The Registrant could not file its Annual Report on Form 10-K for the year ended December 31, 2004 within the prescribed time period without unreasonable effort or expense because, after consultation with its independent auditors and its Audit Committee, the Registrant requires additional time to complete the preparation and audit of its financial statements for such period, management's assessment of the Registrant's internal controls over financial reporting, and the attestation by the Registrant's independent auditors of such assessment. The Registrant is working diligently to complete these tasks and intends to file its Annual Report on Form 10-K for the year ended December 31, 2004 as soon as possible, but in any event on or before March 31, 2005.
