#### ITEM 1. SECURITY AND ISSUER

The following constitutes Amendment No. 11 (“Amendment No. 11”) to the Schedule 13D (the original Schedule 13D, as amended prior to the date hereof, is referred to herein as the “Schedule 13D”) filed by the undersigned with the Securities and Exchange Commission (the “SEC”) on June 16, 2008. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms as set forth in the Schedule 13D.

Amendment No. 11 is being filed to report a change in the investment intent of the Reporting Persons.

#### ITEM 4. PURPOSE OF TRANSACTION.

Item 4 of the Schedule 13D is hereby supplemented as follows:

On August 26, 2013, Michael W. Ferro (“Mr. Ferro”) announced his resignation as chairman and director of Merge Healthcare Incorporated (the “Company” or “Merge”). In connection with his resignation, a press release was issued in which Mr. Ferro stated, “Although Merge’s second quarter results were very disappointing, I do not believe that the current trading price of Merge common stock reflects the Company’s inherent strengths, market position or long-term prospects.” Mr. Ferro continued, “While I have no immediate plans in this regard, over time, I intend to explore a variety of ways to increase shareholder value, including, possibly, a going-private transaction. Of course, overall industry and market conditions, the Company’s business and financial performance and the availability of equity and debt capital and other factors will affect whether a transaction would be advisable. Accordingly, neither Merge nor I can speculate or provide any assurance as to whether, when, or on what terms such a transaction might occur.”

Notwithstanding the foregoing, the Reporting Persons may determine to change their investment intent with respect to the Company at any time in the future. In reaching any conclusion as to their future course of action, the Reporting Persons will take into consideration various factors, such as the Company’s business and prospects, other developments concerning the Company, other business opportunities available to the Reporting Persons, developments with respect to the business of the Reporting Persons, and general economic and stock market conditions, including, but not limited to, the market price of the Common Stock. The Reporting Persons may, depending on other relevant factors, acquire additional shares of Common Stock in open market or privately negotiated transactions, dispose of all or a portion of their holdings of shares of Common Stock or change their intention with respect to any or all of the matters referred to in this Item.
