Item 5.02 Departure of Directors or Certain Officers; Election of Directors, Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective September 4, 2012, the Registrant appointed Donald B. Tschabrun as its Chief Operating Officer.

Mr. Tschabrun was most recently Principle Mining Engineer at AMEC plc, a global consultancy providing engineering and project management services for the minerals and metals industry among others. Prior to that, Mr. Tschabrun was the Director of Engineering and COO at Jipangu International. Mr. Tschabrun has also served in a variety of roles for many well known global projects such as the Florida Canyon Mine (USA), Natalka Gold Project (Russia), Tintay Copper Project (Peru), and the Brisas Gold Project (Venezuela). Mr. Tschabrun earned both his Masters of Science in Mineral Economics and Finance and his undergraduate degree in Geological Engineering from the Colorado School of Mines.

The Registrant is not aware of any family relationships, by blood, marriage, or adoption, between Mr. Tschabrun and any other director or executive officer of the Registrant. The Registrant knows of no transactions involving the Registrant during the last two years in which Mr. Tschabrun had a direct or indirect interest. To the Registrant's knowledge, there is no arrangement or understanding between any of its directors, officers and Mr. Tschabrun pursuant to which he was selected to serve as Chief Operating Officer.

In relation to Mr. Tschabrun's appointment as Chief Operating Officer, the Registrant has agreed to compensate Mr. Tschabrun at a rate of \$200,000 per year, with a standard benefits package of medical, dental, life and disability coverage. If the Registrant terminates the services of Tschabrun without cause or Tschabrun terminates his services for good cause, in each case before the end of the term of the agreement, the Registrant will pay Tschabrun severance in the form of 12 months pay. In addition, Mr. Tschabrun was granted 250,000 stock options priced at the 5-day volume weighted average of the Company's stock which vest 50% after one year and the remaining 50% after two years.
