Voting of Proxies

Voting by Proxy Card. All shares entitled to vote and represented by properly executed proxy cards received prior to the annual meeting, and not revoked, will be voted at the annual meeting in accordance with the instructions indicated on those proxy cards.

Voting by Telephone or the Internet. A stockholder may vote his or her shares by calling the toll-free number indicated on the enclosed proxy card and following the recorded instructions or by accessing the website indicated on the enclosed proxy card and following the instructions provided. When a stockholder votes via the Internet or by telephone, his or her vote is recorded immediately. We encourage stockholders to vote using these methods whenever possible.

Voting by Attending the Meeting. A stockholder may vote his or her shares in person at the annual meeting. A stockholder planning to attend the annual meeting should bring proof of identification for entrance to the annual meeting. If a stockholder attends the annual meeting, he or she may also submit his or her vote in person, and any previous votes that were submitted by the stockholder, whether by Internet, telephone or mail, will be superseded by the vote that such stockholder casts at the annual meeting.

Revocability of Proxies. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. A proxy may be revoked (1) by filing with the secretary of the company, at or before the taking of the vote at the annual meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy relating to the same shares, or (2) by attending the annual meeting and voting in person (although attendance at the annual meeting will not by itself revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by the secretary of the company prior to the taking of the vote at the annual meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to the secretary of the

Edgar Filing: CEVA INC - Form DEF 14A

company or should be sent to CEVA, Inc., 2033 Gateway Place, Suite 150, San Jose, California 95110, Attention: Corporate Secretary.

If no instructions are indicated on a properly executed proxy card, the shares represented by that proxy card will be voted as recommended by the board of directors.

If a stockholder indicates on a proxy that the shares should be voted "FOR" approval of the matters presented at the annual meeting, the proxies will have discretion to vote the shares on any other matters which are properly presented at the annual meeting for consideration, including a motion to adjourn the annual meeting to another time or place for the purpose of soliciting additional proxies, unless a stockholder expressly withholds authorization for the proxies to use their discretion.

Stockholders Entitled to Vote

Our board of directors has fixed June 8, 2005 as the record date for determination of stockholders entitled to vote at the annual meeting. Only holders of record of our common stock at the close of business on the record date are entitled to notice of and to vote at the annual meeting. On June 8, 2005, there were 18,776,144 shares of our common stock outstanding and entitled to vote. Each share of common stock will have one vote for each matter to be voted upon at the annual meeting.

Quorum; Votes Required

The holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the annual meeting will constitute a quorum for the transaction of business at the annual meeting. Shares of common stock held by stockholders present in person or represented by proxy, including shares held by stockholders that abstain or do not vote with respect to one or more of the matters presented for stockholder approval, will be counted for purposes of determining whether a quorum is present at the annual meeting.

If a broker does not have discretionary voting authority to vote shares for which it is the holder of record with respect to a particular matter at the annual meeting, the shares cannot be voted by the broker, although they will be counted in determining whether a quorum is present. Accordingly, these broker non-votes and abstentions would have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the votes cast on that matter (such as the election of directors).

The affirmative vote of the holders of shares representing a plurality of the votes cast by the holders of our common stock entitled to vote at the annual meeting is required for the election of directors, and the affirmative vote of the holders of shares representing at least a majority of the votes cast by the holders of our common stock entitled to vote at the annual meeting is required for the amendment of our certificate of incorporation to reduce the number of authorized shares of Common Stock and other matters to be voted upon at the annual meeting.

Expenses of Solicitation

We will bear all expenses of this solicitation, including the cost of preparing and mailing this solicitation material. We may reimburse brokerage firms, custodians, nominees, fiduciaries, and other persons representing beneficial owners of common stock for their reasonable expenses in forwarding solicitation material to such beneficial owners. Directors, officers and employees of the company may also solicit proxies in person or by telephone, letter, electronic mail, telegram, facsimile or other means of communication. Such directors, officers and employees will not be additionally compensated, but they may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. We have retained the services of Georgeson Shareholder Communications Inc., a professional proxy solicitation firm, to assist in the solicitation of proxies; and we will pay approximately \$7,500 for its services, in addition to reimbursement of its out-of-pocket expenses.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information, as of May 13, 2005, regarding the beneficial ownership of shares of our common stock by (a) each person or entity known by us to own beneficially more than 5% of the outstanding shares

of our common stock, (b) each of our “named executive officers,” as described in the Summary Compensation Table below, (c) each director and director nominee of the company, and (d) the directors and executive officers of the company as a group. The address of each of our directors and named executive officers is c/o CEVA, Inc., 2033 Gateway Place, Suite 150, San Jose, California 95110.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission, (the “SEC”), and generally includes voting power and/or investment power with respect to securities. Shares of common stock subject to options or warrants currently exercisable or exercisable within 60 days of

May 13, 2005 are deemed outstanding for purposes of computing the percentage beneficially owned by the person holding the options or warrants, but are not deemed outstanding for purposes of computing the percentage beneficially owned by any other person. Except as indicated by footnote, we believe that the persons named in this table, based on information provided by them, have sole voting and investment power with respect to the shares of common stock indicated.

-
- (1) Member of Audit Committee.
(2) Member of Compensation Committee.
(3) Member of Nominations Committee.

Board of Directors Meetings

Our board of directors held ten meetings during 2004, including five times by telephone conference and acted once by written action. All directors attended at least 75% of the meetings of our board of directors during the period that they served on our board of directors. Our board of directors has determined that the following directors are independent pursuant to Section 4350 of the NASDAQ Stock Market rules: Zvi Limon, Bruce A. Mann, Sven-Christer Nilsson, Louis Silver and Dan Tocatly.

Board Committees

Our board of directors has established three standing committees - Audit, Compensation, and Nominations each of which operates under a charter that has been approved by the board. Current copies of each of the Audit, Compensation and Nominations Committee's charters are posted on the Corporate Governance section of our website, www.ceva-dsp.com.

The primary purpose of the Audit Committee is to assist the board of directors in fulfilling its responsibility to oversee the accounting and financial reporting processes of the CEVA and audits of the financial statements of CEVA. The members of the Audit Committee are Zvi Limon, Sven-Christer Nilsson and Louis Silver. Mr. Silver serves as the Chairman of the Audit Committee. The Audit Committee met eight times, including seven times by telephone conference, during 2004. All of the members of the Audit Committee are independent as defined by the Nasdaq Stock Market listing standards and as defined under the independence requirements of Rule 10A-3 under the Exchange Act.

The primary purposes of the Compensation Committee are to discharge the responsibilities of the board of directors relating to compensation of CEVA's executive officers, to make recommendations with respect to new incentive compensation and equity-based plans and to make recommendations regarding director compensation and administration of CEVA's equity compensation plans. The members of the Compensation Committee are Bruce A. Mann, Louis Silver and Sven-Christer Nilsson. Mr. Mann serves as the Chairman of the Compensation Committee. The Compensation Committee met five times during 2004, including three times by telephone conference. All of the members of the Compensation Committee are independent as defined by the Nasdaq Stock Market listing standards.

The primary purpose of the Nominations Committee is to recommend to the board of directors the persons to be nominated for election as directors at any meeting of stockholders; develop and recommend to the board of directors a set of corporate governance principles applicable to CEVA and to oversee the evaluation of the board of directors and management. The members of the Nominations Committee are Zvi Limon and Sven-Christer Nilsson. There were no meetings of the Nominations Committee during calendar 2004. All members of the Nominations Committee are independent, as that word is defined by the Nasdaq Stock Market listing standards.

Audit Committee

The Audit Committee's responsibilities include:

- appointing, approving the compensation of, and assessing the independence of our independent auditor;
- overseeing the work of our independent auditor, including through the receipt and consideration of certain reports from independent auditors;
- reviewing and discussing with management and the independent auditors our annual and quarterly financial statements and related disclosures;
- monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;
- discussing our risk management policies;
- establishing policies regarding hiring employees from the independent auditor and procedures for the receipt and retention of accounting related complaints and concerns;
- meeting independently with our internal auditing staff, independent auditors and management; and

Ÿ preparing the audit committee report required by SEC rules (which is included on page 16 of this proxy statement).

6

Our board of directors has determined that we do not currently have an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K serving on our Audit Committee. It has been difficult for companies of our size to identify and retain an audit committee financial expert. Each member of our Audit Committee has demonstrated that he is capable of (i) understanding generally accepted accounting principles (“GAAP”) and financial statements, (ii) assessing the general application of GAAP principles in connection with the accounting for estimates, accruals and reserves, (iii) analyzing and evaluating financial statements, (iv) understanding internal controls and procedures for financial reporting, and (v) understanding Audit Committee functions, all of which are attributes of an audit committee financial expert under the rule adopted by the SEC. Given the business experience and acumen of Mr. Limon, Mr. Nilsson and Mr. Silver and their long standing service as members of our Audit Committee, our board of directors believes that Mr. Limon, Mr. Nilsson and Mr. Silver are qualified to carry out all duties and responsibilities of the Audit Committee, including meeting the financial sophistication standards of NASDAQ Rule 4350(d)(2)(A). We are committed to seeking an Audit Committee member to meet the SEC requirements for an “audit committee financial expert,” but we can provide no assurance that we will be successful in doing so.

Compensation Committee

The Compensation Committee’s responsibilities include:

- determining the compensation of the executive officers, including the CEO, subject to ratification by the board;
- reviewing and making recommendations to the board with respect to our cash and equity incentive plans;
- reviewing and making recommendations to the board with respect to director compensation; and
- administering CEVA’s equity incentive plans.

Nominations Committee

The Nominations Committee’s responsibilities include identifying individuals qualified to become board members and recommending to the board the persons to be nominated for election as directors and to each of the board’s committees.

Director Candidates

The process to be followed by the Nominations Committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the committee and the board.

In considering whether to recommend any particular candidate for inclusion in our board’s slate of recommended director nominees, the Nominations Committee only considers candidates who have demonstrated executive experience, have experience in an applicable industry, or significant high level experience in accounting, legal or an applicable technical field. Other criteria will include the candidate’s integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Nominations Committee will not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

The Nominations Committee has adopted a policy of accepting recommendations from stockholders for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the

7

date such recommendation is made, to Nominations Committee, c/o Corporate Secretary, CEVA, Inc., 2033 Gateway Place, Suite 150, San Jose, California 95110. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If the Board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the Nominations Committee or the board, by following the procedures set forth under "Stockholder Proposals for 2005 Annual Meeting and Nominations of Persons for Election to the Board of Directors". Candidates nominated by stockholders in accordance with the procedures set forth in the bylaws will not be included in our proxy card for the next annual meeting.

Communicating with the Independent Directors

The board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. The Chairman of the Nominations Committee, with the assistance of our Corporate Secretary, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he or she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Chairman of the Nominations Committee or the Corporate Secretary considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Board of Directors c/o Corporate Secretary, CEVA, Inc., 2033 Gateway Place, San Jose, California 95110.

Director Attendance at Shareholder Meetings

We have adopted a guideline providing that, in light of the geographic dispersion of the directors of CEVA, the directors' attendance at the annual meeting of stockholders is encouraged but not required. Nine (9) directors attended the 2004 annual meeting of stockholders.

Director Compensation

Directors who are employees of our Company do not receive any additional compensation for their services as directors. Directors who are not employees of our Company receive an annual retainer of \$40,000 with the exception of Mr. Mann who is the lead independent director who receives an annual retainer of \$50,000, payable in equal quarterly installments. In addition, compensation for attendance at more than four face-to-face board meetings and at committee meetings of a face-to-face nature and on a telephonic basis is \$1,000 per meeting. All directors are reimbursed for expenses incurred in connection with attending board and committee meetings. Our directors are eligible to participate in our 2003 director stock option plan and our 2002 stock incentive plan. In 2004, according to the 2003 director stock option plan and in connection with their service as directors of our company, Messrs. Ayalon, Long, Limon, McManamon and Nilsson were each granted options to purchase 13,000 shares of our common stock, and Messrs. Mann, Silver and Tocatly were granted options to purchase 39,000, 26,000 and 51,000 shares of our common stock, respectively.

Pursuant to our 2003 director stock option plan, each person who becomes a non-employee director shall automatically be granted an option to purchase 38,000 shares of common stock. On June 30 of each year beginning in 2004, each non-employee director will automatically be granted an option to purchase 13,000 shares of common stock if he has served on the board as of such date and an option to purchase 13,000 shares of common stock for each committee of the board on which he has served as chair person as of such date, and an option to purchase 13,000 shares of common stock for serving as lead independent director as of such date.

8

During 2004, Mr. Silver, pursuant to the specific request of the Board of Directors, reviewed and evaluated our underutilized building lease obligations and received \$15,000 in consideration of this special service.

We trade in the normal course of business with DSPG, which was the parent company of CEVA until November 1, 2002. CEVA and DSPG have common directors.

Until November 30, 2003, our Israeli subsidiary occupied and utilized portions of DSPG Ltd.'s facilities. Our Israeli subsidiary was obligated to pay an agreed amount to DSPG Ltd. for its pro rata share of occupying and operating these facilities. The amount charged to our Israeli subsidiary for these services between November 1, 2002 and December 31, 2002, was \$60,000 and \$332,000 for the period between January 1 and November 30, 2003. Non-moveable fixtures and fittings with a net book value of \$140,000 were sold to DSPG prior to exiting the premises for proceeds of \$100,000.

Revenue generated from DSPG from licensing, royalty and support agreements during the years ended December 31, 2002, 2003 and 2004 was \$108,000, \$383,000 and \$540,000, respectively. The accounts receivable balances with DSPG at December 31, 2002, 2003 and 2004 were \$50,000, \$178,000 and \$47,000 respectively.

See "Director Compensation".

On July 1, 1996 one of our Irish subsidiaries entered into a property lease agreement with Veton Properties Limited to lease office space in Dublin, Ireland. The lease term is 25 years from July 1, 1996 and the current annual rent charge is €762,000 (\$1,039,000). Messrs. Long and McManamon, directors of CEVA, are minority shareholders of Veton Properties Limited.

One of our directors, Mr. Mann, is a partner of Morrison & Foerster LLP. Fees paid to Morrison & Foerster LLP during the years ended December 31, 2002, 2003 and 2004 was \$0, \$282,000 and \$67,000, respectively. Report of the Compensation Committee on Executive Compensation

This report is submitted by the Compensation Committee of our board of directors, which is responsible for determining the salary and incentive compensation for our executive officers, and administering and granting stock options under our stock option plans to our executive officers. In addition, the Compensation Committee reviews and makes recommendations to our board of directors regarding incentive-compensation and equity-based plans.

General Compensation Policy

The Compensation Committee seeks to achieve the following three broad goals in connection with our executive compensation program:

to enable CEVA to attract and retain qualified executives;

to create a performance-oriented environment by rewarding executives for the achievement of CEVA's business objectives and/or achievement in an individual executive's particular area of responsibility; and

to provide executives with equity incentives in CEVA so as to link a portion of an executive's compensation with the performance of CEVA's common stock.

Components of Compensation

To achieve these goals, the executive compensation program includes:

base salary;

cash bonuses; and

stock-based equity incentives in the form of participation in CEVA's stock option plans;

and may include:

deferred compensation;

executive perquisites;

severance arrangements;

change-in-control benefits; and

other forms of executive officer compensation.

General Factors for Establishing Compensation

The Compensation Committee has retained an independent consultant to review the executive compensation of industry peers with which CEVA competes for employees to compare the competitiveness of CEVA's compensation packages for executive officers, including the Chief Executive Officer. In addition to reviewing industry compensation levels, the Compensation Committee also considers a number of other factors in establishing the components of each executive officer's compensation package, as summarized below.

Base Salary

Salaries for executive officers, including the Chief Executive Officer, are generally determined on an individual basis by evaluating the following:

the executive's scope of responsibility, performance, prior employment experience and salary history;

CEVA's financial performance, including increases in its revenues and profits, if any; and

internal consistency within CEVA's salary structure.

Incentive Compensation

The Compensation Committee believes that a bonus component for compensation to supplement base salaries of executive officers provides an important incentive that can be tied to achievement of corporate goals and

adopted a bonus program for executive officers for 2004. In light of the change in CEVA's Chief Executive Officer and Chief Financial Officer and the corporate reorganization announced on May 9, 2005, the Compensation Committee concluded that it would not be feasible to adopt a formal bonus program for its executive officers for 2005 and it would be in the best interest of CEVA and its stockholders to make any bonus for executive officers for 2005 wholly discretionary, based on their performance during the remainder of the year. The Compensation Committee intends to evaluate and consider re-instituting a formal bonus program for executive officers for 2006.

Long-term Incentive Compensation

Stock options are an element of the compensation packages of CEVA's executive officers, including our Chief Executive Officer, because they provide an incentive to executives to maximize stockholder value and because they reward the executives only to the extent that stockholders of CEVA also benefit. The Compensation Committee believes that it is to CEVA's advantage to increase executive officers' interest in CEVA's future performance, as these employees share the primary responsibility for CEVA's management and growth. The value of the stock options is derived from appreciation of CEVA's common stock. In order to promote a longer term management focus and to provide an incentive for continued employment with CEVA, stock options generally become exercisable over a four-year period, with the exercise price being equal to 100% of the fair market value of CEVA's common stock on the date of grant.

The size of the option grant made to each executive officer is based upon the following factors:

an evaluation of the executive's past performance;

the total compensation being paid to the executive;

the anticipated value of the executive's contribution to CEVA's future performance;

the executive's scope of responsibility;

the executive's current position with CEVA;

the number of options awarded to the executive officer during previous fiscal years and the vesting status of such options;

comparability with option grants made to other CEVA executives; and

comparability with option positions of similarly situated executives at peer companies.

Chief Executive Officer's Compensation

The compensation of the Chief Executive Officer is reviewed annually on the same basis as discussed above for all executive officers. Mr. Silvestri's base salary for the year ended December 31, 2004 was \$300,000. Mr. Silvestri received an option on July 20, 2004 to purchase 80,000 shares of the Company's Common Stock subject to four year vesting and a bonus determined by the terms of the Company's 2004 executive bonus plan, adopted after consultation with the independent consultant retained by the Compensation Committee, on January 16, 2004 of \$140,552 for the year ended December 31, 2004. Prior to being named as Chief Executive Officer on May 9, 2005, Mr. Wertheizer's base salary as Executive Vice President and General Manager of CEVA DSP Cores was \$160,000 per year. The Compensation Committee will consider whether to adjust Mr. Wertheizer's base salary, stock options or other compensation to reflect the change in his title and responsibilities.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to its Chief Executive Officer and its four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, is not subject to the deduction limitation if certain requirements are met. In particular, income recognized upon the exercise of a stock option is not subject to the deduction limitation, if, among other things, the option was issued under a plan approved by the stockholders and such plan provides a limit on the number of shares that may be issued under the plan to any individual. The Compensation Committee reserves the right to use its judgment to authorize compensation payments that do not comply with the exemptions in Section 162(m) of the Internal Revenue Code when the committee believes that such payments are appropriate and in the best interests of the stockholders, after taking into account changing business conditions or the officer's performance.

Employment Agreements

On November 1, 2002, we entered into employment agreements with each of Mr. Issachar Ohana and Mr. Gideon Wertheizer and in the case of Mr. Ohana, amended as of July 22, 2003. Pursuant to the employment agreements, Mr. Ohana and Mr. Wertheizer are entitled to a salary of \$200,000 and \$160,000, respectively, as well as a bonus to be determined at the discretion of the Compensation Committee of our board of directors.

Although each employment agreement is for an indefinite term, the employment of each of these individuals will be terminable at any time by us, other than for cause, upon the determination of our board of directors with not less than 30 days notice or by the individual with notice of not less than 9 months in the case of Mr. Wertheizer and 6 months in the case of Mr. Ohana. If our board of directors determines that an individual has failed to perform his or her reasonably assigned duties and upon written notice from us, we are required to give notice or a cure period of not less than 9 months in the case of Mr. Wertheizer and 6 months in the case of Mr. Ohana prior to termination. If either of these individuals resigns for good reason or if we, or an acquiring or succeeding corporation after a change in control of our company, terminate him, other than for cause, then he will be entitled to the compensation, including medical and pension benefits, to which he would otherwise have been entitled had he remained employed by us for two years, and his options will vest in full. If the employment of either of these employees is terminated by death, his options will vest in full.

On May 17, 2005, we entered into a Separation Agreement and Release (the "Release") with Mr. Silvestri related to the cessation of his employment with the Company. The terms of the Release are the same terms contained in a letter agreement we entered into with Mr. Silvestri on June 2, 2003. According to the letter agreement and the Release, in consideration of Mr. Silvestri signing a waiver and release of all claims, we agreed to continue to pay Mr. Silvestri's base salary at a rate of \$25,000 per month less applicable withholding for a maximum period of nine months or until Mr. Silvestri obtains new employment, whichever period is shorter. We also agreed to provide Mr. Silvestri with COBRA medical benefits coverage for approximately the same period of time. The Release superseded and terminated the prior letter agreement.

On September 5, 2003, we entered into a letter agreement of employment with Ms. Christine Russell. According to the terms of that agreement, Ms. Russell is entitled to an initial salary of \$225,000 per year as well as an annual performance bonus of up to 40% of her annual salary. In the event of termination of employment by Ms. Russell for good reason or termination by us without cause, in each case following a change in control, 50% of Ms. Russell's unvested options would immediately vest if the termination occurs during the first twelve (12) months of Ms. Russell's employment and 100% of Ms. Russell's unvested options will immediately vest if the termination occurs thereafter. Ms. Russell voluntarily resigned from employment with the Company in May 2005 and thus no option acceleration occurred. Following her resignation, the letter agreement was terminated by the Company.

Compensation Committee Interlocks and Insider Participation

The current members of the Compensation Committee of our board of directors are Messrs. Mann, Nilsson and Silver. No member of this committee is a present or former officer or employee of CEVA or any of its subsidiaries. Mr. Silver is a member of the Compensation Committee of DSP Group, Inc., and Mr. Ayalon, one of our directors, is the Executive Chairman of the board of directors of DSP Group, Inc. No executive officer of CEVA served on the board of directors or Compensation Committee of any entity which has one or more executive officers serving as a member of our board or Compensation Committee.

Report of the Audit Committee of the Board of Directors

The Audit Committee of our board of directors is composed of four members; one seat is currently vacant. The Audit Committee acts under a written charter first adopted and approved in October 2002 and amended in February 2004

and January 2005. A copy of our amended charter is on our website at www.ceva-dsp.com. The

16

members of the Audit Committee are independent directors, as defined by its charter and the rules of The NASDAQ Stock Market.

The Audit Committee has reviewed our audited financial statements for 2004 and has discussed these financial statements with our management and our independent auditors.

Our management is responsible for the preparation of our financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. Our independent auditors are responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles and issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of these processes.

The Audit Committee has also received from, and discussed with, our independent auditors various communications that our independent auditors are required to provide to the Audit Committee, including the matters required to be discussed by Statement on Auditing Standards 61 (“Communication with Audit Committees”) (“SAS 61”).

SAS 61 requires our independent auditors to discuss with our Audit Committee, among other things, the following:

- adjustments arising from the audit that could have a significant effect on the financial reporting process;
- the use of and changes in significant accounting policies or their application, as well as the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors’ conclusions regarding the reasonableness of those estimates; and
- disagreements with management, whether or not satisfactorily resolved, about matters that could be significant to the financial statements or the auditor’s report.

Our independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”). This standard requires auditors annually to disclose in writing all relationships that in the auditor’s professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. The Audit Committee has discussed with the independent auditors their independence from us.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to our board of directors that the audited financial statements be included in our annual report on Form 10-K for 2004. The Audit Committee has also recommended the selection of Ernst & Young and, based on our recommendation, the board of directors has selected Ernst & Young as our independent auditors for the fiscal year ending December 31, 2005, subject to stockholder ratification.

PROPOSAL 2—AMEND OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE FROM 100,000,000 TO 60,000,000

CEVA's current Amended and Restated Certificate of Incorporation authorizes the issuance of 100,000,000 shares of Common Stock and 5,000,000 shares of Preferred Stock. The Board has proposed an amendment of the Amended and Restated Certificate of Incorporation to reduce the number of authorized shares of Common Stock from 100,000,000 to 60,000,000. The Amended and Restated Certificate of Incorporation will remain the same in all other respects. The stockholders are being asked to approve the proposed amendment in accordance with Delaware law.

On May 13, 2005, there were approximately 18,733,546 shares of Common Stock issued and outstanding and no shares of Preferred Stock outstanding. This number does not include 7,086,889 shares reserved for issuance under outstanding options and warrants to purchase shares of Common Stock, as well as shares reserved for future issuance under the Company's equity incentive plans as of March 31, 2005.

The following is the text of Article IV of the Amended and Restated Certificate of Incorporation, as proposed to be amended:

“The total number of shares of all classes of stock that the Corporation is authorized to issue is SIXTY-FIVE MILLION (65,000,000) shares, with a par value of one tenth of one cent (\$0.001) per share. SIXTY MILLION (60,000,000) shares shall be Common Stock, with a par value of one tenth of one cent (\$0.001) per share, and Five Million (5,000,000) shall be Preferred Stock, with a par value of one tenth of one cent (\$0.001) per share.”

The purpose of the proposed amendment is to minimize, to the extent possible, the Company's future annual franchise taxes paid to the Secretary of State of Delaware. Franchise taxes in Delaware are determined in part based on the number of authorized shares in the Company's Amended and Restated Certificate of Incorporation, and thus the proposed amendment to decrease the authorized shares of Common Stock to bring the number of authorized shares more in line with the number of outstanding shares is expected to result in a decrease in our Delaware franchise taxes for 2004.

The decrease in authorized Common Stock will not have any effect on the rights of existing stockholders. Should the Company determine in the future that it is advisable to issue shares of Common Stock in excess of the authorized shares available for issuance after this reduction, the Company would need to obtain stockholder approval to increase the number of authorized shares of Common Stock prior to any such issuances.

Required Vote

Approval of Proposal No. 2 requires the affirmative vote of a majority of the outstanding shares of Common Stock of the Company entitled to vote at the Annual Meeting. Brokers have discretion to vote on this proposal without your instruction. Abstentions will have the effect of a vote “against” the proposal.

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF PROPOSAL NO. 2.
