Item 1.01 Entry into a Material Definitive Agreement.

On August 13, 2017, Nabors Industries Ltd. (Nabors), Nabors Maple Acquisition Ltd., a wholly owned subsidiary of Nabors (AcquisitionCo), and Tesco Corporation (Tesco) entered into an Arrangement Agreement (the Agreement) whereby AcquisitionCo will acquire all of the issued and outstanding common shares of Tesco (the Tesco Common Shares) pursuant to a statutory plan of arrangement under section 193 of the Business Corporations Act (Alberta) (the Arrangement).

Subject to the terms and conditions of the Agreement, at the effective time of the Arrangement, each outstanding Tesco Common Share, other than Tesco Common Shares with respect to which dissent rights have been properly exercised and not withdrawn, will be exchanged for 0.68 of a common share of Nabors (Nabors Common Share). Each dissenting Tesco Common Share will be transferred to AcquisitionCo in accordance with, and for the consideration contemplated in, the Agreement. It is expected that approximately 31,793,370 Nabors Common Shares will be issued as consideration in the Arrangement (which amount assumes there are no dissenting Tesco Common Shares), based on the number of Tesco Common Shares outstanding as set forth in the Agreement.

At the effective time of the Arrangement: (i) each outstanding, unexpired Tesco option to purchase Tesco Common Shares will be accelerated, cancelled, and exchanged for the right to receive an amount in cash per share, less tax withholdings, equal to (a) the excess of the Market Value over such option's exercise price, multiplied by (b) the aggregate number of Tesco Common Shares subject to such option immediately prior to the effective time, and each option with an exercise price per share that is equal to or greater than the Market Value will be cancelled for no consideration; (ii) each outstanding Tesco restricted stock unit (RSU) will vest and be cancelled in exchange for the right to receive an amount in cash, less tax withholding, equal to (a) the Market Value, multiplied by (b) the aggregate number of Tesco Common Shares underlying such RSU immediately prior to the effective time. Market Value, as defined in the Agreement, means 0.68 multiplied by the closing price of one Nabors Common Share on the New York Stock Exchange (NYSE) on the last trading day prior to the effective date of the Arrangement.

The closing of the Arrangement is subject to satisfaction of certain conditions, including, among others: (i) approval of the Arrangement by Tesco's security holders; (ii) a final order by the Court of Queen's Bench of Alberta (the Applicable Court) to approve the fairness of the terms and conditions of the Arrangement to the holders of the Tesco Common Shares; (iii) receipt of applicable regulatory approvals; (iv) the accuracy of representations and warranties of, and compliance with covenants by, the parties; (v) no law, regulation, or injunction that prevents or prohibits completion of the Arrangement; and (vi) there shall not have been any event that has had or would be reasonably likely to have, individually or in the aggregate, a material adverse effect on either party. The parties have made customary representations, warranties and covenants in the Agreement, including, among other things, covenants (i) with respect to the conduct of their respective businesses during the interim period between the execution of the Agreement and consummation of the Arrangement and (ii) prohibiting Tesco from soliciting or making alternative acquisition proposals, having any discussions with or providing confidential information to any third party relating to an alternative acquisition proposal, or engaging in negotiations concerning an acquisition proposal, except in the limited circumstances as provided in the Agreement.

The Agreement contains certain customary termination rights for both Nabors and Tesco, including, among other things, termination (i) by mutual consent, (ii) by either Nabors or Tesco if the transaction is not consummated by February 14, 2018 (subject to extension until April 15, 2018 in certain events including in the event that required regulatory approvals have not yet been obtained), or (iii) by either Nabors or Tesco if a court of competent jurisdiction has enjoined the Arrangement in a final and non-appealable order. In

addition, upon termination of the Agreement under specified circumstances, including in order to enter into a binding written agreement related to a superior proposal, Tesco will be required to pay Nabors a cash termination fee of \$8 million.

The foregoing summaries of the Agreement and the transactions contemplated by the Agreement do not purport to be complete and are subject to, and qualified in their entirety by, the full text of the Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information disclosed under Item 1.01 is incorporated into this Item 3.02 in its entirety.

Nabors Common Shares issued in connection with the Arrangement are expected to be issued in reliance upon an exemption from registration under federal securities laws provided by Section 3(a)(10) of the Securities Act of 1933, as amended (the Securities Act), for the issuance and exchange of securities approved after a public hearing on the fairness of the terms and conditions of the exchange by a court of competent jurisdiction at which all persons to whom the securities will be issued have the right to appear. The Arrangement will be subject to approval by the Applicable Court.
