## Forward Looking Statements

This Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements which are based on current expectations, estimates and projections about the industry and markets in which Essex and BRE operate and beliefs of and assumptions made by Essex management and BRE management, involve uncertainties that could significantly affect the financial results of Essex or BRE or the combined company. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. Such forward-looking statements include, but are not limited to, statements about the anticipated benefits of the business combination transaction involving Essex and BRE, including future financial and operating results, and the combined company's plans, objectives, expectations and intentions. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future – including statements relating to expected synergies, improved liquidity and balance sheet strength – are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, regional and local economic climates, (ii) changes in financial markets and interest rates, or to the business or financial condition of Essex or its business, (iii) changes in market demand for rental apartment homes and competitive pricing, (iv) risks associated with acquisitions, including the proposed merger with BRE, (v) maintenance of real estate investment trust ("REIT") status, (vi) availability of financing and capital, (vii) risks associated with achieving expected revenue synergies or cost savings, (viii) risks associated with the companies' ability to consummate the merger on the terms described or at all and the

timing of the closing of the merger, and (ix) those additional risks and factors discussed in reports filed with the Securities and Exchange Commission (“SEC”) by Essex and BRE from time to time, including those discussed under the heading “Risk Factors” in their respective most recently filed reports on Forms 10-K and 10-Q.
