This Schedule 13D amends and replaces the Schedule 13G filed on behalf of SovCap Equity Partners, Ltd., SovCap Investment Management Group, LLC, Paul Hamm and

Edgar Filing: SOVCAP EQUITY PARTNERS LTD - Form SC 13D

Peter Martin with the Securities and Exchange Commission on February 5, 2003 (the "Statement") as the result of the acquisition by SovCap Equity Partners LP of additional shares of common stock of Ceristar, Inc. such that its ownership exceeded 20% of the issued and outstanding shares of Ceristar, Inc. Item 3. Source and Amount of Funds or Other Consideration

During the period from March 7, 2003 through November 20, 2003, SovCap EP acquired 1,185,888 shares of Common Stock in private transactions directly with the Company and in open market purchases and in privately negotiated transactions with third parties for an aggregate purchase price of approximately \$816,000. The source of funds for the acquisition was the available investment funds of SovCap EP.

During the period from April 14, 2003 to July 21, 2003, SovCap EP sold 412,000 shares of Common Stock in open market sales and in privately negotiated

Edgar Filing: SOVCAP EQUITY PARTNERS LTD - Form SC 13D

transactions for an aggregate sale price of approximately \$208,000.

CUSIP No. 15677V101

Page 9 of 14

During the period from July 1, 2003 through July 21, 2004. SovCap EP loaned the Company an aggregate of \$2,071,000 pursuant to a series of promissory notes (the "Notes"). Each of the Notes is due upon demand after the 120th day following the issue date and carries a repayment premium of 1.5% per month after the first day of each month after the issue date. The principal amount of the Notes (together with the repayment premium and accrued and unpaid interest) is convertible into Common Stock at a conversion price equal to 75% of the average closing bid price of the Common Stock for the five trading days ending on the trading day immediately preceding the conversion date. However, under the terms of the Notes, unless a Note is in Default (as defined in Note) or unless prior to an Organic Change (as defined in the Note), the holder may not convert any Note in excess of that number of shares of Common Stock, which upon giving effect to such conversion, would cause the aggregate number of shares of Common Stock beneficially owned by the holder and its affiliates to exceed 9.99% of the outstanding shares of the Common Stock following the conversion (such limitation, the "Conversion Cap"). As a result of the Conversion Cap, none of the Notes are currently convertible unless a Default or Organic Change occurs.

On July 28, 2004, SovCap exercised its right to convert the four promissory notes in aggregate principal amount of \$326,000 and received 15,317,592 shares of Common Stock. These Notes were then in Default as a result of non-payment following demand and accordingly the Conversion Cap was not applicable to these Notes. This transaction may have resulted in a change of control of the Company.

During the period from March 25, 2003 through March 31, 2004, Hamm acquired an aggregate of 13,000 shares of Common Stock in open market purchases for an aggregate purchase price of approximately \$5,240. The source of funds for such acquisitions were Hamm's personal funds. In addition, on June 5, 2003, Hamm received 5,000 shares of Common Stock in exchange for consulting services.

During the period from August 25, 2003 through November 26, 2003, AlphaWest received 206,918 shares of Common Stock in exchange for consulting services pursuant to the terms of a consulting agreement between AlphaWest and the Company, dated June 1, 2003. On June 27, 2004, AlphaWest received 130,140 shares of Common Stock in exchange for consulting services pursuant to the terms of a consulting agreement between AlphaWest and the Company, dated December 15, 2003.

Item 4. Purpose of Transaction

The shares of Common Stock acquired by SovCap EP during the period from March 7, 2003 through November 20, 2003 and the loans made during the period from July 1, 2003 through July 21, 2004 were made for investment purposes. At the time these securities were acquired by SovCap EP, it had no plans or proposals which related to or would have result in: (a) the acquisition or disposition by any person of additional securities of Ceristar or disposition of securities of Ceristar, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation involving Ceristar, (c) a sale or transfer of a material amount of assets of Ceristar or any of its subsidiaries, (d) any change in the board of directors or management of Ceristar, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of Ceristar, (f) any other material change in Ceristar's business or corporate structure, (g) any change in Ceristar's charter, by-laws or instruments corresponding thereto or other actions which would have impeded

Edgar Filing: SOVCAP EQUITY PARTNERS LTD - Form SC 13D

the acquisition of control of Ceristar by any person, (h) a class of securities of Ceristar to be delisted from a national securities exchange or cease being authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of Ceristar becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934 or (j) any action similar to any of those enumerated above.

CUSIP No. 15677V101

Page 10 of 14

On June 24, 2004, certain of the Company's officers and officers resigned and, at the request of the CeriStar Board of Directors and of SovCap EP, Hamm was appointed as a director and interim Chief Executive Officer by the CeriStar Board. In the course of evaluating its investment in the Company, SovCap EP (with the advice of SovCap IMG, Hamm and Martin) determined to convert a sufficient portion of the Notes to own a majority of the shares of Common Stock and enable it to exercise control over the policies of the Company should it determine to do so in order to protect its investment. However, SovCap has not yet exercised its voting control to effect any change in the structure, policies or management of the Company. SovCap has and continues to reevaluate its plans with respect to its investment in Ceristar.

Except as set forth above, each Reporting person does not have any plans or proposals of the nature described in Items (a) through (j) of Item 4 of Schedule 13D.

Please refer to Item 3 for additional information responsive to this Item.
