Item 3.02

Unregistered Sales of Equity Securities.

On October 25, 2004, pursuant to consulting agreements between the Company and eighteen individuals and one company, we agreed to issue 1,565,000 shares of common stock in exchange for services rendered on behalf of the Company. We expect to deliver the shares on or about December 27, 2004.

The Company has equated a value of \$0.15, to each share of common stock mentioned above, in exchange for the value of the consulting services provided or to be provided by these individuals.

We relied upon Section 4(2) of the Securities Act of 1933, as amended for the above issuance. We believed that Section 4(2) was available because:

- None of these issuances involved underwriters, underwriting discounts or commissions;
- We placed restrictive legends on all certificates issued;
- No sales were made by general solicitation or advertising;
- Sales were made only to accredited investors or investors who were sophisticated enough to evaluate the risks of the investment.

**Signatures**

Pursuant to the requirement of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
