Item 1.01. Entry Into a Material Definitive Agreement.

On March 25, 2011, Patient Safety Technologies, Inc., a Delaware corporation (the “Company”) entered into the First Amendment (“First Amendment”) to Supply and Distribution Agreement with Cardinal Health 200, LLC (“Cardinal Health”) effective as of March 1, 2011 (the “Effective Date”). The First Amendment amends that Supply and Distribution Agreement between the Company and Cardinal Health dated November 19, 2009 (the “Supply Agreement”). The First Amendment amends a number of terms under the Supply Agreement, including but not limited to extending the termination date of the Supply Agreement from November 19, 2014 to December 31, 2015 and adding certain provisions regarding target inventory levels and excess inventory of the Company’s products held by Cardinal Health. Until December 31, 2011, Cardinal Health is required to maintain any inventory in excess of such target inventory levels. Additionally the Company was granted the right to buy back any such excess inventory from Cardinal Health at any time.. Beginning January 1, 2012, Cardinal Health may use excess inventory, if any, to partially meet customer demand according to a formula set forth in the First Amendment which limits the use of any excess inventory over a 12 month time period.

The Company previously issued Cardinal Health, Inc. (an affiliate of Cardinal Health) warrants to purchase 1,250,000 shares of the Company’s common stock at \$2 per share and 625,000 shares of the Company’s common stock at \$4 per share on November 19, 2009. The warrants have a term of five years from the issue date. The Company also granted Cardinal Health, Inc. certain registration rights pursuant to a Registration Rights Agreement dated November 19, 2009.

A copy of the First Amendment is included as Exhibit 10.1 hereto, and the foregoing description of the First Amendment is qualified in its entirety by reference to the full text of such First Amendment, which is hereby incorporated by reference herein. Copies of each of the warrants, Warrant Purchase Agreement, Supply Agreement and Registration Rights Agreement referenced herein were included as Exhibits 4.1, 4.2, 10.1, 10.2 and 10.3 to that current report on Form 8-K filed by the Company on November 24, 2009, and the foregoing description of such Exhibits is qualified in its entirety by the full text of such Exhibits, which is hereby incorporated by reference herein.
