Press release

**MTS Lowers Interest Rates on Gazprombank Financing**

February 18, 2010

**Moscow, Russian Federation** Mobile TeleSystems OJSC ( MTS NYSE: MBT), the largest mobile phone operator in Russia and the CIS, announces that it has reached an agreement with Gazprombank to reduce the interest rates on the outstanding loans.

The interest rate on the EUR 100 million credit facility with maturity in September 2012 was reduced from an annual rate of 8% to 7%. The interest rate on the facility in the amount of RUB 6.46 billion with maturity in September 2012 was reduced from an annual rate of 13% to 10.95%. The Company also reduced the interest rate on the revolving credit line in the amount of EUR 100 million with maturity in September 2012 from 8% to 7%.

The reduction of interest expenses is part of the Company's strategy at optimizing its debt profile. MTS aims to continue negotiating with the major lenders to further lower the Company's interest exposure.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and the negative of such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, including Comstar-UTS, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
