Item 6. Indemnification of Directors and Officers.

Bylaw No. 1 of the Registrant provides that, subject to the provisions of the Canada Business Corporations Act, the Registrant shall indemnify each director or officer or former director or officer of the Registrant and each other individual who acts or has acted at the Registrant's request as a director or officer, or in a similar capacity, of another entity, and each such individual's respective heirs and personal representatives (each, a "Qualified Person"), against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment,

reasonably incurred by the individual in a civil, criminal, administrative, investigative or other proceeding the individual is involved because of that association with the Registrant or other entity, *provided that*:

(a)

the individual acted honestly and in good faith with a view to the best interests of the Registrant or other entity; and

(b)

in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, the individual had reasonable grounds for believing the conduct was lawful.

The Canada Business Corporations Act has similar indemnification provisions as provided under Bylaw No. 1 of the Registrant, and expressly provides that each director or officer or former director or officer of the Registrant or another individual who acts or has acted at the Registrant's request in a similar capacity of another entity (each, a Specified Qualified Person) is entitled to indemnity from the Registrant in respect to all costs, charges and expenses reasonably incurred by such individual in connection with the defense of any civil, criminal, administrative, investigative or other proceeding to which the individual is subject because of the individual's association with the Registrant or other entity, if he or she (i) satisfies the requirements of (a) and (b) above and (ii) was not judged by the court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done.

The Canada Business Corporations Act provides that the Registrant with court approval may indemnify a Specified Qualified Person in respect of all costs, charges and expenses reasonably incurred by such individual in a derivative action (an action by or on behalf of the Registrant or other entity to procure judgment in its favor) to which the individual is subject because of the individual's association with the Registrant or other entity if he or she satisfies the requirements of (a) and (b) above. A similar provision is included in By Law No. 1 of the Registrant in respect of Qualified Persons.

Item 9. Undertakings.

(a)

The undersigned Registrant hereby undertakes:

(1)

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i)

To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii)

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the change in volume and price represents no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii)

To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8, or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2)

That for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b)

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h)

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

AMENDED INCENTIVE STOCK OPTION PLAN

EMPLOYEES, CONSULTANTS & ADVISORS

(May 13, 2004)

1.

Purpose of the Plan: The purpose of this Stock Option Plan (the "Plan") is to (a) assist Eldorado Gold Corporation (the "Company") in attracting, retaining and motivating employees, consultants and advisors of the Company and of its affiliates (as defined under the *Securities Act*, (Ontario)) and directors and officers of the Company's affiliates and (b) closely align the personal interests of such employees, consultants, advisors, directors and officers with those of the shareholders by providing them with the opportunity, through options, to acquire common shares ("Common Shares") in the capital of the Company.

2.

Implementation: The grant and exercise of any options under the Plan are subject to compliance with the applicable requirements of each stock exchange on which the shares of the Company are or become listed and of any governmental authority or regulatory body to which the Company is subject.

3.

Administration: The Plan shall be administered by the Board of Directors of the Company (the "Board") which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Plan, including without limitation, for the purpose of ensuring compliance with Section 10 hereof. The Board may delegate any or all of its authority with respect to the administration of the Plan and any or all of the rights, powers and discretion with respect to the Plan granted to it under this Plan to the Compensation Committee or such other committee of directors of the Company as the board of directors may designate. Upon any such delegation the Compensation Committee or other committee of directors, as the case may be, as well as the Board, shall be entitled to exercise any or all of such authority, rights, powers and discretion with respect to the Plan. When used in the context of this Plan "Board" shall be deemed to include the Compensation Committee or other committee of directors acting on behalf of the board of directors.

4.

Number of Shares Under Plan: 12,541,463 Common Shares (the Optioned Shares) shall be reserved, set aside and made available for issue under and in accordance with the Plan provided that in no event shall options be granted entitling any single individual to purchase in excess of one half of one percent (0.5%) of the then outstanding Common Shares. If option rights granted to an individual under the Plan are cancelled, expire or terminate for any reason without having been exercised in respect of certain Optioned Shares, such Optioned Shares may be made available for other options to be granted under the Plan.

[This section 4 amendment approved by members resolutions: June 5, 1995, to increase maximum number of shares from 1,180,000 to 2,000,000; June 27, 1996 to increase maximum number from 2,000,000 to 8,000,000; May 31, 2000, to increase maximum number from

8,000,000 to 10,200,00 and by Directors Resolution January 30, 2004 to increase maximum number from 10,200,000 to 12,741,463.]

5.

Limits with respect to Insiders:

(a)

The maximum number of Common Shares that may be reserved for issuance pursuant to options granted under the Plan to insiders of the Company and their associates, together with the number of Common Shares reserved for issuance to such insiders and their associates under the Company's other previously established or proposed share compensation arrangements, shall not exceed 10% of the Common Shares outstanding on a non-diluted basis at the date of grant of the options.

(b)

The maximum number of Common Shares which may be issued to insiders of the Company and their associates under the Plan within any one-year period, when taken together with the number of Common Shares issued to such insiders and their associates under the Company's other previously established or proposed share compensation arrangements, shall not exceed 10% of the Common Shares outstanding on a non-diluted basis at the end of such period and, in the case of any one insider and his associates, shall not exceed 5% of such outstanding Common Shares.

Any entitlement to acquire Common Shares granted pursuant to the Plan or any other options prior to the grantee becoming an insider shall be excluded for the purpose of the limits set out in paragraphs (a) and (b) above.

For the purposes of paragraphs (a) and (b) above, "insider" means an insider as defined in the *Securities Act* (Ontario) but excluding any person within that definition solely by virtue of being a director or officer of a subsidiary.

6.

Eligibility: Options may be granted under the Plan to any person who is a:

(a)

full-time or part-time employee of the Company or of its affiliates,

(b)

consultant or advisor of the Company or of its affiliates that in the reasonable opinion of the Board, spends or will spend a significant amount of time and attention on the affairs and business of the Company or an affiliate of the Company, or

(c)

director or officer of an affiliate of the Company,

as the Board may from time to time designate as a participant (a Participant) under the Plan. A person who is an officer or director of the Company is not eligible for grants of options under this Plan. Subject to the provisions of this Plan, the total number of Optioned Shares to be made available under the Plan and to each Participant, the time or times and price or prices at which options shall be granted, the time or times at which such options are exercisable, and any conditions or restrictions on the exercise of options, shall be the full and final decision of the Board.

7.

Terms and Conditions:

(a)

Exercise Price: The exercise price to each Participant for each Optioned Share shall be as determined by the Board, but shall in no event be less than the closing board lot price of the Common Shares on The Toronto Stock Exchange on the

last business day before the date on which the option is granted. If no Common Shares traded on such day, then the exercise price shall be the last board lot sale prior thereto.

II-9

(b)

Option Agreement: All options shall be granted under the Plan by means of an agreement (the Option Agreement) between the Company and each Participant in the form as may be approved by the Board. The Board may authorize one or more officers of the Company to execute and deliver and to receive documents on behalf of the Company.

(c)

Length of Grant: All options granted under the Plan shall expire not later than 4:30 p.m. (Vancouver time) on the tenth anniversary of the date such options were granted.

(d)

Non-Assignability of Options: An option granted under the Plan shall not be transferable or assignable (whether absolutely or by way of mortgage, pledge or other charge) by a Participant other than by will or other testamentary instrument or the laws of succession and, subject to paragraph (k), may be exercisable during the lifetime of the Participant and, subject to paragraph (f), only by the Participant.

(e)

Vesting of Options: Without restricting the authority of the Board in respect of the terms of options to be granted hereunder, the Board may at its discretion, in respect of any such option, provide that the right to exercise such option will vest in installments over the life of the option, with the option being fully-exercisable only when such required time period or periods have elapsed and in connection therewith determine the terms under which vesting of options may be accelerated. Subject to the foregoing, each Participant, upon becoming entitled to exercise the option in respect of any Optioned Shares in accordance with the Option Agreement, shall be entitled to exercise the option to purchase such Optioned Shares at any time prior to the expiration or other termination of the Option Agreement.

(f)

Exercise and Payment: Any option granted under the Plan may be exercised by a Participant, or in the case of death, disability or illness, the legal representative of a Participant giving notice to the Company specifying the number of shares in respect of which such option is being exercised, accompanied by payment, in a form acceptable by the Company of the entire exercise price (determined in accordance with the Option Agreement) for the number of shares specified in the notice. Upon any such exercise of an option by a Participant the Company shall cause the transfer agent and registrar of the Common Shares to promptly deliver to such Participant or the legal representative of such Participant, as the case may be, a share certificate in the name of such Participant or the legal representative of such Participant, as the case may be, representing the number of shares specified in the notice.

(g)

Rights to Participants: The Participants shall have no rights as shareholders in respect to any of the Optioned Shares (including, without limitation, any right to receive dividends or other distributions, voting rights, warrants or rights under any rights offering) other than Optioned Shares in respect to which Participants have exercised their option to purchase and which have been issued by the Company.

II-10

(h)

Third Party Offer: If, at any time when an option granted under the Plan remains unexercised with respect to any Optioned Shares, an Offer to purchase all of the Common Shares of the Company is made by a third party, the Company shall use its best efforts to bring such offer to the attention of the Participants as soon as practicable and the Company may, at its option, require the acceleration of the time for the exercise of the option rights granted under the Plan and of the time for the fulfillment of any conditions or restrictions on such exercise.

(i)

Alterations in Shares: In the event of a share dividend, share split, share consolidation, share reclassification, exchange of shares, recapitalization, amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Company, the Board may make such adjustment, if any, of the number of Optioned Shares, or of the exercise price, or both, as it shall deem appropriate to give proper effect to such event, including to prevent, to the extent possible, substantial dilution or enlargement of rights granted to Participants under the Plan. In any such event, the maximum number of shares available under the Plan may be appropriately adjusted by the Board. If because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of shares in the Company of those in another company is imminent, the Board may, in a fair and equitable manner, determine the manner in which all unexercised option rights granted under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such rights by the Participants and of the time for the fulfillment of any conditions or restrictions on such exercise. All determinations of the Board under this paragraph (i) shall be full and final.

(j)

Termination, Retirement or Resignation: Except as otherwise provided in this paragraph (j) or in paragraph (k), if a Participant's employment, appointment as director or engagement as a consultant or advisor is terminated by the Participant or by the Company or by one of its affiliates all unexercised option rights of that Participant under the Plan shall immediately terminate, notwithstanding the original term of the option granted to such Participant under the Plan. Upon termination, other than for cause, Retirement (as hereafter defined), death, disability and illness, the Board will have the discretion to extend the expiry date of such options, to the extent such options were exercisable and had vested, for a period of 30 days from the date of termination, provided however that such period does not extend beyond the original term of the option. For the purposes of this paragraph, termination is determined to be the last day of active employment with the Company or its affiliate, as the case may be, regardless of any salary continuance or notice period provided from or to the Company or its affiliate.

Any Participant whose employment with the Company is terminated due to retirement on or after such Participant's normal retirement date under the Company's applicable retirement policy or due to early retirement with the consent of the Board (collectively, Retirement) shall have 365 days from the date of such termination to exercise any option granted hereunder to the extent such option was exercisable and had vested on such date of termination; provided, however, that no option shall be exercisable following the expiration of the original term of the option.

II-11

(k)

Deceased or Disabled Participant: In the event of the death, disability or illness of any Participant, the legal representatives of such Participant shall have the right for a period of 365 days from the date of death, disability or illness of the Participant to exercise the Participant's option with respect to all of the Optioned Shares of the Participant to the extent they were exercisable and had vested on the date of death, disability or illness, provided however that such period does not extend beyond the original term of the option.

8.

Amendment and Discontinuance of Plan: The Board may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time, provided that no such action may in any manner adversely affect the rights under any options earlier granted to a Participant under the Plan without the consent of that Participant. Any amendment or revision to the terms of the Plan which would materially increase the benefits under the Plan shall be effective only upon the approval of the shareholders of the Company. Any amendment to any provision of the Plan shall be subject to any necessary approvals of the Toronto Stock Exchange and any other stock exchange or regulatory body having jurisdiction over the securities of the Company.

9.

No Further Rights: Nothing contained in the Plan nor in any option granted under this Plan shall give any participant or any other person, any interest or title in or to any Common Shares or any rights as a shareholder of the Company or any other legal or equitable right against the Company other than as set out in the Plan and pursuant to the exercise of any option, nor shall it confer upon the Participants any right to continue as an employee, consultant or advisor of the Company or its affiliates or a director or officer of the Company's affiliates.

10.

Compliance with Laws: The obligations of the Company to sell Common Shares and deliver share certificates under the Plan are subject to such compliance by the Company and the Participants as the Company deems necessary or advisable with all applicable corporate and securities laws, rules and regulations.

11.

Gender: The use of the masculine gender in this Plan shall be deemed to include or be replaced by the feminine gender where appropriate to the particular Participant.

(Amendments made to Plan by directors' resolution dated December 1, 1994, March 22, 2000, April 30, 2003 and January 30, 2004 pursuant to the authority granted under section 8 hereof.)
