**Item 8.01 Other Events**

On March 17, 2008, Ron Cohen, President and Chief Executive Officer of Acorda Therapeutics, Inc. (the "Company") adopted a pre-arranged trading plan (the "Plan"). The Plan was designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and the Company's policies regarding transactions in the Company's securities. Under Rule 10b5-1, directors, officers and other persons who are not in possession of material non-public information may adopt a pre-arranged plan or contract for the sale of company securities under specified conditions and at specified times. As sales are executed in the future under the Plan, they will be reported in accordance with federal securities laws. Using a plan, insiders can gradually diversify their investment portfolios, spread stock trades out over an extended period of time to reduce market impact and avoid concerns about transactions occurring at a time when they might possess inside information.

The Plan has been approved pursuant to the terms of the Company's policies. The Plan provides for the sale of up to a total of 81,432 shares of common stock of the Company upon the exercise of vested stock options, beginning on the third day following the release of the Company's first quarter 2008 quarterly earnings report and ending on November 7, 2008. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.
