This Proxy Statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of New Residential Investment Corp., a Delaware corporation, for use at the Annual Meeting to be held on May 24, 2018 and any adjournments or postponements thereof. We, our, us, the Company and New Residential each refers to New Residential Investment Corp. This Proxy Statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share (the Common Stock), on or about April 10, 2018.

At the date hereof, management has no knowledge of any business that will be presented for consideration at the Annual Meeting and which would be required to be set forth in this Proxy Statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the Annual Meeting for consideration, it is intended that the persons named in the enclosed form of proxy and acting thereunder will vote in accordance with their best judgment on such matter.

Matters to be considered at the Annual Meeting

At the Annual Meeting, stockholders of the Company's Common Stock will vote upon:

- (i) a proposal to elect two Class II directors to serve until the 2021 annual meeting of stockholders and until their successors are elected and duly qualified;
- (ii) a proposal to approve the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2018; and
- (iii) any other business that may properly come before the annual meeting of stockholders or any adjournment of the annual meeting.

TABLE OF CONTENTS

GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our Board of Directors. The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record as of the close of business on March 29, 2018, and will provide reimbursement for the cost of forwarding the material.

Stockholders Entitled to Vote

As of March 29, 2018, there were outstanding and entitled to vote 336,135,391 shares of our Common Stock. Each share of our Common Stock entitles the holder to one vote. Stockholders of record at the close of business on March 29, 2018 are entitled to vote at the Annual Meeting or any adjournment or postponement thereof.

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company LLC, you are considered the stockholder of record with respect to those shares, and these proxy materials were sent directly to you by the Company.

Street Name Holders. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in street name, and these proxy materials were forwarded to you by your bank or broker. The bank or broker holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct your bank or broker on how to vote the shares held in your account. If you wish to attend the Annual Meeting, you will need to obtain a legal proxy from your bank or broker.

Required Vote

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the Annual Meeting. If you have returned a valid proxy or if you hold your shares in your own name as holder of record and attend the Annual Meeting in person, your shares will be counted as present for the purpose of determining whether there is a quorum. Abstentions and broker non-votes (as described below) will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

For the election of the nominees to our Board of Directors, the affirmative vote of a plurality of the votes of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote on the election of directors is sufficient to elect the nominees if a quorum is present. For the approval of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018, the affirmative vote of a majority of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote on the matter is required to approve such matter.

Broker non-votes are instances where a broker holding shares of record for a beneficial owner does not vote the shares because it has not received voting instructions from the beneficial owner and therefore is precluded by the New York Stock Exchange (NYSE) rules from voting on a particular matter. Under NYSE rules, when a broker holding shares in

street name does not receive voting instructions from a beneficial owner, the broker has discretionary authority to vote on certain routine matters but is prohibited from voting on non-routine matters. Brokers who do not receive instructions are not entitled to vote on the election of directors, but they are entitled to vote on the ratification of the appointment of the independent registered public accounting firm.

A vote to abstain or a broker non-vote on a director nominee will not affect the outcome of the election of directors. If you abstain from voting on the ratification of the appointment of the independent registered public accounting firm, your abstention will have the same effect as a vote against the ratification. Broker non-votes, if any, also will have the same effect as votes against the ratification.

TABLE OF CONTENTS

If the enclosed proxy is properly executed and returned to us in time to be voted at the Annual Meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the shares of Common Stock represented by the proxy will be voted as follows:

- (i) **FOR** the election of the Class II nominees to our Board of Directors;
- (ii) **FOR** the approval of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018; and
- (iii) in the discretion of the proxy holder on any other business that properly comes before the Annual Meeting or any adjournment or postponement thereof.

As of the date of this Proxy Statement, we are not aware of any other matter to be raised at the Annual Meeting.

Recommendations of the Board of Directors

The Board of Directors recommends a vote:

- (i) **FOR** the election of the nominees to our Board of Directors; and
- (ii) **FOR** the approval of the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2018.

TABLE OF CONTENTS**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

The first proposal is to elect two Class II directors to serve until the 2021 annual meeting of stockholders and until their successors are duly elected and qualified.

Our bylaws provide that our Board of Directors shall consist of not less than three and not more than nine directors as the Board of Directors may from time to time determine. The number of directors on the Board is currently fixed at seven. Our Board of Directors is divided into three classes. The members of each class of directors serve staggered three-year terms.

Our current Board of Directors is classified as follows:

Class	Term Expiration	Director	Age
Class I	2020	Alan L. Tyson	61
		David Saltzman	56
Class II	2018	Michael Nierenberg	55
		Kevin J. Finnerty	63
Class III	2019	Douglas L. Jacobs	70
		Robert J. McGinnis	64
		Andrew Sloves	54

The Board of Directors has unanimously proposed Michael Nierenberg and Kevin J. Finnerty as nominees for election as Class II directors. The director nominees currently serve on our Board of Directors. If elected at the Annual Meeting, Messrs. Nierenberg and Finnerty will hold office until the 2021 annual meeting of stockholders and until their successors are duly elected and qualified, subject to earlier retirement, resignation or removal. Unless otherwise instructed, we will vote all proxies we receive **FOR** Michael Nierenberg and Kevin J. Finnerty. If any of the nominees becomes unable to stand for election as a director, an event that our Board of Directors does not presently expect, the proxy will be voted for a replacement nominee if one is designated by our Board of Directors.

The Board of Directors recommends that you vote FOR the election of Messrs. Nierenberg and Finnerty to serve as our Class II directors until the 2021 annual meeting of stockholders and until their successors are duly elected and qualified.

Compensation of Directors

Our independent directors are paid an annual fee of \$150,000 in respect of 2017, payable semi-annually. On the first business day after each annual stockholders' meeting during the term of the Nonqualified Stock Option and Incentive Award Plan, each of our independent directors will receive at least half of their annual fee payment in the form of automatic annual awards of shares of our Common Stock in an amount to be determined by the Compensation Committee from time to time, based on the fair market value of shares of our Common Stock on the date of grant. For additional information on director equity compensation, see Executive and Manager Compensation—Nonqualified Stock Option and Incentive Award Plan. The remainder of our independent director fees may be paid by issuance of Common Stock, based on the value of such Common Stock at the date of issuance, rather than in cash, provided that any such issuance does not prevent such director from being determined to be independent and such shares are granted pursuant to a stockholder-approved plan or the issuance is otherwise exempt from NYSE listing requirements. In addition, an annual fee of \$10,000 in respect of 2017 is paid to the chair of the Audit Committee of the Board of Directors. We also made two payments of \$20,000 in 2017 to each of Messrs. McGinnis, Saltzman, Sloves and Tyson in connection with their services on special committees of the Board of Directors, which were created to explore certain transactions.

Each of our independent directors also received an initial one time grant of options relating to 1,000 shares of our Common Stock under our Nonqualified Stock Option and Incentive Award Plan at the first meeting of our Board of Directors attended by such director. These options will be settled in an amount of cash equal to the excess of the fair market value of a share of our Common Stock on the date of exercise over the fair market value on the date of grant, unless advance approval is made to settle the option in shares.

We do not separately compensate our affiliated directors. All members of the Board of Directors are reimbursed for reasonable costs and expenses incurred in attending meetings of our Board of Directors.

Determination of Director Independence

At least a majority of the directors serving on the Board of Directors must be independent. For a director to be considered independent, our Board of Directors must determine that the director does not have any direct or indirect material relationship with the Company. The Board of Directors has established categorical standards to assist it in determining director independence, which conform to the independence requirements under the NYSE listing rules. Under the categorical standards, a director will be independent unless:

- within the preceding three years: (i) the director was employed by the Company or its Manager; (ii) an immediate family member of the director was employed by the Company or its Manager as an executive officer; (iii) the director or an immediate family member of the director received more than \$120,000 per year in direct compensation from the Company, its Manager or any controlled affiliate of its Manager (other than director or committee fees and pension or other forms of deferred compensation for prior service (provided such compensation (a) is not contingent on continued service)); (iv) the director was employed by or affiliated with the independent registered public accounting firm of the Company or its Manager; (v) an immediate family member of the director was employed by the independent registered public accounting firm of the Company or its Manager as a partner, principal or Manager; or (vi) an executive officer of the Company or its Manager was on the Compensation Committee of a company which employed the director, or which employed an immediate family member of the director as an executive officer; or
- he or she is an executive officer of another company that does business with the Company and the annual sales to, (b) or purchases from, the Company is the greater of \$1 million, or two percent of such other company's consolidated gross annual revenues.

Whether directors meet these categorical independence tests will be reviewed and will be made public annually prior to our annual meeting of stockholders. The Board of Directors may determine, in its discretion, that a director is not independent notwithstanding qualification under the categorical standards. The Board of Directors has determined that each of Messrs. Finnerty, Jacobs, McGinnis, Saltzman, Sloves and Tyson are independent for purposes of NYSE Rule 303A and each such director has no material relationship with the Company. In making such determination, the Board of Directors took into consideration, (i) in the case of Mr. Finnerty, that: Mr. Finnerty is an independent director and stockholder of Drive Shack, an entity that was managed by the Company's Manager through January 1, 2018, and where he serves as the Chairman of the Nominating and Corporate Governance Committee and a member of the Audit Committee and Compensation Committee; and Mr. Finnerty received a loan in the amount of \$500,000 from each of (a) Wesley Edens, a co-founder, Co-Chairman and principal of Fortress, as well as a former director of the Company

until May 2016, and (b) Randal Nardone, the Chief Executive Officer, director and principal of Fortress, in 2009, each of which was repaid in full in 2015; (ii) in the case of Mr. Jacobs, that Mr. Jacobs is an independent director of OneMain, where he serves as Chairman of the Audit Committee; (iii) in the case of Mr. Tyson, that Mr. Tyson is an independent director and stockholder of Drive Shack, where he serves as a member of the Compensation Committee, Audit Committee and Nominating and Corporate Governance Committee; and (iv) that certain directors have invested in the securities of private investment funds or companies managed by or affiliated with the Company's Manager.

Statement on Corporate Governance

We emphasize the importance of professional business conduct and ethics through our corporate governance initiatives. Our Board of Directors consists of a majority of independent directors (in accordance with the rules of the NYSE). Our Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee are each composed entirely of independent directors.

We have adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics, which delineate our standards for our officers and directors, and employees of our Manager, an affiliate of Fortress. We make available, free of charge through a link on our website, our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to such reports, if any, as filed with the SEC as soon as reasonably practicable after such filing. Our site also contains our Code of Business Conduct and Ethics, Code of Ethics for Principal Executive Officers and Senior Financial Officers, Corporate Governance Guidelines, and the charters of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee of our Board of Directors. Our website address is www.newresi.com. You may also obtain these documents by writing the Company at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

As mentioned above, the Board of Directors has adopted a Code of Business Conduct and Ethics, which is available on our website, that applies to all employees of our Manager who provide services to us, and each of our directors and officers, including our principal executive officer and principal financial officer. The purpose of the Code of Business Conduct and Ethics is to promote, among other things, honest and ethical conduct, full, fair, accurate, timely and understandable disclosure in public communications and reports and documents that the Company files with, or submits to, the SEC, compliance with applicable governmental laws, rules and regulations, accountability for adherence to the code and the reporting of violations thereof.

The Company has also adopted a Code of Ethics for Principal Executive Officers and Senior Financial Officers, which is available on our website and which sets forth specific policies to guide the Company's senior officers in the performance of their duties. This code supplements the Code of Business Conduct and Ethics described above. The Company intends to disclose any changes in or waivers from either code applicable to the Company's executive officers or directors by posting such information on our website.

The Company does not have a policy to separate the roles of Chief Executive Officer and Chairman of the Board of Directors, as the Board of Directors believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Mr. Nierenberg serves as our Chief Executive Officer and Chairman of the Board of Directors. The Board of Directors believes that having Mr. Nierenberg serve as both Chief Executive Officer and Chairman is an appropriate, effective and efficient leadership structure, and has determined that combining the Chief Executive Officer and Chairman roles provides for clear accountability and leadership responsibility, and facilitates effective decision-making and a cohesive corporate strategy. The Board of Directors periodically reviews its leadership structure. The Company does not have a lead independent director; however, an independent director presides over the executive sessions. For additional information, see Executive Sessions of Non-Management Directors.

Board and Committee Meetings

During the year ended December 31, 2017, our Board of Directors held 27 meetings. No director attended fewer than 75 percent of all meetings of our Board of Directors and the committees on which such director served. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. During 2017, the Audit Committee met seven times, the Compensation Committee met three times and the Nominating and Corporate Governance Committee met one time. During 2017,

the Board of Directors also established special committees to explore certain transactions. Although director attendance at the Company's annual meeting each year is encouraged, the Company does not have an attendance policy.

Audit Committee. Our Board of Directors has a standing Audit Committee composed entirely of independent directors. The current members of the Audit Committee are Messrs. Finnerty, Jacobs (Chairman), McGinnis, Sloves and Tyson, each of whom has been determined by our Board of Directors to be independent in accordance with the NYSE rules and the SEC's audit committee independence standards. The purpose of the Audit Committee is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions

of the Company and its subsidiaries, including, without limitation, assisting the Board's oversight of (a) the integrity of the Company's financial statements; (b) the Company's compliance with legal and regulatory requirements; (c) the Company's independent registered public accounting firm's qualifications and independence; and (d) the performance of the Company's independent registered public accounting firm and the Company's internal audit function. The Audit Committee is also responsible for appointing the Company's independent registered public accounting firm and approving the terms of the registered public accounting firm's services. The Audit Committee operates pursuant to a charter, which is available on our website, www.newresi.com. You may also obtain the charter by writing the Company at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

The Board of Directors has determined that Mr. Douglas Jacobs qualifies as an Audit Committee Financial Expert as defined by the rules of the SEC. As noted above, our Board of Directors has determined that Mr. Jacobs is independent under NYSE and SEC standards. Our Board of Directors also determined that Mr. Jacobs' simultaneous service on the audit committee of three other public companies will not impair his ability to effectively serve on our Audit Committee.

The Company's risk management is overseen by the Chief Executive Officer, who receives reports directly from other officers and individuals who perform services for the Company. Material risks are identified and prioritized by management, and material risks are periodically discussed with the Board of Directors. The Board of Directors regularly reviews information regarding the Company's credit, liquidity and operations, including risks and contingencies associated with each area. The Board of Directors encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

Compensation Committee. The members of the Compensation Committee are Messrs. Finnerty, McGinnis, Saltzman, Sloves and Tyson (Chairman), each of whom has been determined by our Board of Directors to be independent in accordance with the NYSE rules. The Compensation Committee is responsible for overseeing the annual review of the management agreement (the Management Agreement) with the Company's Manager, administering and approving the grant of awards under any incentive compensation plan, including any equity-based plan, of the Company and making recommendations to the Board of Directors regarding director compensation. The charter of the Compensation Committee is available on our website, at www.newresi.com. You may also obtain the charter by writing the Company at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

During 2017, the Company did not pay any cash compensation to its executive officers. There were grants of 5,654,578 options made to an affiliate of our Manager during the fiscal year ended December 31, 2017.

Each member of the Compensation Committee is a non-employee director as defined under Rule 16b-3 under the Exchange Act and is also an outside director as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended, as well as being an independent director under the NYSE listing standards and other applicable laws, rules and regulations.

Nominating and Corporate Governance Committee. Our Board of Directors has a standing Nominating and Corporate Governance Committee composed entirely of independent directors. The current members of the Nominating and Corporate Governance Committee are Messrs. Finnerty (Chairman), Jacobs, McGinnis, Sloves and Tyson, each of whom has been determined by our Board of Directors to be an independent director in accordance with the NYSE rules. The functions of the Nominating and Corporate Governance Committee include, without limitation, the following: (a) recommending to the Board individuals qualified to serve as directors of the Company and on committees of the Board; (b) advising the Board with respect to Board composition, procedures and committees; (c) advising the Board with respect to the corporate governance principles applicable to the Company; and (d) overseeing the evaluation of the Board. The charter of the Nominating and Corporate Governance Committee is available on our website, at www.newresi.com. You may also obtain the charter by writing the Company at 1345 Avenue of the

Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

The Nominating and Corporate Governance Committee, as required by the Company's Bylaws, will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the

TABLE OF CONTENTS

Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate and may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Company's Bylaws provide certain procedures that a stockholder must follow to nominate persons for election to the Board of Directors. Nominations for director at an annual stockholder meeting must be submitted in writing to the Company's Secretary at New Residential Investment Corp., 1345 Avenue of the Americas, 45th Floor, New York, New York 10105. The Secretary must receive the notice of a stockholder's intention to introduce a nomination at an annual stockholders meeting (together with certain required information set forth in the Company's Bylaws) within the time frames set forth below under Advance Notice for Stockholder Nominations and Proposals for 2019 Annual Meeting.

The Nominating and Corporate Governance Committee believes that the qualifications for serving as a director of the Company are, taking into account such person's familiarity with the Company, possession of such knowledge, experience, skills, expertise, integrity and diversity as would enhance the Board's ability to manage and direct the affairs and business of the Company, including, when applicable, the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or NYSE rule.

In addition to considering a director-candidate's background and accomplishments, the process for identifying and evaluating all nominees includes a review of the current composition of the Board of Directors and the evolving needs of our business. The Nominating and Corporate Governance Committee will identify potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee also may, from time to time, engage firms that specialize in identifying director candidates. As described above, the Nominating and Corporate Governance Committee will also consider candidates recommended by stockholders. Our evaluation of nominees does not necessarily vary depending on whether or not the nominee was nominated by a stockholder. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. We do not have a formal policy with regard to the consideration of diversity in identifying director-nominees, but the Nominating and Corporate Governance Committee strives to nominate individuals with a variety of complementary skills. The Nominating and Corporate Governance Committee assesses its achievement of diversity through the review of the Board's composition as part of the Board's annual self-assessment process.

REPORT OF THE AUDIT COMMITTEE

In accordance with and to the extent permitted by the rules of the SEC, the information contained in the following Report of the Audit Committee shall not be incorporated by reference into any of the Company's future filings made under the Securities Exchange Act of 1934, as amended (the Exchange Act), and shall not be deemed to be soliciting material or to be filed under the Exchange Act or the Securities Act of 1933, as amended.

The Audit Committee operates under a written charter approved by the Board of Directors, consistent with the corporate governance rules issued by the SEC and the NYSE. The Audit Committee's charter is available on the Company's website at www.newresi.com. The members of the Audit Committee hold executive sessions during the course of the year.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. It is not the duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate in accordance with generally accepted accounting principles. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the Company's internal controls over financial reporting, including a review of management's and the independent registered public accounting firm's assessments of and reports on the effectiveness of internal control over financial reporting and any significant deficiencies or material weaknesses.

The Audit Committee has reviewed and discussed with management the audited financial statements in the annual report to stockholders.

The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard 1301, as adopted by the Public Company Accounting Oversight Board (the PCAOB), other standards of the PCAOB, rules of the SEC and other applicable regulations, including the auditor's judgment as to the quality, not just the acceptability, of the accounting principles, the consistency of their application and the clarity and completeness of the audited financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable PCAOB requirements and has discussed with the independent registered public accounting firm their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors agreed) that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2017, for filing with the SEC. The Audit Committee and the Board of Directors also have recommended, subject to stockholder approval, the selection of the Company's independent registered public accounting firm for fiscal year 2018.

The non-management director presiding at those sessions may rotate from meeting to meeting among the chair of each of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee, to the extent the director is present at the executive session.

TABLE OF CONTENTS**EXECUTIVE AND MANAGER COMPENSATION****Compensation Discussion and Analysis**

Each of our officers is an employee of our Manager or an affiliate of our Manager. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our officers do not receive cash compensation from us for serving as our officers. Our officers, in their capacities as officers or personnel of our Manager or its affiliates, devote such portion of their time to our affairs as is necessary to enable us to operate our business.

Our Manager is not able to segregate and identify any portion of the compensation that it awards to our officers as relating solely to service performed for us, because the services performed by our officers are not performed exclusively for us. We may, from time to time, at the discretion of the Compensation Committee of the Board of Directors, grant options relating to shares of our Common Stock or other equity interests in us to an affiliate of our Manager, who may in turn assign a portion of the options to its employees, including our officers. Options assigned by an affiliate of our Manager to our officers will be settled in an amount of cash equal to the excess of the fair market value of a share of our Common Stock on the date of exercise over the fair market value on the date of grant, unless advance approval is given to settle the options in shares. Please refer to the section entitled "Certain Relationships and Related Transactions—Review of Transactions with Related Persons—Management Agreement" for a description of the terms of the Management Agreement.

Grants of Plan-Based Awards in 2017

The table below sets forth the outstanding option awards held by our officers as of December 31, 2017. The option awards held by such officers (Tandem Awards) correspond on a one-to-one basis with the options granted to our Manager, such that exercise by an employee of the option would result in the corresponding option held by our Manager being cancelled. Mr. Nierenberg was granted 400,000 Tandem Awards in 2017.

In 2017, we granted a total of 5,654,578 options to our Manager in connection with an equity offering in February 2017. The exercise price was \$15.00 per option, which, pursuant to the policy explained in more detail below, is equal to the price per share at which we sold shares of our Common Stock on that same day. The grant date fair value of the option awards held by Fortress Operating Entity I LP (FOE I) was \$8.1 million, as determined under FASB ASC Topic 718. For information regarding assumptions used in determining these valuations, please see Note 13 to the Company's consolidated financial statements included in the Company's most recent Annual Report on Form 10-K.

Outstanding Option Awards as of December 31, 2017

(1) Upon the grant of options to the Manager (or an affiliate), such options are fully vested and become exercisable over a 30-month period (the "Total Exercisability Period") in monthly installments beginning on the first of each

month following the month in which the options were granted. When Tandem Awards are granted, the Manager options become exercisable in monthly installments over a portion of the Total Exercisability Period equal to 30 months, minus the product of (i) the ratio of Manager options not subject to corresponding Tandem Awards to the total number of Manager options (including Manager options subject to corresponding Tandem Awards) multiplied by (ii) 30 (such period, the Manager Exercisability Period). Following the Manager Exercisability Period, the Tandem Awards vest in generally equal monthly installments over the remainder of the Total Exercisability Period and become exercisable only at the end of the Total Exercisability Period.

Represents the expiration date of the option held by FOE I that is the basis for the Tandem Award held by the (2) officer. In general, the expiration date of the Tandem Award occurs prior to the expiration date of the underlying option.

Nonqualified Stock Option and Incentive Award Plan

Our Nonqualified Stock Option and Incentive Award Plan became effective on May 15, 2013, and was amended and restated as of November 4, 2014 (the "Plan"). The Plan is intended to facilitate the use of long-term equity-based awards and incentives for the benefit of the service providers to us and our Manager. A summary of the Plan is set forth below.

The Plan is administered by our Board of Directors, which has appointed our Compensation Committee (the "Committee") to administer the Plan. As the administrator of the Plan, the Committee has the authority to grant awards under the Plan and to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it deems advisable for the administration of the Plan. The Committee also has the authority to interpret the terms and provisions of the Plan, any award issued under the plan and any award agreements relating thereto, and to otherwise supervise the administration of the Plan. In particular, the Committee has the authority to determine the terms and conditions of awards under the Plan, including, without limitation, the exercise price, the number of shares of our Common Stock subject to awards, the term of the awards and the vesting schedule applicable to awards, and to waive or amend the terms and conditions of outstanding awards. All decisions made by the Committee pursuant to the provisions of the Plan are final, conclusive and binding on all persons.

The terms of the Plan provide for the grant of stock options that are not intended to qualify as incentive stock options under Section 422 of the Code, SARs, restricted stock, performance awards, tandem awards and other stock-based and non-stock based awards, in each case to our Manager, to the employees, officers, directors, consultants, service providers or advisors of our Manager who perform services for us, to our employees, officers, directors, consultants, service providers or advisors, and to such other persons who the Committee selects to be participants in the Plan. Such awards may be granted singularly, in tandem, or in combination with each of the other awards.

We reserved 15,000,000 shares of our Common Stock for issuance under the Plan. On the first day of each fiscal year beginning during the ten-year term of the Plan, that number will be increased by a number of shares of our Common Stock equal to 10% of the number of shares of our Common Stock newly issued by us during the immediately preceding fiscal year. The shares of our Common Stock which may be issued pursuant to an award under the Plan may be treasury stock, authorized but unissued stock or stock acquired on the open market to satisfy the requirements of the Plan. Awards may consist of any combination of such stock, or, at our election cash. The aggregate number of shares of our Common Stock that may be granted during any calendar year to any participant who is a covered employee for purposes of Section 162(m) of the Code during such calendar year may not be greater than 15,000,000. If any shares of our Common Stock subject to an award are forfeited, cancelled, exchanged or surrendered or if an award otherwise terminates or expires without a distribution of shares to the participant, such shares will again be available for grants under the Plan. The grant of a Tandem Award will not reduce the number of shares of our Common Stock reserved and available for issuance under the Plan.

Upon the occurrence of any event which affects the shares of our Common Stock in such a way that an adjustment of outstanding awards is appropriate to prevent the dilution or enlargement of rights under the awards, the Committee will make appropriate equitable adjustments. The Committee may also provide for other substitutions or adjustments in its sole discretion, including, without limitation, the cancellation of any outstanding award and payment in cash or other property in exchange thereof, equal to the excess, if any, of the fair market value of the shares or other property subject to the award over the exercise price, if any.

We anticipate that we will grant our Manager options in connection with our equity offerings as compensation for our Manager's role in raising capital for us. In the event that we offer shares of our Common Stock to the public, we intend to simultaneously grant to our Manager or an affiliate of our Manager a number of options equal to up to 10% of the aggregate number of shares being issued in such offering at an exercise price per share equal to the offering price per

share, as determined by the Committee. The main purpose of these options is to provide transaction-specific compensation to the Manager, in a form that aligns our Manager's interests with those of our stockholders, for the valuable services it provides in raising capital for us to invest through equity offerings. In addition, the plan enables the Manager to incentivize its employees who render services to us by making tandem equity awards to them and thus also aligning their interests with those of our stockholders. In each case, the Plan provides that such options will be fully vested as of the date of grant and exercisable as to 1/30 of the shares subject to the option on the first day of each of the 30 calendar months

TABLE OF CONTENTS

following the date of the grant. Options granted to our Manager are contractually required to be settled in an amount of cash equal to the excess of the fair market value of a share on the date of exercise over the exercise price per share, unless a majority of the independent members of the Board determines to settle the option in shares. If the option is settled in shares, the independent members of the Board will determine whether the exercise price will be payable in cash, by withholding from shares of our Common Stock otherwise issuable upon exercise of such option or through another method permitted under the plan.

In addition, the Committee has the authority to grant such other awards to our Manager as it deems advisable, provided that no such award may be granted to our Manager in connection with any issuance by us of equity securities in excess of 10% of the maximum number of equity securities then being issued. Our Board of Directors may also determine to issue options to the Manager that are not subject to the Plan, provided that the number of shares underlying any options granted to the Manager in connection with capital raising efforts would not exceed 10% of the shares sold in such offering and would be subject to NYSE rules.

Each of the Committee and our Manager also has the authority under the terms of the Plan to grant Tandem Awards to employees of our Manager who act as officers or perform other services for us that correspond on a one-to-one basis with the options granted to our Manager, such that exercise by such employee of the Tandem Awards would result in the corresponding options held by our Manager being cancelled. As a condition to the grant of Tandem Awards, our Manager is required to agree that so long as such Tandem Awards remain outstanding, our Manager will not exercise any options under any designated Manager options that relate to the options outstanding under such Tandem Awards. If any Tandem Awards are forfeited, expire or are cancelled without being exercised, the related options under the designated Manager options will again become exercisable in accordance with their terms. The terms and conditions of any Tandem Awards (e.g., the per-share exercise price, the schedule of vesting, exercisability and delivery, etc.) will be determined by the Committee or the Manager, as the case may be, in its sole discretion and must be included in an award agreement, provided, that the term of such Tandem Awards may not be greater than the term of the designated Manager options to which they relate. Tandem Awards will be settled in an amount of cash equal to the excess of the fair market value of a share of our Common Stock on the date of exercise over the fair market value on the date of grant, unless advance approval is given by the Board of Directors or an officer of the Company, as applicable, to settle the tandem awards in shares.

As a general matter, the Plan provides that the Committee has the power to determine at what time or times each option may be exercised and, subject to the provisions of the Plan, the period of time, if any, after death, disability or other termination of employment during which options may be exercised. Options may become vested and exercisable in installments, and the exercisability of options may be accelerated by the Committee. To the extent permitted by applicable law, we may make loans available to the optionee in connection with the exercise of stock options. Such loans must be evidenced by the delivery of a promissory note and will bear interest and be subject to such other terms and conditions (including, without limitation, the execution by the optionee of a pledge agreement) as the Committee may determine. In any event, such loan amount may not exceed the sum of (x) the exercise price less the par value of the shares of our Common Stock subject to such option then being exercised plus (y) any federal, state or local income taxes attributable to such exercise.

The Committee may also grant SARs in tandem with all or part of, or completely independent of, a grant of options or any other award under the Plan. A SAR issued in tandem with an option may be granted at the time of grant of the related option or at any time during the term of such option. The amount payable in cash and/or shares of our Common Stock with respect to each SAR will be equal in value to a percentage (including up to 100%) of the amount by which the fair market value per share of our Common Stock on the exercise date exceeds the fair market value per share of our Common Stock on the date of grant of the SAR. The applicable percentage will be established by the Committee. The award agreement under which the SAR is granted may state whether the amount payable is to be paid wholly in cash, wholly in shares of our Common Stock or in any combination of the foregoing, and if the award

agreement does not state the manner of payment, the Committee will determine such manner of payment at the time of payment. The amount payable in shares of our Common Stock, if any, is determined with reference to the fair market value per share of our Common Stock on the date of exercise.

TABLE OF CONTENTS

SARs issued in tandem with options shall be exercisable only to the extent that the options to which they relate are exercisable. Upon exercise of the tandem SAR, and to the extent of such exercise, the participant's underlying option shall automatically terminate. Similarly, upon the exercise of the tandem option, and to the extent of such exercise, the participant's related SAR will automatically terminate.

The Committee may also grant restricted stock, performance awards, and other stock and non-stock-based awards under the Plan. These awards will be subject to such conditions and restrictions as the Committee may determine, which may include, without limitation, the achievement of certain performance goals or continued employment with us through a specific period.

The Plan provides for automatic annual awards of shares of our Common Stock to our non-officer or non-employee directors, in any case in an amount to be determined by the Committee from time to time, based on the fair market value of shares of our Common Stock on the date of grant. The Plan also provides that each new non-officer or non-employee director will be granted an initial one-time grant of options under the Plan upon the date of the first meeting of our Board of Directors attended by such director. See Proposal No. 1 Election of Directors – Compensation of Directors for additional details on director compensation.

Potential Payments upon Termination or Change of Control

All options granted to our Manager will become fully vested and exercisable upon a change of control (as defined in the Plan) or a termination of the Manager's services to us for any reason, and any Tandem Awards will be governed by the terms and condition set forth in the applicable award agreements, as determined by the Committee or the Manager, as the case may be. All Tandem Awards will become fully vested and exercisable if the holder's employment with the Manager or an affiliate of the Manager is terminated without cause within 12 months following a change of control. However, no optionholder will be entitled to receive any payment or other items of value upon a change of control. The estimated fair value of the option awards held by our Manager as of December 31, 2017 that would have been accelerated had a change in control occurred on December 31, 2017 is approximately \$13.3 million.

Risk Management

Our officers receive compensation from our Manager based on their services both to us and to other entities, making their compensation unlikely to promote unreasonable risk-taking in the management of our business. Additionally, we expect to grant options to our Manager in connection with equity offerings to align our Manager's interests with shares of our stockholders while avoiding an emphasis purely on equity compensation. Based on the assessment of these factors, we have concluded that we have a balanced compensation program that does not promote excessive risk-taking.

Section 16(a) of Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires directors, executive officers and persons beneficially owning more than ten percent of a registered class of a company's equity securities to file reports of ownership and changes in ownership on Forms 3, 4, and 5 with the SEC and the NYSE.

To our knowledge, based solely on review of the copies of such reports furnished to us during the year ended December 31, 2017, all reports required to be filed by our directors, executive officers and greater-than-ten-percent owners were timely filed in compliance with the Section 16(a) filing requirements, other than one Form 4 reporting one transaction for Mr. Nierenberg, which was filed late.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review of Transactions with Related Persons

SEC rules define transactions with related persons to include any transaction in which the Company is a participant, the amount involved exceeds \$120,000, and in which any related person, including any officer, director, nominee for director or beneficial holder of more than 5% of any class of our voting securities or an immediate family member of any of the foregoing, has a direct or indirect material interest. The Company adopted a written policy that outlines procedures for approving transactions with related persons, and the independent directors review and approve or ratify such transactions pursuant to the procedures outlined in this policy. In determining whether to approve or ratify a transaction with a related person, the independent directors will consider a variety of factors they deem relevant, such as: the terms of the transaction; the terms available to unrelated third parties; the benefits to the Company; and the availability of other sources for comparable assets, products or services. The independent directors have also adopted standing pre-approvals under the policy for specified categories of transactions, including investments in securities offerings and participation in other investment opportunities generally made available to our Manager's employees.

Management Agreement

We entered into a Management Agreement with our Manager, an affiliate of Fortress, which was subsequently amended and restated on August 1, 2013, on August 5, 2014 and on May 7, 2015, pursuant to which our Manager provides for a management team and other professionals who are responsible for implementing our business strategy, subject to the supervision of our Board of Directors. Our Manager is responsible for, among other things, (i) setting investment criteria in accordance with broad investment guidelines adopted by our Board of Directors, (ii) sourcing, analyzing and executing acquisitions, (iii) providing financial and accounting management services and (iv) performing other duties as specified in the Management Agreement.

We pay our Manager an annual management fee equal to 1.5% of our gross equity. Gross equity is generally the equity that was transferred to us by Drive Shack on the distribution date, plus total net proceeds from stock offerings, plus certain capital contributions to subsidiaries, less capital distributions and repurchases of Common Stock.

Our Manager is entitled to receive annual incentive compensation in an amount equal to the product of (A) 25% of the dollar amount by which (1)(a) the funds from operations before the incentive compensation, excluding funds from operations from investments in the Consumer Loan Companies and any unrealized gains or losses from mark-to-market valuation changes on investments and debt (and any deferred tax impact thereof), per share of Common Stock, plus (b) earnings (or losses) from the Consumer Loan Companies computed on a level-yield basis (such that the loans are treated as if they qualified as loans acquired with a discount for credit quality as set forth in ASC No. 310-30, as such codification was in effect on June 30, 2013) as if the Consumer Loan Companies had been acquired at their U.S. Generally Accepted Accounting Principles (GAAP) basis on the distribution date, plus earnings (or losses) from equity method investees invested in excess mortgage servicing rights (Excess MSRs) as if such equity method investees had not made a fair value election, plus gains (or losses) from debt restructuring and gains (or losses) from sales of property, and plus non-routine items, minus amortization of non-routine items, in each case per share of Common Stock, exceed (2) an amount equal to (a) the weighted average of the book value per share of the equity that was transferred to us by Drive Shack on the distribution date and the prices per share of our Common Stock in any offerings by us (adjusted for prior capital dividends or capital distributions) multiplied by (b) a simple interest rate of 10% per annum, multiplied by (B) the weighted average number of shares of Common Stock outstanding.

Funds from operations means net income (computed in accordance with GAAP), excluding gains (losses) from debt restructuring and gains (or losses) from sales of property, plus depreciation on real estate assets, and after adjustments

for unconsolidated partnerships and joint ventures. Funds from operations is computed on an unconsolidated basis. The computation of funds from operations may be adjusted at the direction of our independent directors based on changes in, or certain applications of, GAAP. Funds from operations is determined from May 15, 2013, the date of our separation from Drive Shack, and without regard to Drive Shack's prior performance. Funds from operations does not represent and should not be considered a substitute for, or superior to, net income, or as a substitute for, or superior to, cash flows from operating activities, each as determined in accordance with GAAP.

TABLE OF CONTENTS

The initial term of our Management Agreement expired on May 15, 2014, and the Management Agreement was and will be renewed automatically each year for an additional one-year period unless (i) a majority consisting of at least two-thirds of our independent directors or a simple majority of the holders of outstanding shares of our Common Stock, agree that there has been unsatisfactory performance that is materially detrimental to us or (ii) a simple majority of our independent directors agree that the management fee payable to our Manager is unfair; provided, that we shall not have the right to terminate our Management Agreement under clause (ii) of the foregoing if the Manager agrees to continue to provide the services under the Management Agreement at a fee that our independent directors have determined to be fair.

If we elect not to renew our Management Agreement at the expiration of any such one-year extension term as set forth above, our Manager will be provided with 60 days prior notice of any such termination. In the event of such termination, we would be required to pay the termination fee. The termination fee is a fee equal to the sum of (1) the amount of the management fee during the 12 months immediately preceding the date of termination, and (2) the

Incentive Compensation Fair Value Amount. The Incentive Compensation Fair Value Amount is an amount equal to the incentive compensation that would be paid to the Manager if our assets were sold for cash at their then current fair market value (taking into account, among other things, the expected future performance of the underlying investments).

Fortress, through its affiliates, and principals of Fortress held 2.4 million shares of our Common Stock, and Fortress, through its affiliates, held options relating to an additional 16.4 million shares of our Common Stock, representing approximately 5.8% of our Common Stock on a fully diluted basis, as of December 31, 2017.

Below is a summary of the fees and other amounts earned by our manager in connection with services performed for us during fiscal year 2017.

	2017
Management Fee ⁽¹⁾	\$ 55,634,000
Incentive Compensation ⁽²⁾	\$ 81,373,000
Expense Reimbursements ⁽³⁾	\$ 500,000

(1) We pay our Manager an annual management fee equal to 1.5% of our gross equity, as defined in our management agreement. Our Manager uses the proceeds from its management fee in part to pay compensation to its officers and employees who, notwithstanding that certain of them also are our officers, receive no cash compensation directly from us.

(2) Our Manager is entitled to receive the incentive compensation pursuant to the terms of the Management Agreement with us. The purpose of the incentive compensation is to provide an additional incentive for our Manager to achieve targeted levels of funds from operations (including gains and losses) and to increase our stockholder value. Our Board of Directors may request that our Manager accept all or a portion of its incentive compensation in shares of our Common Stock, and our Manager may elect, in its discretion, to accept such payment in the form of shares, subject to limitations that may be imposed by the rules of the NYSE or otherwise.

(3) The Management Agreement provides that we will reimburse our Manager for various expenses incurred by our Manager or its officers, employees and agents on our behalf, including costs of legal, accounting, tax, auditing, administrative and other similar services rendered for us by providers retained by our manager or, if provided by our Manager's employees, in amounts which are no greater than those which would be payable to outside professionals or consultants engaged to perform such services pursuant to agreements negotiated on an arm's-length basis; certain of such services are provided by our Manager. The Management Agreement provides that such costs shall not be reimbursed in excess of \$500,000 per annum. We also pay all of our operating expenses, except those specifically required to be borne by our manager under the Management Agreement. Our Manager is responsible for all costs incident to the performance of its duties under the management agreement, including compensation of

our Manager's employees, rent for facilities and other overhead expenses. The expenses required to be paid by us include, but are not limited to, issuance and transaction costs incident to the acquisition, disposition and financing of our investments, legal and auditing fees and expenses, the compensation and expenses of our independent directors, the costs associated with the establishment and maintenance of any credit facilities and other indebtedness of ours (including commitment fees, legal fees, closing costs, etc.), expenses associated with other securities offerings of ours, the costs of printing and mailing proxies and reports to our stockholders, costs incurred by employees of our Manager for travel on our behalf, costs associated with any computer software or hardware that is used solely for us, costs to obtain liability insurance to indemnify our directors and officers, the compensation and expenses of our transfer agent and fees payable to the NYSE.

Transactions with Nationstar

As of December 31, 2017, 66.1%, 41.2% and 35.0% of the unpaid principal balance (UPB) of the loans underlying New Residential's investments in Excess MSRs, MSRs and Servicer Advance Investments, respectively, was serviced or master serviced by Nationstar Mortgage Holdings Inc. (Nationstar). Nationstar is majority owned by private equity funds managed by an affiliate of our Manager. As of December 31, 2017, a total face amount of \$3.3 billion of New Residential's Non-Agency RMBS portfolio and approximately \$106.6 million of New Residential's Agency RMBS portfolio was serviced or master serviced by Nationstar. The

TABLE OF CONTENTS

total UPB of the loans underlying these Nationstar serviced Non-Agency RMBS was approximately \$19.0 billion as of December 31, 2016. New Residential holds a limited right to cleanup call options with respect to certain securitization trusts serviced or master serviced by Nationstar whereby, when the outstanding balance of the underlying residential mortgage loans falls below a pre-determined threshold, it can effectively purchase the underlying mortgage loans at par, plus unreimbursed servicer advances, and repay all of the outstanding securitization financing at par, in exchange for a fee of 0.75% of UPB paid to Nationstar at the time of exercise. In connection with New Residential's exercise of certain of these call rights, and certain other call rights acquired by New Residential, New Residential has made, and expects to continue to make, payments to funds managed by an affiliate of Fortress in respect of Excess MSRs held by the funds affected by the exercise of the call rights (MSR Fund Payments). During 2017, 2016 and 2015, New Residential accrued MSR Fund Payments in an aggregate amount of approximately \$0.3 million, \$0.5 million and \$4.4 million, respectively, and has also caused an aggregate of \$1.4 million and \$0.1 million of securities to be transferred to such funds in 2017 and 2016, respectively. New Residential continues to evaluate the call rights it purchased from Nationstar, and its ability to exercise such rights and realize the benefits therefrom are subject to a number of risks. The actual UPB of the mortgage loans on which New Residential can successfully exercise call rights and realize the benefits therefrom may differ materially from its initial assumptions. As of December 31, 2017, \$787.5 million UPB of New Residential's residential mortgage loans and \$20.5 million of New Residential's real estate owned properties (which are properties underlying loans that were acquired via foreclosure as result of borrower default) were being serviced or master serviced by Nationstar. Additionally, in the ordinary course of our business, we engage Nationstar to administer the termination of securitization trusts that we collapse pursuant to our call rights. As a result of these relationships, New Residential routinely has receivables from, and payables to, Nationstar.

Transactions with OneMain

Mr. Jacobs serves on the board of directors of OneMain, and approximately 40.5% of the outstanding shares of OneMain common stock are held by a private equity fund managed by an affiliate of our Manager as of December 31, 2017. In April 2013, New Residential, OneMain and funds managed by Blackstone Tactical Opportunities Advisors L.L.C. (Blackstone) completed, through newly formed limited liability companies (together, the Consumer Loan Companies), a co-investment in a portfolio of consumer loans with a UPB of approximately \$4.2 billion as of December 31, 2012. After a servicing transition period, OneMain became the servicer of the loans and provides all servicing and advancing functions for the portfolio.

On March 31, 2016, New Residential, through several of its wholly owned subsidiaries (together, the NRZ Buyers), and funds managed by Blackstone, entered into a purchase agreement (the Purchase Agreement) with certain indirect wholly owned subsidiaries of OneMain (the Sellers), pursuant to which the Sellers sold their collective 47% limited liability company interests in the Consumer Loan Companies to the NRZ Buyers and Blackstone for an aggregate purchase price of approximately \$111.6 million (the Purchase). Prior to entering into the Purchase Agreement, the NRZ Buyers and Blackstone owned 30% and 23% limited liability company interests in the Consumer Loan Companies, respectively, and, following entry into the Purchase Agreement, own 53.5% and 46.5% limited liability company interests in the Consumer Loan Companies, respectively. As a result of the Purchase, the Company consolidates the Consumer Loan Companies, and OneMain is the servicer for a significant portion of the consumer loans in which the Company has invested. The Consumer Loan Companies have agreed to pay OneMain a servicing fee equal to 2.5% of the outstanding UPB of the related consumer loans, which amounted to \$37.8 million during the year ended December 31, 2017.

All Other Fees. For 2017 and 2016, all other fees are related to financial due diligence and services rendered in connection with certain transactions, including potential acquisitions.

The Audit Committee has a policy requiring the pre-approval of all audit and permissible non-audit services to be provided by the independent registered public accounting firm.
