain qualified individuals, but not excessive.

The Committee determines a base salary for each executive officer based on the scope and complexity of the role, internal relativity, external competitiveness, input from the Committee's consultant and individual performance. Following a Committee review of executive officer base salaries in March 2016, the Committee approved modest salary increases for each of Messrs. Smith, Hianik and Watkoske and the Board, upon the Committee's recommendation, approved a modest salary increase for Ms. Laschinger.

The Summary Compensation Table on page 35 shows actual salaries paid during 2016, 2015 and the six months of 2014 that Veritiv was in existence. Base salaries for 2016 are shown below.

Executive	2016 Base Salary
Mary A. Laschinger	\$ 1,025,000
Stephen J. Smith	\$ 563,750

Mark W. Hianik	\$ 461,250
Daniel J. Watkoske	\$ 461,250

Annual Incentive Program. What it Rewards and How it Works

The Company's annual incentive program is the primary cash compensation element used to reward accomplishments against established business goals in a given year. The Committee determines an annual incentive target for each executive officer based on the scope and complexity of the role, internal relativity, external competitiveness and input from the Committee's consultant. Annual incentives for 2016 were determined under the 2016 Veritiv Annual Incentive program (the "2016 AIP") determined pursuant to the 2015 Annual Incentive Plan. In 2016, approximately 840 employees participated in the 2016 AIP.

The NEOs' awards under the 2016 AIP were determined by the formula below:

$$\text{Base Salary} \times \text{Bonus Target \%} \times \text{Company Performance Factor} \\ \pm \text{Individual Performance Adjustment}$$

Performance in 2016 was measured from January 1, 2016 through December 31, 2016, and the ultimate payout to each participant was determined based on the following steps:

Bonus Target: The 2016 bonus target percentages and the survey data used to inform them were reviewed and approved by the Committee as described in the section "How We Make Compensation Decisions." The 2016 bonus target for each NEO is shown below:

Executive	2016 Bonus Target as a % of Salary
Mary A. Laschinger	100%
Stephen J. Smith	85%
Thomas S. Lazzaro	75%
Mark W. Hianik	60%
Daniel J. Watkoske	70%

Determine Company Performance Factor: Determined based on the Company's calculated Adjusted EBITDA (as defined below) performance as compared to the following pre-determined targets:

2016 Adjusted EBITDA	Company Performance Factor (% of Target)
\$250 million or above	200%
\$200 million	100%
\$150 million	50%
< \$150 million	0%

Payouts for performance between levels were interpolated on a straight-line basis

Table of Contents

For purposes of the 2016 AIP, "Adjusted EBITDA" is defined as net income before interest, income taxes, depreciation and amortization, and other adjustments as may be permitted in determining the Company's "Consolidated EBITDA" pursuant to the Company's asset-based lending facility.

Determine Individual Performance Factor: The Committee may adjust an award up or down to reflect the Committee's assessment of each individual's performance, contributions to the Company's performance for the year and achievements in areas that are not as readily quantifiable (such as integration results). For 2016, the Committee made adjustments based on individual performance; those adjustments are reflected in the Summary Compensation Table on page 35.

The Company's actual Adjusted EBITDA performance for 2016 was approximately \$192 million, which resulted in a Company performance factor of 92%. However, the Company exercised discretion to adjust downward for certain nonrecurring items, including the recovery of certain commission advances, a healthcare rebate and an inventory recalculation adjustment, resulting in a calculated Company performance factor of 82% which was used to determine AIP bonus awards. The Committee then reviewed awards considering their assessment of each individual's performance contributions to the Company's performance for the year. The 2016 AIP awards to the NEOs are included in the Summary Compensation Table.

Short-term incentives for NEOs for 2016 did not include any discretionary awards under the CEO Award for Outstanding Contribution program. The design for the 2017 annual incentive plan is substantially similar to that for the 2016 AIP, with Adjusted EBITDA as the primary financial measure and the ability to modify the award based on individual performance.

Annual Long-Term Incentive Program

The Company provides long-term incentives to tie the interests of executives to the interests of our stockholders and to motivate and retain key talent. The Committee sets long-term equity targets for each position at the senior executive levels. The long-term incentive target opportunities for 2015, 2016 and 2017 were determined by the scope and complexity of the role, internal relativity, external competitiveness and input from the Committee's consultant as discussed more fully in the section entitled "How We Make Compensation Decisions" beginning on page 31. The Committee did not target a specific percentile ranking against our comparator group.

Veritiv's Long-Term Incentive Program consists of restricted stock units ("RSUs") and two types of performance share units ("PSUs"). Grants are intended to be made annually.

Grant Value and Mix

On January 1, 2016, the Committee granted a mix of RSUs and two types of PSUs to the NEOs. These grants are shown in the Summary Compensation Table on page 35 and in the Grants of Plan-Based Awards Table on page 37. A similar grant was made on January 1, 2017 and will be shown in the Grants of Plan-Based Awards Table in next year's proxy. The long-term incentive targets for 2016 are shown below.

Executive	2016 Long-Term Incentive Target
Mary A. Laschinger	\$ 3,500,000
Stephen J. Smith	\$ 1,100,000
Thomas S. Lazzaro	\$ 962,500
Mark W. Hianik	\$ 540,000
Daniel J. Watkoske	\$ 540,000

Table of Contents

The NEOs received the same mix of PSUs and RSUs with the same performance terms and other conditions as other equity-eligible U.S. participants. Dividends are not paid or accrued on unvested, unearned or unpaid RSUs or PSUs.

RSUs and PSUs reflect Company performance in several ways:

the Company's Adjusted EBITDA performance, including results against annual targets,

return to stockholders over time relative to other companies, and

return to stockholders on an absolute basis.

Time-Based Restricted Stock Units

RSUs represent a promise to pay the value of a share of Veritiv common stock at the time of vesting (three years after grant) with no cash outlay required, assuming continued employment. We believe RSUs encourage retention over the vesting period because RSUs are denominated in and paid in shares of Veritiv common stock for equity-eligible U.S. participants.

Performance Share Units

PSUs are the right to earn a range, depending on performance, of Veritiv shares at the end of three years (with no cash outlay required) if specified performance goals are attained, assuming continued employment. PSUs are denominated and paid in shares of Veritiv common stock for equity-eligible U.S. participants.

There are two types of PSUs, those earned through achievement of Adjusted EBITDA goals and those earned through Veritiv Total Shareholder Return ("TSR") performance relative to a group of peer companies whose stock is expected to be impacted by the same economic factors and secular trends as Veritiv.

The Adjusted EBITDA goals are challenging but capable of being attained with superior performance. For the 2016 Adjusted EBITDA PSUs, Adjusted EBITDA is measured over three one-year periods (calendar years 2016, 2017 and 2018) with performance goals set annually. One-third of each award is earned for each annual achievement, with ultimate vesting and payout of earned shares to occur at the end of the full three-year period.

For the 2016 Relative TSR PSUs, TSR relative to peers is measured over the one-, two- and three-year cumulative periods, beginning January 1, 2016 and ending December 31, 2016, 2017 and 2018, with ultimate vesting of earned shares at the end of the full three-year period. The payout based on Veritiv's relative TSR ranking compared to the TSR Performance Peer Group is shown below.

Veritiv TSR Ranking vs. TSR Performance Peer Group	
Ranking vs. Peers	% of Target Earned
90 th Percentile or higher	200%
70 th Percentile	150%
50 th Percentile	100%
25 th Percentile	50%
< 25 th Percentile	0%

Long-Term Transition Incentive Awards

In 2014, our formation year, the Committee made one-time long-term cash transition awards instead of equity awards to induce and retain approximately 55 executives, including the NEOs, following the consummation of the Transactions. These transition awards vested in three equal tranches at the end of 2014, 2015 and 2016, respectively, with 50% of each tranche based on continued employment and 50% based on the Company's achievement of targeted Adjusted EBITDA results for the relevant performance period. The transition awards are denominated in dollars and paid in cash.

Vesting percentages for the portion of the transition awards that are based on the Company's achievement of Adjusted EBITDA results are measured on a cumulative basis from July 1, 2014 through the end of each period noted above, with payouts made in cash the following March.

The cumulative Adjusted EBITDA target for the performance period beginning July 1, 2014 and ended December 31, 2016 was \$558 million. Actual cumulative Adjusted EBITDA for this performance period was below the performance target and, as a result, the performance component resulted in a payout of 65% of target.

See the "Bonus" column of the Summary Compensation Table for the service-based component and the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table for the performance-based component of the transition awards that were paid in March 2017, March 2016 and March 2015.

Benefit Programs

We provide market-based health and wellness and retirement and savings programs designed to attract and retain talent, protect our employees against financial catastrophes that result from illness, disability and death, and encourage employees to save for their retirement needs. Our NEOs participate in the same benefit programs as our salaried non-union employees. These benefits include medical, dental, life and disability insurance coverage. Our NEOs also participate in the Veritiv Retirement Savings Plan (the "401(k) Plan"). The 401(k) Plan is the primary Company-provided retirement plan for employees. The 401(k) Plan allows eligible participants to make contributions, up to legal limits, and provides a Company matching contribution of 100% on the first 3% of pay contributed plus 50% on the next 2% of pay contributed. The Company does not maintain any defined benefit plans for its NEOs.

None of our NEOs participate in a nonqualified defined benefit plan. Our NEOs may elect to participate in the Veritiv Deferred Compensation Savings Plan (the "Deferred Compensation Plan") for eligible participants. Under the Deferred Compensation Plan, participants may elect to defer up to 85% of their base salary or commissions and up to 85% of their annual incentive bonus. None of our NEOs elected to participate in the Deferred Compensation Plan in 2016.

Table of Contents

Severance Compensation

The opportunity for severance compensation is provided to Ms. Laschinger under the terms of her employment agreement and to approximately 40 other executives, including our NEOs, under the Company's Executive Severance Plan, which the Company adopted in March 2015 (the "Executive Severance Plan"). The certainty afforded by severance compensation fosters a long-term perspective and permits executives to focus on executing the Company's strategy and enhancing sustainable stockholder value without undue concern or distraction.

The Company's severance policies are designed to be fair and competitive to aid in attracting and retaining experienced executives. When recruited from another company an executive generally will seek to be protected in the event he or she is terminated without cause or if the Company takes actions giving him or her good reason to terminate his or her employment with us. The Company believes that the protection it provides, including the level of severance payments and post-termination benefits, is appropriate in terms of fostering long-term value enhancing performance, and within the range of competitive practice, thereby facilitating recruitment and retention of key talent.

In line with competitive practices, an executive is entitled to enhanced severance payments and benefits should the executive's employment be terminated without cause or if certain senior executives were to terminate for good reason in each case either six months prior to or within two years after a change in control. This protection, while potentially costly, provides a number of important benefits to the Company. First, it permits an executive to evaluate a potential change in control transaction relatively free of concern for his or her own situation, thereby lessening any conflict between his or her own interests and those of the Company's stockholders. Second, change in control transactions take time to unfold, and a stable management team can help to preserve our operations in order to enhance the value delivered to the Company's stockholders from a transaction or, if no transaction is consummated, to ensure that the Company's business will continue without undue disruption afterwards. The Company believes that the potential cost of executive change in control severance payments and benefits is well within the range of reasonable industry practice, and represents an appropriate cost relative to the benefits to the Company and its stockholders.

The Executive Severance Plan provides for salary and limited benefit continuation in the event of a Company-initiated termination of employment without cause or a termination initiated by certain senior executives based on good reason. Cash severance multiples are as shown below for all NEOs except for Ms. Laschinger (see the discussion of the severance provisions of Ms. Laschinger's employment agreement beginning on page 39).

Executive	Cash Severance Upon Termination not in Connection with a Change in Control	Cash Severance in Connection with a Change in Control
Stephen J. Smith	Base salary for 18 months, plus for	2X base salary + target bonus, plus
Thomas S. Lazzaro	terminations after June 30 of a year,	pro rata cash bonus at target
Mark W. Hianik	pro rata cash bonus at actual	
Daniel J. Watkoske	performance for the year	

Under the Executive Severance Plan, the Company may cease payments to an executive if he or she violates restrictive covenants (including non-competition, non-solicitation of customers or employees, and non-disclosure of confidential information).

The Company also has change in control provisions in its equity award agreements that apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation.

For a more detailed discussion of change in control arrangements, see "Potential Payments to Named Executive Officers Upon Termination or Change in Control" beginning on page 39.

How We Make Compensation Decisions

Decision Making Process

The Board evaluates the Chairman and CEO's performance. The Committee reviews, evaluates and recommends to the Board any changes to the Chairman and CEO's compensation, including base salary, annual incentive and long-term incentive compensation.

For other NEOs, the Chairman and CEO considers performance and makes individual recommendations to the Committee on base salary, annual incentive and long-term incentive compensation. The Committee reviews, discusses, modifies and approves, as appropriate, these compensation recommendations.

In making these compensation decisions, the Committee considers input from the Committee's independent consultant and uses several resources and tools, including competitive market information.

Compensation Benchmarking Group

Compensation levels are not established based solely on peer comparisons or benchmarking. Marketplace information is one of several factors considered in establishing and assessing the reasonableness of compensation. Other factors considered include the scope and complexity of the role, internal relativity and an incumbent's experience and contributions.

In December 2014, the Committee, with the assistance of its independent consultant, Meridian, determined that it would be appropriate to have a compensation benchmarking peer group to assist in reviewing the levels of compensation for each of the NEOs. The peer group approved by the Committee for 2016 is comprised of 20 publicly traded companies with the following characteristics:

How the Peer Group was Chosen	Purposes for Which Peer Group is Used
Operate in the distribution industry	As an input in developing base salary ranges, annual incentive targets and long-term incentive award ranges
Compete with Veritiv for business and/or talent	To inform compensation practices and policies including incentive plan design
Comparable size based on revenue (approximately 1/3 rd to 3x Veritiv)	Benchmarking non-employee director pay
Traded in the U.S. on a major exchange	
Widely traded with no major ownership concentration	
Global presence; led from the United States	
Available compensation data to enable consistent peers from year to year, with periodic review for appropriateness

We use a slightly different group of companies to measure relative TSR performance because the compensation peer companies are not necessarily impacted by the same economic factors and business trends as Veritiv. The 2016 TSR Performance Peer Group appears on page 28.

Table of Contents

Data from these companies is used to assess the competitiveness of pay for senior executives (including the CEO and other NEOs) where data was publicly available.

In addition, general industry data is collected from Aon Hewitt's Total Compensation Measurement Executive Database and size adjusted using regression analysis, where possible, to compare similar positions at a company that is similar in size to Veritiv as measured by revenues. For long-term incentive data, a discount is applied to the general industry data to take into consideration the conservative nature of the distribution industry.

Role of the Committee's Compensation Consultant

Pursuant to its charter, the Committee has the authority to obtain advice and counsel from internal or external legal, accounting or other advisors. It is authorized to retain and terminate any consultant, as well as to approve the consultant's fees and other terms of the engagement.

The Committee engaged Meridian as its independent compensation consultant. Meridian provides research, data analyses and design expertise in developing compensation programs for executives and incentive programs for eligible employees and keeps the Committee apprised of regulatory developments and market trends related to executive compensation practices.

Meridian consultants attended all 2016 meetings of the Committee, were available to participate in executive sessions and communicated directly with the Committee without management present.

Prior to the retention of a compensation consultant or any other external advisor, and annually thereafter, the Committee assesses the independence of such advisor, taking into consideration all factors relevant to such advisor's independence, including the factors specified in the NYSE listing standards.

Meridian annually provides the Committee with confirmation of its independent status. The Committee believes that Meridian has been independent throughout its service and there is no conflict of interest between Meridian and the Committee.

Risk Considerations

The Committee reviews the risks and rewards associated with the Company's compensation programs. The programs are designed with features including capped incentive payouts, multiple performance measures and financial goals set at the corporate level that mitigate risk without diminishing the incentive nature of the compensation. We believe our compensation programs encourage and reward prudent business judgment and appropriate risk-taking over the short-term and the long-term.

Management and the Committee regularly evaluate the risks involved with the Company's compensation programs and do not believe any of the Company's compensation programs create risks that are reasonably likely to have a material adverse impact on the Company.

Additional Information

Executive Stock Ownership Guidelines and Share Retention Requirement

Our executive stock ownership guidelines, approved by the Committee in March 2015, are designed to align our executives' long-term financial interests with those of our stockholders. The ownership guidelines, which cover approximately 40 executives, are as follows:

Level	Value of Common Stock to be Owned*
Chief Executive Officer	5X base salary
Senior Vice Presidents	3X base salary
Vice Presidents	1X base salary

* Shares are valued based on the closing price of common stock on the last trading day in the calendar year

Each executive must hold 50% of the net after-tax award shares that vest (upon the vesting of full value shares or the exercise of vested stock options or stock appreciation rights) until he or she has achieved compliance with the stock ownership guidelines. The hold requirement does not apply to shares purchased outright or acquired other than by way of an equity grant. The Committee monitors compliance with stock ownership guidelines annually.

Shares counted include shares owned outright (either purchased or vested), unvested restricted stock, deferred stock and share-equivalent vehicles (including earned performance shares from completed performance periods). Stock options and stock appreciation rights do not count towards meeting the guidelines.

Employment Agreement

With the exception of Ms. Laschinger, we do not have employment agreements with any of the NEOs. Other NEOs were provided with offer letters that required them to execute non-competition, non-disclosure and non-solicitation agreements.

Ms. Laschinger's employment agreement was entered into at the time the Transactions were announced in January 2014. The initial term of the agreement is five years, beginning on the Closing Date, with automatic one-year extensions thereafter. The agreement provides that Ms. Laschinger will be paid an annual base salary of at least \$1 million, a sign-on bonus of \$1 million and an annual target bonus opportunity of at least \$1 million, earned based on performance, which could result in no payout if the Company does not meet its pre-determined goals. In addition, the agreement provides for annual long-term incentive awards beginning in 2015 with an annual grant value of at least \$3.5 million and three-year cliff vesting, with pro rata vesting upon a qualifying termination of employment as detailed in the agreement and full vesting upon a qualifying termination of employment after a change in control. The agreement also provides for long-term transition incentive awards payable in cash, the last of which was paid out in March 2017 (described on page 29), and a relocation package with a home loss reimbursement of up to \$500,000 contingent on sale of residence. Finally, the agreement provides that Ms. Laschinger is eligible to participate in employee benefit plans offered to the broader employee population.

Restrictive Covenants

Our executives, including our NEOs, are required to execute agreements containing restrictive covenants. These agreements bind the executive to non-competition, non-disclosure and non-solicitation provisions.

Table of Contents

Clawback Policy

Our clawback policy, approved by the Committee in March 2015, allows the Company to recapture certain incentive compensation paid to executive officers under certain circumstances. The clawback policy allows the Committee to require the return, repayment or forfeiture of any annual or long-term incentive payment or award made or granted to any current or former executive officer during the 12-month period following the filing with the SEC of financial statements that are later the subject of a material negative restatement if, among other things, the payment or award was predicated upon achieving certain financial results that were subsequently the subject of the restatement and the Committee determines that the executive officer engaged in intentional misconduct that caused the need for the restatement. Additionally, if the Committee determines that the executive officer engaged in intentional misconduct that caused the material negative restatement, the Committee may require the return or repayment of any profits realized by such executive officer on the sale of Company securities received pursuant to any such award granted during such 12-month period.

Trading Controls and Anti-Hedging, Short Sale and Pledging Policies

In accordance with the Company's insider trading policy, executive officers, including the NEOs, are required to pre-clear with the Company's General Counsel any transactions in Company securities, including purchases, sales, gifts, grants and those involving derivatives. Generally, trading is permitted only during announced trading periods and executive officers are prohibited from entering into hedging and short sale transactions and are also subject to restrictions on pledging Company stock.

Tax Implications of Compensation

The Committee considers the tax and accounting implications of compensation, but they are not the only factors considered. In some cases, other important considerations outweigh tax or accounting considerations.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits deductibility of certain compensation to \$1 million per year for the Chief Executive Officer and the three other executive officers (other than the Chief Financial Officer) who are highest paid and employed at year-end. If certain conditions are met, performance-based compensation may be excluded from this limitation.

Much of the compensation paid by the Company to its NEOs is intended to be deductible under Section 162(m) of the Code. However, the Committee may exercise discretion to pay nondeductible compensation if following the requirements of Section 162(m) of the Code would not be in the interests of stockholders. The Veritiv Corporation Annual Incentive Plan and the Veritiv Corporation 2014 Omnibus Incentive Plan are designed to permit the Committee to make awards that will qualify as performance-based compensation for purposes of Section 162(m) of the Code.

(1) Represents the grant-date fair value calculated in accordance with FASB ASC Topic 718. Refer to Notes 1 and 15 to the Consolidated and Combined Financial Statements for the fiscal year ended December 31, 2016 included in our Annual Report on Form 10-K. The grant-date fair value of the restricted stock unit awards will likely vary from the actual value the NEO receives. The actual value the NEO receives for the restricted stock unit grants will depend on the price of the Company's common stock on the vesting date. The actual value the NEO receives for the performance share unit grants will depend on the number of units earned and the price of the Company's common stock when the units vest.

(2) Represents estimated possible payouts for annual performance cash awards made in 2016 (and paid in March 2017) under the 2016 AIP for each NEO. The AIP is an annual cash incentive opportunity and thus, these awards are earned in the year of grant. See the column captioned "Non-Equity Incentive Plan Compensation" in the Summary Compensation Table for the actual payout amounts related to the 2016 AIP. See also "Compensation Discussion and Analysis Annual Incentive Program What it Rewards and How it Works" for additional information about the AIP.

Table of Contents**Outstanding Equity Awards at Fiscal Year-End**

The following equity awards granted to our NEOs were outstanding as of the end of fiscal 2016:

Restricted Stock Units. On January 1, 2015 and January 1, 2016, each NEO received a grant of restricted stock units. The awards will vest in full on the third anniversary of the grant date, assuming continued employment. Dividends are not paid on unvested awards. If vested, the awards are paid in shares of common stock following the end of the vesting period.

Performance Share Units. On January 1, 2015 and January 1, 2016, each NEO received a grant of performance share units. A portion of these awards (62.5%) vest based on annual Adjusted EBITDA performance during the three-year vesting period and the remaining portion (37.5%) vest based on the Company's TSR performance relative to the TSR Performance Peer Group for the performance periods during the three-year vesting period. Dividends are not paid on unvested awards. The ultimate value of the awards will depend on the number of shares earned and the price of the Company's common stock at the time awards vest. See "Compensation Discussion and Analysis Annual Long-Term Incentive Program" for additional information.

Potential Payments to Named Executive Officers Upon Termination or Change in Control

Potential Payments to the CEO Upon Termination or Change in Control

The separation provisions for Ms. Laschinger are provided in her employment agreement, which was put in place at the time the Transactions were announced in January 2014. The initial term of the agreement is five years, beginning on the Closing Date, with automatic one-year extensions thereafter. The separation provisions of the agreement include the following:

In the event Ms. Laschinger's employment with the Company is terminated due to her death or disability, by the Company for cause or by Ms. Laschinger without good reason, the Company will pay all accrued benefits (as defined in the agreement).

In the event Ms. Laschinger's employment with the Company is terminated by the Company without cause or by Ms. Laschinger for good reason, in addition to the accrued benefits, the Company will pay a pro-rata bonus for the year in which the termination occurs, additional cash compensation equal to two times Ms. Laschinger's then-current base salary and target bonus, partial reimbursement of COBRA continuation coverage as provided in the agreement and payment of long-term incentive awards as provided in the agreement.

"Good reason" is defined in the agreement as the assignment of duties inconsistent with the CEO position or an adverse alteration in the nature or status of her responsibilities; a diminution in salary or target bonus, or failure to pay any compensation or benefits due; a relocation of the primary work location by more than 50 miles from the metropolitan area of Atlanta, Georgia; the failure to appoint or reappoint Ms. Laschinger as Chairman of the Board; or in the event the UWWH Stockholder or Bain Capital acquires a majority of the shares of the Company and if thereafter they replace more than two directors whose appointment is not a replacement of a director previously appointed; or any material failure by the Company to satisfy its obligations under Sections 1 through 6 of the agreement.

In addition, the Company has termination and change in control provisions in its equity award agreements. These provisions apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation.

The chart below provides disclosure regarding the benefits that would have been provided to Ms. Laschinger had any of the events referenced below occurred on December 31, 2016, the last day of our most recently completed fiscal year.

- (2) In the event Ms. Laschinger's employment is terminated prior to the vesting of the Long-Term Transition Incentive Awards due to disability, death, company-initiated termination not-for-cause, or terminated by Ms. Laschinger for good reason, Ms. Laschinger (or her heirs) are entitled to payment of (i) the service-based component of the award and (ii) the performance-based component of the award, if any, earned based on actual achievement of the Company's performance. The performance-based component of the award is shown at actual performance achievement.
- (3) In the event Ms. Laschinger's employment is terminated due to disability, death, company-initiated termination not-for-cause or terminated by Ms. Laschinger for good reason (each a "qualifying termination"), Ms. Laschinger is entitled to payment of the awards, pro-rated for the period of her continuous employment during the period from the grant date through the termination date and the value of the performance share units is calculated based on actual Company performance following the end of the performance period. The values of the LTI awards are calculated using the closing price of the Company's common stock on December 30, 2016 (the last trading day of fiscal 2016), which was \$53.75.
- (4) Includes the projected value of payment of medical premiums under COBRA continuation as provided in the employment agreement.

Potential Payments to the Other NEOs Upon Termination or Change in Control

For the other NEOs (other than Ms. Laschinger), benefits due upon a separation of employment are provided by the Executive Severance Plan, which was adopted by the Company in March 2015. In addition, the Company has termination and change in control provisions in its equity award agreements. These provisions apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation.

Table of Contents

In general, the Company may, but is not obligated to, provide separation pay and benefits to its NEOs (other than Ms. Laschinger) in the event the employee is involuntarily terminated without cause. If provided, the separation pay and benefits available are generally contingent upon the Company receiving a general release of claims from the employee. In the event the Company terminates an NEO's employment (other than Ms. Laschinger's) not-for-cause, the Company will pay 18 months' base salary and medical coverage continuation. The NEO also is entitled to receive a pro-rata portion of unvested Long-Term Transition Incentive Awards and Long-Term Incentive Awards. In addition, if the termination date occurs on or after July 1 of the year in which the termination occurs, the NEO is entitled to receive a pro-rata bonus for that year.

In the event of an NEO's retirement, defined as age 60 or older with five or more years of service, the NEO (including Ms. Laschinger) would be entitled to receive a pro-rata portion of unvested Long-Term Incentive Awards and receive a pro-rata bonus for the year of termination. In the event of an NEO's disability or death, an NEO (including Ms. Laschinger) would be entitled to receive a pro-rata portion of unvested Long-Term Incentive Awards and receive a pro-rata bonus for the year of termination. None of the NEOs are eligible for retirement as of the end of the 2016 fiscal year, so a Retirement column is not included in the chart below.

The Company has change in control provisions in its equity award agreements and its Executive Severance Plan in which the NEOs (other than Ms. Laschinger) participate. These provisions apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation. A "change in control" is defined in the Executive Severance Plan and the 2014 Omnibus Incentive Plan to include consummation of certain mergers, the acquisition of more than 50% of the combined voting power of the Company's voting securities, the sale of all or substantially all of the Company's assets, shareholder approval of a complete liquidation or dissolution, and a change in the majority of the Board.

In the event of an employment termination, including a termination for "good reason," within twenty-four months following a change in control, the Executive Severance Plan provides that the NEOs (other than Ms. Laschinger) would be entitled to two times the NEO's base salary plus target AIP bonus. In addition, the NEO (other than Ms. Laschinger) is entitled to a pro-rata AIP bonus calculated at target (100%) performance and medical coverage for eighteen months. Termination for "good reason" includes a relocation of an NEO's primary work location exceeding fifty miles from the current location, material diminution in authority, duties or responsibilities or material reduction in salary, target bonus or material failure to satisfy obligations under an NEO's offer letter. In addition, the NEO (other than Ms. Laschinger) is entitled to receive a pro-rata portion of unvested Long-Term Transition Incentive Awards and vesting of the Long-Term Incentive Awards without pro-ration for actual service and based on actual company performance for completed periods and target (100% company performance) for future periods in the event of a qualifying employment termination following a change in control.

The chart below provides disclosure regarding the benefits that would have been provided to Messrs. Smith, Lazzaro, Hianik, and Watkoske had any of the events referenced below occurred on December 31, 2016, the last day of our most recently completed fiscal year.

PROPOSAL 3 ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, we are offering our stockholders an opportunity to cast an advisory vote to approve the compensation of our named executive officers, as disclosed in this proxy statement. Although the vote is non-binding, we value continuing and constructive feedback from our stockholders on compensation and other important matters. The Board of Directors and the Compensation and Leadership Development Committee will consider the voting results when making future compensation decisions.

As described in the Compensation Discussion and Analysis section of this proxy statement, we believe that our executive compensation program aligns the interests of the Company's executives and other key employees with those of the Company and its stockholders in order to drive stockholder value over the long term. The executive compensation program designed by our Compensation and Leadership Development Committee is intended to attract, retain and motivate high caliber executive talent to enable the Company to maximize operational efficiency and long-term profitability. **PROPOSAL 4 VOTE TO APPROVE THE AMENDED AND RESTATED VERITIV CORPORATION
2014 OMNIBUS INCENTIVE PLAN**

The Board approved the Veritiv Corporation 2014 Omnibus Incentive Plan (the "Equity Plan"), as amended and restated to increase the total number of shares available for issuance under the Equity Plan from 2,080,000 to 3,080,000 shares and to modify the performance goals that may be used to grant awards that are intended to qualify as performance-based compensation (collectively, the "Equity Plan Amendment"). The Board approved this Equity Plan Amendment subject to approval by the Company's stockholders. If the Equity Plan Amendment is not approved by stockholders, the Company will continue to operate the Equity Plan pursuant to its current provisions.

Purpose of the Plan Amendment.

Increase in Share Reserve. As of March 27, 2017, 982,942 shares of the Company's common stock remained available for issuance under the Equity Plan. The Equity Plan Amendment increases the aggregate number of shares reserved under the Equity Plan from 2,080,000 to 3,080,000. Accordingly, if the Equity Plan Amendment is approved, 1,982,942 shares of the Company's common stock will remain available for issuance under the Equity Plan. Under the terms of the Equity Plan, this number may be increased to the extent that awards previously made under the Equity Plan are forfeited, canceled, expired or otherwise terminated without issuance of shares of the Company's common stock.

Given the limited number of shares that currently remain available under the Equity Plan, our Board and management believe it is important that the Equity Plan Amendment be approved in order to maintain the Company's ability to attract and retain key personnel and continue to provide them with strong incentives to contribute to the Company's future success.

Amendment to Performance Measures. The Equity Plan Amendment also removes Adjusted EBITDA, as defined therein, from the list of performance goals that may be used to grant awards under the Equity Plan that are intended to qualify as performance-based compensation under Section 162(m) ("Section 162(m)") of the Internal Revenue Code, as amended (the "Code"), and instead provides that any of the performance goals may be applied on a pre- or post-tax basis and may be established or adjusted in accordance with Section 162(m) to include or exclude objectively determinable components of any performance goal, including, without limitation, "non-recurring items" as determined under U.S. generally accepted accounting principles, as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, and the charges or costs associated with restructurings of the Company, impairments, debt refinancing costs, noncash items, discontinued operations, capital gains and losses, dividends, stock repurchases, other unusual, non-recurring or infrequently occurring items, and the cumulative effects of changes in the law or accounting principles.

Re-Approval of Performance Measures. Approval of the Equity Plan Amendment will also constitute re-approval, for purposes of Section 162(m), of the material terms of the performance measures contained in the Equity Plan (described below) that are to be used in connection with awards under the Equity Plan that are intended to qualify as "performance-based" compensation for purposes of Section 162(m). One of the conditions for compensation to be considered "performance-based" under Section 162(m) is that the material terms under which such compensation will be paid (the class of eligible employees, performance criteria and the per-person maximums) be disclosed to and approved by stockholders every five years.

The following is a description of the material terms of the performance measures and certain other material terms of the Equity Plan, as amended and restated. This description is qualified in its entirety by reference to the Equity Plan, as amended and restated, a copy of which has been included as Appendix A to this proxy statement.

Table of Contents

Summary Description of the Plan.

Purpose of the Equity Plan. The Equity Plan was initially approved by the Company's stockholders at the 2015 annual meeting of stockholders and is intended to attract and retain employees, consultants and directors who will contribute to the long-range success of the and its subsidiaries, provide incentives that align the interests of employees, consultants and directors of the Company and its subsidiaries with those of the stockholders of the Company, and promote the success of the Company's business.

Administration. The Equity Plan is administered by the Compensation and Leadership Development Committee, or such other committee or subcommittee as may be designated by the Board or the Compensation and Leadership Development Committee (the "Committee").

Participants. The Company's directors, employees (including the executive officers) and consultants are eligible to participate in the Equity Plan. It is presently contemplated that approximately 125 senior-level employees will participate in the Equity Plan.

Available Shares. The Equity Plan initially reserved 2,080,000 shares of our common stock for the issuance of awards, subject to adjustment as described below. If the Equity Plan Amendment is approved, an additional 1,000,000 shares of our common stock will be available for issuance under the Equity Plan. Upon the exercise, settlement or conversion of any award or portion thereof, there shall again be available for grant under the Equity Plan the number of shares subject to such award or portion thereof minus the actual number of shares issued in connection with such exercise, settlement or conversion. If any such award or portion thereof is for any reason forfeited, canceled, expired or otherwise terminated without the issuance of shares, the shares subject to such forfeited, canceled, expired or otherwise terminated award or portion thereof shall again be available for grant under the Equity Plan. If shares are withheld from issuance with respect to an award by the Company in satisfaction of any tax withholding or similar obligations, such withheld shares shall again be available for grant under the Equity Plan. Awards which the Committee reasonably determines will be settled in cash shall not reduce the number of shares available under the Equity Plan. Notwithstanding the foregoing, and except to the extent required by applicable law, awards issued in assumption of, or in substitution for, any outstanding awards of any entity acquired by or combined with the Company or its subsidiaries shall not be counted against shares available for grant pursuant to the Equity Plan.

Award Limits. To the extent that Section 162(m) of the Code is applicable to the Company and the Equity Plan, for those awards intended to qualify as performance-based compensation under Section 162(m) of the Code, no participant may be granted in any calendar year, subject to adjustment as described below, (a) more than 1,000,000 options, stock appreciation rights or any other award based solely on the increase in value of the shares from the grant date, (b) more than 1,000,000 performance shares, shares of performance-based restricted stock, performance-based restricted stock units or performance-based dividend equivalents, and (c) performance units or any other performance-based award settled in cash under the Equity Plan with a value of more than US \$10,000,000 (or the equivalent of such amount denominated in the participant's local currency).

Adjustment. If and to the extent necessary or appropriate to reflect any stock dividend, extraordinary dividend, stock split or share combination or any recapitalization, reorganization, merger, consolidation, combination, exchange of shares, spin-off, liquidation or dissolution of the Company or other similar transaction affecting the Company's common stock, the Committee shall adjust the number and type of shares available for issuance under the Equity Plan, the maximum number and type of shares subject to all awards, the maximum number and type of shares with respect to which any one person may be granted awards during any period and the number, class and option price (if applicable) or base price (if applicable) of any outstanding award, and/or make such substitution,

revision or other provisions or take such other actions with respect to any outstanding award or the holder or holders thereof, in each case as it determines to be equitable.

Termination and Amendment. The Committee may wholly or partially amend or otherwise modify, suspend, or terminate the Equity Plan or any award agreement at any time and from time to time. However, no such amendment or termination is permitted without stockholder approval if (i) such action increases the number of shares available under the Equity Plan or individual award limitations, except as otherwise provided in the Equity Plan, (ii) such action modifies the class of persons eligible for participation in the Equity Plan, or (iii) such action materially modifies the Equity Plan in any other way that would require stockholder approval under applicable law. Except as otherwise provided in the Equity Plan, neither the amendment, suspension nor termination of the Equity Plan shall, without the consent of the holder of the award, adversely alter or impair any rights or obligations under any award. In addition, except as otherwise provided in the Equity Plan, the Committee shall not amend the terms of any award agreement without consent of the affected participant if the rights of such participant would be adversely impaired. Unless sooner terminated by the Committee, the Equity Plan will terminate on March 8, 2027.

Types of Awards. Under the Equity Plan, the Company may grant nonqualified stock options, incentive stock options, stock purchase rights, restricted stock, restricted stock units, performance shares, performance units, stock appreciation rights, dividend equivalents, deferred share units and other stock-based awards.

Nonqualified Stock Options. Nonqualified stock options granted under the Equity Plan are not intended to qualify as "incentive stock options" under the Code. The per share option exercise price of a nonqualified stock option may not be less than 100% of the fair market value of a share of common stock on the grant date.

Incentive Stock Options. Options designated as incentive stock options in an award agreement are stock options granted under the Equity Plan that qualify as "incentive stock options" under the Code. The per share option exercise price of an incentive stock option may not be less than 100% of the fair market value of a share of common stock on the grant date.

Stock Purchase Rights. The Equity Plan authorizes grants of shares of the Company's common stock to an employee, consultant or director on such terms and conditions provided by the Committee. The base price per share of the common stock offered to an employee, consultant or director shall not be less than 100% of the fair market value of such share on the grant date, and such shares are subject to the same limitations, restrictions and administration of a participant's exercise of an option under the Equity Plan.

Restricted Stock and Restricted Stock Units. Awards of restricted stock and restricted stock units ("RSUs") shall be subject to restrictions on transferability and other restrictions as may be determined by the Committee. A participant will not have any of the rights or privileges of a stockholder in respect of RSUs awarded pursuant to the Equity Plan unless and until the shares attributable to such RSUs have been issued to the participant.

Performance Shares and Performance Units. Performance shares and performance units shall become earned, in whole or in part, based upon the attainment of specified performance goals or the occurrence of any event or events and such other conditions as may be determined by the Committee. A participant will not have any rights as a stockholder in respect of performance shares or performance units awarded pursuant to the Equity Plan unless and until the shares attributable to such shares or units have been issued to the participant.

Stock Appreciation Rights. The Committee may grant stock appreciation rights ("SARs"), which provide a right to receive upon exercise the excess of the fair market value of a share of

Table of Contents

common stock on the exercise date over the grant price of the SAR, which may not be less than the fair market value of a share of common stock on the grant date.

Dividend Equivalents. The Committee may grant dividend equivalent awards in tandem with other awards, in addition to other awards, or freestanding and unrelated to other awards. Dividend equivalents with respect to awards (including any performance-based awards) are not fully vested until the awards have been earned and shall be forfeited if the related award is forfeited. Dividend equivalent awards entitle the participant to receive payments, in cash or in shares of common stock, based on dividends paid by the Company to holders of shares of common stock.

Deferred Share Units. The Committee may grant awards of deferred share units. A deferred share unit is a unit credited to a participant's account in the books of the Company and represents the right to receive one share of Company common stock or cash equal to the fair market value thereof on settlement of the account. A participant shall not have any rights and privileges of a stockholder of the Company in respect of deferred share units awarded pursuant to the Equity Plan unless and until such shares attributable to such deferred share units have been issued to the participant.

Performance Measures. Pursuant to the Equity Plan, as amended and restated, the Committee will establish for each performance period one or more objective performance goals that must be satisfied in order for a participant to receive an award of shares (or the cash equivalent thereof) or units (payable in cash or in shares) to be earned or vested. At the discretion of the Committee, the performance goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (d) sales (including, but not limited to, total sales, net sales and revenue growth); (e) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (f) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (g) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (h) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (i) share price (including, but not limited to, growth measures and total shareholder return); (j) expense/cost management targets (including, but not limited, to expense management, expense ratio, expense efficiency ratios or other expense measures); (k) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins and *EBITDA* margins); (l) operating efficiency; (m) market share or market penetration; (n) customer targets (including, but not limited to, customer growth and customer satisfaction); (o) working capital targets or improvements; (p) economic value added; (q) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to *EBITDA*); (r) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (s) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (t) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one or more of these criteria; (u) improvements in capital structure; (v) business expansion or consolidation (acquisitions and divestitures); (w) internal rate of return or increase in net present value; (x) productivity measures; (y) cost reduction measures or, for any period of time in which Section 162(m) is not applicable to the Company and the Equity Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) or (B) awards (whether or not to "covered employees") not intended

Table of Contents

to qualify as performance-based compensation under Section 162(m), such other criteria as may be determined by the Committee.

Performance goals may be established on a Company-wide basis or with respect to one or more subsidiaries or affiliates or business units, divisions, regions, departments, functions or products within the Company, a subsidiary or affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Committee may provide for a threshold level of performance below which no shares or compensation will be granted or paid in respect of performance shares or performance units, and a maximum level of performance above which no additional shares or compensation will be granted or paid in respect of performance shares or performance units, and it may provide for differing amounts of shares or compensation to be granted or paid in respect of performance shares or performance units for different levels of performance. The applicable performance goals set forth above may be applied on a pre- or post-tax basis and may be established or adjusted in accordance with Section 162(m) to include or exclude objectively determinable components of any performance goal, including, without limitation, "non-recurring items" as determined under U.S. generally accepted accounting principles, as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, and the charges or costs associated with restructurings of the Company, impairments, debt refinancing costs, noncash items, discontinued operations, capital gains and losses, dividends, share repurchases, other unusual, non-recurring or infrequently occurring items, and the cumulative effects of changes in the law or accounting principles. Except in the case of awards to "covered employees" intended to be performance-based compensation under Section 162(m), the Committee may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine.

Tax Matters

In general, a participant will not recognize taxable income at the time a stock option is granted. Upon exercise of a non-qualified stock option, a participant will recognize compensation, taxable as ordinary income, equal to the excess of the fair market value of the shares of common stock purchased over their exercise price. In the case of "incentive stock options," within the meaning of Section 422 of the Code, a participant will not recognize income at the time of exercise (except for purposes of the alternative minimum tax), and if the participant holds the shares for at least two years after the date the option was granted and one year after the date of exercise, then when the shares are sold, the entire gain over the exercise price will be taxable at capital gains rates. If the shares are disposed of prior to the expiration of this holding period, then the participant will recognize ordinary income equal to the excess of the fair market value of the shares on the date of exercise (or, if less, the amount realized on the disposition of the shares) over the exercise price. A participant has no taxable income at the time stock appreciation rights are granted, but will recognize compensation taxable as ordinary income upon exercise in an amount equal to the fair market value of any shares of common stock delivered and the amount of any cash paid by the Company. A participant who is granted shares of restricted stock, including shares subject to performance conditions, generally will not recognize taxable income at the time the restricted stock is granted, but will recognize compensation taxable as ordinary

Table of Contents

income at the time the restrictions lapse in an amount equal to the excess of the fair market value of the shares of common stock at such time over the amount, if any, paid for such shares. However, a participant instead may elect to recognize compensation taxable as ordinary income on the date the restricted stock is granted in an amount equal to the fair market value of the shares on that date.

A participant who receives shares of common stock that are not subject to any restrictions under the Equity Plan will recognize compensation taxable as ordinary income on the date of grant in an amount equal to the fair market value of such shares on that date. The taxation of other stock based Awards will depend on how such Awards are structured. Generally, a participant who is granted an Award of restricted stock units, including restricted stock units subject to performance conditions, or some other phantom award will not recognize taxable income at the time such Award is granted. When the restrictions applicable to the Award lapse, and the shares of common stock subject to the restricted stock units or other phantom award are transferred (or any amount of cash is paid) to the participant, the participant will recognize compensation taxable as ordinary income in an amount equal to the fair market value of the shares of common stock on the date of transfer and the amount of any cash paid by the Company.

Subject to the Code's Section 162(m) deduction limitation described above, the Company may deduct, as a compensation expense, the amount of ordinary income recognized by a participant in connection with the Equity Plan at the time such ordinary income is recognized by that participant.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE VERITIV CORPORATION 2014 OMNIBUS INCENTIVE PLAN, AS AMENDED AND RESTATED TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE UNDER THE PLAN AND TO MODIFY THE PERFORMANCE GOALS THAT MAY BE USED TO GRANT AWARDS THAT ARE INTENDED TO QUALIFY AS PERFORMANCE-BASED COMPENSATION

**PROPOSAL 5 VOTE TO APPROVE THE AMENDED AND RESTATED VERITIV CORPORATION
2015 ANNUAL INCENTIVE PLAN**

The Board approved the Veritiv Corporation 2015 Annual Incentive Plan (the "Cash Plan"), as amended and restated to modify the performance goals that may be used to grant awards that are intended to qualify as performance-based compensation (the "Cash Plan Amendment.") The Board approved this Cash Plan Amendment subject to approval by the Company's stockholders. If the Cash Plan Amendment is not approved by stockholders, the Company will continue to operate the Cash Plan pursuant to its current provisions.

Purpose of the Plan Amendment.

Amendment to Performance Measures. The Cash Plan Amendment removes Adjusted EBITDA, as defined therein, from the list of performance goals that may be used to grant awards under the Cash Plan that are intended to qualify as performance-based compensation under Section 162(m), and instead provides that any of the performance goals may be applied on a pre- or post-tax basis and may be established or adjusted in accordance with Section 162(m) to include or exclude objectively determinable components of any performance goal, including, without limitation, "non-recurring items" as determined under U.S. generally accepted accounting principles, as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, and the charges or costs associated with restructurings of the Company, impairments, debt refinancing costs, noncash items, discontinued operations, capital gains and losses, dividends, stock repurchases, other unusual, non-recurring or infrequently occurring items, and the cumulative effects of changes in the law or accounting principles.

Re-Approval of Performance Measures. Approval of the Cash Plan Amendment will also constitute re-approval, for purposes of Section 162(m), of the material terms of the performance measures contained in the Cash Plan (described below) that are to be used in connection with awards under the Cash Plan that are intended to qualify as "performance-based" compensation for purposes of Section 162(m). One of the conditions for compensation to be considered "performance-based" under Section 162(m) is that the material terms under which such compensation will be paid (the class of eligible employees, performance criteria and the per-person maximums) be disclosed to and approved by stockholders every five years.

The following is a description of the material terms of the performance measures and certain other material terms of the Equity Plan, as amended and restated. This description is qualified in its entirety by reference to the Equity Plan, as amended and restated, a copy of which has been included as Appendix B to this proxy statement.

Summary Description of the Plan.

Purpose of the Cash Plan. The Cash Plan was initially approved by the Company's stockholders at the 2015 annual meeting of stockholders and is intended to retain and motivate the employees of the Company and its subsidiaries by providing them with the opportunity to earn incentive payments or stock-based awards based upon the extent to which specific performance goals have been achieved or exceeded for specified periods.

Administration. The Cash Plan is administered by the Compensation and Leadership Development Committee, or such other committee or subcommittee as may be designated by the Board or the Compensation and Leadership Development Committee (the "Committee").

Participants. All officers and other employees of the Company or any of its subsidiaries are eligible to participate in the Cash Plan but only if the Committee selects them for inclusion in the plan

Table of Contents

for a given performance period. It is presently contemplated that only our management-level employees (currently approximately 840 individuals) will be eligible to participate in the Cash Plan.

Award Limits. No participant may receive a payment in excess of \$10 million in any fiscal year of the Company, which amount shall be proportionately increased or decreased for performance periods that are more than or less than one year in duration.

Form of Award. Awards may be expressed based on the participant's annual salary or a multiple thereof. Payments under the Cash Plan may include, without limitation, cash, shares of Company common stock, or stock-based awards granted under the Company's equity incentive plan as in effect from time to time, or any other property approved by the Committee. All payments will be for a specified performance period and will be paid only if specified performance goals are attained.

Termination and Amendment. The Committee has the power to reduce the amount of any payment under an award or decide that no payment shall be made, and the Committee may in its sole discretion establish secondary performance goals that need not be specified in the performance goals section of the Cash Plan, which the Committee may use as guidelines in making the decision whether to reduce any such payment. The Committee or another committee or subcommittee designated by the Board or the Committee may amend or terminate the Cash Plan, as it deems advisable, subject to any requirement of stockholder approval required by law, rule or regulation, including Section 162(m).

Performance Measures. Pursuant to the Cash Plan, as amended and restated, the Committee will establish for each performance period one or more objective performance goals that must be satisfied in order for a participant to receive an award. At the discretion of the Committee, the performance goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("EBITDA"); (c) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (d) sales (including, but not limited to, total sales, net sales and revenue growth); (e) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (f) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (g) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (h) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (i) share price (including, but not limited to, growth measures and total shareholder return); (j) expense/cost management targets (including, but not limited, to expense management, expense ratio, expense efficiency ratios or other expense measures); (k) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins and EBITDA margins); (l) operating efficiency; (m) market share or market penetration; (n) customer targets (including, but not limited to, customer growth and customer satisfaction); (o) working capital targets or improvements; (p) economic value added; (q) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (r) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (s) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (t) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one or more of these criteria; (u) improvements in capital structure; (v) business expansion or consolidation (acquisitions and divestitures); (w) internal rate of return or increase in net present value; (x) productivity measures; (y) cost reduction measures or, for any period of time in which Section 162(m) is not applicable to the Company and the Cash Plan, or at any time in the case of (A) persons who are not "covered

Table of Contents

employees" under Section 162(m) or (B) awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m), such other criteria as may be determined by the Committee.

Performance goals may be established on a Company-wide basis or with respect to one or more subsidiaries or affiliates or business units, divisions, regions, departments, functions or products within the Company, a subsidiary or affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Committee may provide for a threshold level of performance below which no payment will be made, and a maximum level of performance above which no additional payments will be made, and it may provide for differing amounts of payments for different levels of performance. The applicable performance goals set forth above may be applied on a pre- or post-tax basis and may be established or adjusted in accordance with Section 162(m) to include or exclude objectively determinable components of any performance goal, including, without limitation, "non-recurring items" as determined under U.S. generally accepted accounting principles, as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, and the charges or costs associated with restructurings of the Company, impairments, debt refinancing costs, noncash items, discontinued operations, capital gains and losses, dividends, share repurchases, other unusual, non-recurring or infrequently occurring items, and the cumulative effects of changes in the law or accounting principles. Except in the case of awards to "covered employees" intended to be performance-based compensation under Section 162(m), the Committee may also adjust the performance goals for any performance period as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine.

Tax Matters. Subject to the Code's Section 162(m) deduction limitation described above, the Company may deduct, as a compensation expense, the amount of ordinary income recognized by a participant in connection with the Cash Plan at the time such ordinary income is recognized by that participant.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE VERITIV CORPORATION 2015 ANNUAL INCENTIVE PLAN, AS AMENDED AND RESTATED TO MODIFY THE PERFORMANCE GOALS THAT MAY BE USED TO GRANT AWARDS THAT ARE INTENDED TO QUALIFY AS PERFORMANCE-BASED COMPENSATION

(r) make all other decisions and determinations that may be required pursuant to the Plan or as the Administrator deems necessary or advisable to administer the Plan.

Section 3.3 *Delegation by the Administrator.* The Administrator may delegate, subject to such terms or conditions or guidelines as it shall determine, to any officer or group of officers, or Director or group of Directors, of the Company or its Affiliates any portion of its authority and powers under the Plan with respect to Participants who are not Executive Officers or non-employee Directors of the Board; *provided* that any delegation to one or more officers of the Company shall be subject to and comply with Section 157(c) of the Delaware General Corporation Law (or successor provision). In addition, (i) with respect to any Award intended to qualify as "performance-based" compensation under Section 162(m) of the Code, the Administrator shall mean the Compensation Committee or such other committee or subcommittee of the Board or the Compensation Committee as the Board or the Compensation Committee shall designate, consisting solely of two or more members, each of whom is an "outside director" within the meaning of Section 162(m) of the Code and Treasury Regulations Section 1.162-27(e)(3) or any successor to such statute and regulation and (ii) with respect to any Award intended to qualify for the exemption contained in Rule 16b-3 promulgated under the Exchange Act, the Administrator shall consist of solely two or more "non-employee directors" within the meaning of such rule, or, in the alternative, the entire Board.

Section 3.4 *Compensation, Professional Assistance, Administrator Decisions Final; Indemnification.* The Administrator shall receive no compensation for its services hereunder except as may be determined by the Board. All expenses and liabilities incurred by the Administrator in connection with the administration of the Plan shall be borne by the Company. The Administrator may, in its discretion, elect to engage the services of attorneys, consultants, accountants, appraisers, brokers or other persons. The Administrator, the Company and its officers and Directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations, decisions and determinations made by the Administrator shall be final, binding and conclusive upon all Participants, the Company and all other interested persons. The Administrator's determinations under the Plan need not be uniform and may be made by the Administrator selectively among persons who receive, or are eligible to receive, Awards under the Plan, whether or not such persons are similarly situated. The Administrator (and its members) shall not be personally liable for any action, determination or interpretation made with respect to the Plan or the Awards, and the Administrator (and its members), in addition to such other rights of indemnification as they may have as Directors or members of the Administrator, and to the extent allowed by Applicable Laws, shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit or proceeding or in connection with any appeal therein, to which the Administrator (and its members) may be party by reason of any such action, determination or interpretation.

Section 3.5 *Participants Based Outside the United States.* To conform with the provisions of local laws and regulations, or with local compensation practices and policies, in foreign countries in which the Company or any of its Subsidiaries or Affiliates operate, but subject to the limitations set forth herein regarding the maximum number of shares issuable hereunder and the maximum Award to any single Participant, the Administrator may (i) modify the terms and conditions of Awards granted to Participants employed or providing services outside the United States ("*Non-U.S. Awards*"), (ii) establish subplans with such modifications as may be necessary or advisable under the circumstances ("*Subplans*") and (iii) take any action which it deems advisable to obtain, comply with or otherwise reflect any necessary governmental regulatory procedures, exemptions or approvals with respect to the Plan. The Administrator's decision to grant Non-U.S. Awards or to establish Subplans is entirely voluntary, and at the complete discretion of the Administrator. The Administrator may amend, modify or terminate any Subplans at any time, and such amendment, modification or termination may be made without prior notice to the Participants. The Company, Subsidiaries, Affiliates and members of the

Table of Contents

Administrator shall not incur any liability of any kind to any Participant as a result of any change, amendment or termination of any Subplan at any time. The benefits and rights provided under any Subplan or by any Non-U.S. Award (x) are wholly discretionary and, although provided by either the Company, a Subsidiary or Affiliate, do not constitute regular or periodic payments and (y) except as otherwise required under Applicable Laws, are not to be considered part of the Participant's salary or compensation under the Participant's employment with the Participant's local employer for purposes of calculating any severance, resignation, redundancy or other end of service payments, vacation, bonuses, long-term service awards, indemnification, pension or retirement benefits, or any other payments, benefits or rights of any kind.

ARTICLE IV
Shares Subject to Plan

Section 4.1 *Shares Subject to Plan.*

(a) Subject to Section 4.3, the aggregate number of Shares which may be issued under this Plan is 3,080,000, all of which may be issued in the form of Incentive Stock Options under the Plan. The Shares issued under the Plan may be authorized but unissued, or reacquired Company Common Stock. No provision of this Plan shall be construed to require the Company to maintain the Shares in certificated form.

(b) Upon the grant of an Award, the maximum number of Shares set forth in Section 4.1(a) shall be reduced by the maximum number of Shares that are issued or may be issued pursuant to such Award. Upon the exercise, settlement or conversion of any Award or portion thereof, there shall again be available for grant under the Plan the number of Shares subject to such Award or portion thereof minus the actual number of Shares issued in connection with such exercise, settlement or conversion. If any such Award or portion thereof is for any reason forfeited, canceled, expired or otherwise terminated without the issuance of Shares, the Shares subject to such forfeited, canceled, expired or otherwise terminated Award or portion thereof shall again be available for grant under the Plan. If Shares are withheld from issuance with respect to an Award by the Company in satisfaction of any tax withholding or similar obligations, such withheld Shares shall again be available for grant under the Plan. Awards which the Administrator reasonably determines will be settled in cash shall not reduce the Plan maximum set forth in Section 4.1(a). Notwithstanding the foregoing, and except to the extent required by Applicable Law, Replacement Awards shall not be counted against Shares available for grant pursuant to this Plan.

Section 4.2 *Individual Award Limitations.* Subject to Section 4.1(a) and Section 4.3, the following individual Award limits shall apply to the extent Section 162(m) of the Code is applicable to the Company and the Plan, and for those Awards intended to qualify as performance-based compensation under Section 162(m) of the Code:

(a) No Participant may be granted in any calendar year more than 1,000,000 Options, SARs or any other Award based solely on the increase in value of the Shares from the Grant Date under the Plan.

(b) No Participant may be granted in any calendar year more than 1,000,000 Performance Shares, shares of performance-based Restricted Stock, performance-based Restricted Stock Units or performance-based Dividend Equivalents under the Plan.

(c) No Participant may be granted in any calendar year Performance Units or any other performance-based Award settled in cash under the Plan with a value of more than US \$10,000,000 (or the equivalent of such amount denominated in the Participant's local currency).

Section 4.3 *Changes in Company Common Stock; Disposition of Assets and Corporate Events.*

(a) If and to the extent necessary or appropriate to reflect any stock dividend, extraordinary dividend, stock split or share combination or any recapitalization, reorganization, merger, consolidation, combination, exchange of shares, spin-off, liquidation or dissolution of the Company or other similar transaction affecting the Company Common Stock (each, a "*Corporate Event*"), the Administrator shall adjust the number and type of shares available for issuance under the Plan, the maximum number and type of shares subject to all Awards, the maximum number and type of shares with respect to which any one person may be granted Awards during any period and the number, class and Option Price (if applicable) or Base Price (if applicable) of any outstanding Award, and/or make such substitution, revision or other provisions or take such other actions with respect to any outstanding Award or the holder or holders thereof, in each case as it determines to be equitable. Without limiting the generality of the foregoing sentence, in the event of any such Corporate Event, the Administrator shall have the power to make such changes as it deems appropriate in (i) the number and type of shares or other securities covered by outstanding Awards, (ii) the prices specified therein (if applicable), (iii) the securities, cash or other property to be received upon the exercise, settlement or conversion of such outstanding Awards or otherwise to be received in connection with such outstanding Awards and (iv) and any applicable Performance Goals. After any adjustment made by the Administrator pursuant to this Section 4.3, the number of shares subject to each outstanding Award shall be rounded down to the nearest whole number.

(b) Any adjustment of an Award pursuant to this Section 4.3 shall be effected in compliance with Section 422 and 409A of the Code to the extent applicable.

Section 4.4 *Award Agreement Provisions.* The Administrator may include such further provisions and limitations in any Award Agreement as it may deem equitable and in the best interests of the Company and its Subsidiaries.

Section 4.5 *Prohibition Against Repricing.* Except to the extent (i) approved in advance by holders of a majority of the Shares entitled to vote generally in the election of Directors or (ii) pursuant to Section 4.3 as a result of any Corporate Event, the Administrator shall not have the power or authority to reduce the exercise price of outstanding Options or SARs or cancel, convert, exchange, replace, buyout or surrender outstanding Options or SARs in exchange for cash, other awards or Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs.

ARTICLE V

Granting of Options and SARs and Sale of Company Common Stock

Section 5.1 *Eligibility.* Non-qualified Stock Options and SARs may be granted to Service Providers. Subject to Section 5.2, Incentive Stock Options may only be granted to Employees.

Section 5.2 *Qualification of Incentive Stock Options.* No Employee may be granted an Incentive Stock Option under the Plan if such Employee, at the time the Incentive Stock Option is granted, owns stock possessing more than ten (10) percent of the total combined voting power of all classes of stock of the Company or any then existing Subsidiary of the Company or "parent corporation" (within the meaning of Section 424(e) of the Code) unless such Incentive Stock Option conforms to the applicable provisions of Section 422 of the Code.

Section 5.3 *Granting of Options and SARs to Service Providers.*

(a) *Options and SARs.* The Administrator may from time to time:

Table of Contents

(i) Select from among the Service Providers (including those to whom Options or SARs have been previously granted under the Plan) such of them as in its opinion should be granted Options and/or SARs;

(ii) Determine the number of Shares to be subject to such Options and/or SARs granted to such Service Provider, and determine whether such Options are to be Incentive Stock Options or Non-qualified Stock Options; and

(iii) Determine the terms and conditions of such Options and SARs, consistent with the Plan.

(b) SARs may be granted in tandem with Options or may be granted on a freestanding basis, not related to any Option. Unless otherwise determined by the Administrator at the Grant Date or determined thereafter in a manner more favorable to the Participant, SARs granted in tandem with Options shall have substantially similar terms and conditions to such Options to the extent applicable, or may be granted on a freestanding basis, not related to any Option.

(c) Upon the selection of a Service Provider to be granted an Option or SAR under this Section 5.3, the Administrator shall issue, or shall instruct an authorized officer to issue, such Option or SAR and may impose such conditions on the grant of such Option or SAR as it deems appropriate. Subject to Section 15.2 of the Plan, any Incentive Stock Option granted under the Plan may be modified by the Administrator, without the consent of the Optionee, even if such modification would result in the disqualification of such Option as an "incentive stock option" under Section 422 of the Code.

ARTICLE VI

Terms of Options and SARs

Section 6.1 *Award Agreement.* Each Option and each SAR shall be evidenced by a written Award Agreement, which shall be executed by the Optionee and an authorized officer and which shall contain such terms and conditions as the Administrator shall determine, consistent with the Plan. Award Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to qualify such Options as "incentive stock options" under Section 422 of the Code.

Section 6.2 *Exercisability and Vesting of Options and SARs.*

(a) Each Option and SAR shall vest and become exercisable according to the terms of the applicable Award Agreement; *provided, however,* that by a resolution adopted after an Option or SAR is granted the Administrator may, on such terms and conditions as it may determine to be appropriate, accelerate the time at which such Option or SAR or any portion thereof may be exercised.

(b) Except as otherwise provided by the Administrator or in the applicable Award Agreement, no portion of an Option or SAR which is unexercisable on the date that an Optionee incurs a termination of service as a Service Provider shall thereafter become exercisable.

(c) The aggregate Fair Market Value (determined as of the Grant Date of the Option) of all Shares with respect to which Incentive Stock Options are first exercisable by a Service Provider in any calendar year may not exceed \$100,000 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-qualified Stock Options.

(d) SARs granted in tandem with an Option shall become vested and exercisable on the same date or dates as the Options with which such SARs are associated vest and become exercisable. SARs that are granted in tandem with an Option may only be exercised upon the surrender of the

Table of Contents

right to exercise such Option for an equivalent number of Shares, and may be exercised only with respect to the Shares for which the related Option is then exercisable.

Section 6.3 *Option Price and Base Price.* Excluding Replacement Awards, the per Share purchase price of the Shares subject to each Option (the "*Option Price*") and the Base Price of each SAR shall be set by the Administrator and shall be not less than 100% of the Fair Market Value of such Shares on the Grant Date of such Option or SAR.

Section 6.4 *Expiration of Options and SARs.* No Option or SAR may be exercised after the first to occur of the following events:

(a) The expiration of ten (10) years from the Grant Date of the Option or SAR; or

(b) With respect to an Incentive Stock Option in the case of an Optionee owning (within the meaning of Section 424(d) of the Code), at the time the Incentive Stock Option was granted, more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary, the expiration of five (5) years from the date the Incentive Stock Option was granted.

ARTICLE VII

Exercise of Options and SARs

Section 7.1 *Person Eligible to Exercise.* During the lifetime of the Optionee, only the Optionee may exercise an Option or SAR (or any portion thereof) granted to him or her; *provided, however*, that the Optionee's Eligible Representative may exercise his or her Option or SAR or portion thereof during the period of the Optionee's Disability. After the death of the Optionee, any exercisable portion of an Option or SAR may, prior to the time when such portion becomes unexercisable under the Plan or the applicable Award Agreement, be exercised by his or her Eligible Representative.

Section 7.2 *Partial Exercise.* At any time and from time to time prior to the date on which the Option or SAR becomes unexercisable under the Plan or the applicable Award Agreement, the exercisable portion of an Option or SAR may be exercised in whole or in part; *provided, however*, that the Company shall not be required to issue fractional Shares and the Administrator may, by the terms of the Option or SAR, require any partial exercise to exceed a specified minimum number of Shares.

Section 7.3 *Manner of Exercise.* Subject to any generally applicable conditions or procedures that may be imposed by the Administrator, an exercisable Option or SAR, or any exercisable portion thereof, may be exercised solely by delivery to the Administrator or its designee of all of the following prior to the time when such Option or SAR or such portion becomes unexercisable under the Plan or the applicable Award Agreement:

(a) Notice in writing signed by the Optionee or his or her Eligible Representative, stating that such Option or SAR or portion thereof is being exercised, and specifically stating the number of Shares with respect to which the Option or SAR is being exercised (which form of notice shall be provided by the Administrator upon request and may be electronic);

(b) (i) With respect to the exercise of any Option, full payment (in cash (through wire transfer only) or by personal, certified, or bank cashier check) of the aggregate Option Price of the Shares with respect to which such Option (or portion thereof) is thereby exercised; or

(ii) With the consent of the Administrator, (A) Shares owned by the Optionee duly endorsed for transfer to the Company or (B) Shares issuable to the Optionee upon exercise of the Option, with a Fair Market Value on the date of Option exercise equal to the aggregate Option Price of the Shares with respect to which such Option (or portion thereof) is thereby exercised; or

Table of Contents

(iii) With the consent of the Administrator, payment of the Option Price through a broker-assisted cashless exercise program established by the Company or other "cashless", or net issuance, basis; or

(iv) With the consent of the Administrator, any form of payment of the Option Price permitted by Applicable Laws and any combination of the foregoing methods of payment.

(c) Full payment to the Company (in cash or by personal, certified or bank cashier check or by any other means of payment approved by the Administrator) of all minimum amounts necessary to satisfy any and all Withholding Taxes arising in connection with the exercise of the Option or SAR (notice of the amount of which shall be provided by the Administrator as soon as practicable following receipt by the Administrator of the notice of exercise);

(d) Such representations and documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations. The Administrator shall provide the Optionee or Eligible Representative with all such representations and documents as soon as practicable following receipt by the Administrator of the notice of exercise. The Administrator may, in its sole discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer orders to transfer agents and registrars; and

(e) In the event that the Option or SAR or portion thereof shall be exercised as permitted under Section 7.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the Option or SAR or portion thereof.

Section 7.4 *Optionee Representations.* The Administrator, in its sole discretion, may require an Optionee to make certain representations or acknowledgements on or prior to the purchase of any Shares pursuant to any Option or SAR granted under this Plan, in respect thereof including, without limitation, that the Optionee is acquiring the Shares for an investment purpose and not for resale, and, if the Optionee is an Affiliate, additional acknowledgements regarding when and to what extent any transfers of such Shares may occur.

Section 7.5 *Settlement of SARs.* Unless otherwise determined by the Administrator, upon exercise of a SAR, the Participant shall be entitled to receive payment in the form, determined by the Administrator, of Shares, or cash, or a combination of Shares and cash having an aggregate value equal to the amount determined by multiplying:

(a) any increase in the Fair Market Value of one Share on the exercise date over the Base Price of such SAR, by

(b) the number of Shares with respect to which such SAR is exercised; *provided, however*, that on the Grant Date, the Administrator may establish, in its sole discretion, a maximum amount per Share that may be payable upon exercise of a SAR, and *provided, further*, that in no event shall the value of the Company Common Stock or cash delivered on exercise of a SAR exceed the excess of the Fair Market Value of the Shares with respect to which the SAR is exercised over the Fair Market Value of such Shares on the Grant Date of such SAR.

Section 7.6 *Conditions to Issuance of Shares.* The Company shall evidence the issuance of Shares delivered upon exercise of an Option or SAR in the books and records of the Company or in a manner determined by the Company. Notwithstanding the above, the Company shall not be required to effect the issuance of any Shares purchased upon the exercise of any Option or SAR or portion thereof prior to fulfillment of all of the following conditions:

(a) The admission of such Shares to listing on any and all stock exchanges on which such class of Company Common Stock is then listed;

Table of Contents

(b) The completion of any registration or other qualification of such Shares under any state or federal law or under the rulings or regulations of the U.S. Securities and Exchange Commission or any other local, state, federal or foreign governmental regulatory body, which the Administrator shall, in its sole discretion, deem necessary or advisable;

(c) The obtaining of any approval or other clearance from any state or federal governmental agency which the Administrator shall, in its sole discretion, determine to be necessary or advisable; and

(d) The payment to the Company (or its Subsidiary, as applicable) of all amounts which it is required to withhold under Applicable Law in connection with the exercise of the Option or SAR.

The Administrator shall not have any liability to any Optionee for any delay in the delivery of Shares to be issued upon an Optionee's exercise of an Option or SAR.

Section 7.7 *Rights as Stockholders.* The holder of an Option or SAR shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any Shares purchasable upon the exercise of any part of an Option or SAR unless and until the Shares attributable to the exercise of the Option or SAR have been issued by the Company to such holder and, unless otherwise determined by the Administrator, such holder has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

Section 7.8 *Transfer Restrictions.* Unless otherwise determined by the Administrator, the Shares acquired upon exercise of an Option or SAR shall be subject to the terms and conditions of the Award Agreement and such other terms and conditions as the Administrator shall determine. In addition, the Administrator, in its sole discretion, may set forth in an Award Agreement such further restrictions on the transferability of the Shares purchasable upon the exercise of an Option or SAR as it deems appropriate. Any such restriction may be referred to in the Share register maintained by the Company or otherwise in a manner reflecting its applicability to the Shares. The Administrator may require the Employee to give the Company prompt notice of any disposition of Shares acquired by exercise of an Incentive Stock Option, within two (2) years from the Grant Date of such Option or one (1) year after the transfer of such Shares to such Employee. The Administrator may cause the Share register maintained by the Company to refer to such requirement.

ARTICLE VIII

Restricted Stock Awards and Restricted Stock Unit Awards

Section 8.1 *Restricted Stock.*

(a) *Grant of Restricted Stock.* The Administrator is authorized to make Awards of Restricted Stock to any Service Provider selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. All Awards of Restricted Stock shall be evidenced by an Award Agreement.

(b) *Issuance and Restrictions.* Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Administrator may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Administrator determines on the Grant Date of the Award or thereafter.

(c) *Issuance of Restricted Stock.* The issuance of Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Administrator shall determine; *provided, that, no*

provision of this Plan shall be construed to require the Company to maintain the Shares in certificated form.

Section 8.2 *Restricted Stock Units.* The Administrator is authorized to make Awards of Restricted Stock Units to any Service Provider selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. On the Grant Date, the Administrator shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. On the Grant Date, the Administrator shall specify the settlement date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the grantee. Unless otherwise provided in an Award Agreement, on the settlement date, the Company shall, subject to the terms of this Plan (including satisfaction of applicable Withholding Taxes), transfer to the Participant one Share for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. The Administrator shall specify the purchase price, if any, to be paid by the grantee to the Company for such Shares.

Section 8.3 *Rights as a Stockholder.* A Participant shall not be, nor have any of the rights or privileges of, a stockholder in respect of Restricted Stock Units awarded pursuant to the Plan unless and until the Shares attributable to such Restricted Stock Units have been issued to such Participant and, unless otherwise determined by the Administrator, such Participant has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

ARTICLE IX

Performance Shares and Performance Units

All Performance Shares and Performance Units shall be evidenced by an Award Agreement.

Section 9.2 *Issuance and Restrictions.* The Administrator shall have the authority to determine the Participants who shall receive Performance Shares and Performance Units, the number of Performance Shares and the number and value of Performance Units each Participant receives for any Performance Cycle, and the Performance Goals applicable in respect of such Performance Shares and Performance Units for each Performance Cycle. The Administrator shall determine the duration of each Performance Cycle (the duration of Performance Cycles may differ from one another), and there may be more than one Performance Cycle in existence at any one time. An Award Agreement evidencing the grant of Performance Shares or Performance Units shall specify the number of Performance Shares and the number and value of Performance Units awarded to the Participant, the Performance Goals applicable thereto, and such other terms and conditions not inconsistent with the Plan as the Administrator shall determine. No Company Common Stock will be issued at the time an Award of Performance Shares is made, and the Company shall not be required to set aside a fund for the payment of Performance Shares or Performance Units.

Section 9.3 *Earned Performance Shares and Performance Units.* Performance Shares and Performance Units shall become earned, in whole or in part, based upon the attainment of specified Performance Goals or the occurrence of any event or events, as the Administrator shall determine, either in an Award Agreement or thereafter on terms more favorable to the Participant; *provided, that*, as to any such Award subject to Section 162(m), to the extent consistent with Section 162(m). Section 9.4 *Rights as a Stockholder.* A Participant shall not have any rights as a stockholder in respect of Performance Shares or Performance Units awarded pursuant to the Plan (including, without limitation, to the right to vote on any matter submitted to the Company's stockholders) unless and until the Shares attributable to such Performance Shares or Performance Units have been issued to such Participant or his or her beneficiary and, unless otherwise determined by the Administrator, such Participant has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

Section 9.5 *Performance Goals.* The Administrator shall establish the Performance Goals that must be satisfied in order for a Participant to receive an Award for a Performance Period or for an Award of Performance Shares or Performance Units to be earned or vested. At the discretion of the Administrator, the Performance Goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (d) sales (including, but not limited to, total sales, net sales and revenue growth); (e) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (f) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (g) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (h) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (i) share price (including, but not limited to, growth measures and total shareholder return); (j) expense/cost management targets (including, but not limited, to expense management, expense ratio, expense efficiency ratios or other expense measures); (k) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins and EBITDA margins); (l) operating efficiency; (m) market share or market penetration; (n) customer targets (including, but not limited to, customer growth and customer satisfaction); (o) working capital targets or improvements; (p) economic value added; (q) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (r) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (s) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (t) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one more of these criteria; (u) improvements in capital structure; (v) business expansion or consolidation (acquisitions and divestitures); (w) internal rate of return or increase in net present value, (x) productivity measures; (y) cost reduction measures or, for any period of time in which Section 162(m) is not applicable to the Company and the Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) of the Code or (B) Awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m) of the Code, such other criteria as may be determined by the Administrator.

Performance Goals may be established on a Company-wide basis or with respect to one or more Subsidiaries or Affiliates or business units, divisions, regions, departments, functions or products within the Company, a Subsidiary or Affiliate and may be expressed in absolute terms, or an adjusted basis, in

Table of Contents

percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more Subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance Goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Administrator may provide for a threshold level of performance below which no Shares or compensation will be granted or paid in respect of Performance Shares or Performance Units, and a maximum level of performance above which no additional Shares or compensation will be granted or paid in respect of Performance Shares or Performance Units, and it may provide for differing amounts of Shares or compensation to be granted or paid in respect of Performance Shares or Performance Units for different levels of performance. The applicable Performance Goals set forth above may be applied on a pre- or post-tax basis and may be established or adjusted in accordance with Section 162(m) of the Code to include or exclude objectively determinable components of any Performance Goal, including, without limitation, "non-recurring items" as determined under U.S. generally accepted accounting principles, as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, and the charges or costs associated with restructurings of the Company, impairments, debt refinancing costs, noncash items, discontinued operations, capital gains and losses, dividends, Share repurchases, other unusual, non-recurring or infrequently occurring items, and the cumulative effects of changes in the law or accounting principles. Except in the case of Awards to "covered employees" intended to be performance-based compensation under Section 162(m) of the Code, the Administrator may also adjust the Performance Goals for any Performance Cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Administrator may determine.

Section 9.6 Special Rule for Performance Goals. If, at the time of grant, the Administrator intends a Performance Share Award, Performance Unit or other Performance Award to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the Administrator must establish Performance Goals for the applicable Performance Cycle prior to the 91st day of the Performance Cycle (or by such other date as may be required under Section 162(m) of the Code) and not later than the date on which 25% of the Performance Cycle has elapsed.

Section 9.7 Negative Discretion. Notwithstanding anything in this Article IX to the contrary, the Administrator shall have the right, in its absolute discretion, (i) to reduce or eliminate the amount otherwise payable to any Participant under Section 9.8 based on individual performance or any other factors that the Administrator, in its discretion, shall deem appropriate and (ii) to establish rules or procedures that have the effect of limiting the amount payable to each Participant to an amount that is less than the maximum amount otherwise authorized under the Award or under the Plan.

Section 9.8 Certification of Attainment of Performance Goals. As soon as practicable after the end of a Performance Cycle and prior to any payment or vesting in respect of such Performance Cycle, the Administrator shall certify in writing the number of Performance Shares or other Performance Awards and the number and value of Performance Units that have been earned or vested on the basis of performance in relation to the established Performance Goals.

Section 9.9 Payment of Awards. Payment or delivery of Company Common Stock with respect to earned Performance Shares and earned Performance Units shall be made to the Participant or, if the Participant has died, to the Participant's Eligible Representative, as soon as practicable after the expiration of the Performance Cycle and the Administrator's certification under Section 9.8 above and (unless an applicable Award Agreement shall set forth one or more other dates) in any event no later

Table of Contents

than the earlier of (i) ninety (90) days after the end of the fiscal year in which the Performance Cycle has ended and (ii) ninety (90) days after the expiration of the Performance Cycle. The Administrator shall determine and set forth in the applicable Award Agreement whether earned Performance Shares and the value of earned Performance Units are to be distributed in the form of cash, Shares or in a combination thereof, with the value or number of Shares payable to be determined based on the Fair Market Value of the Company Common Stock on the date of the Administrator's certification under Section 9.8 above or such other date specified in the Award Agreement. The Administrator may, in an Award Agreement with respect to the award or delivery of Shares, condition the vesting of such Shares on the performance of additional service.

Section 9.10 *Newly Eligible Participants.* Notwithstanding anything in this Article IX to the contrary, the Administrator shall be entitled to make such rules, determinations and adjustments as it deems appropriate with respect to any Participant who becomes eligible to receive Performance Shares, Performance Units or other Performance Awards after the commencement of a Performance Cycle.

ARTICLE X
Deferred Share Units

Section 10.1 *Grant.* Subject to Article III, the Administrator is authorized to make awards of Deferred Share Units to any Participant selected by the Administrator at such time or times as shall be determined by the Administrator without regard to any election by the Participant to defer receipt of any compensation or bonus amount payable to him. Upon the grant of Deferred Share Units pursuant to the Plan, the Company shall establish a notional account for the Participant and will record in such account the number of Deferred Share Units awarded to the Participant. No Shares will be issued to the Participant at the time an award of Deferred Share Units is granted. Subject to Article III, Deferred Share Units may become payable on a Corporate Event, Change in Control, termination of employment or on a specified date or dates or a specified event or events set forth in the Award Agreement evidencing such Deferred Share Units.

Section 10.2 *Rights as a Stockholder.* A Participant shall not be, nor have any of the rights and privileges of, a stockholder of the Company in respect of Deferred Share Units awarded pursuant to the Plan unless and until the Shares attributable to such Deferred Share Units have been issued to such Participant and, unless otherwise determined by the Administrator, such Participant has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

Section 10.3 *Vesting.* Unless the Administrator provides otherwise on the Grant Date or provides thereafter in a manner more favorable to the Participant, Deferred Share Units shall be fully vested and nonforfeitable when granted.

Section 10.4 *Further Deferral Elections.* A Participant may elect to further defer receipt of Shares issuable in respect of Deferred Share Units (or an installment of an Award) for a specified period or until a specified event and in a manner consistent with Section 409A of the Code, subject in each case to the Administrator's approval and to such terms as are determined by the Administrator, all in its sole discretion. Subject to any exceptions adopted by the Administrator, such election must generally be made at least twelve (12) months prior to the prior settlement date of such Deferred Share Units (or any such installment thereof) and must defer settlement for at least five (5) years after such prior settlement date. A further deferral opportunity does not have to be made available to all Participants, and different terms and conditions may apply with respect to the further deferral opportunities made available to different Participants.

Section 10.5 *Settlement*. Subject to this Article X, upon the date specified in the Award Agreement evidencing the Deferred Share Units, for each such Deferred Share Unit the Participant shall receive, as specified in the Award Agreement (and subject to satisfaction of applicable withholding taxes), (i) a cash payment equal to the Fair Market Value of one (1) Share as of such payment date, (ii) one (1) Share or (iii) any combination of clauses (i) and (ii).

ARTICLE XI
Other Stock-Based Awards

Section 11.1 *Grant of Stock-Based Awards*. The Administrator is authorized to make Awards of other types of equity-based or equity-related awards ("*Stock-Based Awards*") not otherwise described by the terms of the Plan in such amounts and subject to such terms and conditions as the Administrator shall determine. All Stock-Based Awards shall be evidenced by an Award Agreement. Such Stock-Based Awards may be granted as an inducement to enter the employ of the Company or any Subsidiary or in satisfaction of any obligation of the Company or any Subsidiary to an officer or other key employee, whether pursuant to this Plan or otherwise, that would otherwise have been payable in cash or in respect of any other obligation of the Company. Such Stock-Based Awards may entail the transfer of actual Shares, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

Section 11.2 *Sale of Company Common Stock to Service Providers*. The Administrator, acting in its sole discretion, may from time to time designate one or more Service Providers to whom an offer to sell Shares shall be made and the terms and conditions thereof, *provided, however*, that the price per Share shall not be less than the Fair Market Value of such Shares on the date any such offer is accepted. Any Shares sold under this Section 11.2 shall be subject to the same limitations, restrictions and administration hereunder as would apply to any Shares issued pursuant to the exercise of an Option under this Plan including, without limitation, conditions and restrictions set forth in Section 7.6 above. Unless otherwise determined by the Administrator, Shares acquired pursuant to this Section 11.2 shall also be subject to the terms and conditions of an Award Agreement, which shall be executed by the Participant and an authorized officer.

Section 11.3 *Automatic Grants for Directors*. The Administrator may institute, by resolution, grants of automatic Awards to new and continuing Directors, with the number and type of such Awards, the frequency of grant and all related terms and conditions, including any applicable vesting conditions, as determined by the Administrator in its sole discretion.

ARTICLE XII
Dividend Equivalents

Section 12.1 *Generally*. Dividend Equivalents may be granted to Participants at such time or times as shall be determined by the Administrator. Dividend Equivalents may be granted in tandem with other Awards, in addition to other Awards, or freestanding and unrelated to other Awards. Dividend Equivalents may, at the discretion of the Administrator, be fully vested and nonforfeitable when granted or subject to such vesting conditions as determined by the Administrator. For the avoidance of doubt, Dividend Equivalents with respect to Awards (including any performance-based awards) shall not be fully vested until the Awards have been earned and shall be forfeited if the related Award is forfeited. Dividend Equivalents shall be evidenced in writing, whether as part of the Award Agreement governing the terms of the Award, if any, to which such Dividend Equivalent relates, or pursuant to a separate Award Agreement with respect to freestanding Dividend Equivalents, in each case, containing such provisions not inconsistent with the Plan as the Administrator shall determine, including customary representations, warranties and covenants with respect to securities law matters.

ARTICLE XIII

Termination and Forfeiture

Section 13.1 *Termination for Cause.* Unless otherwise determined by the Administrator at the Grant Date and set forth in the Award Agreement covering the Award or otherwise in writing or determined thereafter in a manner more favorable to the Participant, if a Participant's employment or service terminates for Cause, all Options and SARs, whether vested or unvested, and all other Awards that are unvested or unexercisable or otherwise unpaid (or were unvested or unexercisable or unpaid at the time of occurrence of Cause) shall be immediately forfeited and canceled, effective as of the date of the Participant's termination of service.

Section 13.2 *Termination for Any Other Reason.* Unless otherwise determined by the Administrator at the Grant Date and set forth in the Award Agreement covering the Award or otherwise in writing or determined thereafter in a manner more favorable to the Participant, if a Participant's employment or service terminates for any reason other than Cause:

(a) All Awards that are unvested or unexercisable shall be immediately forfeited and canceled, effective as of the date of the Participant's termination of service;

(b) All Options and SARs that are vested shall remain outstanding until the earliest of the following: (x) in the case of termination for death, Disability or retirement at normal retirement age, the 180th day following the date of the Participant's death, Disability or retirement at normal retirement age, (y) the three-month anniversary of the effective date of the Participant's termination for any reason other than death, Disability or retirement at normal retirement age or (z) the Award's normal expiration date, after which any unexercised Options and SARs shall immediately terminate; and

(c) All Awards other than Options and SARs that are vested shall be treated as set forth in the applicable Award Agreement (or in any more favorable manner determined by the Administrator).

Section 13.3 *Post-Termination Informational Requirements.* Before the settlement of any Award following termination of employment or service, the Administrator may require the Participant (or the Participant's Eligible Representative, if applicable) to make such representations and provide such documents as the Administrator deems necessary or advisable to effect compliance with Applicable Law and determine whether the provisions of Section 13.1 or Section 13.4 may apply to such Award.

Section 13.4 *Forfeiture of Awards.* Awards granted under this Plan (and gains earned or accrued in connection with Awards) shall be subject to such generally applicable policies as to forfeiture and recoupment (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates) as may be adopted by the Administrator or the Board from time to time and communicated to Participants. Any such policies may (in the discretion of the Administrator or the Board) be applied to outstanding Awards at the time of adoption of such policies, or on a prospective basis only. The Administrator may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain events (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates). The Participant shall also forfeit and disgorge to the Company any Awards granted or vested and any gains earned or accrued due to the exercise of Options or SARs or the sale of any Company Common Stock to the extent required by Applicable Law or regulations in effect on or after the Effective Date, including Section 304 of the Sarbanes-Oxley Act of 2002 and Section 10D of the Exchange Act. For the avoidance of doubt, the

Table of Contents

Administrator shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder. The implementation of policies and procedures pursuant to this Section 13.4 and any modification of the same shall not be subject to any restrictions on amendment or modification of Awards.

Section 13.5 *Clawbacks.* Awards shall be subject to any generally applicable clawback policy adopted by the Administrator, the Board or the Company that is communicated to the Participants or any such policy adopted to comply with Applicable Law.

ARTICLE XIV
Change in Control

Section 14.1 *Alternative Award.* Subject to Section 14.2, upon a Change in Control, outstanding Awards (other than Awards that by their express terms are forfeited upon a Change in Control (e.g., by reason of performance goals not having been satisfied)) shall be honored or assumed, or new rights shall be substituted therefor, effective following the Change in Control (such honored, assumed or substituted award, an "Alternative Award") having such terms and conditions as are determined by the Administrator, *provided* that any Alternative Awards must (i) include rights and entitlements substantially equivalent to or better than the rights and entitlements applicable under the Award immediately prior to the Change in Control (except that, for avoidance of doubt, the Alternative Awards may relate to an equity interest of a direct or indirect parent of the Company or an Affiliate rather than to the Company Common Stock); (ii) as to any service-based vesting requirement applicable to the Award, provide for full vesting of the Alternative Award upon the Participant's termination of employment without Cause or in a constructive discharge during the remaining vesting period thereof (with "constructive discharge" to have such meaning as is determined by the Administrator as to a Participant who is not otherwise covered by a Good Reason provision); (iii) as to any performance-based vesting requirement applicable to the Award, provide for vesting of the Alternative Award at target levels upon the Participant's termination of employment without Cause or in a constructive discharge during the remaining vesting period thereof; (iv) as to any Alternative Awards that are stock options, have identical or better methods of payment of the exercise price thereof; and (v) provide for a substantially equivalent method by which the Participant is able to receive cash in respect of the Alternative Awards (or such other method as may be agreed by the Administrator and the counterparty in the Change in Control). If the Administrator determines in connection with a Change in Control that performance-based vesting requirements applicable to an Award will no longer operate as intended following the Change in Control or will no longer provide the intended incentive, the Administrator may modify such performance-based vesting requirements or impose new performance-based vesting requirements so long as the Administrator determines that such modified or new performance-based vesting requirements are not materially more difficult to achieve than the performance-based vesting requirements applicable to the Award immediately prior to the Change in Control.

Section 14.2 *Accelerated Vesting and Payment.* In the event that the Administrator determines, whether in an Award Agreement or thereafter, including at the time of or in connection with a Change in Control, that the provisions of Section 14.1 shall not (or shall no longer) apply, then the Administrator may determine, in whole or in part and in any combination, that, upon a Change in Control:

- (a) each vested and unvested Option or SAR shall be canceled in exchange for a payment equal to the excess, if any, of the Change in Control Price over the applicable Option Price or Base Price;
- (b) the vesting restrictions applicable to all other unvested Awards (other than freestanding Dividend Equivalents not granted in connection with another Award) shall lapse, all such Awards

Table of Contents

shall vest and become non-forfeitable and be canceled in exchange for a payment equal to the Change in Control Price;

(c) all other Awards (other than freestanding Dividend Equivalents not granted in connection with another Award) that were vested prior to the Change in Control but that have not been settled or converted into Shares prior to the Change in Control shall be canceled in exchange for a payment equal to the Change in Control Price; and

(d) all freestanding Dividend Equivalents not granted in connection with another Award shall be cancelled without payment therefor.

To the extent any portion of the Change in Control Price is payable other than in cash and/or other than at the time of the Change in Control, equity holders under the Plan may (to the extent consistent with Section 409A) receive the same time and form of payment in the Change in Control in the same proportion as the Company's stockholders, or the Administrator may, in its sole discretion, cause equity holders under the Plan to be paid in cash at the time of the Change in Control. For avoidance of doubt, upon a Change in Control the Administrator may cancel Options and SARs for no consideration if the aggregate Fair Market Value of the Shares subject to Options and SARs is less than or equal to the Option Price of such Options or the Base Price of such SARs.

Section 14.3 *Section 409A*. Notwithstanding the broad discretion of the Administrator in Sections 14.1 and 14.2, if any Award is subject to Section 409A of the Code and an Alternative Award would be deemed a non-compliant modification of such Award under Section 409A, then no Alternative Award shall be provided and such Award shall instead be treated as provided in Section 14.2 or in the Award Agreement (or in such other manner determined by the Administrator that is a compliant modification under Section 409A).

Section 14.4 *Successors and Assigns*. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company and its Affiliates, taken as a whole.

ARTICLE XV
Other Provisions

Section 15.1 *Awards Not Transferable*. Unless otherwise agreed to in writing by the Administrator, no Award or interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Participant or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; *provided, however*, that nothing in this Section 15.1 shall prevent transfers by will or by the applicable laws of descent and distribution or, with the prior approval of the Company's General Counsel or the Administrator, estate planning transfers.

Section 15.2 *Amendment, Suspension or Termination of the Plan or Award Agreements*.

(a) The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Administrator; *provided* that without the approval by a majority of the shares entitled to vote at a duly constituted meeting of shareholders of the Company, no amendment or modification to the Plan may (i) except as otherwise expressly provided in Section 4.3, increase the number of Shares subject to the Plan or the individual Award limitations specified in Section 4.2; (ii) modify the class of persons eligible for participation in the

Table of Contents

Plan; or (iii) materially modify the Plan in any other way that would require shareholder approval under Applicable Law.

(b) Except as otherwise expressly provided in the Plan, neither the amendment, suspension nor termination of the Plan shall, without the consent of the holder of the Award, adversely alter or impair any rights or obligations under any Award theretofore granted. Except as provided by Section 4.3, notwithstanding the foregoing, the Administrator at any time, and from time to time, may amend the terms of any one or more existing Award Agreements, *provided, however*, that the rights of a Participant under an Award Agreement shall not be adversely impaired without the Participant's written consent. The Company shall provide a Participant with notice of any amendment made to such Participant's existing Award Agreement in accordance with the terms of this Section 15.2(b).

(c) Notwithstanding any provision of the Plan to the contrary, in no event shall adjustments made by the Administrator pursuant to Section 4.3 or the application of Section 13.5, Section 14.1, Section 14.2, Section 15.7 or Section 15.14 to any Participant constitute an amendment of the Plan or of any Award Agreement requiring the consent of any Participant.

(d) No Award may be granted during any period of suspension nor after termination of the Plan, and in no event may any Award be granted under this Plan after the expiration of ten (10) years from the Effective Date.

Section 15.3 *Effect of Plan upon Other Award and Compensation Plans.* The adoption of this Plan shall not affect any other compensation or incentive plans in effect for the Company or any of its Subsidiaries. Nothing in this Plan shall be construed to limit the right of the Company or any of its Subsidiaries (a) to establish any other forms of incentives or compensation for Service Providers or (b) to grant or assume options or restricted stock other than under this Plan in connection with any proper corporate purpose, including, but not by way of limitation, the grant or assumption of options or restricted stock in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, firm or association.

Section 15.4 *No Fractional Shares.* No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Administrator shall determine whether cash, additional Awards or other securities or properties shall be issued or paid in lieu of fractional shares of Common Stock or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

Section 15.5 *At-Will Employment.* Nothing in the Plan or any Award Agreement hereunder shall confer upon the Participant any right to continue as a Service Provider of the Company or any of its Subsidiaries or shall interfere with or restrict in any way the rights of the Company and any of its Subsidiaries, which are hereby expressly reserved, to discharge any Participant at any time for any reason whatsoever, with or without notice, and with or without Cause.

Section 15.6 *Titles.* Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of the Plan.

Section 15.7 *Conformity to Securities Laws.* The Plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act and any and all regulations and rules promulgated under any of the foregoing, to the extent the Company, any of its Subsidiaries or any Participant is subject to the provisions thereof. Notwithstanding anything herein to the contrary, the Plan shall be administered, and Awards shall be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the Plan and Awards granted hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Table of Contents

Section 15.8 *Term of Plan.* The Plan became effective on the date as of which it was initially adopted by the Board (the "*Effective Date*") and shall continue in effect, unless sooner terminated pursuant to Section 15.2, until the tenth (10th) anniversary of the Effective Date. No Award shall be granted pursuant to the Plan after such date, but Awards theretofore granted may extend beyond that date. The provisions of the Plan shall continue thereafter to govern all outstanding Awards. The Plan has been amended and restated, as set forth herein, effective March 8, 2017, subject to approval by the stockholders of the Company at the Company's 2017 annual meeting.

Section 15.9 *Governing Law.* To the extent not preempted by federal law, the Plan shall be construed in accordance with and governed by the laws of the State of Delaware regardless of the application of rules of conflict of law that would apply the laws of any other jurisdiction.

Section 15.10 *Severability.* In the event any portion of the Plan or any action taken pursuant thereto shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provisions had not been included, and the illegal or invalid action shall be null and void.

Section 15.11 *Governing Documents.* In the event of any express contradiction between the Plan and any Award Agreement or any other written agreement between a Participant and the Company or any Subsidiary of the Company that has been approved by the Administrator, the express terms of the Plan shall govern, unless it is expressly specified in such Award Agreement or other written document that such express provision of the Plan shall not apply.

Section 15.12 *Withholding Taxes.* In addition to any rights or obligations with respect to Withholding Taxes under the Plan or any applicable Award Agreement, the Company or any Subsidiary employing a Service Provider shall have the right to withhold from the Service Provider, or otherwise require the Service Provider or an assignee to pay, any Withholding Taxes arising as a result of grant, exercise, vesting or settlement of any Award or any other taxable event occurring pursuant to the Plan or any Award Agreement, including, without limitation, to the extent permitted by law, the right to deduct any such Withholding Taxes from any payment of any kind otherwise due to the Service Provider or to take such other actions (including, without limitation, withholding any Shares or cash deliverable pursuant to the Plan or any Award) as may be necessary to satisfy such Withholding Taxes; *provided, however*, that in the event that the Company withholds Shares issued or issuable to the Participant to satisfy all or any portion of the Withholding Taxes, the Company shall withhold a number of whole Shares having a Fair Market Value, determined as of the date of withholding, not in excess of the minimum of tax required to be withheld by Applicable Law (or such lower amount as may be necessary to avoid liability award accounting) and any remaining amount shall be remitted in cash or withheld; and *provided, further*, that with respect to any Award subject to Section 409A of the Code, in no event shall Shares be withheld pursuant to this Section 15.12 (other than upon or immediately prior to settlement in accordance with the Plan and the applicable Award Agreement) other than to pay taxes imposed under the U.S. Federal Insurance Contributions Act (FICA) and any associated U.S. federal withholding tax imposed under Section 3401 of the Code and in no event shall the value of such Shares (other than upon immediately prior to settlement) exceed the amount of the tax imposed under FICA and any associated U.S. federal withholding tax imposed under Section 3401 of the Code. The Participant shall be responsible for all Withholding Taxes and other tax consequences of any Award granted under this Plan.

Section 15.13 *Unfunded Plan.* The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to segregate any assets to assure the performance of its obligations under the Plan.

Section 15.14 *Section 409A.* To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent

Table of Contents

applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the adoption of the Plan. Notwithstanding any provision of the Plan to the contrary, in the event that following the adoption of the Plan, the Administrator determines that any Award may be subject to Section 409A of the Code and related regulations and Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the adoption of the Plan), the Administrator may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance or (c) comply with any correction procedures available with respect to Section 409A of the Code. Notwithstanding anything else contained in this Plan or any Award Agreement to the contrary, if a Service Provider is a "specified employee" as determined pursuant to Section 409A under any Company Specified Employee policy in effect at the time of the Service Provider's "separation from service" (as determined under Section 409A) or, if no such policy is in effect, as defined in Section 409A of the Code), then, to the extent necessary to comply with, and avoid imposition on such Service Provider of any tax penalty imposed under, Section 409A of the Code, any payment required to be made to a Service Provider hereunder upon or following his or her separation from service shall be delayed until the first to occur of (i) the six-month anniversary of the Service Provider's separation from service and (ii) the Service Provider's death. Should payments be delayed in accordance with the preceding sentence, the accumulated payment that would have been made but for the period of the delay shall be paid in a single lump sum during the ten-day period following the lapsing of the delay period. Notwithstanding the foregoing, neither the Company nor the Administrator shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Participant under Section 409A of the Code and neither the Company nor the Administrator shall have any liability to any Participant for such tax or penalty. No provision of this Plan or an Award Agreement shall be construed to indemnify any Service Provider for any taxes incurred by reason of Section 409A (or timing of incurrence thereof), other than an express indemnification provision therefor.

Section 15.15 *Section 16.* It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this Section 15.15, such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

Section 15.16 *Section 162(m).* To the extent the Administrator issues any Award that is intended to be exempt from the deduction limitation of Section 162(m) of the Code, the Administrator may, without shareholder or grantee approval, amend the Plan or the relevant Award Agreement retroactively or prospectively to the extent it determines necessary in order to comply with any subsequent clarification of Section 162(m) of the Code required to preserve the Company's federal income tax deduction for compensation paid pursuant to any such Award.

Section 15.17 *Beneficiary Designation.* Each Participant under the Plan may from time to time name any beneficiary or beneficiaries by whom any right under the Plan is to be exercised in case of such Participant's death. Each designation will revoke all prior designations by the same Participant, shall be in a form reasonably prescribed by the Administrator and shall be effective only when filed by the Participant in writing with the Company during the Participant's lifetime.

Section 15.18 *Notices.* Except as provided otherwise in an Award Agreement, all notices and other communications required or permitted to be given under this Plan or any Award Agreement shall be in writing and shall be deemed to have been given if delivered personally, sent by email or any other form of electronic transfer approved by the Administrator, sent by certified or express mail, return receipt requested, postage prepaid, or by any recognized international equivalent of such delivery, (i) in the case of notices and communications to the Company, to 1000 Abernathy Road NE, Building 400, Suite 1700, Atlanta, GA 30328 to the attention of the Corporate Secretary of the Company or (ii) in the case of a Participant, to the last known address, or email address or, where the individual is an employee of the Company or one of its subsidiaries, to the individual's workplace address or email address or by other means of electronic transfer acceptable to the Administrator. VERITIV CORPORATION
2015 ANNUAL INCENTIVE PLAN
(As Amended and Restated, Effective March 8, 2017)

I. PURPOSES

The purposes of the Veritiv Corporation 2015 Annual Incentive Plan (the "*Plan*") are to retain and motivate the officers and other employees of Veritiv Corporation (the "*Company*") and its subsidiaries who have been designated by the Committee to participate in the Plan for a specified Performance Period by providing them with the opportunity to earn incentive payments based upon the extent to which specified performance goals have been achieved or exceeded for an applicable Performance Period. It is intended that all amounts payable to Participants who are "covered employees" within the meaning of Section 162(m) of the Code will constitute "qualified performance-based compensation" within the meaning of U.S. Treasury regulations promulgated thereunder, and the Plan and the terms of any awards hereunder shall be so interpreted and construed to the maximum extent possible.

The Committee's interpretation, construction and administration of the Plan and all its determinations hereunder shall be final, conclusive and binding on all persons for all purposes.

- (c) to determine the form of payment of Individual Award Opportunities, which may include, without limitation, cash, shares of Company common stock or stock-based awards granted under the Company's equity incentive plan as in effect from time to time, or any other property approved by the Committee;
- (d) to determine and certify in writing prior to the payment under any Individual Award Opportunity that the performance goals for a Performance Period and other material terms applicable to the Individual Award Opportunity have been satisfied;

IV. PERFORMANCE GOALS

The Committee shall establish within the Determination Period of each Performance Period one or more objective performance goals for each Participant or for any group of Participants (or both), provided that the outcome of each goal is substantially uncertain at the time the Committee establishes such goal. At the discretion of the Committee, the performance goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (d) sales (including, but not limited to, total sales, net sales and revenue growth); (e) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (f) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (g) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (h) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (i) share price (including, but not limited to, growth measures and total shareholder return); (j) expense/cost management targets (including, but not limited, to expense management, expense ratio, expense efficiency ratios or other expense measures); (k) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins and EBITDA margins); (l) operating efficiency; (m) market share or market penetration; (n) customer targets (including, but not limited to, customer growth and customer satisfaction); (o) working capital targets or improvements; (p) economic value added; (q) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (r) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (s) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (t) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one more of these criteria; (u) improvements in capital structure; (v) business expansion or consolidation (acquisitions and divestitures); (w) internal rate of return or increase in net present value; (x) productivity measures; (y) cost reduction measures or, for any period of time in which Section 162(m) is not applicable to the Company and the Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) of the Code or (B) awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m) of the Code, such other criteria as may be determined by the Committee.

Performance goals may be established on a Company-wide basis or with respect to one or more subsidiaries or affiliates or business units, divisions, regions, departments, functions or products within the Company, a subsidiary or affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Committee may provide for a threshold level of performance below which no payment will be made, and a maximum level of performance above which no additional payments will be made, and it may provide for differing amounts of payments for different levels of performance. The applicable performance goals set forth above may be applied on a

pre- or post-tax basis and may be established or adjusted in accordance with Section 162(m) of the Code to include or exclude objectively determinable components of any performance goal, including, without limitation, "non-recurring items" as determined under U.S. generally accepted accounting principles, as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, and the charges or costs associated with restructurings of the Company, impairments, debt refinancing costs, noncash items, discontinued operations, capital gains and losses, dividends, share repurchases, other unusual, non-recurring or infrequently occurring items, and the cumulative effects of changes in the law or accounting principles. Except in the case of awards to "covered employees" intended to be performance-based compensation under Section 162(m) of the Code, the Committee may also adjust the performance goals for any Performance Period as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine.

V. INDIVIDUAL AWARD OPPORTUNITIES

5.1. **Terms.** At the time performance goals are established for a Performance Period, the Committee also shall establish an Individual Award Opportunity for each Participant or group of Participants, which shall be based on the achievement of one or more specified targets of performance goals. The targets shall be expressed in terms of an objective formula or standard and the Individual Award Opportunity may, at the discretion of the Committee, be based upon the Participant's annual base salary or pay level midpoint or a multiple thereof. In all cases the Committee shall have the sole and absolute discretion to reduce the amount of any payment under any Individual Award Opportunity that would otherwise be made to any Participant or to decide that no payment shall be made, and the Committee may in its sole discretion establish secondary performance goals, that need not be specified in *Article IV* of the Plan, which the Committee may use as guidelines in making the decision whether to reduce any such payment. No Participant shall receive a payment under the Plan with respect to any fiscal year of the Company in excess of \$10,000,000, which maximum amount shall be proportionately increased or decreased with respect to Performance Periods that are more or less than one year in duration.

5.2. **Incentive Payments.** Subject to *Section 3.2(e)*, payments under Individual Award Opportunities shall be made within 2¹/₂ months after the end of the Performance Period for which the incentive awards are payable, except that no such payment shall be made unless and until the Committee, based to the extent applicable on the Company's audited consolidated financial statements for such Performance Period (as prepared and reviewed by the Company's independent public accountants), has certified in writing the extent to which the applicable performance goals for such Performance Period have been satisfied.

5.3. **Forfeiture of Awards.** Awards granted under this Plan shall be subject to such generally applicable policies as to forfeiture and recoupment (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by a Participant that is detrimental to the business or reputation of the Company and/or its affiliates) as may be adopted by the Committee or the Board from time to time and communicated to Participants. Any such policies may (in the discretion of the Committee or the Board) be applied to outstanding awards at the time of adoption of such policies, or on a prospective basis only. The Committee may specify that a Participant's rights, payments and benefits with respect to an award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain events (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its affiliates). A Participant shall also forfeit and disgorge to the Company any awards granted or paid to the extent required by applicable law or regulations in effect on or after the effective date of the Plan, including Section 304 of the Sarbanes-Oxley Act of

2002 and Section 10D of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"). For the avoidance of doubt, the Committee shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder. The implementation of policies and procedures pursuant to this Section 5.3 and any modification of the same shall not be subject to any restrictions on amendment or modification of awards.

5.4. **Clawbacks.** Awards shall be subject to any generally applicable clawback policy adopted by the Committee, the Board or the Company that is communicated to Participants or any such policy adopted to comply with applicable law.

VI. GENERAL

6.1. **Effective Date and Term of Plan.** The Plan was submitted to the stockholders of the Company for approval at the 2015 annual meeting of stockholders and, subject to approval by the affirmative vote of the holders of a majority in voting power of the shares of common stock of the Company entitled to vote and represented in person or by proxy at the annual meeting, become effective for Performance Periods beginning on and after January 1, 2015. This Plan may be terminated at any time by the Committee. The Plan has been amended and restated, as set forth herein, effective March 8, 2017, subject to approval by the affirmative vote of the holders of a majority in voting power of the shares of common stock of the Company entitled to vote and represented in person or by proxy at the Company's 2017 annual meeting. In the event that this Plan, as amended and restated, is not approved by the stockholders of the Company, the amendment and restatement of this Plan shall be null and void.

6.2. **Amendment or Termination of Plan.** The Committee may amend or terminate this Plan as it shall deem advisable, subject to any requirement of stockholder approval required by applicable law, rule or regulation, including Section 162(m) of the Code.

6.3. **Non-Transferability of Awards.** No award under the Plan shall be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by the Company. Except to the extent permitted by the foregoing sentence, no award may be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any such award, such award and all rights thereunder shall immediately become null and void.

6.4. **Tax Withholding.** The Company shall have the right to require, prior to the payment of any amount pursuant to an award made hereunder, payment by the Participant of any Federal, state, local or other taxes which may be required to be withheld or paid in connection with such award.

6.5. **No Right of Participation or Employment.** No person shall have any right to participate in this Plan. Neither this Plan nor any award made hereunder shall confer upon any person any right to continued employment by the Company, any subsidiary or any affiliate of the Company or affect in any manner the right of the Company, any subsidiary or any affiliate of the Company to terminate the employment of any person at any time without liability hereunder.

6.6. **Designation of Beneficiary.** If permitted by the Company, a Participant may file with the Company a written designation of one or more persons as such Participant's beneficiary or beneficiaries (both primary and contingent) in the event of the Participant's death. Each beneficiary designation shall become effective only when filed in writing with the Company during the Participant's lifetime on a form prescribed by the Company. The spouse of a married Participant domiciled in a community property jurisdiction shall join in any designation of a beneficiary other than such spouse. The filing with the Company of a new beneficiary designation shall cancel all previously filed beneficiary

designations. If a Participant fails to designate a beneficiary, or if all designated beneficiaries of a Participant predecease the Participant, then each outstanding award shall be payable to the Participant's executor, administrator, legal representative or similar person.

6.7. **Governing Law.** This Plan and each award hereunder, and all determinations made and actions taken pursuant thereto, to the extent not otherwise governed by the Code or the laws of the United States, shall be governed by the laws of the State of Delaware and construed in accordance therewith without giving effect to principles of conflicts of laws.

6.8. **Other Plans.** Neither the adoption of the Plan nor the submission of the Plan to the Company's stockholders for their approval shall be construed as limiting the power of the Board or the Committee to adopt such other incentive arrangements as it may otherwise deem appropriate.

6.9. **Binding Effect.** The Plan shall be binding upon the Company and its successors and assigns and the Participants and their beneficiaries, personal representatives and heirs. If the Company becomes a party to any merger, consolidation or reorganization, then the Plan shall remain in full force and effect as an obligation of the Company or its successors in interest, unless the Plan is amended or terminated pursuant to *Section 6.2*.
