The Transaction

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

Merger, pursuant to which each issued and outstanding ordinary share of the Issuer, par value 1.00, will be converted into the right to receive one ordinary share of Holdco, nominal value US\$0.10 (**Holdco ordinary shares**), the Merger being more fully described in the Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*); and (ii) immediately thereafter, the merger of Sub with and into IGT (the **Sub Merger**), with IGT surviving as a wholly-owned subsidiary of Holdco, in each case subject to the terms and conditions of the Merger Agreement.

In connection with the Merger, the Issuer intends that certain steps will be taken, including (i) the transfer by the Issuer of all or part of its assets and liabilities relating to its Italian businesses (including the Lotto concession but excluding the equity interest in its subsidiaries) to a new Italian subsidiary; (ii) the transfer by the Issuer of its equity interest in its existing Italian subsidiaries to an additional new Italian subsidiary; (iii) the merger of Invest Games S.A. with IGT, which will result in Invest Games S.A. ceasing to exist; and (iv) the Capital Reduction (as described below), these steps (i) to (iv), together with the Merger, are referred to herein as the **Transaction** .

The Merger is a cross-border merger within the meaning of EU Directive 2005/56/EC of the European Parliament and Council of 26 October 2005 on cross-border Merger of limited liability companies, implemented in the United Kingdom by the Companies (Cross-Border Merger) Regulations 2007, as amended (the **UK Regulations**) and in Italy by the Italian Legislative Decree of 30 May 2008, no. 108 (the **Decree 108/08**). The Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*) have been prepared by the administrative bodies of each of Holdco and the Issuer in order to execute the Merger within the terms of the UK Regulations and the Decree 108/08.

The following summary of the key effects of the Merger has been taken from The Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*) which Noteholders should consult (as set out below) for the full details of the key steps and effects of the Merger.

Summary of the Key Effects of the Merger

On the effective date of the Merger and by virtue of the Merger:

- (a) all of the assets and liabilities of the Issuer will be transferred to Holdco;
- (b) the Issuer will be dissolved without going into liquidation;
- (c) the Issuer's shareholders will become shareholders of Holdco on the terms and subject to the conditions set out in the Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*);
- (d) all legal proceedings pending, if any, by or against the Issuer will be continued with the substitution of Holdco for the Issuer as a party;
- (e) every contract, agreement or instrument to which the Issuer is a party shall, notwithstanding anything to the contrary contained in that contract, agreement or instrument, be construed and have effect as if (i) Holdco had been a party thereto instead of the Issuer; (ii) for any reference (however worded and whether express or implied) to the Issuer there were substituted a reference to Holdco; and (iii) any reference (however worded and whether express or implied) to the directors, officers, representatives or employees of the Issuer, or any of them, were, respectively, a reference to the directors, officers, representatives or employees of Holdco or to such director, officer, representative or employee of Holdco as Holdco nominates for that purpose or, in default of nomination, to the director, officer, representative or employee of Holdco who corresponds as nearly as may be to the first-mentioned director, officer, representative or employee;
- (f) every contract, agreement or instrument to which the Issuer is a party will become a contract, agreement or instrument between Holdco and the counterparty with the same rights, and subject to the same obligations, liabilities and incidents (including rights of set-off), as would have been applicable thereto if that contract, agreement or instrument had continued in force between the Issuer and the

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

counterparty, and any money due and owing (or payable) by or to the Issuer under or by virtue of any such contract, agreement or instrument shall become due and owing (or payable) by or to Holdco instead of the Issuer;

(g) any offer made to or by Issuer before the Holdco Merger Effective Date will be construed and have effect, respectively, as an offer made to or by Holdco; and

(h) the powers of attorney issued by the Issuer shall remain valid and in force unless they are expressly revoked by Holdco.

The Capital Reduction

Following completion of the Merger, since Holdco will not otherwise have any distributable reserves, it is intended that Holdco will capitalise the merger reserve created as a result of the Merger and implement a parallel court-approved reduction of that capital in order to create a distributable reserve of an equivalent amount to facilitate the payment of possible future distributions. The Capital Reduction shall not oblige Holdco to distribute or otherwise make any payment to Holdco shareholders.

Description of Capitalisation of Holdco post the Transaction

The Transaction and related costs incurred by the Issuer as well as the backstop of existing notes and drawn credit facilities of both the Issuer and IGT are financed through a 364-day committed senior bridge term loan credit facility entered into by the Issuer on 15 July 2014 in an aggregate principal amount of up to approximately US\$10.7bn. The facility is expected to be refinanced principally through the issuance of euro and U.S dollar denominated bonds, and can be extended by up to 18 months. The pro forma capitalisation of Holdco post-closing of the Transaction will depend on, amongst other factors, the outcome of the withdrawal rights of the Issuer's shareholders under Italian Law and whether or not the Issuer and IGT redeem certain outstanding debt obligations prior to the closing of the Transaction.

The expected leverage of Holdco at closing of the Transaction has previously been announced by the Issuer at 4.5x to 4.9x net debt / EBITDA excluding synergies (assuming 0 per cent. and 20 per cent. exercise of Issuer shareholder withdrawal rights respectively; assuming full redemption of outstanding debt securities of the Issuer including payment of applicable redemption premia and full repurchase of outstanding debt securities of IGT at a 101 per cent. change of control premium; assuming a 31 December 2014 closing of the Transaction; and on the basis that expected EBITDA is based on actual results through end of March 2014 and the Issuer's estimates for future periods), with synergy run rates expected to reduce such expected leverage of Holdco by 0.5x to 0.6x. There can be no assurance that some or all of these assumptions will be accurate.

Since the announcement of the Transaction, the successful consent solicitation by IGT in respect of the \$500,000,000 7.50 per cent. Notes due 2019 issued by IGT ensures that these notes can remain outstanding and will not be redeemed. Additionally, the Issuer has confirmed its intention to exercise the call option provided for in the terms and conditions of the 750,000,000 5.375 per cent. Guaranteed Notes due 5 December 2016 issued by the Issuer and guaranteed by the Guarantors and Lottomatica International Hungary Korlátolt Felelősségű Társaság (XS0471074822). The exercise of such call option will be the subject of a notification in due course. The Capital Securities do not require the consent of the holders of such Capital Securities in connection with the Transaction.

The Issuer expects to approve its 30 September 2014 financial statements on 10 November 2014 and such financial statements will be made available on the Issuer's website (www.gtech.com).

Certain Conditions to the Completion of the Merger and Sub Merger; Termination Rights

There is no guarantee that the conditions precedent to the Merger and Sub Merger will be fulfilled and that either the Merger or Sub Merger will be completed. The obligations of the Issuer and IGT to complete the Merger and Sub Merger are subject to satisfaction or waiver (if permitted) of a number of conditions, including, among other conditions, (i) the Issuer and IGT obtaining shareholder approvals, (ii) receipt of certain antitrust approvals, (iii) receipt of certain gaming regulatory approvals, (iv) effectiveness of the registration statement for the Holdco ordinary shares, (v) NYSE listing approval for the Holdco ordinary shares, (vi) the expiration or early termination of a 60-day Issuer creditor opposition period, (viii) the absence of any order prohibiting or restraining the Merger or Sub Merger, (ix) subject to certain materiality exceptions, the accuracy of each party's representations and warranties in the Merger Agreement and performance by each party of their respective obligations under the Merger Agreement, (x) the receipt of a merger order from the High Court of England and Wales and (xi) in the case of IGT's obligation to close the Sub Merger, IGT's receipt of certain tax opinions.

In addition, if each of the Merger and Sub Merger is not completed on or before 15 July 2015 (subject to certain extension rights), either the Issuer or IGT may choose not to proceed with the Merger or Sub Merger (as applicable). The Issuer may also terminate the Merger Agreement under certain circumstances, including among others, (i) if the Issuer's shareholders exercise rescission rights under Italian law in respect of more

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

than 20 per cent. of the Issuer's ordinary shares outstanding as of the date of the Merger Agreement, (ii) if Holdco would, as a result of a change in applicable law, be treated as a domestic corporation for U.S. federal income tax purposes as of or after the completion of the Merger or Sub Merger (as applicable) or (iii) if the special voting shares provided for by Holdco's Articles of Association cannot be implemented under certain circumstances. IGT may also terminate the Merger Agreement under certain circumstances including, among others in order to enter into an agreement with respect to a proposal that is determined by IGT's board of directors to be superior to the Merger Agreement, subject to the terms and conditions of the Merger Agreement (including an opportunity for the Issuer to match any such proposal).

Pre and Post Group Structure

The following diagrams illustrate in simplified terms the current structure of the Issuer and IGT and the expected structure of Holdco following the completion of the Merger and Sub Merger.

Pre-Transaction Structure

Post-Transaction Structure

Effect of the Transactions on the Notes

Events of Default

Certain Events of Default (as defined in the Conditions of the Notes) may be triggered by the steps contemplated in connection with the Merger. In particular:

- the Issuer or Invest Games S.A. could be considered to have ceased, or threatened to cease, to carry on all or a substantial part of its business as provided in Condition 8(f) (*Insolvency, etc.*) and Condition 8(h) (*Analogous event*);
- the Issuer or Invest Games S.A. may be considered to have been dissolved as provided in Condition 8(g) (*Winding up, etc.*) and Condition 8(h) (*Analogous event*); and
- the Guarantee by Invest Games S.A. may be considered not to be in full force and effect as provided in Condition 8(k) (*Guarantee*) (it is intended that the Notes, will however, have the benefit of a guarantee, in equivalent form, from IGT).

Put Event

A Put Event (as defined in the Conditions of the Notes) may occur as a result of the Merger or certain steps to be taken in connection with the Transaction. In order for a Put Event to occur, the circumstances provided in Condition 5(c) (*Redemption at the option of Noteholders*) would need to arise, which include a disposal of all or substantially all of the assets of the Issuer and its subsidiaries taken as a whole.

All of the assets and liabilities of the Issuer will be transferred to Holdco as part of the Merger, which could be considered to be a Disposal Event (as defined in Condition 5(c)(i)(C) (*Redemption at the option of Noteholders – Disposal of assets*)) and may result in a Put Event occurring.

A Put Event will only arise in the circumstances described above, if the Disposal Event is followed by a relevant ratings downgrade or withdrawal of rating that is stated by the relevant rating agency to occur in connection with the occurrence of the Disposal Event.

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

It should be noted that the Proposals are not conditions to the consummation of the Merger. If the Proposals in respect of the Notes are not approved, the Merger can still be consummated and the Issuer intends to exercise the call option provided for in the terms of the Notes.

Proposals in respect of this Series are independent and the Extraordinary Resolutions are not conditional on the approval of the Extraordinary Resolution in respect of the other Series. As such, the Proposals in respect of this Series of Notes will be effective if the Extraordinary Resolution is approved, whether or not the Extraordinary Resolution in respect of the other Series of Notes (or any other extraordinary resolution by the holders of any other securities of the Issuer) are also approved.

Whether or not the Proposals are approved, after the Merger and Sub Merger have completed, the Issuer and the Trustee will effect some amendments to the Trust Deed with the consent of the Trustee but without the prior consent of the Noteholders, provided that the Trustee shall not be obliged to accept any additional or more onerous liability as a result thereof (including as a result of the jurisdiction of any new guarantor or otherwise) and subject to satisfaction of any applicable know your customer checks or other customary conditions that the Trustee may require. This amendment will add a covenant to the Trust Deed relating to the addition of future guarantors of the Notes. The purpose of this amendment is to provide Noteholders with the assurance that the Notes will be guaranteed by the same Holdco subsidiaries (including, subsequent to completion of the Sub Merger, IGT) which guarantee Holdco's other debt securities and, subsequent to completion of the Sub Merger, the notes issued by IGT, if any.
