PART III NARRATIVE

Edgar Filing: ASPYRA INC - Form NT 10-K

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant is unable to file its Annual Report on Form 10-KSB for the year ended December 31, 2006 within the prescribed time period because certain information and data relating to and necessary for the completion of the Registrant's audited financial statements for the year ended December 31, 2006 could not be completed within such time period without unreasonable effort or expense. The Registrant expects to file its Annual Report on Form 10-KSB including the related financial statements on or prior to April 17, 2007 within the 15 calendar day period provided by Rule 12b-25(b)(2)(ii). The Registrant does not anticipate that the Form 10-KSB to be filed will have any material restatement of financial information from prior periods.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As of the date of this Form 12b-25, the Registrant's financial statements for the fiscal year ended December 31, 2006 have not been completed due to the reasons stated above, but it is anticipated that these financial statements will report a significant change in the Registrant's earnings statement compared to 2005. The Registrant expects to report a change in its results of operations and a net loss of approximately \$3.6 million in its fiscal year ended December 31, 2006 compared to a net loss of approximately \$2.5 million for the fiscal year ended December 31, 2005. The loss is primarily attributable to integration expenses related to the merger, completed in November 2005, of Xymed.com, Inc., a wholly owned subsidiary of the Registrant, with and into StorCOMM, Inc. (the Merger) and the consolidation of the merged companies' businesses as well as changes to the Registrant's sales model. In addition, the Registrant's statement of operations for the year ended December 31, 2006 will represent, on a consolidated basis, Registrant's post-Merger financial performance for the entire year compared to the statement of operations for the year ended December 31, 2005, which represents Registrant's post-Merger financial performance for approximately one month.
