The Company's Chairman, Chief Executive Officer and President William J. Hannigan, Executive Vice President and Chief Financial Officer Jeffery Jackson, Executive Vice President and Chief Marketing Officer Eric Speck, Senior Vice President and Chief Technology Officer Craig Murphy and executives from the Company's four business units are scheduled to speak at the Conference on topics such as the Company's leadership in travel commerce and technology and strategic initiatives for its businesses.

Some of the presentations during the Conference will contain financial measures and financial terms not calculated in accordance with generally accepted accounting principles ("GAAP") in the United States. The Company will also provide on its website definitions and reconciliations of the non-GAAP financial measures utilized in the presentations.
