PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 17, 2008

This proxy statement contains information related to the annual meeting of shareholders of Solera National Bancorp, Inc. to be held on June 17, 2008, beginning at 10:00 a.m., local time, at 319 S. Sheridan Blvd., Lakewood, Colorado, 80226, and at any postponements or adjournments thereof.

ABOUT THE ANNUAL MEETING

Who is soliciting my proxy?

Our Board of Directors is sending you this proxy statement in connection with the solicitation of proxies for use at the 2008 annual meeting. Certain of our directors, officers, and employees may also solicit proxies on our behalf by mail, telephone, or facsimile.

Who will bear the costs of soliciting proxies for the annual meeting?

We will bear the cost of soliciting proxies for the annual meeting. We will reimburse banks and brokers who hold shares in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold such shares. In addition to solicitations by mail, our directors, officers and employees, including those of our subsidiary, may solicit proxies personally, by telephone or otherwise, but will not receive any additional compensation for their services.

What is the purpose of the annual meeting?

At the annual meeting, shareholders will act upon the matters outlined in the accompanying notice of annual meeting, including:

Edgar Filing: Solera National Bancorp, Inc. - Form DEF 14A

- Proposal One: The election of fifteen directors to the Board of Directors for terms expiring at the 2009 annual meeting of shareholders or until their successors are duly elected and qualified;
- Proposal Two: The approval of Solera National Bancorp, Inc.'s 2007 Stock Incentive Plan;
- Proposal Three: The ratification of McGladrey & Pullen, LLP, as our independent accountants for the fiscal year ending December 31, 2008.

In addition, our management will report on our performance during 2007 and respond to appropriate questions from shareholders. Except with respect to the procedural matters incident to the conduct of the meeting, we are not aware of any other business to be brought before the meeting.

Who is entitled to vote at the annual meeting?

Only shareholders of record as of the close of business on the record date, April 22, 2008, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the annual meeting or any postponement or adjournment thereof. Each outstanding share of our common stock entitles its holder to cast one vote on each matter to be voted upon at the annual meeting. The total number of shares of our common stock outstanding on the record date and eligible to cast votes at the annual meeting is 2,553,671.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring appropriate documentation from your broker or nominee to personally vote at the annual meeting.

How many votes must be present to hold the annual meeting?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date, or 1,276,836 shares, will constitute a quorum at the annual meeting. For purposes of determining a quorum, proxies received but marked as abstentions and broker non-votes will be treated as shares that are present and entitled to vote. A broker non-vote occurs on an item when shares held by a broker are present or represented at the meeting, but the broker is not permitted to vote on that item without instruction from the beneficial owner of the shares and no instruction is given.

How do I vote?

You may vote your shares either in person at the annual meeting or by proxy whether or not you attend the annual meeting. Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Shareholders whose shares are registered in their own names may vote by submitting a proxy via the Internet, by facsimile or by mailing a completed proxy card as an alternative to voting in person at the meeting. Instructions for voting via the Internet or by facsimile are set forth on the enclosed proxy card. To vote by mailing a proxy card, sign and return the enclosed proxy card in the enclosed prepaid and addressed envelope, and your shares will be voted at the meeting in the manner you direct. Granting a proxy will not affect your right to vote your shares if you attend the annual meeting and want to vote in person; by voting in person you will revoke your proxy. You may also revoke your proxy at any time before the vote at the meeting by providing our Secretary written notice of your revocation or by submitting a proxy bearing a later date via Internet, facsimile or mail. If you submit your proxy but do not mark your voting preferences, the proxy holders will vote your shares **FOR** the election of each of the nominees for director, **FOR** the approval of the 2007 Stock Incentive Plan, and **FOR** the ratification of McGladrey & Pullen, LLP as our independent accountants for 2008.

If your shares are registered in the name of a broker, trustee or nominee, you will receive instructions from your holder of record that must be followed in order for the record holder to vote the shares per your instructions. Many banks and brokerage firms have a process for their beneficial holders to provide instructions over the phone or via the Internet. If Internet or facsimile voting is unavailable from your bank or

Edgar Filing: Solera National Bancorp, Inc. - Form DEF 14A

brokerage firm, please complete and return the enclosed voting instruction card in the addressed, postage paid envelope provided.

Can I change my vote?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised at the annual meeting. If you are the shareholder of record, you may change your vote by granting via Internet, facsimile or mail a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

What Vote Is Required to Approve Each Proposal?

Election of Directors	The election of each nominee for director requires the affirmative vote of a plurality of the votes cast on such proposal at the annual meeting of shareholders.
Approval of Solera National Bancorp, Inc. s 2007 Stock Incentive Plan	The approval of Solera National Bancorp, Inc. s 2007 Stock Incentive Plan requires the affirmative vote of a majority of the shares present at the annual meeting in person or by proxy and entitled to vote.
Ratification of Appointment of Independent Auditors	The ratification of McGladrey & Pullen, LLP as independent auditors for 2008 requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

How Are Votes Counted?

In the election of directors, your vote may be cast **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees. For the approval of our 2007 Stock Incentive Plan and the ratification of our independent auditors, your vote may be cast **FOR** or **AGAINST** or you may **ABSTAIN** . If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board. We will appoint one or more inspectors of election to count votes cast in person or by proxy.

What Is the Effect of Broker Non-Votes and Abstentions?

Abstentions have the same effect as negative votes. Broker non-votes and shares as to which proxy authority has been withheld with respect to any matter are not entitled to vote for purposes of determining whether shareholder approval of that matter has been obtained and, therefore, will have no effect on the outcome of the vote on any such matter.

Is Cumulative Voting Permitted For the Election of Directors?

Edgar Filing: Solera National Bancorp, Inc. - Form DEF 14A

Shareholders may not cumulate votes in the election of directors, which means that each shareholder may vote no more than the number of shares he/or she owns for a single director.

Where Can I Find the Voting Results?

We will publish the voting results in our Form 10-Q for the second quarter of 2008, which we will file with the Securities and Exchange Commission in August 2008.

Can I vote on other matters?

The matters presented at an annual meeting are limited to those properly presented by the Board of Directors and those properly presented by shareholders. We have not received notice from any shareholder as to any matter to come before the annual meeting. If any other matter is presented at the annual meeting, your signed proxy gives Paul M. Ferguson and Robert J. Fenton, the proxy holders, authority to vote your shares.

How does the Board of Directors recommend I vote on the proposals?

Unless you give other instructions on your proxy card, Paul M. Ferguson and Robert J. Fenton, the proxy holders, will vote in accordance with the recommendations of our Board of Directors. Our Board of Directors recommends a vote **FOR** the election of the nominated slate of directors, **FOR** the approval of our 2007 Stock Incentive Plan, **and FOR** the ratification of McGladrey & Pullen, LLP, as our independent public accountants for 2008.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by our Board of Directors, or if no recommendation is given, in their own discretion.

Who can help answer my questions?

EXECUTIVE COMPENSATION

Compensation Philosophy

The duty of the Compensation Committee is to evaluate and make recommendations to the Board of Directors regarding the administration of the executive compensation program for Solera National Bancorp, Inc. and Solera National Bank. The Compensation Committee is responsible for recommending appropriate compensation goals for the executive officers of Solera National Bancorp, Inc., evaluating the performance of such executive officers in meeting such goals and making recommendations to the Board with regard to executive compensation. Solera National Bancorp, Inc.'s compensation philosophy is to ensure that executive compensation be directly linked to continuous improvements in corporate performance, achievement of specific operational, financial and strategic objectives, and increases in shareholder value. The Compensation Committee regularly reviews the compensation packages of Solera National Bancorp, Inc.'s executive officers, taking into account factors that it considers relevant, such as business conditions within and outside the industry, Solera National Bancorp, Inc.'s financial performance, the market composition for executives of similar background and experience, and the performance of the executive officer under consideration. The particular elements of Solera National Bancorp, Inc.'s compensation programs for executive officers are described below.

Compensation Structure

The base compensation for the executive officers of Solera National Bancorp, Inc. named in the Summary Compensation Table is intended to be competitive with that paid in comparable situated industries, taking into account the scope of responsibilities. The goals of the Compensation Committee in establishing Solera National Bancorp, Inc.'s executive compensation program are:

- to compensate the executive officers of Solera National Bancorp, Inc. fairly for their contributions to Solera National Bancorp, Inc.'s short, medium and long-term performance; and
- to allow Solera National Bancorp, Inc. to attract, motivate and retain the management personnel necessary to Solera National Bancorp, Inc.'s success by providing an executive compensation program comparable to that offered by companies with which Solera National Bancorp, Inc. competes for management personnel.

Upon the opening of the Bank, the Company entered into employment agreements with each of the executive officers named in the Summary Compensation Table. Each employment agreement provides for a set base salary during the first year of the agreement, which may be increased upon review by the Board at the end of each year. The base salary level for each officer is determined by taking into account individual experience, individual performance, individual potential, competitive market considerations and specific issues particular to Solera National Bancorp, Inc. Base salary level for executive officers of selected banks and bank holding companies of similar size are also taken into consideration in setting an appropriate base salary for the named executive officers. The base level established for each executive officer is considered by the Compensation Committee to be competitive and reasonable.

The Compensation Committee monitors the base salary levels and the various incentives of the executive officers of Solera National Bancorp, Inc. to ensure that overall compensation is consistent with Solera National Bancorp, Inc.'s objectives and remains competitive within the area of Solera National Bancorp, Inc.'s operations. In setting the goals and measuring an executive's performance against those goals, Solera National Bancorp, Inc. considers the performance of its competitors and general economic and market conditions. None of the factors included in Solera National Bancorp, Inc.'s strategic and business goals are assigned a specific weight. Instead, the Compensation Committee recognizes that the relative importance of these factors may change in order to adapt Solera National Bancorp, Inc.'s operations to specific business challenges and to reflect changing economic and marketplace conditions.

Annual Compensation

The annual compensation of the executive officers of Solera National Bank consists of a base salary. In the future, annual performance bonuses may be paid.

Stock Incentive Plan

The Board of Directors have approved the Solera National Bancorp, Inc. 2007 Stock Incentive Plan. Shareholders are being asked to approve the plan in Proposal Two of this proxy statement. Stock options are currently the primary source of long-term incentive compensation for the executive officers and directors of Solera National Bancorp, Inc. and Solera National Bank. Each of the employees, executive officers, members of senior management and directors of Solera National Bancorp, Inc. and Solera National Bank is eligible to participate in the 2007 Stock Incentive Plan.

Employment Agreements

Compensation of the President and Chief Executive Officer

We have entered into an employment agreement with Paul M. Ferguson regarding his employment as President and Chief Executive Officer of Solera National Bank. The agreement commenced when the Bank opened for business on September 10, 2007 and continues in effect for a period of four (4) years (with certain exceptions). The agreement automatically renews for one-year terms at the completion of the initial four-year term.

Under the terms of the agreement, Mr. Ferguson receives a base salary of \$195,000 per year. Following the initial term of the agreement (with certain exceptions), the base salary will be reviewed by the Bank's Board of Directors and may be increased as a result of that review. Mr. Ferguson is eligible to participate in any executive incentive bonus plan and all other benefit programs that the Bank has adopted. Mr. Ferguson also receives other customary benefits such as health insurance for himself and his dependents, dental insurance, sick leave and vacation, membership fees to banking and professional organizations, use of a cell phone and laptop, and reimbursement of reasonable business expenses. In addition, the Bank provides Mr. Ferguson with term life insurance coverage of approximately 1.5 times his annual salary.

Edgar Filing: Solera National Bancorp, Inc. - Form DEF 14A

Mr. Ferguson's employment agreement provided for a sign-on bonus of \$20,000 within 30 days of the Bank opening for business. Mr. Ferguson's employment agreement also provides that the Company grant him options to acquire 2.5% of the shares of common stock issued in the initial public offering at an exercise price of \$10.00 per share, exercisable within ten (10) years from the date of grant of the options. The Company granted 63,840 options. If approved by the shareholders at the annual meeting on June 17, 2008, these options will be incentive stock options, subject to limitations imposed by the Internal Revenue Service, and would vest 25% on the first anniversary of the employment agreement, with the remainder of the options vesting ratably over the next 36 months of the employment agreement. The options will vest immediately upon a change in control of the Bank, as defined in the stock option agreement, or upon the death or disability of Mr. Ferguson.

In the event that Mr. Ferguson is terminated, or elects to terminate his employment, in connection with a change of control, Mr. Ferguson would be entitled to receive a cash lump-sum payment equal to 199% of

his base amount as defined in section 280G of the Internal Revenue Code (IRC) and, in general, means the executive's annualized compensation over the prior five-year period. In the event that any compensation payable is determined to be a parachute payment subject to excise taxes imposed by Section 4999 of the IRC or any successor provision, the Bank agrees to pay to Mr. Ferguson an additional sum in an amount such that the net amount retained by Mr. Ferguson is equal to the amount of the lump-sum payment. If Mr. Ferguson's employment is terminated for any reason other than for good cause, with the exception of substantially unsatisfactory job performance, within the first twelve months of the agreement, the Bank will be obligated to pay as severance, an amount equal to his base salary had he remained employed for twelve months following termination. Additionally, the agreement provides for severance of not less than 12 months if the Bank terminates the agreement for any reason other than for good cause after the first 12 months of the agreement. Upon disability or death, Mr. Ferguson or his estate will be entitled to three months of Mr. Ferguson's base salary and the Bank shall provide or maintain health insurance benefits, at the Bank's expense, for executive's spouse for a period of 12 months.

The agreement also generally provides non-competition and non-solicitation provisions that would apply for a period of one year following the termination of Mr. Ferguson's employment.

In reviewing the 2007 compensation of Mr. Ferguson, the Compensation Committee and Board of Directors undertook the same evaluation set forth above with respect to executive officers. The Compensation Committee believes that Mr. Ferguson's total compensation is reasonable and competitive based on the overall performance of Solera National Bancorp, Inc.

The Company entered into a consulting agreement effective November 1, 2006 with Mr. Ferguson. It was extended on April 1, 2007, June 30, 2007 and August 31, 2007. In 2007, payments of \$129,290 were made under the agreement. The agreement terminated on September 10, 2007 when the Bank opened for business.

Following the initial term of the agreement (with certain exceptions), the base salary will be reviewed by the Bank's Board of Directors and may be increased as a result of that review. Mr. Fenton also receives other customary benefits such as health insurance for himself and his dependents, dental insurance, sick leave and vacation, membership fees to banking and professional organizations, use of a cell phone and laptop, and reimbursement of reasonable business expenses. In addition, the Bank provides Mr. Fenton with term life insurance coverage of 1.15 times his annual salary.

Mr. Fenton's employment agreement also provides that the Company grant him options to acquire 2.8% of the shares of common stock issued in the initial public offering at an exercise price of \$10.00 per share, exercisable within ten (10) years from the date of grant of the options. The Company granted 71,502 options. If approved by the shareholders at the annual meeting on June 17, 2008, these options will be incentive stock options, subject to limitations imposed by the Internal Revenue Service, and would vest 25% on the first anniversary of the employment agreement, with the remainder of the options vesting ratably over the next 36 months of employment. The options will vest immediately upon a change in control of the Bank, as defined in the stock option agreement, or upon the death or disability of Mr. Fenton.

In the event that Mr. Fenton is terminated, or elects to terminate his employment, in connection with a change of control, Mr. Fenton would be entitled to receive a cash lump-sum payment equal to 199% of his base amount as defined in section 280G of the Internal Revenue Code (IRC) and, in general, means the

executive's annualized compensation over the prior five-year period. In the event that any compensation payable is determined to be a parachute payment subject to excise taxes imposed by Section 4999 of the IRC or any successor provision, the Bank agrees to pay to Mr. Fenton an additional sum in an amount such that the net amount retained by Mr. Fenton is equal to the amount of the lump-sum payment. If Mr. Fenton's employment is terminated for any reason other than for good cause, with the exception of substantially unsatisfactory job performance, within the first twelve months of the agreement, the Bank will be obligated to pay as severance, an amount equal to his base salary had he remained employed for twelve months following termination. Additionally, the agreement provides for severance of not less than 12 months if the Bank terminates the agreement for any reason other than for good cause after the first 12 months of the agreement. Upon disability or death, Mr. Fenton or his estate will be entitled to three months of Mr. Fenton's base salary and the Bank shall provide or maintain health insurance benefits, at the Bank's expense, for executive's spouse for a period of 12 months.

The agreement also generally provides non-competition and non-solicitation provisions that would apply for a period of one year following the termination of Mr. Fenton's employment.

In reviewing the 2007 compensation of Mr. Fenton, the Compensation Committee and Board of Directors undertook the same evaluation set forth above with respect to executive officers. Executive Compensation Deductibility

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid to a company's chief executive officer or any of the four other most highly compensated officers. Section 162(m) specifically exempts certain performance-based compensation from the deduction limit. The Board of Directors and Compensation Committee generally intends to limit non-performance based compensation and grant awards under the 2007 Stock Incentive Plan, consistent with terms of Section 162(m) so that the awards will not be subject to the \$1,000,000 deductibility limit.

(2) Amounts reported in this column constitute the compensation cost recognized in 2007 of all outstanding and unvested option awards for the named director, calculated in accordance with the Company's valuation under FAS 123R for purposes of its financial statement reporting. The valuation shown in this column is based on the grant date fair value of each award determined pursuant to FAS 123R, using a Black-Scholes-Merton pricing model with assumptions made as more fully described in Note 10 of the financial statement footnotes in the Company's Form 10-KSB. Our use of the Black-Scholes-Merton model does not necessarily mean we believe or acknowledge that it can accurately determine the actual value of options on the date that they will finally be exercised, if at all. The actual value of an option, if any, will depend on the future market price of the Company's common stock and the option holder's individual exercise and sale decisions, neither of which can be predicted with any degree of certainty.

As of December 31, 2007, each non-employee director had the following number of option awards outstanding: Ms. Akers 5,000 options; Mr. Alvarado 5,000 options; Ms. Arias 5,000 options; Mr. Crichfield 5,000 options; Mr. Gallegos 5,000 options; Mr. Gutterman 5,000 options; Mr. Montoya 7,000 options; Mr. Nash 5,000 options; Mr. Rosenstein 5,000 options; Mr. Sabbah 5,000 options; Mr. Sena 5,000 options; Mr. Smith 5,000 options; and Mr. Veio 5,000 options. Sarbanes-Oxley Act or have been made pursuant to a valid exception from Section 402 of the Sarbanes-Oxley Act.

Certain of our officers, directors and principal shareholders and their affiliates have had transactions with Solera National Bank, including borrowings and investments in certificates of deposit. Our management believes that all such loans and investments have been and will continue to be made in the ordinary course of business of Solera National Bank on substantially the same terms, including interest rates paid and collateral required, as those prevailing at the time for comparable transactions with unaffiliated persons, and do not involve more than the normal risk of collectibles or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities (the 10% Shareholders), to file reports of ownership and changes of ownership with the Securities and Exchange Commission. Our officers, directors and 10% Shareholders are required by the Securities and Exchange Commission regulation to furnish us with copies of all Section 16(a) forms so filed.

Based solely on review of copies of such forms received, we believe that, during the last fiscal year, all filing requirements under Section 16(a) applicable to its officers, directors and 10% Shareholders were timely met.

PROPOSAL TWO:

APPROVAL OF THE COMPANY S 2007 STOCK INCENTIVE PLAN

Background

The Board of Directors has adopted our 2007 Stock Incentive Plan, as amended (the Plan), with an effective date of September 10, 2007. A copy of the Plan, for which shareholder approval is sought, is set forth in Annex A to this proxy statement. The Plan allows for the grant of stock options to Solera National Bancorp, Inc. s and Solera National Bank s employees, officers, directors and non-employee consultants. Approximately 30 employees and directors were eligible to participate in the Plan as of the date of this proxy statement.

The Board of Directors believes that it would be in the Company s best interest for the shareholders to approve the adoption of the Plan. If approved by shareholders, the options already granted under the Plan would remain unchanged. If the Plan is not approved, all incentive stock options (ISOs) granted to employees prior to June 17, 2008 would become non-qualified stock options (NQSOs) rather than incentive stock options.

The Plan is intended to promote shareholder value by (a) enabling Solera National Bancorp, Inc. (Company), and its affiliates to attract and retain the best available individuals for positions of substantial responsibility; (b) providing additional incentive to such persons by affording

Edgar Filing: Solera National Bancorp, Inc. - Form DEF 14A

them an equity participation in the Company; (c) rewarding those directors, executive officers, employees, and non-employee shareholders for their contributions to the Company or Solera National Bank (Bank); and (d) promoting the success of the Company s business by aligning the financial interests of directors, executive officers and employees providing personal services to the Company or its affiliates with long-term shareholder value.

The following discussion of the principal features and effects of the Plan is qualified in its entirety by reference to the text of the Plan, as set forth in Annex A attached hereto.

Administration

The Plan is administered by the Compensation Committee; a committee of the Board of Directors. The Compensation Committee selects the employees and directors to be granted options under the Plan and, subject to the provisions of the Plan, determines the terms and conditions and number of shares subject to each option award.

Shares Subject to the Plan

The Plan authorized the granting of either ISOs or NQSOs to purchase in the aggregate up to 510,734 shares of the Company's common stock. The shares available for issuance will be increased or decreased according to any reclassification, recapitalization, stock split, stock dividend or other such subdivision or combination of the Company's common stock. Shares subject to unexercised options that expire or are terminated prior to the end of the period during which options may be granted under the Plan will be restored to the number of shares available for issuance under the Plan. As of the date of this proxy statement, 397,346 shares were granted and unexercised and 113,388 shares of Common Stock remain available for grant of options under the Plan.

Eligibility

Any of the Company's or Bank's employees shall be eligible to receive ISOs and NQSOs under the Plan. NQSOs may be granted to employees as well as non-employee directors as determined by the Compensation Committee. The Compensation Committee shall have the power to select the other individuals performing services for or making contributions to the Company and its Affiliates who may participate in the Plan and be granted Options under the Plan. However, only employees may be granted ISOs under the Plan. Any person who has been granted an Option may, if he is otherwise eligible, be granted an additional Option or Options.

Each grant of options shall be evidenced by an option agreement, and each option agreement shall (i) specify whether the option is an ISO or a NQSO and (ii) incorporate such other terms and conditions as the Board acting in its absolute discretion deems consistent with the terms of the Plan, including, without limitation, a restriction on the number of shares of common stock subject to the option which first becomes exercisable during any calendar year.

To the extent that (i) the aggregate Fair Market Value (determined as of the time of grant) of the Stock with respect to which Options designated as ISOs are exercisable for the first time by any employee during any calendar year (under all plans of the Company and any Subsidiary) exceeds \$100,000, or (ii) an ISO does not meet any other requirement to be an incentive stock option within the meaning of Section 422 of the Code, such Options, or portions thereof, shall be treated as NQSOs. This \$100,000 limitation shall be administered in accordance with the rules under Section 422(d) of the Code.

Exercise Price of Options

The Exercise Price per share of Stock under an Option shall be determined by the Compensation Committee in its sole discretion; provided however that the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value on the date that such Option is granted and, in the case of an ISO granted to a Controlling Participant, the Exercise Price shall be not less than one hundred ten percent (110%) of the Fair Market Value on the date that such Option is granted. The Fair Market Value is the last reported sale price of a share of the Stock under the quotation system under which the sale price is reported or, if no sale occurs on that date, the average of the reported closing bid and asked prices on that date under the quotation system under which the bid and asked prices are reported.

Terms

The term of an Option shall be fixed by the Compensation Committee, in its sole discretion, in each Stock Option Agreement; provided however that for any Option to qualify as an ISO, the Option shall expire not more than ten years from the date the Option is granted and, in the case of a Controlling Participant, not more than five years from the date the Option is granted.

Exercise of Options

An Option may be exercised at any time during the term of the Option as stipulated in the Option Agreement. The Exercise Price shall be paid in full at the time the Option is exercised. The Exercise Price shall be payable either in (i) United States dollars in cash or by check, bank draft, money order or wire transfer of good funds payable to the Company; (ii) upon conditions established by the Compensation Committee, by delivery of shares of Stock owned by the Participant for at least six (6) months prior to the date of exercise; or (iii) by a combination of (i) and (ii). A broker assisted exercise shall be deemed to be an exercise for cash under clause (i) of the preceding sentence.

Tax Consequences

As a condition to the exercise of any Option, the Company shall have the right to require that the Participant exercising the Option (or the recipient of any shares of Stock) remit to the Company an amount calculated by the Company to be sufficient to satisfy applicable federal, state, foreign or local withholding tax requirements (or make other arrangements satisfactory to the Company with regard to such taxes) prior to the delivery of any certificate evidencing shares of Stock. If permitted by the Company, either at the time of the grant of the Option or in connection with its exercise, the Participant may satisfy applicable withholding tax requirements by delivering a number of whole shares of Stock owned by the Participant for at least six (6) months prior to the date of exercise and having a Fair Market Value (determined on the date that the amount of tax to be withheld is to be fixed) at least equal to the aggregate amount required to be withheld.

In the case of an ISO, the Compensation Committee may require as a condition of exercise that the Participant exercising the Option agree to inform the Company promptly of any disposition (within the meaning of section 424(c) of the Code and the regulations thereunder) of Stock received upon exercise.

Non-Qualified Stock Options

Under the current tax rules, NQSO granted under the Plan will not be taxable to a participant at grant, but generally will result in taxation at exercise, at which time the participant will recognize ordinary income in an amount equal to the difference between the option's exercise price and the fair market value of the shares on the exercise date. The Company will be entitled to deduct a corresponding amount as a business expense in the year the participant recognizes this income.

Incentive Stock Options

Under the current tax rules, an employee will generally not recognize ordinary income on receipt or exercise of an ISO so long as he or she has been an employee of the Company or its subsidiaries from the date the ISO was granted until three months before the date of exercise; however, the amount by which the fair market value of the shares on the exercise date exceeds the exercise price is an adjustment in computing the employee's alternative minimum tax in the year of exercise. If the employee holds the shares of our common stock received on exercise of the ISO for one year after the date of exercise (and for two years from the date of grant of the ISO), any difference between the amount realized upon the disposition of the shares and the amount paid for the shares will be treated as long-term capital gain (or loss, if applicable) to the employee. If the employee exercises an ISO and satisfies these holding period requirements, the Company may not deduct any amount in

As a condition to the exercise of any Option, the Company shall have the right to require that the Participant exercising

connection with the ISO. If an employee exercises an ISO but engages in a disqualifying disposition by selling the shares acquired on exercise before the expiration of the one- and two-year holding periods described above, the employee generally will recognize ordinary income (for regular income tax purposes only) in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price; and any excess of the amount realized on the disposition over the fair market value on the date of exercise will be taxed as long- or short-term capital gain (as applicable). If, however, the fair market value of the shares on the date of disqualifying disposition is less than on the date of exercise, the employee will recognize ordinary income equal only to the difference between the amount realized on the disqualifying disposition and the exercise price. In either event, the Company will be entitled to deduct an amount equal to the amount constituting ordinary income to the employee in the year of the disqualifying disposition.

Amendment

The Compensation Committee may amend, alter, suspend, or terminate the Plan or any portion hereof at any time; provided that no such amendment, alteration, suspension or termination shall be made without the approval of the shareholders of the Company if such approval is necessary to qualify for or comply with any tax or regulatory requirement for which or with which the Board of Directors deems it necessary or desirable to qualify or comply. No amendment, suspension or termination of the Plan shall adversely affect the right of any existing Participant with respect to any Option theretofore granted, as determined by the Committee, without such Participant's written consent.

Unless earlier terminated, the Plan shall remain in effect until all shares issuable under the Plan have been purchased or acquired in accordance with the Plan. In no event may any Options be granted under the Plan more than ten (10) years after the earlier of the date on which the Plan is adopted or the date on which the Plan is approved by the shareholders of the Company. Such termination by lapse of time shall not effect the validity or terms of any Option then outstanding or the ability of the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Option or to waive any conditions or rights under any such Option for so long as the Option is outstanding.

New Plan Benefits

The Compensation Committee has not made any determination with respect to future awards under the Plan, and any allocation of such awards will be made only in accordance with the provisions of the Plan. Because awards under the Plan are subject to the discretion of the Compensation Committee, awards under the Plan for the current or any future year are not determinable. Future option exercise prices under the Plan are not yet determinable because they will be based upon the fair market value of our common stock on the date of grant. Of the persons eligible to receive grants under the Plan, the following persons received option grants in 2007 as follows:

Name and Position	Number of Shares Underlying Options ⁽¹⁾
Paul M. Ferguson, President and CEO	63,840
Robert J. Fenton, Executive Vice President, CFO, COO	71,502

(1) If the Plan is approved by shareholders, the options already granted under the Plan to employees will qualify as ISOs, subject to limitations imposed by the Internal Revenue Service. If the Plan is not approved by shareholders, such options will be NQSOs. All outstanding options were granted at an exercise price of \$10.00 per share.

PROPOSAL THREE:

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Background

The Audit Committee has selected McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2008 and has further directed that management submit the selection of independent accountants for ratification by our shareholders at the annual meeting. Representatives of McGladrey & Pullen, LLP will be available at the annual meeting, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions from shareholders.

Edgar Filing: Solera National Bancorp, Inc. - Form DEF 14A

Shareholder ratification of the selection of McGladrey & Pullen, LLP as our independent accountants is not required by our bylaws or otherwise. However, we are submitting the selection of McGladrey & Pullen, LLP to our shareholders for ratification as a matter of good corporate practice. If our shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain McGladrey & Pullen, LLP. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that a change would be in the best interests of our company and shareholders.

Vote Required

Ratification of the selection of McGladrey & Pullen, LLP requires the affirmative vote of a majority of the shares present and entitled to **vote**.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the ratification of the selection of McGladrey & Pullen, LLP as our independent accountants for 2008.

Principal Auditor Fees and Services

The following table shows the fees incurred by us for the audit and other services provided by our auditor, McGladrey & Pullen, LLP, for the fiscal years 2007 and 2006.

	2007		2006	
Audit fees	\$	104,000	\$	35,000
Audit-related fees		5,000		15,000
Tax fees				
All other fees				
Total	\$	109,000	\$	50,000

As defined by the Securities and Exchange Commission, (i) **Audit Fees** are fees for professional services rendered by the company's principal accountant for the audit of the company's annual financial statements and review of financial statements included in the company's Form 10-QSB and Form 10-KSB, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) **audit-related fees** are fees for assurance and related services by the company's principal accountant that are reasonably related to the performance of the audit or review of the company's financial statements and are not reported under **audit fees**; (iii) **tax fees** are fees for professional services rendered by the company's principal accountant for tax compliance, tax advice, and tax planning; and (iv) **all other fees** are fees for products and services provided by the company's principal accountant, other than the services reported under **audit fees**, **audit-related fees**, and **tax fees**.

Under applicable Securities and Exchange Commission rules, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditors in order to ensure that they do not impair the auditors' independence. The Commission's rules specify the types of non-audit services that an independent auditor may not provide to its audit client and establish the Audit Committee's responsibility for administration of the engagement of the independent auditors.

Consistent with the Commission's rules, the Audit Committee Charter requires that the Audit Committee review and pre-approve all audit services and permitted non-audit services provided by the independent auditors to us or any of our subsidiaries. The Audit Committee may delegate pre-approval authority to a member of the Audit Committee and if it does, the decisions of that member must be presented to the full Audit Committee at its next scheduled meeting.

OTHER MATTERS

To the best knowledge, information and belief of the directors, there are no other matters that are to be acted upon at the annual meeting. If such matters arise, the form of proxy provides that discretionary authority is conferred on the designated persons in the enclosed form of proxy to vote with respect to such matters.

Except for reports of operations and activities by management, which are for informational purposes only and require no action of approval or disapproval, management neither knows of nor contemplates any other business that will be presented for action by the shareholders at the

annual meeting. If any further business is properly presented at the annual meeting, the persons named as proxies will act in their discretion on behalf of the shareholders they represent.

SHAREHOLDER PROPOSALS FOR THE NEXT ANNUAL MEETING OF SHAREHOLDERS

Our 2009 annual meeting of shareholders is expected to be held in June of 2009. Shareholder proposals that are intended to be included in our proxy materials for the 2009 annual meeting must be presented pursuant to Securities and Exchange Commission Rule 14a-8 and received by our Secretary no later than January 2, 2009. Proposals should be delivered to Solera National Bancorp, Inc., 319 S. Sheridan Blvd., Lakewood, CO 80226, Attn: Robert J. Fenton. A shareholder proposal not included in our proxy statement for the 2009 annual meeting will be ineligible for presentation at the meeting unless the shareholder gives timely notice of the proposal in writing to the Secretary at our principal executive offices and otherwise complies with the provisions in our bylaws. Rule 14a-4 of the SEC's proxy rules allows a company to use discretionary voting authority to vote on matters coming before an annual meeting of shareholders, if the Company does not have notice of the matter at least 45 days before the date corresponding to the date on which the Company first mailed its proxy materials for the prior year's annual meeting of shareholders or the date specified by an overriding advance notice provision in the Company's bylaws. Our bylaws do not contain such an advance notice provision. Accordingly, for our 2009 annual meeting, shareholders' written notices must be received by us before March 18, 2009 for any proposal a shareholder wishes to bring before the meeting but for which such shareholder does not seek to have a written proposal considered for inclusion in the proxy statement and form of proxy.

(D) **Adjustments on Changes in Stock.** In the event of any change in the outstanding shares of Stock by reason of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, reverse stock split, spinoff, combination or exchange of shares or other corporate change, the Committee, in its sole discretion, may make such substitution or adjustment, if any, as it deems to be equitable and appropriate, as to: (i) the maximum number of shares of Stock that may be issued under the Plan as set forth in Section 3(A); (ii) the number or kind of shares subject to an Option; (iii) subject to the limitation contained in Section 6(P), the Exercise Price applicable to an Option; (iv) any measure of performance that relates to an Option in order to reflect such change in the Stock and/or (v) any other affected terms of any Option; provided however, that no adjustment shall occur with respect to an ISO unless: (y) the excess of the aggregate Fair Market Value of the shares of Stock subject to the ISO immediately after any such adjustment over the aggregate Exercise Price of such shares is not more than the excess of the aggregate Fair Market Value of all shares subject to the ISO immediately prior to such adjustment over the Exercise Price of all shares subject to the ISO; and (z) the new or adjusted ISO does not grant the Participant additional benefits that the Participant did not previously have.

4. **ADMINISTRATION**

(A) **Procedure.** The Plan shall be administered, construed and interpreted by the Committee, as such Committee is from time to time constituted, or any successor committee the Board of

Directors may designate to administer the Plan. The Committee may delegate any of its powers and duties to appropriate officer(s) of the Company in accordance with guidelines established by the Committee from time to time.

(B) Powers of the Committee. Subject to the other provisions of the Plan, the Committee shall have all powers vested in it by the terms of the Plan as set forth herein, such powers to include exclusive authority (except as may be delegated as permitted herein): (i) to select those persons to be granted Options under the Plan; (ii) to determine the type, size and terms of the Option to be granted to each individual selected; (iii) to modify the terms of any Option that has been granted; (iv) to determine the time when Options will be granted; (v) to establish performance objectives; (vi) to determine the Fair Market Value of the Stock under Section 2(K)(iv); (vii) to interpret the Plan and decide any questions and settle all controversies or disputes that may arise in connection with the Plan; (viii) to adopt, amend and rescind rules and regulations relating to the Plan; (ix) to prescribe the form or forms of instruments evidencing Options and any other instruments required under the Plan and to change such forms, in its sole and absolute discretion, from time to time; (x) to accelerate or defer (with the consent of the Participant) the vesting period or exercise date of any Option; (xi) to authorize any person to execute on behalf of the Company any instrument required to effectuate the grant of an Option previously granted by the Committee; and (xii) to make all other determinations and perform all other acts necessary or advisable for the administration of the Plan. The Committee (or its delegate as permitted herein) may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Option in the manner and to the extent that it shall deem desirable to carry the Plan or any Option into effect.

(C) **Effect of Decision of the Committee and Board of Directors.** All decisions, determinations, actions and interpretations of the Committee (or its delegate as permitted herein) or the Board of Directors (or its delegate as permitted herein) in the administration of the Plan shall lie with the Committee and the Board of Directors, respectively, within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned; provided that the Committee or the Board of Directors, as applicable, may, in its sole and absolute discretion, overrule an action, decision, determination or interpretation of a person to whom it has delegated authority.

(D) **Liability of Board of Directors or the Committee.** No member of the Board of Directors or Committee or any officer of the Company shall be liable for anything done or omitted to be done by him, by any other member of the Board of Directors or Committee or any officer of the Company in connection with the performance of duties under the Plan, except for his own willful misconduct or as expressly provided by statute. The members of the Board of Directors and Committee and officers of the Company shall be entitled to

(D) Liability of Board of Directors or the Committee. No member of the Board of Directors or Committee or an

(D) Liability of Board of Directors or the Committee. No member of the Board of Directors or Committee or any

indemnification in connection with the performance of their respective duties under the Plan to the extent provided in the articles of incorporation or bylaws of the Company or otherwise by law.

5. **ELIGIBILITY**

Consistent with the purposes of the Plan, the Committee shall have the power (except as may be delegated as permitted herein) to select the employees and other individuals performing services for or making contributions to the Company and its Affiliates who may participate in the Plan and be granted Options under the Plan. Only persons who are employees of the Company or a Parent or a Subsidiary shall be eligible to receive ISO awards under the Plan. For purposes of this Plan, the term *employee* means an individual employed by the Company or a Subsidiary whose income from those entities is subject to Federal Income Contributions Act (*FICA*) withholding.

6. TERMS AND CONDITIONS APPLICABLE TO OPTIONS UNDER THE PLAN

Options granted pursuant to the Plan shall be evidenced by Stock Option Agreements in such form as the Board of Directors shall, from time to time, approve, which agreements shall in substance include or incorporate, comply with and be subject to the following terms and conditions (except as necessary to conform to the requirements of law, including the laws of the jurisdiction where the Participant resides):

(A) **Medium and Time of Payment.** The Exercise Price shall be paid in full at the time the Option is exercised. The Exercise Price shall be payable either in (i) United States dollars in cash or by check, bank draft, money order or wire transfer of good funds payable to the Company; (ii) upon conditions established by the Committee, by delivery of shares of Stock owned by the Participant for at least six (6) months prior to the date of exercise; or (iii) by a combination of (i) and (ii). A broker assisted exercise shall be deemed to be an exercise for cash under clause (i) of the preceding sentence.

(A) Medium and Time of Payment. The Exercise Price shall be paid in full at the time the Option is exercised.

(B) **Number of Shares.** The total number of shares to which each Option pertains shall be designated in the Stock Option Agreement at the time of grant.

(B) Number of Shares. The total number of shares to which each Option pertains shall be designated in the S 117

(C) **Designation of Option.** Each Option shall be designated in the Stock Option Agreement as either an ISO or a NQSO and, in the absence of such designation, shall be deemed to be a NQSO. In the event that a person is granted concurrently an ISO and a NQSO, such Options shall be evidenced by separate Stock Option Agreements. However, notwithstanding such designations, to the extent that (i) the aggregate Fair Market Value (determined as of the time of grant) of the Stock with respect to which Options designated as ISOs are exercisable for the first time by any employee during any calendar year (under all plans of the Company and any Subsidiary) exceeds \$100,000, or (ii) an ISO does not meet any other requirement to be an incentive stock option within the meaning of section 422 of the Code, such Options, or portions thereof, shall be treated as NQSOs. For purposes of this section, Options shall be taken into account in the order in which they were granted.

(D) **Exercise Price.** The Exercise Price per share of Stock under an Option shall be determined by the Committee in its sole discretion; provided however that the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value on the date that such Option is granted and, in the case of an ISO granted to a Controlling Participant, the Exercise Price shall be not less than one hundred ten percent (110%) of the Fair Market Value on the date that such Option is granted.

(D) Exercise Price. The Exercise Price per share of Stock under an Option shall be determined by the Comm

(E) **Option Term.** The term of an Option shall be fixed by the Committee, in its sole discretion, in each Stock Option Agreement; provided however that for any Option to qualify as an ISO, the Option shall expire not more than ten years from the date the Option is granted and, in the case of a Controlling Participant, not more than five years from the date the Option is granted.

(F) **Exercise of Options.** Subject to the provisions of this Plan and the applicable Stock Option Agreement, an Option may be exercised at any time during the term of the Option. An Option shall be deemed exercised when (i) written notice of such exercise, in the form prescribed by the Committee, has been received

(F) Exercise of Options. Subject to the provisions of this Plan and the applicable Stock Option Agreement, an

by the Company in accordance with the terms of the Option by the person entitled to exercise the Option and (ii) full payment for the Stock with respect to which the Option is exercised has been received by the Company in accordance with Section 6(A) and the Stock Option Agreement. The written notice shall include the number of shares to be exercised by the Participant. Except as otherwise expressly provided in writing by the Board of Directors, an Option may not be exercised for a fractional share of Stock.

by the Company in accordance with the terms of the Option by the person entitled to exercise the Option and (ii) full

(G) **Stock Certificates.** Promptly upon exercise of an Option, the Company shall issue (or cause to be issued) certificates evidencing the shares of Stock acquired as a result of the exercise of the Option. In the event that the exercise of an Option is treated in part as the exercise of an ISO and in part as the exercise of a NQSO pursuant to Section 6(C) hereof, the Company shall issue a certificate evidencing the shares of Stock treated as acquired upon the exercise of an ISO and a separate certificate evidencing the shares of Stock treated as acquired upon the exercise of a NQSO, and shall identify each such certificate accordingly in its stock transfer records.

All certificates for shares of Stock delivered under the Plan pursuant to any Option shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Stock is then listed, and any applicable federal or state securities laws or regulations, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(H) **Date of Exercise.** The Committee may, in its sole discretion, provide that an Option may not be exercised in whole or in part for any period or periods of time specified by the Committee. Except as may be so provided, any Option may be exercised in whole at any time, or in part from time to time, during its term. In the case of an Option not immediately exercisable in full, the Committee may at any time accelerate the time at which all or any part of the Option may be exercised.

(1) **Termination of Service.** The Committee may determine, at the time of grant for each Option, the extent to which the Participant (or his legal representative) shall have the right to exercise the Option following termination of such Participant by the Company, any Subsidiary, or any Affiliate. Such determination shall be made at the time of the grant of the Option. Such provisions may reflect distinctions based on the reasons for the termination of service and any other relevant factors that the Committee may determine. In the absence of the foregoing standards, any Option granted to an employee of the Company or any Affiliate pursuant to the Plan that has not vested prior to the Termination Date shall expire immediately upon the Termination Date, and any Option granted to an employee of the Company or any Affiliate pursuant to the Plan that has vested prior to the Termination Date shall expire three (3) months following the Termination Date; provided however that if the cessation of Participant's service is due to his death or disability (as defined in section 22(e)(3) of the Code), such Option shall expire one year from the Termination Date.

(J) **Transferability.** Except as otherwise permitted by the Committee, Options shall be nontransferable other than by will or the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant (or in the event of his disability (as defined in section 22(e)(3) of the Code), by his guardian or legal representative) and after his death, only by the Participant's legal representatives, heirs, legatees, or distributees.

(K) **No Rights as a Participant.** No person shall, with respect to any Option, be deemed to have become a Participant, or to have any rights with respect to such Option, unless and until such person shall have executed a Stock Option Agreement or other instrument evidencing the Option and delivered a copy thereof to the Company, and otherwise complied with the then applicable terms and conditions.

(L) **No Rights as a Shareholder.** Notwithstanding the exercise of an Option, a Participant shall have no rights as a shareholder with respect to shares covered by an Option until the date the certificates evidencing the shares of Stock are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment will be made for dividends or other rights the record date for which is prior to the date of issuance. Upon issuance of the certificates evidencing the

(L) No Rights as a Shareholder. Notwithstanding the exercise of an Option, a Participant shall have no rights

shares of Stock acquired upon exercise of an Option, such shares of Stock shall be deemed to be transferred for purposes of section 421 of the Code and the regulations promulgated thereunder.

(M) **Tax Withholding.** As a condition to the exercise of any Option, the Company shall have the right to require that the Participant exercising the Option (or the recipient of any shares of Stock) remit to the Company an amount calculated by the Company to be sufficient to satisfy applicable federal, state, foreign or local withholding tax requirements (or make other arrangements satisfactory to the Company with regard to such taxes) prior to the delivery of any certificate evidencing shares of Stock. If permitted by the Company, either at the time of the grant of the Option or in connection with its exercise, the Participant may satisfy applicable withholding tax requirements by delivering a number of whole shares of Stock owned by the Participant for at least six (6) months prior to the date of exercise and having a Fair Market Value (determined on the date that the amount of tax to be withheld is to be fixed) at least equal to the aggregate amount required to be withheld.

In the case of an ISO, the Committee may require as a condition of exercise that the Participant exercising the Option agree to inform the Company promptly of any disposition (within the meaning of section 424(c) of the Code and the regulations thereunder) of Stock received upon exercise.

(N) **Change of Control.** Notwithstanding any provision of this Plan or any Stock Option Agreement to the contrary, unless the Committee shall determine otherwise at the time of grant with respect to a particular Option, all Options outstanding as of the date of a Change of Control or an agreement to effect a Change of Control, and which are not then exercisable and vested, shall become fully exercisable and vested to the full extent of the original grant. The determination as to whether a Change of Control or an agreement to effect a Change of Control has occurred shall be made by the Committee and shall be conclusive and binding.

(N) Change of Control. Notwithstanding any provision of this Plan or any Stock Option Agreement to the contrary, unless the Committee shall determine otherwise at the time of grant with respect to a particular Option, all Options outstanding as of the date of a Change of Control or an agreement to effect a Change of Control, and which are not then exercisable and vested, shall become fully exercisable and vested to the full extent of the original grant. The determination as to whether a Change of Control or an agreement to effect a Change of Control has occurred shall be made by the Committee and shall be conclusive and binding.

(O) **Additional Restrictions and Conditions.** The Committee may impose such other restrictions and conditions (in addition to those required by the provisions of this Plan) on any Option granted hereunder and may waive any such additional restrictions and conditions, so long as (i) any such additional restrictions and conditions are consistent with the terms of this Plan and (ii) such waiver does not waive any restriction or condition required by the provisions of this Plan.

(P) **Repricing.** The Committee shall not, without the further approval of the Board of Directors, (i) authorize the amendment of any outstanding Option to reduce the Exercise Price of such Option or (ii) grant a replacement Option upon the surrender and cancellation of a previously granted Option for the purpose of reducing the Exercise Price of such Option. Nothing contained in this section shall affect the right of the Board of Directors or the Committee to make the adjustment permitted under Section 3(D).

7. **AMENDMENT AND TERMINATION OF THE PLAN**

The Committee may amend, alter, suspend, or terminate the Plan or any portion hereof at any time; provided that no such amendment, alteration, suspension or termination shall be made without the approval of the shareholders of the Company if such approval is necessary to qualify for or comply with any tax or regulatory requirement for which or with which the Board of Directors deems it necessary or desirable to qualify or comply. No amendment, suspension or termination of the Plan shall adversely affect the right of any existing Participant with respect to any Option theretofore granted, as determined by the Committee, without such Participant's written consent.

Unless earlier terminated, the Plan shall remain in effect until all shares issuable under the Plan have been purchased or acquired in accordance with the Plan. In no event may any Options be granted under the Plan more than ten (10) years after the earlier of the date on which the Plan is adopted or the date on which the Plan is approved by the shareholders of the Company. Such termination by lapse of time shall not effect the validity or terms of any Option then outstanding or the ability of the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Option or to waive any conditions or rights under any such Option for so long as the Option is outstanding.

8. **LEGALITY OF GRANT**

The granting of Options under this Plan and the issuance or transfer of Options and shares of Stock pursuant hereto are subject to all applicable federal and state laws, rules and regulations and to such approvals by any regulatory or government agency (including, without limitation, no-action positions of the Securities and Exchange Commission) which may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Without limiting the generality of the foregoing, no Options may be granted under this Plan and no Options or shares shall be issued by the Company unless and until in any such case all legal requirements applicable to the issuance or payment have, in the opinion of counsel for the Company, been complied with. In connection with any Option or Stock issuance or transfer, the person acquiring the shares or the Option shall, if requested by the Company, give assurance satisfactory to counsel to the Company with respect to such matters as the Company may deem desirable to assure compliance with all applicable legal requirements.

9. NO EMPLOYMENT/SERVICE RIGHTS

Nothing in this Plan or any Stock Option Agreement shall confer upon any person the right to participate in the benefits of the Plan or to be granted an Option, and there shall be no obligation to provide uniformity of treatment in connection with the administration of this Plan. The terms and conditions of Options or Stock Option Agreements need not be the same with respect to each Participant.

Nothing in this Plan or any Stock Option Agreement shall be construed as constituting a commitment, guarantee, agreement or understanding of any kind or nature that the Company or any Affiliate shall continue to employ, retain or engage any individual (whether or not a Participant). Neither this Plan nor any Stock Option Agreement executed in accordance with this Plan shall affect in any way the right of the Company or any Affiliate to terminate the employment or engagement of any individual (whether or not a Participant) at any time and for any reason whatsoever and to remove any individual (whether or not a Participant) from any position with the Company or any Affiliate. No change of a Participant's duties with the Company or any Affiliate shall result in a modification of any rights of such Participant under this Plan or any Stock Option Agreement executed by such Participant.

10. **EFFECTIVE DATE**

This Plan shall become effective upon its approval by the Board of Directors; provided however that no grant of an Option under this Plan shall qualify as an ISO unless, within one year of the date the Plan becomes effective, the Plan is approved by the affirmative vote of a majority of the shareholders of the Company present, in person or by proxy, at a meeting of the shareholders of the Company. The Committee may grant ISOs subject to the condition that this Plan shall have been approved by the shareholders of the Company as provided herein.

11. **RESERVATION OF SHARES**

The Company, during the term of this Plan, shall at all times reserve and keep available such number of shares of Stock as shall be sufficient to satisfy the requirements of the Plan.

12. **MINIMUM CAPITAL REQUIREMENTS**

Notwithstanding any provision of this Plan or any Stock Option Agreement to the contrary, all Options granted under the Plan shall expire, to the extent not exercised, within 45 days following the receipt of notice from the Bank's primary federal regulator (" Regulator ") that (i) the Bank has not maintained its minimum capital requirements (as determined by the Regulator); and (ii) the Regulator is requiring termination or forfeiture of options. Upon receipt of such notice from the Regulator, the Company shall promptly notify each Participant that all Options issued under this Plan have become fully exercisable and vested to the full extent of the grant and that the Participant must exercise the Option(s) granted to him prior to the end of the 45-day period or such earlier period as may be specified by the Regulator or forfeit such Option. In case of forfeiture

due to termination of options by the Regulator, no Participant shall have a cause of action, of any kind or nature, with respect to the forfeiture against the Company or any Affiliate. Neither the Company nor any Affiliate shall be liable to any Participant due to the failure or inability of the Company or any Affiliate to provide adequate notice to the Participant.

13. **ADMINISTRATION OF PLAN**

Notwithstanding any other provision herein to the contrary, this Plan shall be administered in accordance with the provisions of the Federal Deposit Insurance Corporation's Statement of Policy on Applications for Deposit Insurance as such policy relates to stock benefit plans.

14. GENERAL

(A) **Burden and Benefit.** The terms and provisions of this Plan and the Options issued hereunder shall be binding upon, and shall inure to the benefit of, the Company and each Participant and any permitted successors and assigns.

(B) **Interpretation.** When a reference is made in this Plan to a Section, such reference will be to a Section of this Plan unless otherwise indicated. The headings contained in this Plan are for convenience of reference only and will not affect in any way the meaning or interpretation of this Plan or any Option. Whenever the words include, includes or including are used in this Plan, they will be deemed to be followed by the words without limitation. The words hereof, herein and hereunder and words of similar import when used in this Plan will refer to this Plan as a whole and not to any particular provision in this Plan. Each use herein of the masculine, neuter or feminine gender will be deemed to include the other genders. Each use herein of the plural will include the singular and vice versa, in each case as the context requires, or as is otherwise appropriate. The word or is used in the inclusive sense. by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. References to a person are also to its permitted successors or assigns. No provision of this Plan is to be construed to require, directly or indirectly, any person to take any action, or omit to take any action, which action or omission would violate applicable law (whether statutory or common law), rule or regulation.

(C) **Costs and Expenses.** All costs and expenses with respect to the adoption, implementation and administration of this Plan shall be borne by the Company; provided however that, except as otherwise specifically provided in this Plan or the applicable Stock Option Agreement between the Company and a Participant, the Company shall not be obligated to pay any costs or expenses (including legal fees) incurred by any Participant in connection with any Stock Option Agreement, this Plan or any Option or Stock held by any Participant.

(D) **Unfunded Status of Plan.** The Plan is intended to constitute an unfunded plan for long-term incentive compensation. Neither the Plan nor any Option shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other person. Nothing contained herein shall be construed to give any Participant any rights with respect to any Option, unexercised or exercised, or any other matters under this Plan that are greater than those of a general unsecured creditor of the Company.

(E) **Governing Law.** The validity, construction and effect of the Plan, any rules and regulations relating to the Plan and any Option granted hereunder shall be determined in accordance with the laws of the State of Delaware, without reference to the laws that might otherwise govern under applicable principles of conflicts of law.

(F) **Severability**. If any term or other provision of this Plan or any Stock Option Agreement is held to be illegal, invalid or unenforceable by any rule of law or public policy, such term or provision shall be

fully severable and this Plan or the Stock Option Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision were not a part hereof, and all other conditions and provisions shall remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or unenforceable, there shall be added automatically as a part of this Plan or the Stock Option Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and still be legal, valid and enforceable. If any provision of this Plan or any Stock Option Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only as broad as is enforceable.

(G) **Certain Conflicts.** In the event of an irreconcilable conflict between the terms of the Plan and any Stock Option Agreement, the terms of the Plan shall prevail.

(H) **Notices.** Any notice or other communication required or permitted to be made hereunder or by reason of the provisions of this Plan or any Stock Option Agreement shall be in writing, duly signed by the party giving such notice or communication and shall be deemed to have been properly delivered if delivered personally or by a recognized overnight courier service, or sent by first-class certified or registered mail, postage prepaid, as follows (or at such other address for a party as shall be specified by like notice): (i) if given to the Company, at its principal place of business, and (ii) if to a Participant, as provided in his Stock Option Agreement unless Participant has provided a more current address to the Company, in which case the most current address so provided. Any notice properly given hereunder shall be effective on the date on which it is actually received by the party to whom it was addressed.

IN WITNESS WHEREOF, the Company, acting by and through its duly authorized officer, has executed this Plan on the 17th day of April, 2008.
