Item 1.01 Entry into a Material Definitive Agreement

On June 28, 2018, CNX Gas Company LLC (“Seller”), a subsidiary of CNX Resources Corporation (“CNX”), entered into a Purchase and Sale Agreement (the “Purchase and Sale Agreement”) with Ascent Resources - Utica, LLC (“Buyer” and, together with Seller, the “parties” and each a “party”) pursuant to which Buyer will acquire certain assets and assume certain liabilities relating to certain of Seller’s operations located in the State of Ohio (the “Assets”) for a cash purchase price of approximately \$400 million, subject to purchase price adjustments, including, among others, adjustments for certain title defects and environmental defects asserted prior to August 17, 2018 (the “Transaction”).

The closing of the Transaction (the “Closing”) is expected to occur on or about August 30, 2018. The Closing is subject to certain closing conditions, including, among others, (a) the absence of certain legal impediments to the consummation of the Transaction; (b) the parties’ performance, in all material respects, of their respective obligations under the Purchase and Sale Agreement; (c) the material accuracy of the parties’ representations and warranties as of the Closing; and (d) the simultaneous closing of a separate transaction between Buyer and a third-party with respect to certain other assets located in the State of Ohio. Buyer’s obligation to close the Transaction is not subject to any financing condition.
