Item 2.02 Results of Operations and Financial Condition.

On March 8, 2005, Chiron Corporation (Chiron) issued a press release announcing that (1) it has revised its fourth-quarter and year-end December 31, 2004 financial results, previously released on January 26, 2005 and (2) as described in Item 4.02, that it will restate the financial statements included in its Quarterly Reports on Form 10-Q for the second quarter and third quarter of 2004.

A copy of Chiron s press release of March 8, 2005 is attached hereto as Exhibit 99.1 and is incorporated by reference in this Item 2.02.

The information furnished pursuant to this Item of this Current Report on Form 8-K (including the exhibit hereto) shall not be considered filed under the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference into any of Chiron s filings under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, unless Chiron expressly states in such filing that such information is to be considered filed or incorporated by reference therein.

Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On March 8, 2005, the Audit Committee of the Board of Directors concluded, in consultation with and upon the recommendation of management and in consultation with Chiron independent auditors, Ernst & Young LLP, that the previously issued financial statements included in its Quarterly Reports on Form 10-Q for the second quarter and third quarter of 2004 should be restated to correct certain errors contained therein and should not be relied upon. Specifically, Chiron has determined that certain sales of the travel vaccine recorded as revenues in the second quarter of 2004 should not have been recorded as revenue at that time, and that portions of those sales should have been recorded as revenues in the third and fourth quarters of 2004 and possibly in later quarters. The adjustment was identified during Chiron s ongoing year-end financial statement review and Section 404 Sarbanes-Oxley review.

Item 9.01. Financial Statements and Exhibits.

(a) Financial statements of businesses acquired.

Not applicable.

(b) Pro forma financial information.

Not applicable.

(c) Exhibits.
