PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

JUNE 16, 2011

About this Proxy Statement

Our Board of Directors is soliciting proxies to be used at our 2011 Annual Meeting of Stockholders. The meeting will be held at the offices of Morgan, Lewis & Bockius LLP, 1701 Market Street, Philadelphia, Pennsylvania 19103 on Thursday, June 16, 2011, at 6:00 p.m. local time. This proxy statement, the notice of annual meeting and the form of proxy will be mailed to stockholders beginning on or about April 28, 2011.

VOTING PROCEDURES

Who Can Vote

Only RCM common stockholders at the close of business on the record date, April 18, 2011, may vote at the annual meeting. You are entitled to cast one vote for each share of RCM common stock that you owned as of the close of business on the record date. At the close of business on the record date, there were 13,061,081 shares of RCM common stock outstanding.

How You Can Vote

You can vote by:

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

- marking your proxy card, dating and signing it, and returning it in the postage-paid envelope we have provided,
- phoning in your vote using the information provided on your voting form, or
- attending the meeting and voting in person.

How You Can Revoke Your Proxy or Change Your Vote

You can revoke your proxy at any time before it is voted at the meeting by:

- sending a written notice that you have revoked your proxy to our Secretary, Kevin D. Miller, at 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109-4613,
- submitting a later-dated proxy card, or
- attending the meeting, giving our Secretary written notice of your revocation and voting your shares.

If a bank, broker or other holder of record holds your shares in its name, you must obtain a proxy card executed in your favor from the holder of record to be able to vote your shares at the meeting.

General Information on Voting

A quorum must exist for voting to take place at the meeting. A quorum exists if holders of a majority of the outstanding shares of our common stock are present at the meeting in person or are represented by proxy at the meeting.

Director nominees are elected by a plurality of the votes cast for the election of directors at the meeting. Thus, the nominees who receive the most votes will be elected as a director. All other matters to be voted upon at the meeting must be approved by a majority of the votes cast on those matters.

Shares represented by a proxy marked `abstain` or `withheld` on any matter will be considered present at the meeting for purposes of determining whether there is a quorum, but will not be considered as votes `FOR` or `AGAINST` that matter. Shares represented by a proxy as to which there is a `broker non-vote` (that is, where a broker holding your shares in `street` or `nominee` name indicates to us on a proxy that you have given the broker the discretionary authority to vote your shares on some but not all matters), will be considered present at the meeting for purposes of determining a quorum but will not be voted on matters as to which there is a `broker non-vote`. Abstentions and `broker non-votes` will therefore have no effect on the outcome of any vote taken at the meeting.

Shares that have been properly voted and not revoked will be voted at the meeting in accordance with the instructions on your proxy card. If you sign your proxy card but do not mark your choices, Leon Kopyt or Kevin D. Miller, the persons named on the enclosed proxy card, will vote the shares represented by your proxy card:

- `FOR` the persons we nominated for election as director; and
- `FOR` the ratification of our Audit Committee's selection of EisnerAmper LLP as our independent accountants for our fiscal year ending December 31, 2011.

If any other matters are properly presented at the meeting for consideration, Mr. Kopyt and Mr. Miller will have the discretion to vote on those matters for you. Currently, we are not aware of any such matters.

Costs of Solicitation

We will pay for preparing, assembling and mailing this proxy statement. Our directors, officers and employees may solicit proxies through the mails, direct communication or otherwise. None of our directors, officers or employees will receive additional compensation for soliciting proxies. We may reimburse brokerage firms and other custodians, nominees or fiduciaries for their reasonable expenses for forwarding proxy and solicitation materials to stockholders.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the *Committee*) of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Committee seeks to ensure that the total compensation paid to the executives is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to our executives, including the named executive officers, are similar to those provided to other executive officers.

Throughout this proxy statement, each of the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2010, as well as the other individuals included in the Summary Compensation Table on page 14, are referred to as the named executive officers.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward strong annual operating performance by the Company. Where named executive officers focus specifically on one or more areas of the Company's business, the Committee believes that a substantial portion of the cash incentive portion of their compensation should focus on those areas. For the Chief Executive Officer and Chief Financial Officer, the cash incentive portion of their compensation is substantially focused on overall Company financial performance, as the Committee believes that their incentive compensation should be aligned with their focus on overseeing the totality of the Company's operations. Where appropriate, the Committee also considers the achievement of the specific annual, long-term and strategic goals by the Company, and in such cases seeks to align executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Committee believes executive compensation packages provided by the Company to its executives, including the named executive officers, should generally include both cash and stock-based compensation that reward performance as measured against established goals.

Role of Executive Officers in Compensation Decisions

The Committee makes all compensation decisions regarding the compensation of the Chief Executive Officer, Chief Financial Officer and the other named executive officers. In the case of named executive officers other than the Chief Executive Officer and the Chief Financial Officer, the Compensation Committee receives recommendations from the Chief Executive Officer regarding their compensation. Additionally the Committee receives recommendations from the Chief Executive Officer regarding equity awards to all elected officers of the Company.

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

The Chief Executive Officer annually reviews the performance of each executive (other than the Chief Executive Officer and the Chief Financial Officer whose performance is reviewed solely by the Committee). The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Committee. The Committee can exercise its discretion in modifying any recommended adjustments or awards to executives.

Setting Executive Compensation

Based on the foregoing objectives, the Committee has structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and reward the executives for achieving such goals.

Functions of the Compensation Committee

The Committee's primary functions include:

- reviewing, approving and determining the salaries, bonuses and other benefits of RCM's directors and executive officers,
- recommending to RCM's Board amendments to existing stock option plans and the adoption of new stock option plans,
- negotiating, reviewing, approving and determining the adoption of, or amendments to, any compensatory plans, arrangements or agreements between RCM and its executives, and
- establishing and reviewing management perquisites.

Components of Compensation

The Committee generally structures RCM executives' compensation through a combination of the following:

- *Base Salary:* As a general rule, the Committee establishes base salaries for RCM's executives based upon the individual's performance and contribution to RCM. The Committee takes into account base salaries of executives in comparable positions in companies similar to RCM. Some of RCM's executives are parties to employment agreements. The salaries of those executives are based on their agreements.
- *Annual Incentive Compensation:* The Committee provides annual incentive awards to RCM's executives to reward their contributions to RCM. Generally, the Committee believes that the best metric for overall financial performance is either earnings before interest, taxes, depreciation and amortization (EBITDA) or operating income. As discussed in more detail below under 2010 Compensation, Mr. Kopyt's bonus

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

was based solely on RCM's EBITDA. Mr. Miller's bonus is generally determined based on a combination of EBITDA and certain other factors at the discretion of the Chief Executive Officer and the Committee but in 2010 his bonus was based solely on RCM's EBITDA. Other factors may include productivity goals such as organization leadership, mentoring and training of administrative staff, and meeting applicable financial and regulatory filing requirements. The bonuses of all other executives are determined based on RCM's operating income and certain other factors at the discretion of the Chief Executive Officer, based on the guidelines established by the Committee.

- *Long-Term Incentive Compensation:* The Committee periodically considers granting stock options and other RCM securities to RCM executives. Any such grants are designed to align the interests of each RCM executive with those of the stockholders, and provide each executive with a significant incentive to manage RCM from the perspective of an owner with an equity stake in the business. When made, grants typically permit executives to acquire RCM's common stock at a fixed price per share (generally, the market price on the grant date) over a specified period of time (usually up to ten years). The grants provide a return to the executive only if the market price of the shares appreciates over the option term. No such grants were made in fiscal 2010.

In considering any potential grant of an equity award, the Committee would consider each executive's:

- position with RCM,
- potential for future responsibility over the option term,
- performance in recent periods, and
- current holdings of RCM stock and options.

The Committee believes that RCM's financial performance is a better indicator of executive achievement than its stock price. The Committee examines a number of financial indicators in assessing RCM's performance, including:

- net sales,
- operating income,
- net income, and
- earnings per share.

The Committee does not base compensation decisions upon any precise formula or accord any one factor greater weight than the other factors.

2010 Compensation

- *Base Salary:* For 2010, Mr. Campanelli received an increase to his base salary of \$25,000 on January 1, 2010, increasing his base salary from \$250,000 to \$275,000. The increase was intended to bring Mr. Campanelli's salary more in line with what the Committee believes to

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

be the standards in the industry, though no formal studies were made of either area. All other named executive officers received base salaries at the same rate as in 2009.

- *Annual Incentive Compensation/Bonus:* Messrs. Kopyt, Miller, Campanelli, Gargano and Saks were eligible to receive cash incentive compensation based on the achievement of certain goals established by the Compensation Committee in 2009.

Mr. Kopyt's overall compensation, which is called for by his employment agreement, reflects his high level of policy and decision-making authority and his level of responsibility with respect to RCM's strategic direction and financial and operational results.

For Mr. Kopyt, these goals were based on overall Company financial performance, measured by the Company's EBITDA. The Committee has chosen EBITDA as the appropriate measure for use as a performance goal as it closely correlates to cash flow. Mr. Kopyt was entitled to receive incentive compensation equal to 2.0% of the Company's EBITDA for fiscal year 2010. These levels were chosen because the Committee believes the percentages when applied to EBITDA will adequately compensate Mr. Kopyt with respect to the compensation philosophy described above. Accordingly, Mr. Kopyt received incentive compensation payment for 2010 of \$210,927. This payment represented 33.8% of his annual base salary.

For Mr. Miller, these goals were based on overall Company financial performance, measured by the Company's EBITDA. The Committee has chosen EBITDA as the appropriate measure for use as a performance goal as it closely correlates to cash flow. Mr. Miller was entitled to receive incentive compensation equal to 0.5% of the Company's EBITDA for fiscal year 2010. These levels were chosen because the Committee believes the percentages when applied to EBITDA will adequately compensate Mr. Miller with respect to the compensation philosophy described above. Accordingly, Mr. Miller received incentive compensation payment for 2010 of \$52,732. This payment represented 17.6% of his annual base salary.

The Company's operating vice presidents are entitled to receive incentive compensation based on the achievement by their operating business units with respect to specific financial measures established prior to, or early in, each fiscal year. The Committee believes that linking the performance of the unit managers to their units provides them an incentive to maximize the financial performance of the areas of the Company's business for which they are directly responsible.

Subject to occasional modification, the methodology for structuring these incentive compensation goals and potential awards is as follows: For each pre-determined financial measure, minimum, target and maximum levels are set. Specified bonuses are established for achievement of the minimum and target levels. For achievement over target, the operating managers are entitled to receive an additional amount consisting of a predetermined percentage of the excess over the established target level, up to an established maximum payment. This is done to give incentive to the manager to exceed his target and be rewarded for growth.

Mr. Campanelli was entitled to receive bonuses based on the achievement of the Company's Engineering and Healthcare business units. Minimum targets were based on the achievement of certain percentages of budgeted financial performance. Thus, Mr. Campanelli received incentive compensation of \$207,328 with respect to the Engineering unit and \$0 with respect to the Healthcare unit for a total incentive compensation of \$207,328.

Mr. Gargano is Senior Vice President of the Company's IT Consulting Division. Minimum targets were based on the achievement of certain percentages of budgeted financial performance. Mr. Gargano received incentive compensation of \$0 and a discretionary bonus of \$50,000 for 2010. The Committee determined that a discretionary bonus was warranted to reward and incent Mr. Gargano for his work in a very demanding position.

Mr. Saks is Senior Vice President of the Company's Health Care Division. Minimum targets are based on the achievement of certain percentages of budgeted financial performance. Mr. Saks received incentive compensation of \$130,000 for 2010.

- *Long-Term Incentive Compensation:* As discussed above, the Committee from time to time considers the granting of equity awards to the named executive officers. No options to purchase our common stock or restricted shares of common stock were granted to our executive officers or members of our senior management during our fiscal year ended January 1, 2011.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits the amount of executive compensation RCM may deduct for federal income tax purposes. In general, Section 162(m) only allows a publicly held corporation to deduct up to one million dollars per year of compensation paid to certain executives. The executives whose compensation is subject to limitation under Section 162(m) are those executives who, as of the close of a corporation's taxable year, are either the chief executive officer (or an individual acting in such capacity), or an executive whose compensation is required to be reported to stockholders under the Securities Exchange Act of 1934 by reason of that executive being among the four highest compensated officers of a corporation for the taxable year (other than the chief executive officer). Performance-based compensation is not, however, subject to this deduction limitation if it meets certain requirements. One of the requirements is that performance-based compensation be payable only on the attainment of performance goals that have been approved by a corporation's stockholders. Compensation attributable to the exercise of options that are granted with an exercise price at or above the fair market value of the stock subject to the option under a stockholder-approved stock option plan meeting certain requirements is also qualified as performance-based compensation. The compensation committee has generally attempted to structure the compensation it pays to RCM's executives subject to Section 162(m) so that compensation that would exceed the one million dollar limitation otherwise imposed under Section 162(m) will qualify for the exemption noted above for performance-based compensation.

Compensation of Directors

Our employee directors do not receive any compensation for serving on our Board or its committees, other than the compensation they receive for serving as employees of RCM.

The Board of Directors has approved a compensation package for non-employee directors, which became effective in July 2009. Under the arrangement, each non-employee director receives a retainer fee of \$36,000 per year as compensation for service on the Board. In addition to the retainer fee, each eligible non-employee director is paid meeting attendance fees of \$750 for each Board meeting and \$300 for each Committee meeting in excess of four that is held on a date other than the date of a Board meeting.

All employee and non-employee directors also are eligible to receive options to purchase our common stock and stock appreciation rights under our stock option plans. Richard D. Machon and S. Gary Snodgrass as newly appointed Directors in 2010 were the only Directors to receive stock option awards during 2010.

The following table lists cash and other compensation paid to, or accrued by us for, our Board of Directors for our fiscal year ended January 1, 2011.

As of January 1, 2011, each director has the following number of options outstanding: Norman S. Berson: 35,000; Robert B. Kerr: 30,000; Richard D. Machon: 10,000; Lawrence Needleman: 20,000; S. Compensation of Directors (Continued)

Leon Kopyt, the Company's Chairman and Chief Executive Officer, is not included in this table as he is an employee of the Company and thus receives no compensation for his services as director. The compensation received by Mr. Kopyt as employee of the Company is shown in the Summary Compensation Table on page 14.

Employment Agreements

Mr. Kopyt's employment agreement provides for an annual base salary of \$660,000, vacation time and other customary benefits. In addition, the agreement provides that Mr. Kopyt's annual bonus will be based on our EBITDA.

Mr. Kopyt's employment agreement is for a term of three years and automatically extends each year for an additional one-year period. This employment agreement is terminable upon Mr. Kopyt's death or disability, or for cause, as defined in the agreement.

Change in Control and Termination of Employment Arrangements for Mr. Kopyt

The Company is party to a Termination Benefits Agreement with Mr. Kopyt, amended on December 12, 2007 to comply with the requirements of section 409A of the Internal Revenue Code of 1986 (the "Benefits Agreement"). Pursuant to the Benefits Agreement, following a Change in Control (as defined therein), the remaining term of Mr. Kopyt's employment is extended for five years (the "Extended Term"). If Mr. Kopyt's employment is terminated thereafter by the Company other than for cause, or by Mr. Kopyt for good reason (including, among other things, a material change in Mr. Kopyt's salary, title, reporting responsibilities or a change in office location which requires Mr. Kopyt to relocate), then the following provisions take effect: the Company is obligated to pay Mr. Kopyt a lump sum equal to his salary and bonus for the remainder of the Extended Term; and the Company shall be obligated to pay to Mr. Kopyt the amount of any excise tax associated with the benefits provided to Mr. Kopyt under the Benefits Agreement. If such a termination had taken place as of January 1, 2011, Mr. Kopyt would have been entitled to cash payments of approximately \$5.9 million (representing salary and excise tax payments).

Severance Agreement for Mr. Kopyt

The Company is party to a Severance Agreement with Mr. Kopyt, amended on December 12, 2007 to comply with the requirements of section 409A of the Internal Revenue Code of 1986 (the "Severance Agreement"). The agreement provides for certain payments to be made to Mr. Kopyt and for the continuation of Mr. Kopyt's employee benefits for a specified time after his service with the Company is terminated other than for cause, as defined in the Severance Agreement. Amounts payable to Mr. Kopyt under the Severance Agreement would be offset and reduced by any amounts received by Mr. Kopyt after his termination of employment under his employment agreement and the Benefits Agreement, which are supplemented and not superseded by the Severance Agreement. If Mr. Kopyt had been terminated as of January 1, 2011, then under the terms of the Severance Agreement, and after offsetting any amounts that would have been received under his current employment and termination benefits agreements, he would have been entitled to cash payments of approximately \$4.0 million, inclusive of employee benefits.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

We believe that, during our fiscal year ended January 1, 2011, our executive officers and directors made all required filings under Section 16(a) of the Securities Exchange Act on a timely basis. Our belief is based solely on:

- our review of copies of forms filed pursuant to Section 16(a) and submitted to us during and with respect to our fiscal year ended January 1, 2011 and
- representations from the Company's directors, executive officers and beneficial owners of more than 10% of our Common Stock that they have complied with all Section 16(a) filing requirements with respect to 2010.

BOARD MEETINGS AND COMMITTEES

Our Board of Directors has an executive committee, an audit committee and a compensation committee. The committees report their actions to the full Board at the Board's next regular meeting. The following table shows on which of our Board's committees each of our directors served.

Our Board of Directors held seven meetings in the fiscal year ended January 1, 2011. The Company does not have a specific written policy with regard to attendance of directors at our annual meetings of stockholders, although board member attendance is strongly encouraged. Each of our six directors attended all Board meetings, including the 2010 Annual Meeting, and all meetings of the committees on which each director served. At each meeting of the Board of Directors, there was an executive session attended only by the Independent Directors.

The Board of Directors has further determined that Robert B. Kerr, Chair of the Audit Committee, is an audit committee financial expert as such term is defined in Item 407(d)(5) of Regulation S-K promulgated by the Commission.

Director Nominations

The Board of Directors does not have a separate nominating committee. Nominees for election to the Board of Directors are selected by a majority of our Independent Directors. The Independent Directors do not have a charter relating to the nominating process. They seek nominees with the highest personal and professional character and integrity, who possess appropriate characteristics, skills, experience, diversity of background and time to make a significant contribution to the Board of Directors, the Company and its stockholders. With respect to their consideration of diversity of background, the Independent Directors do not have a formal policy of assessing diversity with respect to any particular qualities or attributes.

The Independent Directors consider recommendations for nominations from a variety of sources, including directors, business contacts, legal counsel, community leaders and members of management. In addition, the Independent Directors consider stockholder recommendations for director nominees that are received in a timely manner. Nominees proposed by shareholders will be considered using the same criteria and in the same manner as all other nominees. All such stockholder recommendations should be submitted in writing in care of Kevin D. Miller, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109 no later than January 19, 2012.

Communications with the Board

Stockholders may send communications to the Board of Directors in writing, addressed to the full Board of Directors, individual directors or a specific committee of the Board of Directors, in care of Kevin D. Miller, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. In general, all stockholder communications sent to our Secretary for forwarding to the Board of Directors or to specified Board members will be forwarded in accordance with the sender's instructions. However, our Secretary reserves the right not to forward any personally abusive, threatening or otherwise inappropriate materials.

PROPOSAL 2

RATIFICATION OF THE SELECTION OF INDEPENDENT ACCOUNTANTS

Our Audit Committee has selected EisnerAmper LLP (EisnerAmper) to act in the capacity of independent accountants for the current fiscal year ending December 31, 2011. Ratification and approval by the stockholders will be sought by the Board of Directors for the selection of EisnerAmper as independent accountants to audit our accounts and records for the fiscal year ending December 31, 2011, and to perform other appropriate services. The affirmative vote of a majority of the votes cast on this proposal at the Annual Meeting is required to approve it. In the event that a majority of the shares voted at the Annual Meeting do not vote for ratification of the selection of EisnerAmper, the Audit Committee will reconsider such selection.

Representatives of EisnerAmper will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by stockholders.

On August 16, 2010 the Audit Committee of the Company's Board of Directors engaged EisnerAmper LLP to serve as the Company's new independent registered public accounting firm, after it was notified on August 16, 2010 that Amper, Politziner and Mattia, LLP (Amper), an independent registered public accounting firm, would not be able to stand for re-appointment because it combined its practice on that date with that of Eisner LLP (Eisner) to form EisnerAmper LLP, an independent registered public accounting firm. The Company previously filed Form 8-K on August 18, 2010 acknowledging this change.

During the Company's fiscal year ended January 2, 2010 and through the date we engaged EisnerAmper LLP, the Company did not consult with Eisner regarding any of the matters or reportable events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The audit report of Amper on the consolidated financial statements of the Company as of and for the year ended January 2, 2010 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audit of the Company's consolidated financial statements for the fiscal years ended January 2, 2010 and through August 16, 2010, there were (i) no disagreements between the Company and Amper on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Amper, would have caused Amper to make reference to the subject matter of the disagreement in their report on the Company's financial statements for such year or for any reporting period since the Company's last fiscal year end and (ii) no reportable events within the meaning set forth in item 304(a)(1)(v) of Regulation S-K.

Fees Billed by EisnerAmper and Amper during 2010 and 2009

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

Audit Fees. Fees billed to the Company by EisnerAmper for audit services rendered by EisnerAmper for the audit of the Company's 2010 annual financial statements, for the review of those financial statements included in the Company's Quarterly Reports on Form 10-Q, and for services that are normally provided by EisnerAmper in connection with statutory and regulatory filings or engagements, totaled approximately \$116,500. Fees billed to the Company by Amper for audit services rendered by Amper for the audit of the Company's 2010 annual financial statements, for the review of those financial statements included in the Company's Quarterly Reports on Form 10-Q, and for services that are normally provided by Amper in connection with statutory and regulatory filings or engagements, totaled approximately \$35,000. Fees billed to the Company by Amper for audit services rendered by Amper for the audit of the Company's 2009 annual financial statements, for the review of those financial statements included in the Company's Quarterly Reports on Form 10-Q, and for services that are normally provided by Amper in connection with statutory and regulatory filings or engagements, totaled \$150,000.

Audit-Related Fees. Fees billed to the Company by EisnerAmper during 2010 for audit-related services that were reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the preceding paragraph totaled \$0. No fees were billed to the Company by Amper during 2010 or 2009 for audit-related services that were reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the preceding paragraph.

Tax Fees. Fees billed to the Company by EisnerAmper during 2010 for professional services rendered for tax compliance, tax advice and tax planning totaled \$0. No fees were billed to the Company by Amper during 2010 or 2009 for professional services rendered for tax compliance, tax advice or tax planning.

All Other Fees. EisnerAmper was not engaged by the Company during 2010 to perform any non-audit services. EisnerAmper does not audit the Company's 401(k) plan. Amper was not engaged by the Company during 2010 or 2009 to perform any non-audit services. Amper did not audit the Company's 401(k) plan.

The Audit Committee has considered whether EisnerAmper LLP's provision of services other than professional services rendered for the audit and review of our financial statements is compatible with maintaining EisnerAmper LLP's independence, and has determined that it is so compatible.

All audit, audit-related, tax and other services were pre-approved by the Audit Committee pursuant to applicable regulations. The Audit Committee currently pre-approves all engagements of the Company's accountants to provide both audit and non-audit services, and has not established formal pre-approval policies or procedures. The Audit Committee did not approve any non-audit services pursuant to Rule 2-01 (c) (7) (i) (C) of Regulation S-X during 2010.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION AND APPROVAL OF THE SELECTION BY OUR AUDIT COMMITTEE OF EISNERAMPER LLP AS OUR INDEPENDENT ACCOUNTANTS FOR FISCAL 2011.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's outside auditors all financial statements prior to their issuance. Management advised the Committee in each case that all financial statements were prepared in accordance with generally accepted accounting principles, and reviewed significant accounting issues with the Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees)* as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Committee also discussed with EisnerAmper LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures made and letter given to the Committee pursuant to the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence.

In addition, the Committee reviewed major initiatives and programs aimed at strengthening the effectiveness of the Company's internal control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Taking all of these reviews and discussions into account, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended January 1, 2011 for filing with the Securities and Exchange Commission.

CORPORATE GOVERNANCE MATTERS

Stockholder Communications with the Board. Stockholders may send communications to the Board of Directors in writing, addressed to the full Board of Directors, individual directors or a specific committee of the Board of Directors, care of Kevin D. Miller, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. In general, all stockholder communications sent to our Secretary for forwarding to the Board of Directors, or to specified Board members, will be forwarded in accordance with the sender's instructions. However, our Secretary reserves the right to not forward to Board members any abusive, threatening or otherwise inappropriate materials.

Director Attendance at Annual Meetings. The Company encourages all of the directors to attend the annual meeting of stockholders. The 2010 Annual Meeting of Stockholders was attended by all of the directors.

Code of Conduct and Code of Ethics. We have adopted a Code of Conduct applicable to all of our directors, officers and employees. In addition, we have adopted a Code of Ethics, within the meaning of applicable Commission rules, applicable to our Chief Executive Officer, Chief Financial Officer and Controller. Both our Code of Conduct and Code of Ethics are available free of charge by sending a written request to Kevin D. Miller, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. If we make any amendments to either of these Codes (other than technical, administrative, or other non-substantive amendments), or waive (explicitly or implicitly) any provision of the Code of Ethics to the benefit of our Chief Executive Officer, Chief Financial Officer or Controller, we will disclose the nature of the amendment or waiver, its effective date and to whom it applies in the investor relations portion of our website at www.rcmt.com, or in a report on Form 8-K that we file with the Commission.

Related Party Transaction Approval Policy. Our Code of Conduct mandates that officers and directors bring promptly to the attention of our Compliance Officer, currently our Chief Financial Officer, any transaction or series of transactions that may result in a conflict of interest between that person and the Company. Furthermore, our Audit Committee must review and approve any related party transaction as defined in Item 404(a) of Regulation S-K, promulgated by the Securities and Exchange Commission, before it is consummated. Following any disclosure to our Compliance Officer, the Compliance Officer will then typically review with the Chairman of our Audit Committee the relevant facts disclosed by the officer or director in question. After this review, the Chairman of the Audit Committee and the Compliance Officer determine whether the matter should be brought to the Audit Committee or the full Board of Directors for approval. In considering any such transaction, the Audit Committee or the Board of Directors, as the case may be, will consider various relevant factors, including, among others, the reasoning for the Company to engage in the transaction, whether the terms of the transaction are at arm's length and the overall fairness of the transaction to the Company. If a member of the Audit Committee or the Board is involved in the transaction, he or she will not participate in any of the discussions or decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

Risk Oversight by the Board. The role of our Board of Directors in our risk oversight process includes receiving regular reports from members of management on areas of material risk to us, including operational, financial, legal and strategic risks.

In particular, our Audit Committee is tasked pursuant to its charter to discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. As appropriate, the Chairman of the Audit Committee reports to the full Board of Directors on the activities of the Audit Committee in this regard, allowing the Audit Committee and the full Board to coordinate their risk oversight activities.

As one component of our risk oversight and anti-fraud program, our Audit Committee has established complaint reporting procedures described under Compliance Policy in the Investors section of our website at www.rcmt.com. These procedures indicate how to submit complaints to our Audit Committee regarding concerns about our accounting practices, our adherence to financial policies and procedures, or our compliance with the Sarbanes-Oxley Act of 2002. Once received, grievances are reviewed by the Chairman of the Audit Committee for consideration.

Board Leadership Structure. Mr. Kopyt has been both our Chief Executive Officer and the Chairman of our Board since 1992.

We believe that the overlap between our Board and executive management has been advantageous to us, in that we have benefited from strong, clear, consistent and cohesive leadership, with Mr. Kopyt setting the tone and having ultimate responsibility for all of our operating and strategic functions, thus providing unified leadership and direction for our Board of Directors and our operational functions. While our Board of Directors has never concluded that the role of Chairman must always be held by a senior executive, and reserves the right to reconsider this matter, it intends to continue the current arrangement for the foreseeable future.

While our Board does not have a lead independent director, we receive strong leadership from all the Independent Directors. The Independent Directors meet in executive session on a periodic basis in connection with regularly-scheduled meetings of the full Board of Directors, as well as in their capacity as members of our Audit Committee and Compensation Committee. The Board believes that its structure facilitates a strong sense of responsibility among our directors, as well as active and effective oversight by the Independent Directors of our operations and strategic initiatives, including the risks that may be attendant thereto. All members of our Board are able to propose items for inclusion on Board meeting agendas, and our Board meetings include time for discussion of items not on the formal agenda.
