Item 4. Ownership:

Beneficial ownership as of December 31, 2009 is incorporated herein by reference from items (5) – (9) and (11) of the cover page of this Schedule 13G. Such shares of Common Stock may be acquired by the Ford Separate Retiree Account established under the UAW Retiree Medical Benefits Trust (the “VEBA”) upon exercise of warrants indirectly owned by it. The Reporting Person, as an investment advisor to the VEBA with respect to the warrants and such shares of Common Stock, has the power to dispose or direct the disposition of the warrants and such shares of Common Stock, and the power to vote or direct the voting of such shares of Common Stock, subject to certain limitations on dispositions and voting set forth in the warrants and in a Securityholder and Registration Rights Agreement between the Issuer and an entity owned by the VEBA. Generally, the warrants can be exercised at any time, but the underlying shares of Common Stock cannot be transferred prior to October 1, 2012, unless the closing sale price of Common Stock was above \$11.04 for at least 20 trading days in the 30 consecutive trading days ending on the last trading day in the preceding calendar quarter. Upon exercise of the warrants, the warrant holder has the option to elect to have the Issuer settle on a cashless, net share basis (i.e., delivering to the holder shares of Common Stock having a value equal to the "in-the-money" value of the warrants being exercised). Further, pursuant to the Securityholder and Registration Rights Agreement, shares of Common Stock issued upon exercise of the warrants must be voted in the same proportionate manner as the other shareholders of Common Stock that were present and entitled to vote at an Issuer shareholders meeting. The Securityholder and Registration Rights Agreement also prohibits the holder of the shares of Common Stock issued upon exercise of the warrants from, among certain other restrictions set forth therein, (x) attempting to appoint or remove a member of the Issuer’s board of directors, (y) depositing any of its voting shares in a voting trust or (z) participating in any Issuer shareholders meeting, except as permitted under the Securityholder and Registration Rights Agreement.

The Reporting Person is controlled by Samuel W. Halpern and Francis X. Lilly, who also may be deemed to be the beneficial owners of such shares of Common Stock beneficially owned by the VEBA.

Item 5. Ownership of Five Percent or Less of a Class:

Not applicable.

Item 6. Ownership of More than Five Percent on Behalf of Another Person:

The Reporting Person is an investment adviser exercising investment discretion with respect to the warrants and the Common Stock on behalf of the VEBA. The VEBA has the right to receive dividends from, and the proceeds of sale of, the warrants and shares of Common Stock reported in Item 4 above.

Item 7. Identification and Classification of the Subsidiary Which Acquired the Security Being Reported on by the Parent Holding Company:

Not applicable.

Item 8. Identification and Classification of Members of the Group:

Not applicable.

Item 9. Notice of Dissolution of Group:

Not applicable.

Item 10.

Certification:

By signing below I certify that, to the best of my knowledge and belief, the securities referred to above were acquired and are held in the ordinary course of business and were not acquired and are not held for the purpose of or with the effect of changing or influencing the control of the Issuer of such securities and were not acquired and are not held in connection with or as a participant in any transaction having such purpose or effect.
