Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 22, 2010, the Compensation Committee (Committee) of the Board of Directors of Duke Energy Corporation (the Company) established the 2010 short-term performance program (STPP) under the Duke Energy Corporation Executive Short-Term Incentive Plan for Ms. Good and Messrs. Manly and Turner, our named executive officers other than Mr. Rogers, who does not participate in the STPP. Similar to 2009, each participating named executive officer s 2010 STPP opportunity is based on an adjusted diluted earnings per share (EPS) goal, an operations and maintenance (O&M) expense control goal, a reliability goal, and strategic and operational team and individual goals, which comprise 50%, 20%, 10% and 20%, respectively, of each participating named executive officer s 2010 STPP opportunity. If a separate threshold level of adjusted diluted EPS is not achieved, the participating named executive officers will not receive any payouts under the 2010 STPP. Payouts are also subject to a potential adjustment, which can increase or decrease payouts by 5%, depending on performance relative to safety measures. The target opportunity for each of Ms. Good and Messrs. Manly and Turner is 80% of annual base salary. Depending on performance, each named executive officer could receive from 0% to 183.75% of his or her target opportunity. Some or all of the performance measures listed above are expected to be utilized in future years.
