The Senior Subordinated Notes Second Supplemental Indenture eliminates in their entirety many of the restrictive covenants and certain events of default, amends certain provisions of covenants relating to the merger and consolidation of Group, the Co-Issuer and the Subsidiary Guarantors, and makes changes to certain terms of the defeasance and satisfaction and discharge provisions presently contained in the Senior Subordinated Notes Indenture (and eliminates related references in the Senior Subordinated Notes and deletes the form of supplemental indenture for subsequent guarantors). The Senior Subordinated Notes Second Supplemental Indenture became effective upon its execution and delivery by the parties thereto and will become operative upon the acceptance for payment of Senior Subordinated Notes tendered prior to 5:00 p.m., New York City time, on May 14, 2007 pursuant to the Company s offer to purchase for such Senior Subordinated Notes.
