PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 24, 2005

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Lexington Corporate Properties Trust (the "Company") for use at the 2005 Annual Meeting of Shareholders, and at any adjournments thereof (the "Annual Meeting"), to be held on Tuesday, May 24, 2005, at the offices of Paul, Hastings, Janofsky & Walker LLP, 75 East 55th Street, New York, New York 10022 at 10:00 a.m. Eastern Standard time. This Proxy Statement and the related proxy card are first being sent to the holders (the "Shareholders") of common shares of beneficial interest, par value \$0.0001 per share (the "Common Shares") of the Company on or about April 28, 2005.

Valid proxies will be voted as specified thereon at the Annual Meeting. Any person giving a Proxy may revoke it by written notice to the Company at any time prior to its exercise. Attendance at the Annual Meeting will not constitute a revocation of a proxy unless the Shareholder affirmatively indicates at the Annual Meeting that such Shareholder intends to vote such Shareholder's shares in person.

ANNUAL REPORT

The Annual Report to Shareholders and Form 10-K of the Company for the year ended December 31, 2004, including financial statements audited by KPMG LLP, the Company's independent registered public accounting firm, and their reports thereon dated March 15, 2005, are being mailed together with this Proxy Statement to each Shareholder. Except as specifically incorporated herein by reference, the Annual Report is not part of the proxy solicitation material.

VOTING SECURITIES

The Shareholders of record of Common Shares of the Company at the close of business on March 25, 2005 (the "Record Date") are entitled to vote at the Annual Meeting. On the Record Date, there were outstanding 49,129,396 Common Shares, each entitled to one vote per share on all matters submitted to a vote of Shareholders.

Unless contrary instructions are indicated on the Proxy, all Common Shares represented by valid proxies received pursuant to this solicitation, unless previously revoked, will be voted at the Annual Meeting FOR each of the proposals contained herein.

Assuming a quorum is present at the Annual Meeting, (i) the affirmative vote of the holders of a plurality of the Common Shares cast at the Annual Meeting will be sufficient to elect each candidate for election as a trustee, and (ii) the affirmative vote of the holders of a majority of Common Shares entitled to vote will be sufficient to adopt the Articles of Amendment to the Company's Declaration of Trust to increase the number of authorized common shares and excess shares. Therefore, abstentions as to the election of trustees will not affect the election of the candidates receiving a plurality of the votes cast. Abstentions as to the proposal to adopt the Articles of Amendment to the Company's Declaration of Trust and any other proposal will have the same

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

effect as votes against such proposal. If a Shareholder is a participant in the Company's Dividend Reinvestment Plan, the proxy card enclosed herewith represents shares in the participant's account, as well as shares held of record in the participant's name as part of such plan.

The Company knows of no business, other than that set forth above, to be presented at the Annual Meeting which would be a proper subject for action by the Shareholders. If any other matter should be presented at the Annual Meeting upon which a vote properly may be taken, it is intended that any share represented by a proxy in the

accompanying form will be voted with respect thereto in accordance with the judgment of the person or persons voting such shares.

MANAGEMENT

Board of Trustees and Committees of the Board of Trustees

The Board of Trustees of the Company held fifteen meetings during the fiscal year ended December 31, 2004. Each incumbent trustee attended at least 75% of the aggregate of the total number of meetings of the Board of Trustees and all committees on which he served, with the exception of Mr. Grosfeld. The Board of Trustees is comprised of nine trustees, a majority of whom are "independent" as defined by the applicable listing standards of the New York Stock Exchange. The Board of Trustees has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Executive Committee.

Audit Committee. The principal functions of the Audit Committee include engaging the independent public accounting firm, reviewing with the independent public accounting firm plans and results of the audit engagement, approving professional services provided by the independent public accounting firm, reviewing the independence of the independent public accountants, considering the range of the audit, and reviewing the adequacy of the Company's internal accounting controls. As of December 31, 2004, the Audit Committee was comprised of Messrs. Perla (Chairman), Dohrmann and Lynch, all of whom were determined by the Board of Trustees to be "independent" as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended, and the applicable listing standards of the New York Stock Exchange. Mr. Perla is an "Audit Committee Financial Expert," as determined by the Board of Trustees in accordance with Item 401(h) of Regulation S-K. The Audit Committee operates under a written charter adopted by the Board of Trustees, a copy of which is available on the Company's Internet address located at <http://www.lxp.com>, under "Investor Relations/Corporate Governance." Such document is not deemed incorporated by reference into this Proxy Statement. During the fiscal year ended December 31, 2004, the Audit Committee met twelve times, including quarterly telephonic meetings with management and our independent registered public accounting firm, to discuss matters concerning, among other matters, financial accounting matters, the audit of the Company's consolidated financial statements for the year ended December 31, 2004, and the adequacy of the Company's internal controls over financial reporting.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

Compensation Committee. The principal functions of the Compensation Committee are to determine the compensation for the Company's executive officers and to administer and review the Company's incentive compensation plans. The Compensation Committee operates under a written charter adopted by the Board of Trustees, a copy of which is available on the Company's Internet address located at <http://www.lxp.com>, under "Investor Relations/Corporate Governance." Such document is not deemed incorporated by reference into this Proxy Statement. As of December 31, 2004, the Compensation Committee was comprised of Messrs. Lynch (Chairman), Grosfeld and Perla, all of whom are "independent" as defined by the applicable listing standards of the New York Stock Exchange. During the fiscal year ended December 31, 2004, the Compensation Committee met four times.

Executive Committee. The principal function of the Executive Committee is to exercise the authority of the Board of Trustees regarding routine matters performed in the ordinary course of business. As of December 31, 2004, the Executive Committee was comprised of Messrs. Glickman (Chairman), Eglin and Roskind. During the fiscal year ended December 31, 2004, the Executive Committee met two times.

Nominating and Corporate Governance Committee. The principal function of the Nominating and Corporate Governance Committee is to identify individuals qualified to become trustees and/or executive officers, monitor corporate governance guidelines, lead the annual review of the Board of Trustees and make recommendations for service on all other committees. The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board of Trustees, a copy of which is available on the Company's Internet address located at <http://www.lxp.com>, under "Investor Relations/Corporate Governance." Such document is not deemed incorporated by reference into this Proxy Statement. As of December 31, 2004, the Nominating and Corporate Governance Committee was comprised of Messrs. Dohrmann (Chairman), Grosfeld and Glickman, each of whom are "independent" as defined by the applicable listing standards of the New York Stock Exchange. The Nominating and Corporate Governance Committee did not meet

8

during 2004. The Nominating and Corporate Governance Committee does not currently intend to consider trustee nominations by Shareholders.

The Board of Trustees and the Nominating and Corporate Governance Committee believes that such Committee is qualified and in the best position to identify, review, evaluate and select qualified Board of Trustees candidates based on the criteria described in the next paragraph.

In recommending candidates for the Board of Trustees, the Nominating and Corporate Governance Committee's assessment includes consideration of issues of judgment, diversity, age, expertise and experience. The Nominating and Corporate Governance Committee also considers other relevant factors as it deems appropriate, including the current composition of the Board of Trustees, the balance of management and independent trustees, and the evaluations of other prospective candidates. After completing this evaluation and review, the Nominating and Corporate Governance Committee makes a recommendation to the full Board of Trustees as to the persons who should be nominated by the Board of Trustees, and the Board of Trustees determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

The Company expects all trustees to attend each Annual Meeting of

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

Shareholders, but from time to time other commitments prevent all trustees from attending each meeting. All trustees that were trustees at such time attended the most recent annual general meeting of shareholders, which was held on May 26, 2004.

Shareholder Communications

Shareholders wishing to communicate with the Board of Trustees should address their inquiries to the Company's General Counsel by mail sent to the Company's principal executive office located at One Penn Plaza, Suite 4015, New York, New York, 10119-4015. The mailing envelope should contain a clear notification indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Trustee Communication." All such letters should clearly state whether the intended recipients are all members of the Board of Trustees or certain specified individual trustees. All communications will be reviewed by the Company's Chief Executive Officer who will determine whether the communication will be relayed to the Board of Trustees, to certain committees of the Board of Trustees or to individual members of the Board of Trustees. Except for resumes, sales and marketing communications, or notices regarding seminars or conferences, summaries of all shareholder communications will be provided to the Board of Trustees.

Certain Relationships and Related Transactions

Each of the Company's trustees and executive officers has entered into an indemnification agreement with the Company. Pursuant to these agreements, the Company agrees to indemnify each trustee and executive officer who is a party to such an agreement against any and all judgments, penalties, fines, settlements and reasonable expenses (including attorneys' fees) actually incurred by the trustee or executive officer of the Company or in a similar capacity for any other entity at the Company's request. These agreements include certain limitations on the Company's obligations in certain circumstances, particularly in situations in which such indemnification is prohibited or limited by applicable law.

As of December 31, 2003, the Company was obligated for approximately \$808,000 resulting from the acquisition of certain properties in 1996. Of the approximately \$808,000, Mr. Roskind, our Chairman, and Mr. Rouse, our Vice Chairman, were owed approximately \$414,000. During 2004, this obligation was satisfied as part of the acquisition by the Company of 100% of the partnership interests it did not already own of a partnership that owned a single tenant net leased property. The acquisition was effected through the issuance of 97,828 interests in one of the Company's operating partnerships ("OP Units"), of which Messrs. Roskind and Rouse received an aggregate 27,212 OP Units.

All related transactions were approved by the independent members of the Board of Trustees or the Audit Committee.

Certain Business Relationships

Seth M. Zachary, who is presently serving as a member of the Board of Trustees and is a nominee to serve as a trustee until the 2005 Annual Meeting of Shareholders, is a partner of Paul, Hastings, Janofsky & Walker LLP, which is the outside counsel to the Company. The Company, including all non-consolidated joint ventures, paid Paul, Hastings, Janofsky & Walker LLP approximately \$1,735,000 for services during 2004. The Company intends to continue to retain the services of Paul, Hastings, Janofsky & Walker LLP for general, real estate,

Compensation of Trustees

Each non-employee trustee receives an annual fee of \$25,000 for service as a trustee. Such trustees currently also receive \$1,000 for each meeting of the Board of Trustees or any committee thereof attended by the trustee and reimbursement for expenses incurred in attending such meetings, and \$500 for telephonic meetings of the Board of Trustees. In addition, the chairpersons of the Audit Committee and Compensation Committee and the Lead Trustee received an additional \$7,500 per annum in 2004, which has been increased to \$10,000 for 2005. The chairperson of the Nominating and Corporate Governance Committee will also receive an additional \$10,000 in 2005. Pursuant to the 1994 Outside Director Stock Plan, as amended, each non-employee trustee was required to receive not less than 50% of such trustee's fees in Common Shares based on a per share value equal to 95% of the trading value of Common Share as of the date of payment. During 2004, all trustees elected to receive 100% of their trustee fees in Common Shares. Effective January 1, 2003, all non-employee trustees received annually, in addition to the fees described above, 2,000 Common Shares, which was increased to 2,500 Common Shares for 2005.

Employment Agreements

The Company has entered into an employment agreement with each of Messrs. Roskind, Rouse, Eglin and Carroll, as well as Mr. John B. Vander Zwaag, Executive Vice President, and Mr. Paul R. Wood, Vice President, Chief Accounting Officer and Secretary. Each such agreement sets forth the terms of the named officer's employment by the Company including compensation and benefits. In addition, pursuant to each agreement, upon the occurrence of a "change in control" of the Company (including a change in ownership of more than fifty percent of the total combined voting power of the Company's outstanding securities, the sale of all or substantially all of the Company's assets, dissolution of the Company, the acquisition, except from the Company, of 20% or more of the Common Shares or voting shares of the Company or a change in the majority of the Board of Trustees), the named officers would be entitled to severance benefits equal to: (a) three times (for Messrs. Roskind, Rouse, Eglin, Carroll and Vander Zwaag), and one time (for Mr. Wood) the officers' current annual base salary and recent annual bonus, as defined.

In addition, the Company will, at its expense, provide continued health care coverage under the Company's medical and dental plans to the officers referenced above and eligible dependents for three years for Messrs. Roskind, Rouse, Eglin, Carroll and Vander Zwaag, and one year for Mr. Wood.

Report of the Audit Committee of the Board of Trustees

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three trustees each of whom is independent as independence is defined in the New York Stock Exchange's listing rules. The Audit Committee operates under a written charter approved by the Board of Trustees, a copy of which is available on the Company's Internet address located at <http://www.lxp.com>, under "Company Profile/Corporate

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

Governance". Such document is not deemed incorporated by reference into this Proxy Statement. As of December 31, 2004, the Audit Committee was comprised of Messrs. Perla (Chairman), Dohrmann and Lynch.

Management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, attesting to management's assessment of, and the effectiveness of, the Company's internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee charter is designed to assist the Audit Committee in complying with applicable provisions of the Securities Exchange Act of 1934, as amended, and the New York Stock Exchange's listing rules, all of which relate to corporate governance and many of which directly or indirectly affect the duties, powers and responsibilities of the Audit Committee. Among these duties, powers and responsibilities of the Audit Committee as provided in the Audit Committee charter, the Audit Committee:

13

- o has sole power and authority concerning the engagement and fees of independent registered public accounting firms,
- o reviews with the independent registered public accounting firm the scope of the annual audit and the audit procedures to be utilized,
- o pre-approves audit and permitted non-audit services provided by the independent registered public accounting firm,
- o reviews the independence of the independent registered public accounting firm,
- o reviews the adequacy of the Company's internal accounting controls, and
- o reviews accounting, auditing and financial reporting matters with the Company's independent registered public accounting firm and management.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2004 audited consolidated financial statements. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement of Auditing Standards No. 61. The Audit Committee also received written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Consistent with Securities and Exchange Commission policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

Pursuant to our Audit Committee charter, the Audit Committee may delegate pre-approval authority to one or more of its members, who shall promptly advise the remaining members of the Audit Committee of such approval at the next regularly scheduled meeting.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm referred to above, and the Audit Committee's review of the representations of management, the Audit Committee recommended that the Board of Trustees include the December 31, 2004 audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, to be filed with the Securities and Exchange Commission.

Report of the Compensation Committee of the Board of Trustees

14

For the fiscal year ended December 31, 2004, all matters concerning executive compensation for the Chief Executive Officer and other executive officers were considered and acted upon by the Compensation Committee of the Board of Trustees.

Compensation Philosophy. The Company's compensation program for executive officers is based upon a desire to achieve both its short-term and long-term business goals and strategies with a view to enhancing shareholder value. To achieve its goals, the Company recognizes that it must adopt a compensation program which will attract, retain and motivate qualified and experienced executive officers, and that its compensation program should align the financial interests of its executive officers with those of its Shareholders.

Compensation of Executive Officers (other than the Chief Executive Officer). In approving the annual salary for the executive officers of the Company (other than the Chief Executive Officer) for 2004, the Compensation Committee considered several factors, including the scope of the individual's responsibilities, competitive payment practices, the historical financial results of the Company and the anticipated financial performance of the Company. The compensation determination for each individual was largely subjective and no specific weight was given to any particular factor. In addition to their base salaries, these executive officers of the Company receive discretionary bonuses tied to the overall performance of the Company and their individual performances. In this regard, the Compensation Committee established specific performance goals for the payment of discretionary bonuses which are based on

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

the per share growth in cash available for distributions and total annual Shareholder return, and also considered the results of a compensation study prepared for the Company by an independent outside compensation consulting firm (as described further below).

Compensation of Chief Executive Officer. As with the other executive officers, the Compensation Committee determined the annual salary for the Chief Executive Officer based upon a number of factors and criteria, including the historical financial results of the Company, the anticipated financial performance of the Company and the requirements of such Chief Executive Officer. The compensation determination for the Chief Executive Officer was largely subjective, and no specific weight was given to any particular factor. The Chief Executive Officer of the Company is also eligible to receive discretionary bonuses tied to the overall performance of the Company and his individual performance. The Compensation Committee has established specific performance goals for the payment of discretionary bonuses which are the same as for the other executive officers of the Company, and also considered the results of a compensation study prepared for the Company by an independent outside compensation consulting firm (as described further below).

1998 Share Option Plan and 2002 Equity-Based Award Plan. The Company had traditionally provided its executive officers with the opportunity to acquire significant equity stakes in its growth and prosperity through the grant of Common Share options. Based in part on the results of a compensation study prepared for the Company by an independent outside compensation consulting firm, the Compensation Committee determined that it is in the Company's best interest to cease granting options to its executive officers under its existing plans (the 1998 Share Option Plan and the 2002 Equity-Based Award Plan) effective January 1, 2003. However, other forms of compensation, including Common Share awards which are subject to a vesting schedule, may be and have been granted to the Company's executive officers under the 2002 Equity-Based Award Plan and the 1998 Share Option Plan.

Compensation Study. In 2004, the Compensation Committee retained the services of an independent outside compensation consulting firm to review the Company's existing executive compensation program and to develop recommendations for bonuses in respect of 2004 and salary and long-term incentive programs for 2005.

PROPOSAL NO. 2

ARTICLES OF AMENDMENT TO LEXINGTON'S DECLARATION OF TRUST

The Board of Trustees of the Company unanimously recommends that the Shareholders approve the proposal to amend the Company's Declaration of Trust to increase the number of authorized Common Shares and excess shares which the Company has authority to issue from 80,000,000 Common Shares and 40,000,000 excess shares to 160,000,000 Common Shares and 170,000,000 excess shares. For a complete description of the proposed amendment, you are encouraged to read the

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form PRE 14A

complete text of the Articles of Amendment, a copy of which is attached as Annex A to this Proxy Statement.

As of April 11, 2005, which was the latest practicable date prior to the printing of this Proxy Statement, the Company had approximately 10.16 million Common Shares authorized and unissued, taking into account the number of shares that (i) were issued and outstanding as of that date, (ii) are issuable by the Company upon the exercise of outstanding Common Share options or upon conversion of outstanding securities convertible into Common Shares, including the Company's Series C Cumulative Convertible Preferred Shares and units of limited partnership of the Company's operating partnership subsidiaries, (iii) are issuable by the Company upon the conversions by the Company's applicable joint venture partner of interests in Lexington Acquiport Company, LLC, or LAC, one of the Company's joint ventures, and (iv) have been repurchased by the Company. In addition to LAC, the Company has three other joint ventures where each joint venture partner has the right to convert its interest in the applicable joint venture into Common Shares of the Company.

The Board of Trustees believes that it is important to have a sufficient number of authorized but unissued shares available to provide for future raises of capital, for use in connection with acquisitions and for other general business purposes. Raising the number of authorized shares will provide the Company with the flexibility to provide for such circumstances.

The Board of Trustees also recommends a corresponding increase in the number of excess shares in order to ensure compliance with the ownership limits in the Company's Declaration of Trust necessary to maintain its status as a real estate investment trust. In the event that any shareholder acquires common or preferred shares in excess of the ownership limit, the proposed increase would ensure that the Company could issue a sufficient number of excess shares necessary to comply with these restrictions.

Further issuances of Common Shares could have a dilutive effect on Shareholders' voting and economic interests in the Company. Furthermore, issuance of newly authorized shares could be used by the Board of Trustees to delay or hinder a hostile acquisition proposal.

The submission of this proposal is not part of any plan by the Company's Board of Trustees or management to engage in any transaction which would require the approval of this proposed increase.

Approval of the Articles of Amendment to the Company's Declaration of Trust to increase the number of authorized Common Shares and excess shares requires the affirmative vote of the holders of a majority of the shares entitled to vote thereon by person or by proxy at the Meeting. As a result, any shares not affirmatively voted (whether by abstention, broker non-vote or otherwise) will have the same effect as a vote against Proposal No. 2.

The Board of Trustees recommends that Shareholders vote FOR Proposal No. 2.

The Audit Committee has determined that the non-audit services provided by the independent registered public accounting firm are compatible with maintaining the accountants' independence.

The Audit Committee of the Board of Trustees must pre-approve the audit and non-audit services performed by

the Company's independent auditor, and has adopted appropriate policies in this regard. With regard to fees, annually, the independent auditor provides the Audit Committee with an engagement letter outlining the scope of the audit services proposed to be performed during the fiscal year. Upon the Audit Committee's acceptance of and agreement to the engagement letter, the services within the scope of the proposed audit services are deemed pre-approved pursuant to this policy. The Audit Committee must pre-approve any change in the scope of the audit services to be performed by the independent auditor and any change in fees relating to any such change. The Audit Committee may delegate pre-approval authority to one or more of its members.
