Section 5 – Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; appointment of Certain Officers;
Compensatory Arrangements of Certain Officers.

(e) On October 20, 2010, the Company’s Compensation Committee gave final approval to the Bank of Marin 2010 Annual Individual Incentive Compensation Plan (the “Plan”). The Plan is intended to document for 2010 and future years the various informal parameters that the Compensation Committee has been using to grant incentive cash bonuses to specific groups of employees.

The Plan design incorporates a tiered approach with annual incentive cash awards linked to the achievement of pre-defined performance goals. The Plan incorporates both a bankwide performance measure and individual performance measures weighted to reflect the responsibilities and position level of the participant. The range of award opportunities (as a percent of salary) vary by position and level, providing payouts for the achievement of minimum, target and maximum performance goals.

The Plan provides for five eligible employee groups, including executive officers. The amount of awards to executive officers are dependent on their and the Company’s performance during 2010 and, therefore, can not be determined at this time.

A copy of the Plan is attached to this Report as an Exhibit.
