Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Under the Business Corporations Act of British Columbia (the Business Corporations Act) a corporation may indemnify present or former directors or officers, or other individuals who act or acted at the corporation's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual with respect to any civil, criminal, administrative, investigative or other proceeding in which the individual is involved, because of that association with the Registrant or other entity. To qualify for indemnification under the Business Corporations Act, an individual must (1) act honestly and in good faith with a view to the best interest of the corporation, or as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or in a similar capacity at the corporation's request, and (2) in the case of criminal or administrative action that is enforced by a monetary penalty, the individual must have had reasonable grounds for believing that the individual's conduct was lawful. In actions brought by or on behalf of the corporation, indemnification may only be made with court approval. A corporation may advance moneys to the individuals for all costs, charges and expenses of a proceeding, as long as the individual undertakes in writing to repay the moneys if indemnification is ultimately prohibited by the Business Corporations Act.

The Registrant's Articles (the Articles), provide that subject to the limitations contained in the Business Corporations Act, the Registrant must indemnify its directors, former directors or alternate directors and his or her heirs and legal personal representatives against all penalties to which such person is or may be liable. Further, the Articles provide that the Registrant must pay the expenses actually and reasonably incurred by such person in respect of that proceeding. In accordance with the Articles, the Registrant may indemnify its officers and individuals whom act at the request of the Registrant, in a position equivalent to that of a director or officer of a partnership, trust, joint venture, or other unincorporated entity. A director, alternate director or officer's failure to comply with the Business Corporations Act or the Articles does not invalidate any indemnification the individual is entitled to under the Articles.

In accordance with the Articles, the Registrant maintains insurance to cover (1) individuals who are or were directors, alternate directors, officers, employees or agents of the Registrant or corporations affiliated with the Registrant; (2) individuals who, at the request of the Registrant, are or were directors, officers, employees or agents of a corporation, partnership, trust, joint venture, or other unincorporated entity; or (3) individuals who, at the request of the Registrant, hold or held a position equivalent to that of a director, alternate director or officer of a partnership, trust, joint venture, or other unincorporated entity, against any liability incurred by the individual in his capacity with or acting on behalf of the Registrant.

Item 9. Undertakings.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sale are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) that, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that the paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration statement shall be deemed to be a new

registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than for the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of competent jurisdiction the question of whether such indemnification by it is against public policy as expressed by the Securities Act and will be governed by the final adjudication of such issue.
