PROSPECTUS

156,000,000 ORDINARY SHARES

We issued and sold an adjustable rate convertible senior note due in 2014 with an aggregate principal amount of US\$6,775,400, which we refer to as the “note,” and a warrant to purchase up to 80 million of our ordinary shares, exercisable within five years, which we refer to as the “warrant,” in a private transaction on March 18, 2009. We may issue ordinary shares upon conversion of the note or exercise of the warrant. The recipient of such ordinary shares, whom we refer to as the “selling shareholder,” may use this prospectus to resell, from time to time, the ordinary shares that we may issue to it upon conversion of the note or exercise of the warrant.

The registration of our ordinary shares covered by this prospectus does not necessarily mean that the selling shareholder will convert the note or exercise the warrant or that any of our ordinary shares received upon conversion of the note or exercise of the warrant will be sold by the selling shareholder.

We will receive no proceeds from any issuance of the ordinary shares to the selling shareholder upon conversion of the note. We will receive an aggregate amount equal to US\$10,000,000 (US\$0.125 per ordinary share) upon exercise of the warrant by the selling shareholder. We have agreed to pay the expenses relating to the registration of our ordinary shares. The selling shareholder may, from time to time, offer and sell the ordinary shares held by it directly or through agents or broker-dealers on terms to be determined at the time of sale, as described in more detail in this prospectus and any accompanying prospectus supplements. We will receive no proceeds from any sale of such ordinary shares by the selling shareholder.

Our American depositary shares, or ADSs, are traded on the Nasdaq Global Select Market under the symbol “KONG.” On May 22, 2009, the last reported sale price of our ADSs was US\$7.70 per ADS.

Our principal executive offices are located at 35th Floor, Tengda Plaza, No. 168 Xizhimenwai Street, Beijing 100044, People’s Republic of China, and our telephone number is (+86-10) 8857-6000.

#### OFFERING STATISTICS AND EXPECTED TIME TABLE

We issued the note and the warrant to Nokia Growth Partners II, L.P., or NGP on March 18, 2009. The note can be converted into up to 76 million of our ordinary shares based on the current conversion price, US\$0.08915 per ordinary share. The warrant can be exercised for up to 80 million of our ordinary shares. The number of ordinary shares that may be issued upon conversion of the note and exercise of the warrant may be subject to adjustments in the event of stock dividends, splits, subdivisions, reclassifications or combinations or a merger, sale of substantially all of our assets or shares or similar transactions that require the approval of our shareholders or other transactions or series of transactions that otherwise result in a change in control of our company.

Further information on the method and expected time table for distribution is set forth under "Selling Shareholder" and "Plan of Distribution" below.

#### SELLING SHAREHOLDER

The note and the warrant were originally issued and sold by us to NGP on March 18, 2009 in a transaction exempt from the registration requirements of the Securities Act pursuant to Rule 506 of Regulation D thereunder. We may issue ordinary shares from time to time upon conversion of the note or exercise of the warrant. In such circumstances, NGP as well as any of its successors, including its transferees, pledgees or donees or other successors, whom we also refer to as the "selling shareholder," may use this prospectus and any accompanying prospectus supplements to resell, from time to time, the ordinary shares that may be issued to it upon the conversion of the note or exercise of the warrant.

The following table sets forth the maximum number of our ordinary shares that we expect could become beneficially owned and offered by the selling shareholder pursuant to this prospectus should the selling shareholder fully convert the note and exercise the warrant. The information is based on information provided by or on behalf of the selling shareholder. Solely for purposes of determining the number of ordinary shares covered by the registration statement on Form F-3, the number of our ordinary shares shown in the table below issuable upon conversion of the note is based upon the conversion of the full principal amount of the note held by the selling shareholder at the current conversion price of US\$0.08915. The table also assumes exercise of the warrant. The conversion price of the note and the number of ordinary shares issuable upon exercise of the warrant are subject to adjustments. Accordingly, the number of our ordinary shares issuable upon the conversion of the note or exercise of the warrant may increase or decrease from time to time. Any changed information given to us by the selling shareholder will be set forth in prospectus supplements or amendments to this prospectus if and when necessary.

We have prepared the table below based on information given to us by the selling shareholder on or before May 11, 2009. Because the selling shareholder may offer, pursuant to this prospectus, all or some portion of the ordinary shares listed below, no estimate can be given as to the amount of ordinary shares that will be held by the selling shareholder upon consummation of any sales. In addition, the selling shareholder may have sold, transferred or otherwise disposed of, in transactions exempt from registration requirements of the Securities Act, some or all of the ordinary shares since the date as of which such information was provided to us.

Based on the information provided to us by the selling shareholder, the selling shareholder has not had any material relationship with us or any of our affiliates within the past three years, except that pursuant to the note and warrant purchase agreement that we entered into with NGP on March 18, 2009, NGP has the right to appoint, and has appointed, one representative to attend our board meetings as a non-voting observer.

Name of Selling Shareholder	Maximum Number of Ordinary Shares Issuable upon Conversion of the Note and Exercise of the Warrant	Number of Ordinary Shares That May Be Sold	Percentage of Ordinary Shares Outstanding(1)
Nokia Growth Partners II, L.P.(2)	156,000,000	156,000,000	10.23%

(1) Calculated based on Rule 13d-3(d)(1)(i) under the Exchange Act, using 1,524,396,360 ordinary shares outstanding as of May 22, 2009, which does not include the 52,000,000 ordinary shares that had been repurchased by our company but not yet cancelled. In calculating this amount, we treated as outstanding the number of ordinary shares issuable upon conversion of the note and exercise of the warrant.

(2) We have been informed by the selling shareholder that N.G. Partners II, L.L.C., the general partner of NGP, and John Gardner and Paul Asel, the managing members of N.G. Partners II, L.L.C., may be deemed to have sole voting and dispositive power over the ordinary shares that would be beneficially owned by the selling shareholder upon conversion of the note and/or exercise of the warrant.

#### PLAN OF DISTRIBUTION

The selling shareholder and any of its successors may sell our ordinary shares issuable upon conversion of the note and exercise of the warrant directly to purchasers or through broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling shareholder or the purchasers.

The ordinary shares may be sold in one or more transactions at:

- fixed prices;
- prevailing market prices at the time of sale;
- prices related to the prevailing market prices;
- varying prices determined at the time of sale; or
- negotiated prices.

These sales may be effected in transactions:

- on any national securities exchange or quotation service on which our ordinary shares may be listed or quoted at the time of sale, including the Nasdaq Global Select Market;
- in the over-the-counter market;
- otherwise than on such exchanges or services or in the over-the-counter market, including in transactions that are privately negotiated;

-6-

---

- through the writing of options, whether the options are listed on an options exchange or otherwise (including the issuance by the selling shareholder of derivative securities);
- through the settlement of short sales; or
- any combination of the foregoing.

These transactions may include block transactions or crosses. Crosses are transactions in which the same broker acts as agent on both sides of the trade. Neither we nor the selling shareholder currently expects the method of distribution to take the form of an underwritten offering.

In connection with sales of the ordinary shares or otherwise, the selling shareholder may (A) enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the ordinary shares in the course of hedging positions they assume, (B) sell the ordinary shares short and deliver the ordinary shares to close out short positions, (C) loan or pledge the ordinary shares to broker-dealers or other financial institutions that in turn may sell the ordinary shares or (D) enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer or other financial institution of the ordinary shares, which the broker-dealer or other financial institution may resell pursuant to this prospectus. The selling shareholder may also enter into transactions in which a broker-dealer makes purchases of the ordinary shares as a principal for resale for its own account or through other types of transactions.

The aggregate proceeds to the selling shareholder from the sale of the ordinary shares offered by it hereby will be the purchase price of such ordinary shares less discounts, concessions or commissions, if any. The selling shareholder reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of ordinary shares to be made directly or through agents. We will not receive any of the proceeds from such sale.

Our ADSs are listed for trading on the Nasdaq Global Select Market under the symbol “KONG.”

In order to comply with the securities laws of some states, if applicable, our ordinary shares may be sold in these jurisdictions only through registered or licensed brokers or dealers.

The selling shareholder and any broker-dealers or agents that participate in the sale of our ordinary shares may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act. Profits on the sale of our ordinary shares by the selling shareholder and any discounts, concessions or commissions received by any broker-dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act. Any selling shareholder who is deemed to be an “underwriter” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act. To the extent the selling shareholder may be deemed to be an “underwriter,” it may be subject to statutory liabilities, including, but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

The selling shareholder and any other person participating in a distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder. Regulation M of the Exchange Act may limit the timing of purchases and sales of any of the securities by the selling shareholder and any other persons. In addition, Regulation M may restrict the ability of any person engaged in the distribution of the securities to engage in market-making activities with respect to the particular securities being distributed for a period of up to five business days before the distribution.

To our knowledge, there are currently no plans, arrangements or understandings between the selling shareholder and any underwriter, broker-dealer or agent regarding the sale of our ordinary shares by the selling shareholder.

The selling shareholder may decide not to sell any of our ordinary shares described in this prospectus. There is no assurance that the selling shareholder will use this prospectus to sell any or all of our ordinary shares. Any securities covered by this prospectus which qualify for sale pursuant to Rule 144 of the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus. In addition, the selling shareholder may transfer, devise or gift the ordinary shares by other means not described in this prospectus.

With respect to a particular offering of our ordinary shares, to the extent required, an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement of which this prospectus is a part will be prepared and will set forth the following information:

- the ordinary shares to be offered and sold;
- the name(s) of the selling shareholder(s);
- the respective purchase prices and public offering prices and other material terms of the offering;
  - the names of any participating agents, broker-dealers or underwriters; and
- any applicable discounts, concessions and commissions and other items constituting compensation from the selling shareholder.

We will pay all of our expenses incidental to the registration of the ordinary shares issuable upon conversion of the note and exercise of the warrant, but the selling shareholder will be responsible for payment of discounts, concessions and commissions and other fees of underwriters, broker-dealers, agents and advisers, if any, in connection with the sale of the ordinary shares.

Pursuant to the registration rights agreement we entered into with NGP on March 18, 2009, each of us and NGP will be indemnified by the other against certain liabilities, including certain liabilities under the Securities Act, or will be entitled to contribution for payments required to be made as a result of these liabilities.

Also pursuant to the registration rights agreement, we may, in accordance with the terms of such agreement, delay the filing or effectiveness of a registration statement, including its amendments or prospectus supplements, or, prior to the pricing of any offering of the ordinary shares pursuant to a registration statement, delay such offering (or withdraw any registration statement that has been filed), if we determine in our sole discretion that (i) proceeding with the offering would require us to disclose material information that we would not otherwise be required to disclose at that time and that the disclosure of such information would not be in the best interests of us or our shareholders or (ii) that the registration or offering to be delayed would, if not delayed, materially and adversely affect us or materially interfere with, or jeopardize the success of, any pending or proposed material transaction, including any debt or equity financing, any acquisition or disposition, any recapitalization or reorganization or any other transaction, whether due to commercial reasons, a desire to avoid premature disclosure of information or any other reason. Any time we delay a filing, an effective date or an offering pursuant to this provision of the registration rights agreement, we will notify the selling shareholder of the commencement and termination of such suspension period and any withdrawal of a registration statement.

#### USE OF PROCEEDS

The proceeds from the sale of the ordinary shares offered by this prospectus are solely for the account of the selling shareholder. Accordingly, we will not receive any of the proceeds from the sale of the ordinary shares offered by this prospectus.

## DESCRIPTION OF SHARE CAPITAL

Set forth below is information concerning our share capital and a brief summary of the material provisions of our amended and restated memorandum of association, as adopted on June 11, 2004 and effective on July 9, 2004, or memorandum, and our amended and restated articles of association, as adopted on June 11, 2004 and effective on July 9, 2004, and as amended by special resolution on September 6, 2005, or articles of association, the material applicable laws of the Cayman Islands and certain other applicable laws and regulations. You and your advisers should refer to the text of our memorandum and articles of association and to the texts of applicable laws and regulations for further information.

## GENERAL

We were incorporated in the Cayman Islands in May 2002 as Communication Over The Air Inc., an exempted limited liability company, and we are governed by the Companies Law (2007 Revision) Cap. 22 of the Cayman Islands, or the

Companies Law, and the common law of the Cayman Islands. An exempted company under Cayman Islands law is a company that conducts its business outside of the Cayman Islands, is exempted from certain requirements of the Companies Law, including a filing of an annual return of its shareholders with the Registrar of Companies, does not have to make its register of shareholders open to inspection and may obtain an undertaking against the imposition of any future taxation. Our shareholders who are non-residents of the Cayman Islands may freely hold and vote their shares. In March 2004, we changed our name to KongZhong Corporation. Our memorandum sets forth objects for which the company was established. Those objects are unrestricted, and we have full power and authority to carry out any object not prohibited by the Companies Law or any other law of the Cayman Islands.

As of each of December 31, 2008 and the date hereof, our authorized share capital consists of 1,000,000,000,000 ordinary shares, par value US\$0.0000005 per share. As of May 22, 2009, we had 1,420,396,360 ordinary shares issued and outstanding. Other than the 52,000,000 ordinary shares that had been repurchased by our company but not yet cancelled, all of the outstanding ordinary shares are fully paid and non-assessable. Certificates representing the ordinary shares are issued in registered form.

As of December 31, 2006, we had 1,384,523,600 ordinary shares issued and outstanding. In 2007, we issued 38,632,520 ordinary shares upon exercise of employee stock options granted under the KongZhong Corporation 2002 Equity Incentive Plan, or the 2002 Plan. As of December 31, 2007, we had 1,423,156,120 ordinary shares issued and outstanding. In 2008, we repurchased 8,923,600 ordinary shares. See “— Share Repurchase.” In addition, we issued 20,000,000 ordinary shares in 2008 for share-based compensation under the 2002 Plan, and the KongZhong Corporation 2006 Equity Incentive Plan, or the 2006 Plan. As a result, we had 1,434,232,520 ordinary shares outstanding as of December 31, 2008. See “— Stock Options and Restricted Share Units.”

On March 16, 2009, our board of directors approved written resolutions authorizing the issuance of the note and the warrant, which together may be convertible into and exercisable for up to 156,000,000 of our ordinary shares, subject to certain adjustments.

#### Stock Options and Restricted Share Units

Our 2002 Plan and 2006 Plan are intended to provide incentives to our directors, officers and employees as well as consultants and advisers of our company and its present or future parent company or subsidiaries, or any related corporations.

#### KongZhong Corporation 2002 Equity Incentive Plan

The 2002 Plan was approved by our shareholders at a meeting held on June 6, 2002. Pursuant to the 2002 Plan, we originally reserved a total of 70,000,000 ordinary shares for issuance under two categories of options: incentive stock options, which may be granted to officers and employees of our company and any present or future parent or subsidiary of our company, or the related corporations, and non-qualified options, which may be granted to any employee, officer, director, consultant or adviser of our company and the related corporations. We increased the number of ordinary shares reserved for issuance under the 2002 Plan to 105,000,000 on February 15, 2004, and to 137,000,000 on September 6, 2005. Both increases have been approved by our shareholders.

As of December 31, 2008, under the 2002 Plan, we had granted options to purchase an aggregate of 236,090,280 ordinary shares, as adjusted by cancellations following initial grants and our share split, of which options to purchase 128,694,160 had lapsed and 16,749,360 were exercisable at exercise prices ranging from US\$0.0025 to US\$0.0875 per ordinary share. The exercise prices represent the fair market values of the underlying ordinary shares on the dates the options were granted.

During 2007, under the 2002 Plan, we granted options to purchase an aggregate of 23,800,000 ordinary shares, of which options to purchase 19,522,980 of our ordinary shares lapsed and options to purchase 3,256,640 of our ordinary shares were exercised. With respect to such options, the vesting schedule for the incentive stock options provides for 25% of the options to vest on the first anniversary of the date of the grant, and the remaining 75% to vest in 12 equal quarterly installments beginning one calendar quarter after the date of such anniversary. With respect to the options granted to our independent directors, the options are vested in 12 equal quarterly installments beginning one calendar quarter after the grant date.

During 2008, under the 2002 Plan, we granted options to purchase an aggregate of 50,950,280 ordinary shares, of which options to purchase 68,161,060 of our ordinary shares lapsed and options to purchase 18,760 of our ordinary shares were exercised. In October 2008, we cancelled all options granted between February 2004 to November 2007 that were then outstanding and granted new options at the then fair market price under the 2002 Plan. The new options would vest in 16 equal quarterly tranches beginning one calendar quarter after the date of the grant. For the other options granted in 2008, the vesting schedule for the incentive stock options provides for 25% of the options to vest on the first anniversary of the date of the grant, and the remaining 75% to vest in 12 equal quarterly tranches beginning one calendar quarter after the date of such anniversary. With respect to the options granted to our independent directors, the options are vested in 12 equal quarterly tranches beginning one calendar quarter after the grant date.

The expiration date for each option is ten years from the date of grant.

#### KongZhong Corporation 2006 Equity Incentive Plan

The 2006 Plan was approved by our shareholders at our annual general meeting on October 12, 2006. Pursuant to the 2006 Plan, we originally reserved a total of 40,000,000 ordinary shares for issuance in respect of stock options, restricted share units and other forms of equity compensation. We increased the number of ordinary shares reserved for issuance under the 2006 Plan to 180,000,000 on December 18, 2008. This increase has been approved by our shareholders.

As of December 31, 2008, under the 2006 Plan, we had granted an aggregate of 141,880,000 restricted share units, as adjusted by cancellations following initial grants, of which 7,670,000 had lapsed. During 2007, we granted restricted share units covering 37,280,000 of our ordinary shares, restricted share units covering 4,520,000 of our ordinary shares lapsed and restricted share units covering 360,000 of our ordinary shares were exercised. During 2008, we granted restricted share units covering 104,600,000 of our ordinary shares, restricted share units covering 3,150,000 of our ordinary shares lapsed and restricted share units covering 11,612,500 of our ordinary shares were exercised.

With respect to the restricted share units that we have granted to our employees, the vesting schedule provides for 25% of the restricted share units to vest on the first anniversary of the date of the grant, and the remaining 75% to vest in 12 equal quarterly tranches beginning one calendar quarter after the date of such anniversary. With respect to the restricted share units granted to our independent directors and advisors, the restricted share units vest in 12 equal quarterly tranches beginning one calendar quarter after the grant date. The expiration date for each restricted share unit is ten years from the date of grant.

Our board administers the 2002 Plan and 2006 Plan and has wide discretion in awarding stock options, restricted share units and other forms of equity compensation. Subject to the provisions of the 2002 Plan and 2006 Plan, our board determines who will be granted equity compensation, the type and timing of equity compensation to be granted, the vesting schedule and other terms and conditions of the equity compensation, including the exercise price of the stock options. On December 30, 2005, our board, following the recommendation of the compensation committee, approved a resolution authorizing our chief executive officer to grant up to 8,000,000 stock options to non-officer employees without prior written approval by the compensation committee or the board.

Generally, if an outstanding equity compensation award granted under the 2002 Plan and 2006 Plan has not vested by the date of termination of the grantee's employment with us, no further tranches of the grantee's equity compensation award will become exercisable following the date of such cessation of employment, and the grantee's already vested but unexercised equity compensation awards will terminate after a period of 90 days from such cessation of employment.

Our board may terminate or amend the 2002 Plan and 2006 Plan at any time; provided, however, that our board must seek our shareholders' approval with respect to certain major modifications to the 2002 Plan and 2006 Plan, and, if

such amendment or termination would adversely affect the rights of a grantee under any option granted, the approval of such grantee would be required. Without further action by our board, the 2002 Plan will terminate on June 6, 2012 and the 2006 Plan will terminate on October 11, 2016.

The 2002 Plan and 2006 Plan provide for acceleration of awards upon the occurrence of certain consolidations, mergers, acquisitions or sale of all or substantially all assets or shares of our company. In any such case, our board shall take, among others, one or more of the following actions: accelerate the date of exercise of such options or any tranche of such options, provide a fixed period of time that the grantees must exercise such options or terminate all options in exchange for cash payment.

The following table sets forth information on stock options and restricted share units that have been granted and are outstanding as of December 31, 2008, pursuant to the 2002 Plan and the 2006 Plan.

#### SOURCES OF SHAREHOLDERS' RIGHTS

Currently, the primary sources of our shareholders' rights are our memorandum and articles of association and the Companies Law that, among other things, impose certain standards of conduct, fairness and disclosure on us, our directors and our shareholders.

#### SHAREHOLDERS' MEETINGS

An annual general meeting and any extraordinary general meeting shall be called by not less than 20 days' notice in writing. Notice of every general meeting shall be given to all of our shareholders.

Notwithstanding that a meeting is called by shorter notice than that mentioned above, it shall be deemed to have been duly called, if it is so agreed (i) in the case of a meeting called as an annual general meeting, by all of our shareholders entitled to attend and vote at the meeting or their proxies; or (ii) in the case of any other meeting, by a majority of the number of shareholders (or their proxies) having a right to attend and vote at the meeting, together holding not less than 95% in par value of the ordinary shares.

No business except the appointment of a chairman shall be transacted at any general meeting unless a quorum is present at the commencement of business.

Two shareholders present in person or in proxy that represent not less than one-third of our total outstanding voting shares will constitute a quorum.

A corporation shareholder shall be deemed to be present in person if represented by its duly authorized representative. Such duly authorized representative shall be entitled to exercise the same powers on behalf of the corporation which he or she represents as that corporation could exercise if it were our individual shareholder.

#### ACTIONS BY WRITTEN CONSENT

Our articles of association provide that shareholders may take action by written resolution, provided that the resolution is signed by all shareholders that would be entitled to vote with respect to such action at a general meeting. Under Delaware law, which is discussed for comparative purposes, shareholders may also take action by written consent, provided that the consent is signed by holders of outstanding shares having not less than the minimum number of votes that would be necessary to take such action at a meeting at which all shares entitled to vote thereon were present and voted.

#### VOTING RIGHTS ATTACHING TO THE ORDINARY SHARES

Each ordinary share is entitled to one vote on all matters upon which the ordinary shares are entitled to vote, including the election of our directors. Voting at any meeting of shareholders is by show of hands unless a poll is demanded. A poll may be demanded by the chairman or any other member present in person or by proxy holding at least 10% in nominal value of our total issued shares giving the right to attend and vote at a meeting.

Share certificates registered in the names of two or more persons are deliverable to the person named in the share register, and if two or more such persons tender a vote, the vote of the person whose name first appears in the share register will be accepted to the exclusion of any other.

While there is nothing under the laws of the Cayman Islands which specifically prohibits or restricts the creation of cumulative voting rights for the election of directors of the company, unlike the requirement under Delaware law that cumulative voting for the election of directors is permitted only if expressly authorized in the certificate of incorporation, it is not a concept that is accepted as a common practice in the Cayman Islands, and indeed the company has made no provisions in its articles of association to allow cumulative voting for such elections.

#### PROTECTION OF MINORITY SHAREHOLDERS

The Grand Court of the Cayman Islands may, on the application of shareholders holding not less than one-fifth of our shares in issue, appoint an inspector to examine into our affairs and to report thereon in such manner as the Grand Court shall direct.

Any shareholder may petition the Grand Court of the Cayman Islands, which may make a winding-up order, if the court is of the opinion that it is just and equitable that we should be wound up.

Claims against us by our shareholders must, as a general rule, be based on the general laws of contract or tort applicable in the Cayman Islands or their individual rights as shareholders as established by our memorandum and articles of association or under the Companies Law.

The Cayman Islands courts ordinarily would be expected to follow English case law precedents which permit a minority shareholder to commence a representative action against, or derivative actions in our name to challenge (a) an act which is ultra vires or illegal, (b) an act which constitutes a fraud against the minority and the wrongdoers are themselves in control of us and (c) an irregularity in the passing of a resolution that requires a qualified (or special) majority.

#### PREEMPTION RIGHTS

There are no preemption rights applicable to the issue of new ordinary shares under either Cayman Islands law or our memorandum and articles of association.

#### LIQUIDATION RIGHTS

If we are to be liquidated, the liquidator may, with the approval of the shareholders, divide among the shareholders in cash or in kind the whole or any part of our assets, in a manner proportionate to their shareholdings, and may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the shareholders as the liquidator, with the approval of the shareholders, thinks fit, provided that a shareholder shall not be compelled to accept any shares or other assets which would subject such shareholder to liability.

#### MODIFICATION OF RIGHTS

Except with respect to share capital, as described below, and the location of the registered office, alterations or amendments to our memorandum and articles of association may only be made by special resolution.

Subject to the Companies Law, all or any of the special rights attached to any class, unless otherwise provided for by the terms of issue of the shares of that class, may be varied, modified or abrogated either with the consent in writing of the holders of not less than three-fourths of the issued shares of that class or with the sanction of a special resolution passed at a separate general meeting of the holders of the shares of that class. The provisions of our articles of association relating to general meetings shall apply mutatis mutandis to every such separate general meeting, except that the quorum for the purposes of any such separate general meeting shall be a person or persons together holding, or representing by proxy, on the date of the relevant meeting not less than one-third of the issued shares of that class,

and that any holder of shares of that class present in person or by proxy may demand a poll.

-14-

---

The special rights conferred upon the holders of any class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.

#### ALTERATION OF CAPITAL

We may from time to time by ordinary resolution:

- increase our share capital by any sum;
- consolidate and divide all or any of our share capital into shares of larger amount than our existing shares;
- cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of our share capital by the amount of the shares so cancelled, subject to the provisions of the Companies Law; and
- sub-divide our shares or any of them into shares of smaller amount than is fixed by our memorandum, subject nevertheless to the Companies Law.

We may, by special resolution, subject to any conditions prescribed by the Companies Law, reduce our share capital, share premium account or any capital redemption reserve in any manner authorized by law.

An ordinary resolution is a resolution passed by a simple majority of the shareholders voting in person or by proxy at a general meeting. An ordinary resolution also includes a unanimous written resolution. A special resolution is a resolution passed by a majority of not less than two-thirds of the shareholders voting in person or by proxy at a general meeting, of which notice specifying the intention to propose the resolution as a special resolution has been duly given. A special resolution also includes a unanimous written resolution.

#### TRANSFER OF ORDINARY SHARES

Subject to the restrictions of our articles of association, as applicable, any of our shareholders may transfer all or any of his or her ordinary shares by an instrument of transfer in the usual or common form or any other form approved by our board.

Our board of directors may, in its absolute discretion, decline to register any transfer of any ordinary share without assigning any reasons therefor.

If our directors refuse to register a transfer, they shall, within two months of such refusal, send to the transferee notice of such refusal.

The registration of transfers may be suspended and the register closed at such times and for such periods as our board of directors may from time to time determine; provided, however, that the registration of transfers shall not be suspended nor the register closed for more than 45 days in any year.

#### SHARE REPURCHASE

Our articles of association provide that our board of directors may from time to time cause us to repurchase our ordinary shares and make payment therefor in any manner authorized by the Companies Law, including out of capital, subject to the Companies Law and our memorandum.

On October 27, 2008, our board of directors authorized us to purchase an amount not to exceed 4,500,000 of our ADSs at an aggregate price not to exceed US\$10,000,000. On May 20, 2009, our board of directors authorized us to amend our share repurchase plan. Pursuant to the amended authorization, the aggregate price of ADSs to be purchased shall not exceed US\$15,000,000. As of December 31, 2008, we had purchased 223,090 ADSs, representing 8,923,600 ordinary shares. As of May 22, 2009, we had purchased 1,868,994 ADSs, representing 74,759,760 ordinary shares.

## DIVIDENDS

Subject to the Companies Law and to our articles of association, our board of directors may declare dividends (including interim dividends) and distributions on shares. No dividend may be declared or paid other than out of our profits and reserves lawfully available for distribution, including share premium.

Our board of directors may deduct from any dividend or other distribution payable to any shareholder all sums of money, if any, presently payable by him or her to us on account of calls or otherwise.

No dividend shall carry interest against us.

Any dividend, interest or other sum payable in cash to a holder of ordinary shares may be paid by check or warrant sent through the post addressed to the registered address of the shareholder entitled, or in the case of joint holders, to the registered address of the person whose name stands first in our register of shareholders in respect of the joint holding to such person and to such address as the holder or joint holders may in writing direct. Every check or warrant so sent shall be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on our register of shareholders in respect of such ordinary shares, and shall be sent at his or their risk and the payment of any such check or warrant by the bank on which it is drawn shall operate as a good discharge to us in respect of the dividend and/or bonus represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged.

Any dividend unclaimed for six years from the date of declaration of such dividend may be forfeited by the board of directors and shall revert to us.

Our board of directors may, with the sanction of the shareholders in general meeting, direct that any dividend be satisfied wholly or in part by the distribution of specific assets of any kind, and in particular of paid-up shares, debentures or warrants to subscribe to securities of any other company, and where any difficulty arises in regard to such distribution our directors may settle it as they think expedient, and in particular may disregard fractional entitlements, round the same up or down or provide that the same shall accrue to our benefit, and may fix the value for distribution of such specific assets and may determine that cash payments shall be made to any of our shareholders upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to our board of directors.

## UNTRACEABLE SHAREHOLDERS

We are entitled to sell any ordinary share of a shareholder who is untraceable, provided that:

- (i) all checks or warrants, not being less than three in number, for any sums payable in cash to the holder of such ordinary shares have remained uncashed for a period of 12 years;
- (ii) we have not during that time or before the expiry of the three-month period referred to in paragraph (iv) below received any indication of the whereabouts or existence of the shareholder or person entitled to such ordinary shares by death, bankruptcy or operation of law;
- (iii) during the 12-year period, at least three dividends in respect of the ordinary shares in question have become payable and no dividend during that period has been claimed by the shareholder; and

(iv) upon expiration of the 12-year period, we have caused an advertisement to be published in newspapers (or, by electronic communication in the manner in which notices may be served by us by electronic means as provided in our articles of association), giving notice of its intention to sell these ordinary shares, and a period of three months has elapsed since such advertisement and Nasdaq has been notified of such intention.

The net proceeds of any such sale shall belong to us, and when we receive these net proceeds, we shall become indebted to the former shareholder for an amount equal to such net proceeds.

## DIFFERENCES IN CORPORATE LAW

The Companies Law is modeled after that of England but does not follow recent United Kingdom statutory enactments and differs from laws applicable to United States corporations and their shareholders. Set forth below is a summary of the significant differences between the provisions of the Companies Law applicable to us and the laws applicable to companies incorporated in the United States and their shareholders.

### Mergers and Similar Arrangements

The Companies Law permits mergers and consolidations between Cayman Islands companies and between Cayman Islands companies and non-Cayman Islands companies. For these purposes, (a) “merger” means the merging of two or more constituent companies and the vesting of their undertaking, property and liabilities in one of such companies as the surviving company and (b) a “consolidation” means the combination of two or more constituent companies into a consolidated company and the vesting of the undertaking, property and liabilities of such companies to the consolidated company. In order to effect such a merger or consolidation, the directors of each constituent company must approve a written plan of merger or consolidation, or a Plan, which must then be authorized by either (a) a special resolution of the shareholders of each constituent company voting together as one class if the shares to be issued to each shareholder in the consolidated or surviving company will have the same rights and economic value as the shares held in the relevant constituent company or (b) a shareholder resolution of each constituent company passed by a majority in number representing 75% in value of the shareholders voting together as one class. The Plan must be filed with the Registrar of Companies together with a declaration as to the solvency of the consolidated or surviving company, a list of the assets and liabilities of each constituent company and an undertaking that a copy of the certificate of merger or consolidation will be given to the members and creditors of each constituent company and published in the Cayman Islands Gazette. Dissenting shareholders have the right to be paid the fair value of their shares (which, if not agreed between the parties, will be determined by the Cayman Islands court) if they follow the required procedures, subject to certain exceptions. Court approval is not required for a merger or consolidation which is effected in compliance with these statutory procedures.

In addition, there are statutory provisions that facilitate the reconstruction and amalgamation of companies, provided that the arrangement in question is approved by a majority in number of each class of shareholders and creditors with whom the arrangement is to be made, and who must in addition represent three-fourths in value of each such class of shareholders or creditors, as the case may be, that are present and voting either in person or by proxy at a meeting, or meetings convened for that purpose. The convening of the meetings and subsequently the arrangement must be sanctioned by the Grand Court of the Cayman Islands. While a dissenting shareholder would have the right to express to the court the view that the transaction ought not to be approved, the court can be expected to approve the arrangement if it satisfies itself that:

- the statutory provisions as to majority vote have been complied with;
- the shareholders have been fairly represented at the meeting in question;
- the arrangement is such as a businessman would reasonably approve; and

- the arrangement is not one that would more properly be sanctioned under some other provision of the Companies Law.

When a take-over offer is made and accepted by holders of 90% of the shares within four months, the offeror may, within a two-month period, require the holders of the remaining shares to transfer such shares on the terms of the offer. An objection can be made to the Grand Court of the Cayman Islands, but this is unlikely to succeed unless there is evidence of fraud, bad faith or collusion. If the arrangement and reconstruction is thus approved, the dissenting shareholder would have no rights comparable to appraisal rights, which would otherwise ordinarily be available to dissenting shareholders of U.S. corporations, providing rights to receive payment in cash for the judicially determined value of the shares. We have not issued preferred shares or adopted other “poison pill” measures that could be used to prevent a takeover attempt as is commonly adopted by U.S. companies. On September 6, 2005, our shareholders’ annual general meeting voted to amend our articles of association to (i) set a three-year term for directors, whose terms previously had not been limited by the articles of association, (ii) create a board with three classes of directors, (iii) authorize the board to appoint directors in addition to the existing directors, up to a total of 11 directors, and (iv) allow shareholders to remove any director during his term only for negligence or other reasonable cause. At that same annual general meeting, the shareholders also voted to amend our articles of association to authorize the board of directors to cause us to repurchase our own shares from time to time. As a result of these measures, as well as other measures we may adopt in the future, shareholders might be prevented from realizing a potential premium on their shares as a result of a takeover attempt.

Cayman Islands law does not require that shareholders approve sales of all or substantially all of a company’s assets as is commonly adopted by U.S. companies.

#### Shareholders’ Suits

Our Cayman Islands counsel is not aware of any reported class action having been brought in a Cayman Islands court. In principle, we will normally be the proper derivative plaintiff, and a derivative action may not be brought by a minority shareholder. However, based on English authorities, which are of persuasive authority in the Cayman Islands, exceptions to the foregoing principle apply in circumstances in which:

- a company is acting or proposing to act illegally or ultra vires;
- the act complained of, although not ultra vires, could be effected only if authorized by more than a simple majority vote, which has not been obtained; or
- those who control the company are perpetrating a “fraud on the minority.”

#### Indemnification

Cayman Islands law does not limit the extent to which a company’s articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime. Our articles of association provide for our directors and officers to be indemnified out of the assets of the company against any liability incurred by him or her as a result of any act or failure to act in carrying out his or her functions other than such liability (if any) that he or she may incur by his own wilful neglect or default.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and, therefore, is unenforceable.

## Corporate Governance

While the Companies Law does not restrict transactions with directors, and common law requires only that directors exercise a duty of care and owe a fiduciary duty to the companies for which they serve, our articles of association restricts transactions between us and our directors.

### BOARD OF DIRECTORS

We are managed by a board of directors which currently consists of five members. At each annual general meeting, one-third of our directors are subject to retirement from office. Retiring directors are eligible for re-election. There are no membership qualifications for directors. There are no share ownership qualifications for directors. The compensation committee under our board will determine the remuneration to be paid to the directors.

On September 6, 2005, our shareholders' annual general meeting voted to amend our articles of association to (i) set a three-year term for directors, whose terms previously had not been limited by the articles of association, (ii) create a board with three classes of directors, (iii) authorize the board to appoint directors in addition to the existing directors, up to a total of 11 directors and (iv) allow shareholders to remove any director during his term only for negligence or other reasonable cause.

Meetings of our board of directors may be convened at any time deemed necessary by any members of our board of directors. Advance notice of a meeting is not required if all our directors are present or represented at the meeting concerned and consent to the holding of such meeting.

A meeting of our board of directors shall be competent to make lawful and binding decisions if any two members of our board of directors are present or represented. At any meeting of our directors, each director, be it by his or her presence or by his or her alternate, is entitled to one vote. A director may vote in respect of any contract or transaction in which he is interested; provided, however, that he or she shall disclose the nature of such interest at or prior to its consideration and any vote on that matter.

The directors may exercise all the corporate powers to borrow money or issue debt and to mortgage our properties. Questions arising at a meeting of our board of directors are required to be decided by simple majority votes of the members of our board of directors present or represented at the meeting. In the case of a tie vote, the chairman of the meeting shall have a second or deciding vote. Our board of directors may also pass resolutions without a meeting by unanimous written consent.

Under Cayman Islands law, our directors have a duty of loyalty and must act honestly and in good faith and in our best interests. Our directors also have a duty to exercise the care, diligence, and skills that a reasonably prudent person would exercise in comparable circumstances. In fulfilling their duties to us, our directors must ensure compliance with the memorandum and articles of association and the class rights vested thereunder in the holders of the shares. A shareholder may, in certain circumstances, have rights to damages if a duty owed by the directors is breached.

### INSPECTION OF BOOKS AND RECORDS

Holders of our ordinary shares will have no general right under Cayman Islands law to inspect or obtain copies of our list of shareholders or our corporate records. However, we will provide our shareholders with annual audited financial statements. See "Where You Can Find More Information."

### AUDIT, NOMINATIONS AND COMPENSATION COMMITTEES

Our Audit, Nominations and Compensation Committees are comprised solely of independent directors.
